SECURITIES AND EXCHANGE COMMISSION  
AUG 1 2007  
DIVISION OF MARKET REGULATION

Dear Ms. Morris:

Re: Amendment No. 1 to the Symbology Plan (File No. 4-534)

On March 23, 2007, the American Stock Exchange, LLC ("AMEX"), NYSE Arca, Inc. ("NYSE Arca") and New York Stock Exchange LLC ("NYSE") filed with the Commission a national market system plan governing the reservation of one-, two- and three-character ticker symbols (the "Symbology Plan"). The Commission published the Symbology Plan in the Federal Register on July 17, 2007 (Release No. 34-56037).

On behalf of AMEX, NYSE Arca, NYSE, Chicago Board Options Exchange, Inc. ("CBOE") and International Securities Exchange, LLC ("ISE", collectively, the "Participants"), I hereby submit to the Commission pursuant to Rule 608(a)(1) of Regulation NMS under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the enclosed Amendment No. 1 to the Symbology Plan. Amendment No. 1 restates the Symbology Plan in its entirety. For that purpose, please find enclosed with this letter one manually signed (facsimile signatures as to AMEX, CBOE and ISE) version of the Symbology Plan as amended by this submission (the "Amended Symbology Plan") and five additional copies of the Amended Symbology Plan for use by the Commission staff. The manually signed copy and each of the five additional copies is also accompanied by a second version of the Amended Symbology Plan, which second version is marked to show changes from the Symbology Plan as originally filed by AMEX, NYSE Arca and NYSE on March 23, 2007.

In the following paragraphs, the Participants respond to the requirements of Rule 608(a) of Regulation NMS as they relate to this Amendment No. 1.

1. Purpose of Amendment No. 1

The Participants have determined to amend the Symbology Plan in the following respects:

- CBOE and ISE have determined to join AMEX, NYSE Arca and NYSE as Participants in the Plan and the amendments reflect their addition.
- The Participants propose to amend the Symbology Plan's portability provision (Section IV(f)) to comport with the Commission's recent approval of the proposal of the Nasdaq Stock Market ("Nasdaq") to permit an issuer that has traded under a three-character symbol to continue to use that three-character symbol if the issuer moves its listing to Nasdaq.
- The Participants propose to clarify that the Symbology Plan applies, as has always been intended, to the reservation of one-, two-, and three-character symbols for options under the OPRA Plan as well as for Network A and Network B Eligible Securities under the CTA Plan.
- The Participants propose to make some minor, non-substantive technical changes.

2. Governing or Constituent Documents

Not applicable.

3. Implementation of Plan or Amendment

The Symbology Plan as amended by this submission will take effect upon Commission approval.

5. Analysis of Impact on Competition

The Participants do not believe that the changes to the Symbology Plan proposed by this Amendment No. 1 will impose any burden on competition.

6. Written Understanding or Agreements relating to Interpretation of, or Participation in, Plan

The Participants have no written understandings or agreements relating to interpretation of the Amended Symbology Plan or conditions for becoming a sponsor or participant in the Amended Symbology Plan.

7. Approval by Sponsors in Accordance with Plan

Each of the Participants has approved and executed the Amended Symbology Plan.

8. Description of Operation of Facility Contemplated by the Proposed Plan

The Amended Symbology Plan does not contemplate the operation of a "facility" as the Exchange Act defines that term.

and Amount of, Fees and Charges

Not applicable.

11. Method and Frequency of Processor Evaluation
