Post-Effective Amendment No. 1 to Registration Statement on Form F-1

Plan of Distribution, page 43

1. We note that this is a best efforts offering and your disclosure in this section that you "intend to complete a closing of this offering but may undertake one or more additional closings for the sale of additional securities to the investors in the initial closing." As this language suggests that the securities being registered are to be offered on a continuous basis, please check the Rule 415 box on the registration statement cover page and include Item 512(a) of Regulation S-K undertakings. Refer to Item 9. Undertakings. of Form F-1. Alternatively, please amend your disclosure or provide your analysis to how this would not constitute a continuous offering.
