RE: SEC File No. 4-500 Request for Rulemaking Regarding Member  
Records of "Short" Positions and Reporting and Public Dissemination  
of Aggregate Positions by Security

Dear Mr. Katz,

As the Chairman and CEO of an OTCBB traded company, this letter is to urge your support of the Pink Sheets request for rulemaking regarding member records of "short" positions and reporting and public dissemination thereof. This action is critical to transparency and efficiency in the OTC markets. Small issuers deserve the same regulatory oversight as those listed on Exchanges or NASDAQ.

Sincerely,

Robert C. Bishop  
Chairman and CEO
