COVENANTS

6. ***Conversion into Common Stock***

a. At any time before the Maturity Date, Maker shall have the right, but not the obligation, to cause the Holder to convert this Note into Common Stock of the Maker or any security convertible into Common Stock of the Maker (the "Conversion Shares"), The price at which the Notes may be convertible into shares of the Company's common stock will be one dollar \$1 per share, meaning the principle plus interest will be divided by one dollar \$1 to get the number of common shares. (the "Conversion Price")

b. Maker shall give written notice of its decision to exercise its right to convert the Note or part thereof by delivering an executed and completed notice of conversion setting forth the amount of the Note to be converted, the conversion date and Conversion Price ("Notice of Conversion") to Holder. Holder will not be required to surrender the Note until the Note has been fully converted or satisfied. Each date on which a Notice of Conversion is faxed to the Company in accordance with the provisions of this Section shall be deemed a "Conversion Date" hereunder.

c. As promptly as practical after the conversion, Maker will instruct or cause the transfer agent to deliver certificates representing the Conversion Shares to Holder via express courier for receipt within three (3) business days after receipt by Maker of the Notice of Conversion (the "Delivery Date"). A new promissory note representing the balance of the Note not so converted and containing the same provisions and terms as set forth in this Note will be provided to Holder, if requested by Holder, provided the original Note is delivered to Maker. The issuance of certificates for Conversion Shares shall be made without charge to Holder thereof for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such certificate.

d. No fractional shares of Common Stock shall be issued upon conversion. In lieu of Maker issuing any fractional shares to the Holder upon the conversion, Maker shall round such number of shares to be issued to Holder to the next highest number of shares.

7. *Covenants of Maker regarding Shares.*

a. In the event Maker should at any time or from time to time after the date of issuance hereof while this Note (or any new note) is outstanding (i) fix a record date for the effectuation of a split or subdivision of the outstanding shares of common stock or the determination of holders of common stock entitled to receive a dividend or other distribution payable in additional shares of common stock or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional shares of common stock (hereinafter referred to as the "Common Stock Equivalents") without payment of any consideration by such holder for the additional shares of common stock or the Common Stock Equivalents (including the additional shares of common stock issuable upon conversion or exercise thereof), or (ii) issue any Common Stock Equivalents for a consideration per share less than the Conversion Price in effect immediately prior to the time of such issuance, or issue rights, options or warrants to all holders of Common Stock (and not to the Holder) entitling them to subscribe for or purchase shares of Common Stock or Common Stock Equivalents at a price per share less than the Conversion Price, or issue other securities or debt that are convertible into or exchangeable for shares of Common Stock Equivalents entitling any person to acquire shares of Common Stock, at a price per share less than the Conversion Price, or any other event which might result in a change in the percentage or number of Conversion Shares Holder is entitled to hereunder, then, as of such record date, (or the date of such dividend distribution, split or subdivision if no record date is fixed), the Conversion Price shall be appropriately decreased, as the case shall be, so that the number of shares of common stock issuable upon conversion shall be increased in proportion to such increase of outstanding shares, and Maker shall take whatever measures are necessary to insure that the Holder's share ownership in Maker which the Note may be converted into would not be reduced. Any adjustments required hereunder shall be deemed effective retroactive to the applicable record date. Whenever the Conversion Price is adjusted pursuant to this Note, the Maker shall promptly mail to the Holder a notice

setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

b. In case of (i) a capital reorganization, reclassification or recapitalization of the Maker's capital stock (other than in the cases referred to in Section 8(c) hereof), (ii) the Maker's consolidation or merger with or into another corporation in which the Maker is not the surviving entity, or a reverse triangular merger in which the Maker is the surviving entity but the shares of the Maker's capital stock outstanding immediately prior to the merger are converted, by virtue of the merger, into other property, whether in the form of securities, cash or otherwise, or (iii) the sale or transfer of the Maker's property as an entirety or substantially as an entirety, then, as part of such reorganization, reclassification, recapitalization, merger, consolidation, sale or transfer, lawful provision shall be made so that there shall thereafter be deliverable upon the conversion of this Note or any portion thereof (in lieu of or in addition to the number of shares of Common Stock therefore deliverable, as appropriate), and without payment of any additional consideration, the number of shares of stock or other securities or property would otherwise have been deliverable to Holder had the Holder converted this Note or any portion thereof immediately prior to such reorganization, reclassification, recapitalization, consolidation, merger, sale or transfer. This Section 8(b) shall apply to successive reorganizations, reclassifications, recapitalizations, consolidations, mergers, sales and transfers and to the stock or securities of any other corporation that are at the time receivable upon the conversion of this Note. If the per-share consideration payable to the Holder for shares of Common Stock in connection with any transaction described in this Section 8(b) is in a form other than cash or marketable securities, then the value of such consideration shall be determined in good faith by the Maker's Board of Directors.

c. If the Maker changes any of the securities as to which purchase rights under this Note exist into the same or a different number of securities of any other class or classes, this Note shall thereafter represent the right to acquire such number and kind of securities as would have been issuable as the result of such change with respect to the securities that were subject to the purchase rights under this Note immediately prior to such reclassification or other change and the Conversion Price therefor shall be appropriately adjusted.

d. Maker shall at times reserve and keep available out of its authorized but unissued shares of common stock solely for the purposes of effecting the conversion of this Note such number of its shares of common stock as shall from time to time be sufficient to effect the conversion of this Note.

e. Maker is aware and acknowledges that conversion of the Note could cause dilution to existing shareholders and could significantly increase the outstanding number of shares of common stock. Maker warrants that no rights have been granted to any holder of common stock that would prevent dilution or enlargement of the rights held by Holder hereunder.

8. **Indemnification.** Maker shall, at Maker's expense, protect, defend, indemnify, save and hold Holder harmless against any and all claims, demands, losses, expenses, damages, causes of action (whether legal or equitable in nature) asserted by any person or entity arising out of, caused by or relating to this Note, including without limitation the construction of the Note and the use or application of the proceeds of this Note, and Maker shall pay Holder upon demand all claims, judgments, damages, losses and expenses (including court costs and reasonable attorneys' fees and expenses) incurred by Holder as a result of any legal or other action arising out of this Note as aforesaid.
