Item 1.01 Entry into a Material Definitive Agreement.

On July 12, 2005, Behringer Harvard Operating Partnership I LP, the operating partnership of Behringer Harvard REIT I, Inc. (which may be referred to herein as the “Registrant,” “we,” “our” or “us”) entered into an assignment from Harvard Property Trust, LLC, an entity affiliated with our advisor, of a contract to purchase an office building located in Minneapolis, Minnesota (“One Financial Plaza”) from Zeller Holdings Corporation, as trustee for Zeller–OFP Trust, an unaffiliated third party (the “Seller”). One Financial Plaza is a 27-story office building containing approximately 393,902 rentable square feet located on approximately 1.4 acres of land. The contract price for One Financial Plaza is \$57,150,000, excluding closing costs. We made an earnest money deposit of \$2,500,000 on July 12, 2005 and an additional earnest money deposit of \$2,500,000 is required to be paid by August 1, 2005.

The consummation of the purchase of One Financial Plaza is subject to substantial conditions. Our decision to consummate the acquisition of One Financial Plaza will generally depend upon:

- the satisfaction of the conditions to the acquisition contained in the relevant contracts;
- no material adverse change occurring relating to the property, the tenants or in the local economic conditions;
- our receipt of sufficient net proceeds from the offering of our common stock to the public and financing proceeds to make this acquisition; and
- our receipt of satisfactory due diligence information, including appraisals, environmental reports and lease information.

Other properties may be identified in the future that we may acquire before or instead of One Financial Plaza. At the time of this filing, we cannot make any assurances that the closing of this acquisition is probable.

In evaluating One Financial Plaza as a potential acquisition and determining the appropriate amount of consideration to be paid for the property, we have considered a variety of factors including overall valuation of net rental income, location, demographics, quality of tenants, length of leases, price per square foot, occupancy and the fact that the overall rental rate at One Financial Plaza is comparable to market rates. We believe that this property is well located, has acceptable roadway access, is well maintained and has been professionally managed. One Financial Plaza will be subject to competition from similar office buildings within its market area, and its economic performance could be affected by changes in local economic conditions. Neither we nor our operating partnership considered any other factors materially relevant to the decision to acquire this property.
