Dear Sir or Madam,

I support to the SEC for the Pink Sheets' Request for Rulemaking Regarding Member Records of "Short" Positions and Reporting and Public Dissemination.

SEC File No. 4-500. I am requesting for Rulemaking Regarding Member Records of "Short" Positions and Reporting and Public Dissemination of Aggregate Positions by Security.

I demand you change NASD Rule 3360 immediately.

Thank you, Rachel Veazey

I am also petitioning the SEC on behalf of this problem which is stated below:

Therefore, Pink Sheets has petitioned the SEC to cause the amendment of NASD Rule 3360 and require NASD broker dealers to maintain a record of total "short" positions in all customer and proprietary firm accounts in all publicly traded equity securities as well as report this information to the NASD for public dissemination of the short positions by security. The SEC's action is urgently needed to prevent fraudulent acts, expose market manipulation, promote fair principles of trade and protect investors.
