REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
C&C Trading, L.L.C.

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of C&C Trading, L.L.C. (the "Company") as of December 31, 2017, and the related notes to the statement of financial condition (collectively referred to as the "financial statement"). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of the Company as of December 31, 2017 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

The financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

PKF O'Connor Davies, LLP

We have served as the Company's auditor since 2009.

 Total liabilities and member's equity	 <u><u>\$ 57,200,471</u></u>

The accompanying notes are an integral part of this financial statement.

C&C TRADING, L.L.C.
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2017

1. BUSINESS OPERATIONS AND ORGANIZATION

C&C TRADING L.L.C. (the “Company”) is a privately held proprietary trading firm. The Company engages in various trading and market making strategies in equities, ETFs, futures, options and other securities and commodities. The Company focuses on market making and relative value strategies. The Company is a registered market maker on the BATS exchange, and the NYSE ARCA. The Company is also a member of the Chicago Mercantile Exchange’s COMEX division. The Company’s transactions are cleared through and financed by three clearing brokers. Substantially all securities are held by Goldman Sachs & Co. LLC.

The Company’s sole member is C&C Global Markets, LLC. The liability of members of a limited liability company is generally limited to the members’ enforceable obligation to make capital contributions and the members’ obligation to return any prohibited distributions.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid investment instruments with a maturity of three months or less at the time of purchase to be cash equivalents.

Fair Value Measurements

The Company follows U.S. GAAP guidance on Fair Value Measurements, which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

C&C TRADING, L.L.C.
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2017

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

At December 31, 2017, all of the Company's investments, which are comprised of securities owned and securities sold, not yet purchased, were in equity securities, bonds, options, and exchange traded funds (ETFs), which are valued using Level 1 inputs.

Assets	Level 1
<i>Securities owned, at fair value</i>	
Equity securities	\$ 11,111,585
Bonds	5,562
Exchange traded fund (ETFs)	9,652,270
Total	<u>\$ 20,769,417</u>
 Liabilities	
<i>Securities sold, not yet purchased</i>	
Equity securities	\$ 23,193,573
Bonds	25,098
Options	8,750
Exchange traded fund (ETFs)	13,779,964
Total	<u>\$ 37,007,385</u>

Investment Valuation and Income Recognition

Investments are carried at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on investments are included in the determination of securities trading income.

Property and Equipment

Property and equipment acquisitions are stated at cost and are depreciated using the straight-line method over the useful lives of the assets.

Income Taxes

The Company is a single-member limited liability company. Accordingly, no provision for income taxes is made in the financial statements, and all taxable income and expense is passed through to the member.

The Company recognizes the effect of income tax positions only when they are more likely than not of being sustained. At December 31, 2017, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. The Company is no longer subject to U.S. federal, state or local income tax examinations for periods prior to 2014.

C&C TRADING, L.L.C.
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2017

2. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Foreign Currency Transactions

Realized and unrealized gains and losses resulting from foreign currency transactions are included in net income.

Securities Sold, Not Yet Purchased

The Company has sold securities that it does not own and will, therefore, be obligated to purchase such securities at a future date. The short positions are offset by the Company's securities owned, broker receivables and its cash balances at the clearing firm, which are used as collateral for securities borrowed by the clearing firm to make deliveries.

Gains, limited to the price at which the Company sold the security short, or losses, unlimited in amount, are recognized at fair value based on the difference between the short sale price and the current market price.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is February 27, 2018.

3. REGULATORY REQUIREMENTS

The Company is subject to the Uniform Net Capital Rule 15c3-1 under the Securities Exchange Act of 1934 ("SEA"), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. In addition, the Rule provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. At December 31, 2017, the Company had net capital of \$19,265,692, which was \$18,710,692 in excess of its minimum requirement of \$555,000. The Company's net capital ratio was .0225 to 1 as of December 31, 2017.

The Company is exempt from the provisions of SEA Rule 15c3-3 in that the Company's activities are limited to those set forth in the conditions for exemption appearing in paragraph (k)(2)(ii).

C&C TRADING, L.L.C.
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2017

4. PROPERTY AND EQUIPMENT

The classes of property and equipment and the related accumulated depreciation are as follows:

	Estimated Useful Lives	Cost	Accumulated Depreciation	Net
Electronic equipment	3 years	\$241,601	\$211,089	\$30,512
Software	3 years	29,256	29,256	-
Furniture	5 years	40,100	29,347	10,753
		<u>\$310,957</u>	<u>\$269,692</u>	<u>\$41,265</u>

5. COMMITMENTS

The Company leases office space in New York on a month-to-month basis. Fixed monthly rent for the year 2017 was \$3,315 and \$3,432 for the months of January through July and August through December, respectively.

The Company has an operating lease agreement for an office in Greenwich, Connecticut that began August 1, 2015. The term of the lease is three years. Remaining commitments under this operating lease are \$42,933 through July 31, 2018.

6. CONCENTRATION OF CREDIT RISK

The Company is engaged in various trading activities in which counterparties primarily include broker-dealers, banks and other financial institutions. The Company has indemnified its clearing broker in the event of counterparty default. In the event counterparties do not fulfill their obligations to its clearing broker, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or the issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

A substantial portion of the Company's assets are on deposit with clearing brokers.

The Company's cash and cash equivalents balance generally exceeds the FDIC insured amount of \$250,000.

7. RELATED PARTY TRANSACTIONS

There are no significant related party transactions to disclose.

8. LITIGATION SETTLEMENTS

The Company was a participant in various class action security suits that resulted in settlement income of \$95,316, of which \$7,960 was receivable at December 31, 2017. The litigation settlement receivable is included in other assets.

In addition, the Company has sold derivative contracts that it does not currently own, and will therefore be obligated to purchase such securities at a future date. The Company has recorded these obligations in the financial statements at December 31, 2017 at fair value,

C&C TRADING, L.L.C.
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2017

and will incur a loss if the fair value of the derivative contracts sold and not yet owned increases subsequent to December 31, 2017.

9. DERIVATIVE FINANCIAL INSTRUMENTS AND OTHER OFF-BALANCE SHEET RISKS

In the normal course of business, the Company trades various derivative financial instruments with off-balance sheet risk. The Company enters into derivative transactions for both trading and economic risk management purposes related to its own business activities. These derivative transactions typically include futures for foreign currencies, ETFs and indices.

9. DERIVATIVE FINANCIAL INSTRUMENTS AND OTHER OFF-BALANCE SHEET RISKS (Continued)

In addition, the Company has sold derivative contracts that it does not currently own, and will therefore be obligated to purchase such securities at a future date. The Company has recorded these obligations in the financial statements at December 31, 2017 at fair value, and will incur a loss if the fair value of the derivative contracts sold and not yet owned increases subsequent to December 31, 2017.

Generally, the Company uses these derivatives to mitigate risk of unfavorable price movements of the securities and derivative contracts sold and not yet owned, thus a loss in these positions may be offset by income attributable to the underlying portfolio.

Pursuant to clearing agreements, the Company introduces all of its securities transactions to its clearing brokers on a fully disclosed basis. Therefore, all of the Company's money balances and long and short security positions will be carried on the books of the clearing brokers. Under certain conditions as defined in the clearance agreements, the Company has agreed to indemnify the clearing brokers for losses, if any, which the clearing brokers may sustain from carrying securities transactions introduced by the Company. In accordance with industry practice and regulatory requirements, the Company and the clearing brokers monitor collateral on the securities transactions introduced by the Company.

The following is a summary of the Company's December 31, 2017 derivative positions:

<u>Category</u>	<u>Contracts</u>	<u>Fair market value</u>	<u>Notional amount</u>
Long	40	\$ (13,805)	\$ 5,302,380
Short	81	1,867	(9,821,655)

The Company includes the fair market value of its open futures contracts in amounts due from broker. Gains and losses from its derivative financial instrument trading are included in trading income.

10. SUBSEQUENT EVENTS

On January 9th, 2018, the Company's sole member withdrew \$2,000,000 of equity.
