

## **Darren Duffy**

### **Vice President - Global Head of Production Lipper, a Reuters Company**

Darren Duffy is Vice President and Global Head of Production at Lipper Inc., a global leader in supplying mutual fund information, analytical tools, and commentary.

Mr. Duffy has been Lipper's Global Head of Production since 2004. In this capacity, he manages a team of professionals in 11 countries who are responsible for all of the firm's content operations including data acquisition and management, quality control and production. Mr. Duffy was a Vice President and Sales Manager at Lipper from 2002 through 2004 and responsible for the firm's fixed-income ownership business.

Before joining Lipper, Mr. Duffy spent nearly a decade with Capital Access International, a leading international financial research and information services firm specializing in the fixed-income markets. Mr. Duffy joined Capital Access in 1993 and eventually became a board member and an LLC member. Reuters acquired Capital Access in 2002. From 2001 – 2002 Mr. Duffy was an Executive Vice President responsible for sales, marketing, media relations and client support activities worldwide. Mr. Duffy was based in London from 1999 – 2001 as the firm's Managing Director responsible for the European business. During 1993 – 1999 Mr. Duffy held a variety of management positions with Capital Access in the marketing, strategy, product development, operations and client support areas.

Mr. Duffy began his career at Davidson & Associates, an innovative software publisher, just prior to the firm's IPO.

Mr. Duffy holds an MBA from the Stern School of Business at New York University.
