LITL STRIKES A MAJOR DEAL:

L International Computers Inc., a renowned manufacturer of high-performance computers and personal technology, today announced a purchasing/distribution agreement with Stampede-US. This strategic alliance provides "L" with a competitive edge in directly accessing and deal-making with high-tech electronics manufacturers and research partners such as Hitachi, Infocus, Mitsubishi, NEC, Samsung, Sharp, Toshiba, Viewsonic, Christie, Optoma, Cambridge, Denon, and Navitar. As "L" expands its reach in the high-end computing, personal electronics, industrial and professional audio visual integrated systems markets, the new alliance with Stampede-US provides the corporation with a premium relationship for the marketing of its products. It also presents "L" with a leading competitive edge in large-volume purchasing of components and finished products.

Industry recognized for its value added distribution and sales network, Stampede is a leading name in the high-end presentation, HT and large venue corporate display markets providing a complete range of products and brand names from the world's leading brands in the audio visual computer and home theater industries in the United States, Canada, and Latin America. Uniquely recognized nationally and regionally for its commitment to excellence, Stampede has rapidly expanded with offices and distribution warehouses in Buffalo, Miami, Montreal, Phoenix, Seattle, and Toronto.
