## ADMINISTRATIVE PROCEEDINGS

---

### ROGER HOUDEK CHARGED

The Denver Regional Office announced that on August 1 the Commission instituted public administrative proceedings against Roger J. Houdek based upon a permanent injunction entered against Houdek and the underlying facts [SEC v. Roger J. Houdek, 87-M-1434, USDC Colorado 1991].

The allegations include, among other things, that between in or about July 1982 and November 1984, defendant Houdek offered and sold unregistered securities in the form of limited partnership interests to unsophisticated investors. The allegations also state that Houdek used pre-existing relationships of trust and confidence with former insurance clients to change these clients' investment strategies from conservative annuity investments for retirement to highly speculative limited partnership interests. Houdek obtained commissions and fees from investors' funds without full disclosure and commingled partnership funds. He also misrepresented the financial stability and future earning prospects of the limited partnerships and misrepresented his experience with and understanding of limited partnership offerings in the transactions with his customers. The allegations further states that Houdek misrepresented his knowledge of the tax laws and tax consequences of his customers' investments. A date for the hearing has not yet been set. (Rel. 34-29514)

### PACIFIC STOCK EXCHANGE ACTION AGAINST DAVID ORNSTIL AFFIRMED

The Commission has affirmed sanctions imposed by the Pacific Stock Exchange (PSE) on David J. Ornstil of San Francisco, California. Ornstil is a PSE member and a registered market maker on the Exchange Options Trading Floor. The Exchange fined Ornstil \$5,000 and suspended him as a market maker on the floor for two months, during which time he is prohibited from effecting opening transactions for his market maker account.

The Commission found, as had the PSE, that Ornstil violated the PSE constitution by using indecorous, unprofessional and abusive language in addressing an Exchange hearing panel and certain Exchange staff members during a formal disciplinary hearing in 1988. In affirming the sanctions imposed by the Exchange, the Commission stated that "conduct such as that in which Ornstil engaged undermines the PSE's ability to carry out its self-regulatory functions and cannot be countenanced." (Rel. 34-29513)
