Item 1. Security and Issuer

This Schedule 13D (“Schedule 13D”) relates to the common stock, par value \$0.001 per share (the “Common Stock”), of Lumber Liquidators Holdings, Inc., a Delaware corporation (the “Issuer”). The principal executive offices of the Issuer are located at 3000 John Deere Road, Toano, Virginia 23168.

Item 2. Identity and Background

This statement is being filed by Thomas D. Sullivan, a citizen of the United States, and F9 Investments, LLC, a Florida limited liability company. The principal office for the Reporting Persons is 844 Alton Road, Miami Beach, FL 33139. Mr. Sullivan’s principal employment is as CEO of Cabinets to Go located at 2350 W O Smith Street, Lawrenceburg, TN 38464 and as the Sole Member of F9 Investments LLC, an investment company. During the last five years, none of the Reporting Persons (i) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violations with respect to such laws.

Item 3. Source and Amount of Funds or Other Considerations

Item 3 of Schedule 13D is amended as follows:

The source of funding for the transactions pursuant to which the Reporting Persons obtained beneficial ownership of Common Stock was derived from the personal capital of Thomas D. Sullivan.

Within the last 60 days, all shares of Common Stock acquired were bought on the open market (transactions are described in Item 5c); in addition, non-beneficially owned stock options were also purchased on the open market which as of September 4, 2019 became exercisable and are therefore now beneficially owned. On trade dates September 11 and 12, 2019, the Reporting Persons sold shares of Common Stock and the beneficially owned options contracts exclusively on the open market. The older positions in the security have been held for an extended period by the Reporting Persons and are a long-term investment position.

Item 4. Purpose of Transaction

Item 4 of Schedule 13D is amended as follows:

The Reporting Person previously wanted to explore various options and to propose transactions which relate to or would result in one or more of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D. The reporting person sought to speak with representatives of the issuer’s board of directors and management, as well as other investors and interested parties, and discuss strategic alternatives including but not limited to:

- (i) a potential sale of the Issuer in which the Reporting Persons may participate and potentially engage in, as a purchaser or investor, and
- (ii) a potential combination of the Issuer with Cabinets to Go, LLC., a national retailer of kitchen cabinets, flooring, countertops, and installation services wholly owned by the Reporting Persons.

The Reporting Persons and their affiliates may, directly or indirectly, take such additional steps from time to time as they may deem appropriate to further this exploration including, without limitation,

- (i) engaging in discussions with the Issuer, other stockholders, potential sources of debt and equity financing, advisors, and other relevant parties, and
- (ii) entering into non-disclosure, financing commitments, and other agreements, arrangements and understanding as may be appropriate, as may be modified from time to time.

The Reporting Person will continue to reserve the right, from time to time and at any time:

- (i) acquire additional shares and/or other equity, debt, notes, instruments or other securities of the issuer and/or its affiliates (collectively, "Securities") in the open market or otherwise;
- (ii) Dispose of any or all of their Securities in the open market or otherwise; or
- (iii) engage in any hedging or similar transactions with respect to the securities.

Due to the significant price appreciation of the stock price since the initial Schedule 13D was filed, the Reporting Persons, as of September 11, 2019, believe that the Common Stock is no longer undervalued. Furthermore, discussion regarding potential actions specified in clauses (a) through (j) of Item 4 of Schedule 13D are now less prudent at these elevated levels. The Reporting Persons reserve the right to revisit potential options and propose transactions at a later time.

Item 5. Interest in Securities of the Issuer

Item 5 of Schedule 13D is amended as follows:

(a) The number of shares that are beneficially owned and the percent of class is in the information set forth on rows 11 and 13 of the cover page of this Schedule 13D which is incorporated by reference. The percent of class is based on the number of outstanding shares, 28,701,000, as indicated on the 10Q filing for Lumber Liquidators Holding, Inc. on August 7, 2019. On September 12, 2019, the number of beneficially owned shares decreased to 461,895 shares, or 1.61% of the outstanding Common Stock, the exercisable stock options to purchase 500,000 shares of Common Stock were all sold.

(b) Thomas D. Sullivan has the sole power to vote or to direct the vote, sole power to dispose or to direct the disposition, or shared power to dispose or to direct the disposition for the number of shares indicated in the information set forth in rows 7 through 10 of the cover page to this Schedule 13D which is incorporated by reference.

(c) In the last 60 days, F9 Investments, LLC acquired 1,346,240 shares of Common Stock between trade dates August 7 to August 16, 2019 with an average price of \$7.88 per share. On September 4, 2019, previously purchased 5000 Sept 20, 2019 \$10 Strike Calls to purchase 500,000 shares of Common Stock became exercisable. From trade date September 11 through September 12, 2019, the Reporting Persons sold a total of 1,250,472 shares of Common Stock with an average price of \$11.68 per share, and 5000 Sept 20, 2019 \$10 Strike Call Options to Purchase 500,000 shares at an average price of \$2.20 per contract making the total of 1,750,472 beneficially owned shares sold. In the last 60 days, all shares or options were acquired or sold on the open market. 366,127 shares of Common Stock were held previously as a long-term investment.

(d) No person (other than the Reporting Persons) is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Common Stock subject to this Schedule 13D.
