

## **Report of Independent Registered Public Accounting Firm**

To the Board of Directors  
Legacy Capital Fund, Inc.

We have audited the accompanying statements of financial condition of Legacy Capital Fund, Inc. (the Company) as of December 31, 2015 and 2014, and the related statements of operations, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the years then ended, and the related notes to the financial statements. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Legacy Capital Fund, Inc. as of December 31, 2015 and 2014, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

The supplementary information contained in Schedules I, II, III, and IV (the Supplemental Information) has been subjected to audit procedures performed in conjunction with the audits of Legacy Capital Fund, Inc.'s financial statements. The Supplemental Information is the responsibility of Legacy Capital Fund, Inc.'s management. Our audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming our opinion on the Supplemental Information, we evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplementary information contained in Schedules I, II, III, and IV is fairly stated, in all material respects, in relation to the financial statements as a whole.
