In addition, each participant is sent forms for advising the three individual co-trustees for the TRW Stock Fund (the “Co-Trustees”) how to vote the shares of TRW Common held for the participant’s account. Upon receipt of instructions from each Plan participant, the Co-Trustees vote the shares as instructed. The Co-Trustees have the right to vote, at their discretion, the shares of TRW Common for which no voting instructions are received from participants. The Co-Trustees have the right to vote, at their discretion, or to grant discretionary voting authority to proxy holders with respect to, matters that are brought to a vote at an annual or special meeting of the shareholders of TRW Inc. which are not set forth on the voting instruction form sent to participants in advance of the meeting.

Under certain circumstances, a participant may elect to withdraw the value of his or her account in the Plan, including that portion of his or her account in the TRW Stock Fund. Withdrawals from the TRW Stock Fund are currently paid in cash, unless the Plan participant elects to receive shares, in which case the withdrawal is paid in whole shares. Subject to restrictions with respect to Company contributions to the TRW Stock Fund, a participant may elect at any time to transfer funds from one investment fund under the Plan to another fund. In the case of a tender offer for TRW Common, the Co-Trustees will tender or not tender the shares held for participants’ accounts in accordance with directions received from participants; provided, however that (i) the Co-Trustees will determine whether or not to tender shares for which no valid directions are received from Plan participants in their discretion; and (ii) directors and certain officers of TRW do not have the right to direct the Co-Trustees as to whether shares of TRW Common attributable to their accounts should be tendered.

Dividends paid in respect of shares held by the Plan are credited to the account of the participants except that dividends paid to the Plan on shares of TRW Common held by the ESOP are, at the Company's discretion, either used to repay any ESOP Loan (in which case participants' accounts will be credited with an equivalent amount of TRW Common) or reinvested in TRW Common Stock and credited to the account of participants in the ESOP (subject to the right of any participant to elect distribution of the dividend in cash in lieu of reinvestment)
