Subject: SEC File No. 4-500

To whom to be concerned,

Request for Rulemaking Regarding Member Records of "Short" Positions and Reporting and Public Dissemination of Aggregate Positions by Security.

The SEC needs to know that the lack of short sale information in our securities is unacceptable and demand they change NASD Rule 3360 immediately.

Without this rule change investors and securities regulators will be blind to any short selling activity in Pink Sheets and OTCBB stocks.

Sincerely,

Samer Mohdad
