Note: Some documents have both been submitted to the Regulatory News Service and posted on the Company's own website; other documents have been filed at Companies House and submitted to the UKLA Document Disclosure Team and also made available in electronic form through the Company's website.

Warning: The information referred to above is by its nature historic, may be out of date and should not be relied upon as reflecting the current or future position of the Company. Certain information was prepared for and only for the members of the Company as a body and for no other persons and its purpose was to assist shareholders to assess the Company's strategies and the potential for those strategies to succeed

and for no other purpose. The Company, its directors, employees, agents or advisers do not accept or assume responsibility for any other purpose or to any other person to whom such documents are shown or into whose hands they may come and any such responsibility or liability is expressly disclaimed. Certain documents contain forward looking statements that are subject to risk factors associated with, amongst other things, the economic and business circumstances occurring from time to time in the countries, sectors and markets in which the Company operates. These and other factors could adversely affect the outcome and financial effects of the plans and events described. By their nature, forward looking statements involve a number of risks, uncertainties and assumptions because they relate to events and/or depend on circumstances that may or may not occur in the future and could cause actual results and outcomes to differ materially from those expressed in or implied by the forward looking statements. At the time of writing of such documents, it was believed that the expectations reflected in these statements were reasonable but they may be affected by a wide range of such variables. No assurances can be given that the forward looking statements will be realised. The forward looking statements reflect the knowledge and information available at the date of their preparation.

Notes

1 The original instrument (if any) creating or evidencing the charge, together with these prescribed particulars correctly completed must be delivered to the Registrar of Companies within 21 days after the date of creation of the charge (section 395). If the property is situated and the charge was created outside the United Kingdom delivery to the Registrar must be effected within 21 days after the date on which the instrument could in due course of post, and if dispatched with due diligence, have been received in the United Kingdom (section 398). A copy of the instrument creating the charge will be accepted where the property charged is situated and the charge was created outside the United Kingdom (section 398) and in such cases the copy must be verified to be a correct copy either by the company or by the person who has delivered or sent the copy to the registrar. The verification must be signed by or on behalf of the person giving the verification and where this is given by a body corporate it must be signed by an officer of that body. A verified copy will also be accepted where section 398(4) applies (property situate in Scotland or Northern Ireland) and Form No. 398 is submitted.

2 A description of the instrument, eg "Trust Deed", "Debenture", "Mortgage", or "Legal charge", etc, as the case may be, should be given.

3 In this section there should be inserted the amount or rate per cent. of the commission, allowance or discount (if any) paid or made either directly or indirectly by the company to any person in consideration of his:

(a) subscribing or agreeing to subscribe, whether absolutely or conditionally, or

(b) procuring or agreeing to procure subscriptions, whether absolute or conditional,

for any of the debentures included in this return. The rate of interest payable under the terms of the debentures should not be entered.

4 If any of the spaces in this form provide insufficient space the particulars must be entered on the prescribed continuation sheet.

5 A fee of £13 is payable to Companies House in respect of each register entry for a mortgage or charge. Cheques and Postal Orders are to be made payable to **Companies House**.
