REGULATORY FEES

Options Regulatory Fee*	$0.005 per contract

* The Options Regulatory Fee will be assessed on each ATP Holder for all options transactions, including mini-options, executed or cleared by the ATP Holder that are cleared by The Options Clearing Corporation ("OCC") in the customer range regardless of the exchange on which the transaction occurs. The fee is collected indirectly from ATP Holders through their clearing firms by OCC on behalf of NYSE Amex. Effective December 1, 2012, an ATP Holder shall not be assessed the fee until it has satisfied applicable technological requirements necessary to commence operations on NYSE Amex. The Exchange may only increase or decrease the Options Regulatory Fee semi-annually, and any such fee change will be effective on the first business day of February or August. The Exchange will notify participants via a Trader Update of any change in the amount of the fee at least 30 calendar days prior to the effective date of the change.
