A&M Securities, LLC

We have audited the accompanying financial statements of A&M Securities, LLC which comprise the statement of financial condition as of December 31, 2015, and the related statements of operations, changes in members' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. A&M Securities, LLC management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis of our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of A&M Securities, LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The information contained in Schedules I, II and III has been subjected to audit procedures performed in conjunction with the audit of A&M Securities, LLC financial statements. The information is the responsibility of A&M Securities, LLC management. Our audit procedures included determining whether the information in Schedules I, II and III reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the accompanying schedules. In forming our opinion on the accompanying schedules, we evaluated whether the supplemental information, including its form and content, is presented in conformity Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the aforementioned supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.
