Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 24, 2006, the New York Stock Exchange, Inc. (“NYSE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as constituting a “non-controversial” rule change under Section 19(b)(3)(A)(iii) of the Act,³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange recently implemented a moratorium on the qualification and registration of new Competitive Traders ("CTs") and RCMMs while the Exchange conducts a study on their future viability.⁶ In this filing, the Exchange seeks to modify the moratorium in order to permit the registration of a replacement of a firm's existing RCMM, should such employee cease being an RCMM.

The Exchange noted in the Release that the moratorium on registrations would not impact existing RCMMs and CTs.⁷ In furtherance of this goal, the Exchange proposes to allow any firm that loses a registered RCMM during the moratorium because such person ceases being an RCMM, to replace him or her by registering a new RCMM. Any RCMM working with a firm continues to be free to transfer to another firm or to become independent, but the firm he/she is leaving will not have the right of replacing him/her by registering a new RCMM unless the

⁷ Id.

existing RCMM gives up his or her registration. Any RCMM firm will continue to have the choice to hire an existing RCMM as a replacement.

As noted in the Release,⁸ the Exchange will promptly file for approval with the Commission any changes to its rules that the Exchange determines are warranted upon completion of its review of the future viability of CTs and RCMMs. The review is currently estimated to be completed on or about June 30, 2006.

2. Statutory Basis

The Exchange believes that the basis under the Act for this proposed rule change is the requirement under Section 6(b)(5)⁹ that an exchange have rules that are designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

⁸ See id.

⁹ 15 U.S.C. 78f(b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such proposed rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
