Form 10-K for Fiscal Year Ended December 31, 2005

Item 1. Business, page 3

1. We note that your license renewal applications for WFOX-FM, WHKO-FM and WHIO-AM remain pending due to the application by the FCC of the current newspaper/broadcast cross-ownership rule and that you have applied for temporary waivers. Tell us how you considered these circumstances in determining that these licenses were indefinite-lived assets under SFAS 142.

Financial Statements

4. Acquisitions and Dispositions of Businesses, page 43

2. Refer to the 2nd to last paragraph of this footnote and explain to us in detail how you accounted for this exchange of stations. Also tell us how you calculated the \$2.9 million loss on loan guarantee related to this transaction.
3. Refer to the last paragraph of this footnote and explain to us how you accounted for the \$2 million payment for the option to purchase certain radio stations. Please also tell us the facts and circumstances that may require you to pay additional fees of up to \$10 million and why you do not believe it was necessary to accrue this amount at December 31, 2005. Please clarify your disclosure in future filings.

6. Property and Equipment, page 44

4. Taking into consideration the circumstances that caused you to recognize an impairment charge on the Birmingham market goodwill, tell us whether you first tested your long-lived assets pursuant to SFAS 144. If you did test your long-lived assets for impairment, explain to us in why an impairment charge was not recognized. If you have not tested your long-lived assets for impairment explain to us why not. Please also tell us how you group your long-lived assets for purposes of testing your long-lived assets for impairment using the guidance of paragraphs 10-12 of SFAS 144.

7. Goodwill and Other Intangible Assets, page 44

5. We note on page 40 and 45 that you reclassify the costs of signal upgrades from other assets to FCC licenses upon the completion of the upgrade. Please tell us in more detail what kind of costs you capitalized for these signal upgrades and explain to us your basis for capitalizing these costs and classifying them as FCC

licenses. Reference all US GAAP literature that supports your accounting treatment.

6. We note that you determined in 2005 that approximately \$209 million of FCC licenses had been misclassified as goodwill in your balance sheet at December 31, 2004. Describe for us in more detail the nature and cause of this error and confirm whether you re-performed your impairment test for FCC licenses for prior periods.
