Policy owners who have policy value allocated to one or more of the sub-accounts which correspond to these funds may leave their policy value in those sub-accounts, but future allocations and transfers into those sub-accounts are prohibited. If your most recent premium allocation instructions includes a sub-account which corresponds to one of these funds, premium received after April 28, 2006, which would have been allocated to a sub-account corresponding to one of these funds will be allocated on a pro rata basis among all the other available sub-accounts in which your policy value is allocated. If there are no other such sub-accounts, you must provide us with alternative allocation instructions or the premium payment will be returned to you. Your failure to provide us with alternative allocation instructions and our return of your premium payment(s) may result in your policy entering the 61 day grace period and/or your policy lapsing without value. **See Lapse, page 46.**
