**Re: Model Privacy Form – Interagency Proposal for Notice
under the Gramm-Leach-Bliley Act**

Dear Ladies and Gentlemen:

The American Insurance Association (AIA) is a trade association which represents property and casualty insurers doing business across the country and around the world. Although the proposing agencies are not the functional regulators of insurers, insurers are “financial institutions” under the Gramm-Leach Bliley Act (GLBA). Some integrated financial institutions do business across multiple sectors of the industry – banking, securities and/or insurance. As such, the Interagency Proposal for a Model Privacy Form (Proposed Model or Proposed Form) interests AIA members.
