1.5 Conversion of Shares in Merger.

(a) Any shares of Company Common Stock or Company Preferred Stock then held by the Company (or held in the Company's treasury) shall be canceled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(b) Each share of the common stock of Merger Sub outstanding immediately prior to the Effective Time shall be converted into one share of common stock of the Surviving Corporation immediately after the Effective Time.

(c) Subject to Sections 1.9 and 1.10, at the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company or any stockholder of the Company, each share of Company Common Stock outstanding immediately prior to the Effective Time shall be converted into the right to receive that number of shares of Parent Common Stock equal to the Common Exchange Ratio.

1.6 Options to Acquire Company Capital Stock. At the Effective Time, each Company Option, whether vested or unvested, shall be substituted or replaced by Parent in accordance with the terms (as in effect as of the date of this Agreement) of the Stock Option Plan and the stock option agreement by which such Company Option is evidenced with a new Parent Option under the Parent Option Plan. Accordingly, from and after the Effective Time:

(a) each Parent Option issued as a replacement or substitute for a Company Option may be exercised solely for shares of Parent Common Stock;

(b) the number of shares of Parent Common Stock subject to each Parent Option shall be equal to the number of shares of Company Common Stock that were subject to the replaced or substituted Company Option immediately prior to the Effective Time multiplied by the Common Exchange Ratio, rounded down to the nearest whole number;

(c) the per share exercise price for the shares of Parent Common Stock issuable upon exercise of each replacement or substituted Parent Option shall be determined by dividing the exercise price per share of Company Common Stock subject to such Company Option as in effect immediately prior to the Effective Time, by the Common Exchange Ratio, and rounding the resulting exercise price up to the nearest one-tenth (1/10) of one cent;

(d) the replacement or substituted Parent Option shall contain the same restrictions on exercise and the same term, exercisability and vesting schedule as in effect on the Closing Date for the Company Option that was replaced or substituted; and

(e) the adjustment provisions herein with respect to any Company Options that are incentive stock options as defined in Section 422 of the Code shall be and are intended to be effected in a manner which is consistent with Section 424(a) of the Code and which does not modify the incentive stock option within the meaning of Section 424(h) of the Code.

The Company and Parent shall take all action that may be necessary under the Stock Option Plan and Parent Stock Option Plan, to effectuate the provisions of this Section 1.6, including adopting such resolutions and obtaining any consents as required. Following the Closing, Parent will send to each holder of a replaced or substituted Company Option a replacement or substituted Parent Stock Option, including (i) a grant notice setting forth (A) the number of shares of Parent Common Stock subject to such replaced or substituted Company Option; (B) the exercise price per share of Parent Common Stock issuable upon exercise of such replaced or substituted Company Option; and (C) the vesting schedule for the replacement or substituted Parent Stock Option and (ii) a Parent stock option agreement related to the replacement or substituted Parent Stock Option.

1.7 Warrants to Acquire Company Capital Stock. Prior to the Effective Time, Company shall enter into an agreement with each holder of a Company Warrant to provide that subject to the Closing of the Merger and as of the Effective Time, each Company Warrant will be exchanged for a new warrant issued by Parent ("**Parent Warrant**"), or shall be amended or modified to automatically be converted into a warrant issued by Parent, in each case in form and substance reasonably acceptable to Parent, which shall be exercisable for a number of shares of Parent Common Stock equal to the number of shares of Company Common Stock or Company Preferred Stock, as applicable, that were subject to the exchanged Company Warrant immediately prior to the Effective Time multiplied by the Common Exchange Ratio, rounded down to the nearest one-tenth (1/10) of a share. The per share exercise price for the shares of Parent Common Stock issuable upon exercise of each exchanged Parent Warrant shall be determined by dividing the exercise price per share of Company Common Stock or Common Preferred Stock subject to such Company Warrant as in effect immediately prior to the Effective Time, by the Common Exchange Ratio, and rounding the resulting exercise price up to the nearest one-tenth (1/10) of one cent, and the exchanged Parent Warrant shall contain the same restrictions on exercise and the same term, exercisability and vesting schedule as in effect on the Closing Date for the Company Warrant that was replaced or substituted.

The Company and Parent shall take all action necessary to effectuate the provisions of this Section 1.7 including in the case of the Company obtaining the Consent of all holders of Company Warrants to exchange the Company Warrants in accordance with this Section 1.7.

1.8 Closing of the Company's Transfer Books. At the Effective Time: (a) all shares of capital stock of the Company outstanding immediately prior to the Effective Time shall automatically be canceled and retired and shall cease to exist, and all holders of certificates representing shares of capital stock of the Company that were outstanding immediately prior to the Effective Time shall cease to have any rights as stockholders of the Company, and (b) the stock transfer books of the Company shall be closed with respect to all shares of such capital stock of the Company outstanding immediately prior to the Effective Time. No further transfer of any such shares of capital stock of the Company shall be made on such stock transfer books after the Effective Time. If, after the Effective Time, a valid certificate previously representing any shares of capital stock of the Company (a "**Company Stock Certificate**") is presented to the Surviving Corporation or Parent, such Company Stock Certificate shall be canceled and shall be exchanged as provided in Section 1.9.

1.9 Exchange of Certificates.

(a) On the Closing Date, to the extent that the Company shall have delivered a written request to Parent and the relevant Company Stock Certificates have been surrendered for cancellation to Parent no later than five (5) business days prior to the Closing Date and Parent has received a letter of transmittal from the relevant holder of Company Capital Stock in customary form and containing such customary provisions (as reasonably agreed to by Parent and Company within 10 days after the date of this Agreement), Parent shall deliver certificates representing shares of Parent Common Stock to each such holder of record of a Company Stock Certificate that immediately prior to the Effective Time represented outstanding shares of Company Capital Stock whose shares were converted into the right to receive shares of Parent Common Stock pursuant to Section 1.5(c). As soon as reasonably practicable after the Effective Time, Parent will send (or cause to be sent) to the record holders of Company Stock Certificates (other than record holders of Company Stock Certificates as to which certificates representing Parent Common Stock are delivered at Closing) (i) a letter of transmittal in customary form and containing such customary provisions as Parent or its transfer agent may reasonably specify (including a provision confirming that delivery of Company Stock Certificates shall be effected, and risk of loss and title to Company Stock Certificates shall pass, only upon delivery of such Company Stock Certificates to Parent), and (ii) instructions for use in effecting the surrender of Company Stock Certificates in exchange for the Merger Consideration. Upon surrender of a Company Stock Certificate to Parent or its transfer agent for exchange, together with a duly executed letter of transmittal and such other documents as may be reasonably required by Parent, Parent shall cause to be delivered to the holder of such Company Stock Certificate a certificate representing that number of shares of Parent Common Stock that such holder has the right to receive pursuant to Section 1.5(c) rounded up to the nearest whole number. All Company Stock Certificates so surrendered shall be canceled. Until surrendered as contemplated by this Section 1.9, each Company Stock Certificate shall be deemed, from and after the Effective Time, to represent only the right to receive the Merger Consideration in accordance with this Agreement. If any Company Stock Certificate shall have been lost, stolen or destroyed, Parent may, in its discretion and as a condition precedent to the issuance of any certificate representing Parent Common Stock or the payment of cash in lieu of fractional shares, require the owner of such lost, stolen or destroyed Company Stock Certificate to provide an appropriate affidavit and indemnity and to deliver a bond (in such sum as Parent may reasonably direct) as indemnity to Parent against any claim that may be made against Parent or the Surviving Corporation with respect to such Company Stock Certificate.

(b) No dividends or other distributions declared or made with respect to Parent Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Company Stock Certificate with respect to the shares of Parent Common Stock represented thereby, and no cash payment in lieu of any fractional share shall be paid to any such holder, until such holder surrenders such Company Stock Certificate or an appropriate affidavit and bond with respect to any lost, stolen or destroyed Company Stock Certificate, in each case in accordance with this Section 1.9 (at which time such holder shall be entitled to receive all such dividends and distributions and such cash payment).

(c) Each of Parent and the Surviving Corporation shall be entitled to deduct and withhold from any consideration payable or otherwise deliverable pursuant to this

Agreement such amounts as Parent and the Surviving Corporation are required to deduct or withhold therefrom under the Code or any provision of state, local or foreign tax law or under any other applicable Legal Requirement. To the extent Parent or the Surviving Corporation is deducting and withholding any such consideration based on any Legal Requirement other than any Legal Requirement under the Code, Parent or the Surviving Corporation, as applicable, shall use its commercially reasonable efforts to notify the Company of the amounts required to be withheld and the Legal Requirement that imposes such withholding obligation at least ten (10) days prior to the date when the applicable withholding shall be made, and in any event shall provide such notification when such withholding is made. To the extent such amounts are so deducted or withheld, such amounts shall be treated for all purposes under this Agreement as having been paid to the Person to whom such amounts would otherwise have been paid.

(d) Each certificate representing shares of Parent Common Stock to be issued in accordance with this Agreement shall bear a legend substantially in the following form:

“THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED, PLEDGED OR HYPOTHECATED UNLESS AND UNTIL SUCH SHARES ARE REGISTERED UNDER SUCH ACT OR AN OPINION OF COUNSEL SATISFACTORY TO PARENT IS OBTAINED TO THE EFFECT THAT SUCH REGISTRATION IS NOT REQUIRED”.

(e) Neither Parent nor the Surviving Corporation shall be liable to any holder or former holder of capital stock of the Company or to any other Person for any shares of Parent Common Stock (or dividends or distributions with respect thereto), or for any cash amounts, delivered to any public official pursuant to any applicable abandoned property law, escheat law or similar Legal Requirement.

1.10 Appraisal Rights.

(a) Notwithstanding any other provision of this Agreement to the contrary, shares of Company Capital Stock that have not been voted in favor of (nor consented in writing to) adoption of this Agreement, and with respect to which a demand for payment and appraisal have been properly made in accordance with (i) Section 262 of DGCL or (ii) Chapter 13 of the California Corporations Code (to the extent applicable to the Company by virtue of Section 2115 thereof) (in either case, “*Dissenting Shares*”), will not be converted into or represent the right to receive the Merger Consideration in accordance with Section 1.5(c) and Section 1.9, but will be converted into the right to receive such consideration as may be determined to be due with respect to such Dissenting Shares pursuant to the DGCL or the California Corporations Code, as applicable; *provided, however*, that if a holder of Dissenting Shares (a “*Dissenting Stockholder*”) withdraws such holder’s demand for such payment and appraisal or becomes ineligible for such payment and appraisal then, as of the later of the Effective Time or the date on which such Dissenting Stockholder withdraws such demand or otherwise becomes ineligible for such payment and appraisal, such holder’s Dissenting Shares will cease to be Dissenting Shares and will be converted into the right to receive Parent Common Stock as determined in accordance with Section 1.5(c).

(b) The Company shall give Parent (i) prompt written notice of any demands by Dissenting Stockholders received by the Company prior to the Effective Time, withdrawals of such demands and any other material notice, instrument or correspondence delivered to the Company prior to the Effective Time in connection with such demands, and (ii) the opportunity to participate in all negotiations and proceedings with respect to any such demand, notice, instrument or correspondence. The Company shall not make any payment or settlement offer prior to the Effective Time with respect to any such demand unless Parent shall have consented in writing to such payment or settlement offer.

1.11 Further Action. If, at any time after the Effective Time, any further action is reasonably determined by Parent to be necessary or desirable to carry out the purposes of this Agreement and any Related Agreement or to vest the Surviving Corporation or Parent with full right, title and possession of and to all rights and property of Merger Sub, the Company and the Surviving Corporation, the officers and directors of the Surviving Corporation and Parent shall be fully authorized (in the name of Merger Sub, in the name of the Company, in the name of the Surviving Corporation and otherwise) to take such action.

The Company is, and has at all times been, in compliance in all material respects with all Legal Requirements that are applicable to the conduct of its business, including Company Products or the ownership of its assets. There are no unsatisfied liabilities for Taxes with respect to any notice of deficiency or similar document received by the Company with respect to any Tax. There are no liens for Taxes upon any of the assets of the Company except liens for current Taxes not yet due and payable. The Company has not been, and the Company will not be, required to include any adjustment in taxable income for any tax period (or portion thereof) after the Closing pursuant to Section 481 of the Code or any comparable provision under state or foreign Tax laws as a result of changes in accounting methods employed prior to the Closing.

(e) Except as set forth in Part 2.13(e) of the Disclosure Schedule, there is no agreement, plan, arrangement or other Contract covering any employee or independent contractor or former employee or independent contractor of the Company that, considered individually or considered collectively with any other such Contracts, will, or could reasonably be expected to, give rise directly or indirectly to the payment of any amount that would not be deductible pursuant to Section 280G of the Code. The Company is not a party to any Contract that would require, nor does the Company have any obligation (current or contingent), to compensate any individual for excise taxes paid pursuant to Section 4999 of the Code.
