

GOLDCORP DECLARES QUARTERLY DIVIDEND OF \$0.02 PER SHARE

Vancouver, December 4, 2017 – GOLDCORP INC. (TSX: G, NYSE: GG) is pleased to announce that its Board of Directors declared a fourth quarterly dividend for 2017 of \$0.02 per share. Shareholders of record as of the close of business on Thursday, December 14, 2017 will be entitled to receive payment on Friday, December 22, 2017.

Dividend Reinvestment Plan

Goldcorp has implemented a Dividend Reinvestment Plan ("DRIP"). For the purposes of the quarterly dividend, the Company has elected to issue common shares under the DRIP through treasury at a 3% discount to the Average Market Price. Dividends are only payable as and when declared by Goldcorp's Board of Directors and there is no entitlement to any dividend prior thereto. Goldcorp may, from time to time, in its discretion, change or eliminate the discount applicable to treasury acquisitions or direct that such common shares be purchased in market acquisitions at the prevailing market price, any of which would be publicly announced. Participation in the DRIP is optional and will not affect shareholders' cash dividends unless they elect to participate in the DRIP. Participation in the DRIP is open to all registered and beneficial shareholders in Canada and the United States. Shareholders that are resident in jurisdictions other than Canada and the United States may also participate in the DRIP, subject to any restrictions of laws in such shareholder's jurisdiction of residence.

The DRIP and enrollment forms are available on the Company's website, www.goldcorp.com, in the "Investor Resources - Stock Information" section under "Dividends".

Registered shareholders may also enroll in the DRIP online through the plan agent's self-service web portal at the following link: [DRIP Online Enrollment](#)

All shareholders considering enrollment in the DRIP should carefully review the terms of the DRIP and consult with their advisors as to the implications of enrollment in the DRIP.
