Unilaxy

1. Statement of Work/Services to be Performed

This Statement of Work **("SOW")** is entered into this _____, by and between **Unilaxy Advisors** **("Company")**, having a principal place of business at **22107 Cajun Ct, Canoga Park, CA 91303**, and _____ **("Client")**, having a principal place of business at _____.

2. Project Description

In order to build desired investment identification and monitoring, portfolio optimization and financial/forecast model(s), Client and Company are desirous of entering into a two week engagement to review the existing Client model(s) and change and/or enhance the model(s) as desired by the Client. Since the exact nature of the model(s) and the changes and/or enhancements is not known beforehand, the actual time required to perform the changes and/or enhancements may be different. The details of the engagement are as outlined next.

3. Responsibilities

3.1 Company Responsibilities

Consultant(s) of Company will provide the following services on a TIME and MATERIAL basis. Tasks will include but are not limited to:

- review the existing model(s)
- change and/or ehance the model(s) as desired by the Client

3.2 Client Responsibilities

Client will provide access to systems, documents, and other resources for conducting the study and analysis. Client will provide equipment (e.g. computer, network access, phone) and software required to perform job functions.

3.3 Deliverables

Consultant(s) of Company will provide the model(s) after making changes and enhancements as desired by the Client. Since the exact nature of the model(s) and the changes and/or enhancements is not known beforehand, the actual time required to perform the changes and/or enhancements may be different. Since the workload may be more than what can be resonably completed in two weeks time, the Consultant(s) and Company are not bound to deliver the desired changes in the two week time period. If more time is required, then Client agrees to provide additional time at the prearranged rates.

4. Duration

This SOW shall commence on _____ and shall continue until _____.

5. Early Termination

This SOW is cancelable by either party at any time.

6. Staffing

Resource	Location	Role	Start Date	End Date

7. Payment

Client agrees to pay Company for the services described herein at the daily rates specified below. Payment terms would be 15 days net. The standard rates table is as follows:
