A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to add a clarifying sentence to the Schedule of Fees to resolve an ambiguity with respect to fees charged to MidPoint Match executions. The Exchange currently waives fees in the circumstances where the same Member enters MidPoint Match orders that execute against each other in the MidPoint Match System. Additionally, the Exchange offers discounted fees based on a Member's average daily volume ("ADV") via a tiered schedule that provides increased discounts as a Member's ADV increases. The Exchange proposes to add a sentence clarifying that transactions for which fees are waived do not count towards the ADV discounts and do not accrue market data revenue.

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(4)<sup>3</sup> that the Exchange provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act<sup>4</sup> and Rule 19b-4(f)(2) thereunder,<sup>5</sup> because it establishes or changes a due, fee, or other charge imposed by the Exchange. Accordingly, the proposal will take effect upon filing with the Commission.

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
