NORTHERN DISTRICT OF CALIFORNIA
OAKLAND DIVISION

SECURITIES AND EXCHANGE COMMISSION, Plaintiff, v. ADESH KUMAR TYAGI, Defendant.	Case No. 4:17-cv-03128-JSW **ORDER MODIFYING JUDGMENT** **Re: Dkt. No. 30**

~~**[PROPOSED] ORDER GRANTING DEFENDANT'S MOTION TO MODIFY**~~

On August 11, 2025, Defendant Adesh Kumar Tyagi ("Tyagi") filed a Motion to Reopen Case and Modify Consent Judgment Pursuant to FRCP 60(b)(5) (the "Motion"). On September 10, 2025, the Court granted the Motion, finding Tyagi had demonstrated that continued application of the lifetime director-and-officer bar in the consent judgment is no longer equitable, and instructed Tyagi to file a proposed amended judgment by September 17, 2025.

The Court, having considered Tyagi's Motion and Exhibit, and finding good cause therefore, hereby **ORDERS** as follows:

A. The August 17, 2017, consent judgment is **MODIFIED** to **REMOVE** from the Judgment paragraph V, which had permanently restrained and enjoined Tyagi from, directly or indirectly, participating in the issuance, purchase, officer, or sale of any security of an entity of which he is an officer, director, owner, direct or indirect, of 10% or more of the issued and outstanding securities, or control person;

B. The August 17, 2017, consent judgment is **MODIFIED** to **REMOVE** from the Judgment paragraph VI, which had imposed a permanent officer-and-director bar.

This Order constitutes the modified judgment in this action. The Clerk shall close the file.

SO ORDERED this 18th day of Seotember, 2025.

Honorable Jeffrey S. White
United States District Judge
