MANAGEMENT INFORMATION CIRCULAR
(all information as at May 2, 2011 unless otherwise noted)

SOLICITATION OF PROXIES

This management information circular (the “Information Circular”) is furnished in connection with the solicitation of proxies being made by the management of Mountain Province Diamonds Inc. (“Corporation”) for use at an annual meeting of the Corporation’s shareholders (the “Meeting”) to be held on Wednesday, June 15, 2011 at the time and place and for the purposes set forth in the accompanying Notice of Meeting, and at any adjournments thereof. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Corporation.

All costs of this solicitation will be borne by the Corporation.

APPOINTMENT OF PROXIES

The individuals named in the accompanying form of proxy (“Proxy”) are directors or officers of the Corporation.

A SHAREHOLDER WISHING TO APPOINT A PERSON OR CORPORATION (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER AND ON THE SHAREHOLDER’S BEHALF AT THE MEETING OTHER THAN THE PERSON OR CORPORATION DESIGNATED IN THE FORM OF PROXY HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE PROXY AND STRIKING OUT THE THREE PRINTED NAMES, OR BY COMPLETING ANOTHER PROXY. A proxy will not be valid unless it is completed, dated and signed and delivered to Computershare Investor Services Inc. (“Computershare”), Toronto Office, Proxy Department, at 100 University Avenue, 9th Floor, Toronto, Ontario, Canada M5J 2Y1 not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently. For general inquiries, shareholders may contact Computershare as follows:

By Phone: 1-800-564-6253
By Fax: 1-866-249-7775 (within North America)
By Fax: (416) 263-9524 (outside North America)
By Email: service@computershare.com

NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Corporation as the registered holders of shares or duly appointed proxy holders are permitted to vote at the Meeting. Most shareholders of the Corporation are “non-registered” shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust Corporation through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of the person (the “**Non-Registered Holder**”) but which are registered either: (a) in the name of an intermediary (“**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a Proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the Proxy, the Proxy is not required to be signed by the Non-Registered Holder. In this case, the Non-registered Holder should otherwise properly complete the Proxy and **deliver it to Computershare Investor Services Inc.** as provided above; or
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service Corporation**, will constitute voting instructions (often called a “**proxy authorization form**”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed Proxy accompanied by a page of instructions, which contains a removable label containing a bar code and other information. In order for the Proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the Proxy, properly complete and sign the Proxy and return it to the Intermediary or its service Corporation in accordance with the instructions of the Intermediary or its service Corporation.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares, which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxy holders and insert the Non-Registered Holder's name in the blank space provided. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the Proxy or proxy authorization form is to be delivered.**

In addition, Canadian securities legislation now permits the Corporation to forward meeting materials directly to "non objecting beneficial owners". If the Corporation or its agent has sent these materials to you directly (instead of through an Intermediary), your name and address, and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding your shares on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding your shares on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

REVOCATION OF PROXIES

A shareholder who has given a Proxy may revoke it by an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing or, if the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, Canada M5J 2Y1, or to the Corporation, at 401 Bay Street, Suite 2700, P.O. Box 152, Toronto, Ontario, Canada M5H 2Y4 at any time up to and including the last business day preceding the day of the Meeting or any adjournment of it, or to the chair of the Meeting on the day of the Meeting or any adjournment of it. **Only registered shareholders have the right to revoke a Proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.**

A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

RECORD DATE

The board of directors of the Corporation (the "**Board**") has fixed May 6, 2011 as the record date (the "**Record Date**") for the purpose of determining shareholders entitled to receive Notice of the Meeting. Only shareholders of record as at the close of business on the Record Date are entitled to receive notice of the Meeting and to vote the common shares held by them, either in person or by proxy, at the Meeting or any adjournment thereof.

EXERCISE OF DISCRETION

If the instructions in a proxy are certain, the shares represented thereby will be voted or withheld from voting in accordance with the specifications so made on any poll by the persons named in the proxy, and, where a choice with respect to any matter to be acted upon has been specified in the proxy, the shares represented thereby will, on a poll.

Where no choice has been specified by the shareholder, such shares will, on a poll, be voted in accordance with the notes to Proxy.

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person(s) appointed proxy holders thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter which may be presented to the Meeting.

APPROVAL OF MATTERS

Unless otherwise noted, approval of matters to be placed before the Meeting is by an “ordinary resolution” which is a resolution passed by a simple majority (50%+1) of the votes cast by shareholders of the Corporation present and entitled to vote in person or by proxy.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed in this Information Circular, no person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation’s last financial year, no proposed nominee of the Corporation for election as a director of the Corporation, and no associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed in this Information Circular, since the commencement of the Corporation’s most recently completed financial year, no informed person of the Corporation, proposed nominee for director or any associate or affiliate of an informed person or proposed nominee, had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Corporation or any of its subsidiaries. An “informed person” means: (a) a director or executive officer of the Corporation; (b) a director or executive officer of a person or Corporation that is itself an informed person or subsidiary of the Corporation; (c) any person or Corporation who beneficially owns, directly or indirectly, voting securities of the Corporation or who exercises control or direction over voting securities of the Corporation or a combination of both carrying more than 10% of the voting rights other than voting securities held by the person or Corporation as underwriter in the course of a distribution; and (d) the Corporation itself, if and for so long as it has purchased, redeemed or otherwise acquired any of its shares.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Currently, the Corporation has issued and outstanding 78,926,608 fully paid and non-assessable common shares without par value, each share carrying the right to one (1) vote. The common shares of the Corporation (the “Common Shares”) are listed on the Toronto Stock Exchange (the “TSX”) under the symbol ‘MPV’ and on the NYSE Amex Equities (the “NYSE Amex”) under the symbol ‘MDM’. **The Corporation has no other classes of voting securities and does not have any classes of restricted securities.**

Any shareholder of record at the close of business on May 6, 2011 who either personally attends the Meeting or who has completed and delivered a proxy in the manner specified, subject to the provisions described above, shall be entitled to vote or to have such shareholder’s shares voted at the Meeting.

To the best of the knowledge of the directors and executive officers of the Corporation, the only person who, or corporation which, beneficially owns, or controls or directs, directly or indirectly, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Corporation, is:

Name of Shareholder(1)	No. of MPV Shares, Options and Warrants Held	Percentage of issued and outstanding share capital of 78,926,608 shares (as at May 2, 2011)
Bottin (International) Investments Ltd.	15,603,429	19.76%

ELECTION OF DIRECTORS

The term of office of each of the present directors expires at the Meeting. **The persons named below will be presented for election at the Meeting as management’s nominees.** Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual meeting of the Corporation or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with the Articles of the Corporation or the provisions of the *Business Corporations Act* (Ontario) (“**Business Corporations Act**”). In the absence of instructions to the contrary, the enclosed proxy will be voted for the nominees listed herein.

To the best of management's knowledge, and except as set out in the proceeding paragraphs below, no proposed director is, or has been within the last ten years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any Corporation that:

- (a) was the subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer;
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive office or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer; or
- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

On April 3, 2007, Patrick Evans, a director of Eurasia Gold Inc. ("**Eurasia**") up until March 26, 2007, along with the remaining directors, officers and insiders of Eurasia (collectively, the "**Management**") were subject to a cease trade order issued by the Ontario Securities Commission ("**OSC**"), which required all trading in and all acquisitions of securities of Eurasia by Management to cease for a period of 15 days. The cease trade order was made because Eurasia failed to file its audited financial statements for the year ended December 31, 2006, management's discussion and analysis relating to the audited annual financial statements for the year ended December 31, 2006, and annual information form for the year ended December 31, 2006 (collectively, the "**Year-End Financial Documents**"). At a hearing held before the OSC on April 16, 2007, it was further ordered that all trading in and acquisitions of securities of Eurasia by any of the Management cease until Year-End Financial Documents were filed with the OSC. The cease trade order expired on April 25, 2007 when the Year-End Financial Documents were filed in accordance with the Ontario securities legislation. Prior to the issuance

of the cease trade order, Patrick Evans had resigned as a director of Eurasia and he has not been involved with Eurasia in any capacity since March 26, 2007.

David Whittle was a director of Image Innovations Holdings Inc. (“**Image**”), a company incorporated in the United States. Image and its subsidiaries filed voluntary petitions for relief under Chapter 11, Title 11 of the United States Code on July 6, 2006. Image’s Joint Chapter 11 Liquidating Plan was confirmed by the Bankruptcy Court on August 21, 2007, and the Final Decree closing the Chapter 11 cases was entered August 28, 2008.

Jonathan Comerford and Harry Dobson are directors of Newfoundland and Labrador Refining Corporation (“**NLRC**”), incorporated under Newfoundland law November 28, 2005. NLRC sought bankruptcy protection under the Canadian Bankruptcy and Insolvency Act on June 19, 2008.

To the best of management’s knowledge, no proposed director has, within the ten years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

To the best of management’s knowledge, no proposed director has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed nominee director.

Compensation Discussion and Analysis

Role of the Compensation Committee

The Compensation Committee is responsible for reviewing the Corporation’s compensation arrangements with its executive officers as determined to be needed.

When reviewing the compensation of the executive officers, as needed, the Compensation Committee considers the following objectives: (i) recruiting and retaining the executives critical to the success of the Corporation and the enhancement of shareholder value; (ii) providing fair and competitive compensation based upon a detailed comparison with the compensation levels paid for similar positions by similar companies; (iii) balancing the interests of management and shareholders of the Corporation; and (iv) rewarding performance, both on an individual basis and with respect to the business in general. The Compensation Committee has the responsibility of reviewing the executive officers’ total compensation package in consultation with the CEO and making proposals to the Board, reviewing and advising on stock option guidelines, including recommendations on specific option grants, and reviewing and communicating to the Board the compensation policies and principles that will be applied to other executives and employees of the Corporation.

Compensation Philosophy

The Corporation's compensation philosophy is that any and all employees, or those consulting in management roles, receive compensation based on the market value for the type of role they perform. Compensation currently includes two elements; consulting fees (pursuant to consulting agreements with NEOs), and long-term incentives by way of the grant of stock options in accordance with the policies of the TSX, the NYSE Amex, and the Corporation's stock option plan (the "**Stock Option Plan**"). The Corporation does not provide sponsored or defined pension or retirement plans, nor other benefit plans. Employees and/or consultants to the Corporation are expected to provide for their own benefits and retirement.

Composition of the Compensation Committee

The Corporation's Compensation Committee consists of Jonathan Comerford, Carl Verley (Chair), and David Whittle, three (3) non-management directors (each of whom is also an "independent" director, as defined in the National Instrument 52-110 - Audit Committees, United States securities laws and NYSE Amex rules). However, compensation matters may also be reviewed and approved by the Board.

Report on Executive Compensation

The Compensation Committee has no formal compensation policy. However, executive officers are compensated in a manner consistent with their respective contributions to the overall benefit of the Corporation.

Executive compensation is based generally on discussion by the Compensation Committee, or by the Board. Since the Corporation entered into the consulting agreements with the CEO, Patrick Evans, in November 2005, and amended Mr. Evans' consulting agreement in August 2009, and with the CFO, Jennifer Dawson, in May 2006, and amended in December 2010, there have been no changes to the terms of the consulting agreements. The consulting agreements call primarily for cash-based compensation for Patrick Evans and Jennifer Dawson, although there were options granted upon the execution of the consulting agreement and its amendment with Patrick Evans to align the interests of management and shareholders.

As part of the Compensation Committee's Terms of Reference, it is charged with the responsibility to review and recommend any changes to compensation for the Corporation's senior management, or to defer such discussions to the Board of Directors, and to make any recommendations for the granting of options. The Compensation Committee finalized its recommendations to the Board of Directors for changes to compensation for management, including the grant of options to Mr. Evans and Ms. Dawson, and changes to directors' fees in early January 2011. There were no recommendations for changes to compensation within the most recently completed financial year.

Consulting Fees

Currently, the CEO and CFO both provide consulting services to the Corporation for their respective roles with the Corporation, and have had consulting agreements with the Corporation since November 2005 (amended in August 2009), and May 2006 (amended in December 2010)

respectively. There are no other NEOs with employment or other agreements with the Corporation.

Long-Term Incentives

The Corporation provides long-term incentives by granting stock options to executive officers in accordance with the policies of the TSX and the Corporation's Stock Option Plan. Any options granted permit executive officers to acquire Common Shares at an exercise price equal to the closing market price of such shares at the time of grant of the option. The objective of granting options is to encourage executive officers to acquire an ownership interest in the Corporation over a period of time, which acts as financial incentive for such executive officers to consider the long-term interests of the Corporation and its shareholders.

When determining the number of stock options to be granted to an executive officer, the Compensation Committee takes into account the number and terms of stock options previously granted to the executive officer, if any, and option compensation granted by similar companies to executives with similar responsibilities.

At the Corporation's annual and special meeting held on September 10, 2009, the Corporation's shareholders approved certain amendments to the Stock Option Plan which included the provision for options equal to a rolling 10% of the Corporation's issued and outstanding shares being available for grant under the Corporation's Stock Option Plan.

The amendment of the consulting agreement with Mr. Evans in August 2009 included a grant for 300,000 options, each with an exercise price of \$1.72 and expiring August 25, 2014. These options were subject to the shareholders' approval of amendments to the Stock Option Plan at the Corporation's annual and special meeting held September 10, 2009, as well as regulatory approvals received in October 2009. The options vested immediately, retroactively, with the necessary approvals. Mr. Evans' amended consulting agreement also allowed for the provision of future performance-based bonus payments.

There are no other Long-Term Incentive Plans in place.

Other Compensation

The Corporation provides no compensation to its NEOs other than the amounts under their respective consulting arrangements and Long-Term Incentives as described above. For greater certainty, the Corporation makes no commitments for Option-Based Awards or Share-Based Awards other than the stock options granted pursuant to the Corporation's Stock Option Plan.

Employment/Consulting Agreements of NEOs

The Corporation and its subsidiaries have no employment contracts with any Named Executive Officer, but have Consulting Agreements with the CEO and CFO, the Corporation's only Named Executive Officers.

CEO Compensation

The Corporation has a Consulting Agreement with Patrick Evans for his services as President and CEO which was effective November 1, 2005 (the “**Evans Agreement**”), and amended in August 2009. The monthly consulting fee under the Evans Agreement is \$20,000, and in the year ended December 31, 2010, the Corporation paid a total of \$419,696 in monthly consulting fees and bonuses to Mr. Evans. Under the Evans Agreement, Patrick Evans is entitled to receive a severance payment equal to six months of annual compensation in the event the Evans Agreement is terminated, without cause, by the Corporation. In the event of termination as a result of change in control of the Corporation, Patrick Evans is entitled to receive, within 30 days of the termination, a severance payment equal to eighteen months of his annual compensation as well as incentive compensation described as a bonus of C\$100,000 for each C\$1.00 that the share price is above C\$4.00 on such change of control, prorated.

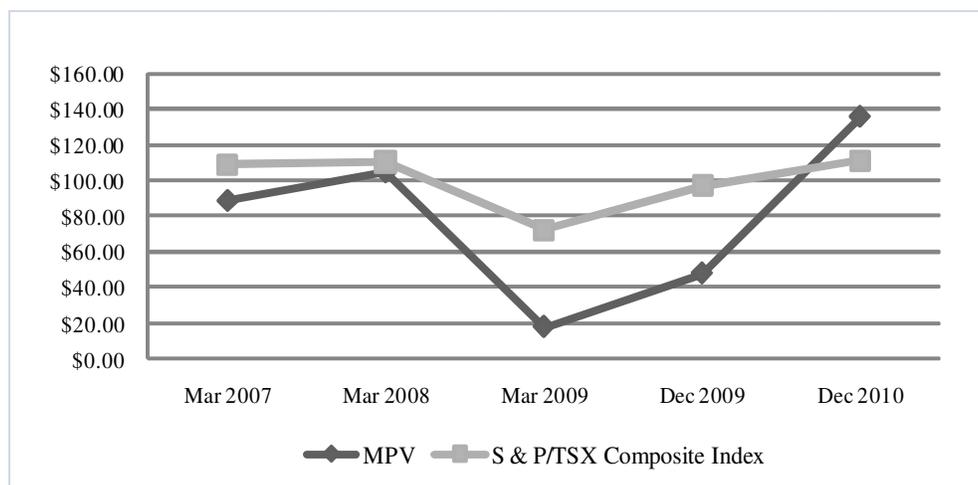

CFO Compensation

The Corporation has a Consulting Agreement with Jennifer Dawson for her services as Chief Financial Officer and Corporate Secretary, effective May 11, 2006 (the “**Dawson Agreement**”). The Dawson Agreement renews annually effective May 1st of each year, unless terminated by either party with at least 60 days’ notice. The Consulting Agreement is on a time-spent basis, and in the year ended December 31, 2010, the Corporation paid or accrued a total of \$265,407 pursuant to the Dawson Agreement. In December 2010, the Dawson Agreement was amended to reflect that in the event of termination as a result of change in control of the Corporation, Jennifer Dawson is to be paid a lump sum, plus applicable taxes, equal to the previous eighteen months of invoiced and billable services by her.

Performance Graph

The following chart compares the total cumulative shareholder return for \$100 invested in Common Shares, beginning on March 31, 2006, with the cumulative total return of the S&P/TSX Composite Index (“**S&P/TSX Index**”) for the five most recently completed financial years of the Corporation.

Mountain Province Diamonds Inc. ("MPV")
Cumulative Value of \$100 Investment Made March 31, 2006

	Mar 2006	Mar 2007	Mar 2008	Mar 2009	Dec 2009	Dec 2010
MPV	\$4.79	\$4.23	\$5.00	\$0.85	\$2.29	\$6.50
S & P/TSX Composite Index	12,110.61	13,165.50	13,350.13	8,720.39	11,746.11	13,443.22

The trend for the cumulative investment in the Corporation has been similar than an investment in the S&P/TSX Composite Index with the exception of the fiscal period ended March 31, 2009. At December 31, 2010, the cumulative investment in the Corporation exceeded the S&P/TSX Composite Index. The trend in executive compensation is consistent with the performance of the Common Shares. The Corporation feels that compensation paid to its executive officers is in line with what is paid by comparable companies in North America. The Corporation bases the compensation for its executive officers on the years of service with the Corporation, responsibilities of each officer, the performance of each officer and their duties in that position.

Option-based awards

The Corporation's Stock Option Plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact or contribution to the longer-term operating performance of the Corporation. In determining the number of options to be granted to the executive officers, the Board takes into account the number of options, if any, previously granted to each executive officer, and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the TSX, and closely align the interests of the executive officers with the interests of shareholders.

The Compensation Committee has the primary responsibility to administer the compensation policies related to the executive management of the Corporation, including option-based awards.

Stock Option Plan

The Stock Option Plan was established on November 26, 1998 and later amended on September 27, 2002 and September 10, 2009. The Stock Option Plan allows the Board, from time to time and in its sole discretion, to determine the eligibility of those directors, employees and other persons who provide ongoing services to the Corporation, who are eligible to participate under the Stock Option Plan. The Board believes that stock options provide an effective tool for the Corporation to enable it to attract and retain key personnel in the face of competition from larger companies.

The Stock Option Plan provides that the maximum number of shares that may be reserved for issuance will be 10% of the Corporation's issued and outstanding shares at the time of the grant.

The material terms of the Stock Option Plan are as follows:

1. In no case may the issuance of shares under the Stock Option Plan and any other share compensation arrangement of the Corporation result in:
 - (a) the number of shares reserved for issuance pursuant to options granted:
 - (i) to insiders exceeding 10% of the Corporation's issued and outstanding share capital; or
 - (ii) to any one person exceeding 5% of the Corporation's issued and outstanding share capital;
 - (b) the number of shares issued within a one year period:
 - (i) to insiders exceeding 10% of the Corporation's issued and outstanding share capital; or
 - (ii) to any one insider and its associates exceeding 5% of the Corporation's issued and outstanding share capital.
2. The exercise price of any option issued under the Stock Option Plan shall not be less than the market value of the Corporation's Shares as of the date of the grant. The market value of the Corporation's shares shall be determined in accordance with the Stock Option Plan, but in any event shall not be less than the closing price of the shares on the TSX on the business day immediately prior to the date of the grant. If the Corporation's shares are not listed on an organized trading facility, then the market value will be, subject to the necessary approvals of the applicable regulatory authorities, that value as is determined by resolution of the Board.
3. Subject to all applicable securities laws and regulations and the rules and policies of all applicable regulatory authorities, the Board may attach terms and conditions to a grant of option under the Stock Option Plan. These terms and conditions may include, but are not necessarily limited to, the following:

- (a) providing that an option expires on a specified date after the option holder ceases to be a director or employee of the Corporation or ceases to provide services to the Corporation;
 - (b) providing that a portion or portions of an option vest after certain periods of time or expire after certain periods of time; and
 - (c) providing that an option be exercisable immediately, in full, notwithstanding that it has vesting provisions, upon the occurrence of certain events, such as a friendly
 - (d) or hostile takeover bid for the Corporation.
4. The expiry date of an option under the Stock Option Plan shall be the date so fixed by the Board on the date of the grant, provided such expiry date shall be no later than the tenth anniversary of the date of the grant.
 5. Options issued under the Stock Option Plan may not be assigned or transferred.
 6. The Stock Option Plan provides for the cashless exercise of options in the event of a bona fide offer (an “**Offer**”) for common shares of the Corporation made to holders of options, or to shareholders of the Corporation generally, or to a class of shareholders which includes the option holders, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Corporation, within the meaning given to “control person” in the *Securities Act* (Ontario), any optionee may surrender his or her options to the Corporation and receive a payment equal to the difference between the option price and the offer price under the Offer.
 7. The Board may from time to time amend the Stock Option Plan and the terms and conditions of any option granted under the Plan and, without limitation, may make amendments for the purpose of meeting any changes in any relevant law, rule or regulation applicable to the Stock Option Plan, or for any other purpose which may be permitted by all relevant laws, regulations, rules and policies provided that any such amendment shall not alter the terms or conditions of any option issued under the Stock Option Plan or impair any right of any option holder pursuant to any option awarded prior to such amendment.

Pension Plan Benefits

The Corporation does not have any form of pension plan that provides for payments or benefits to the Named Executive Officers at, following, or in connection with retirement. The Corporation does not have any form of deferred compensation plan.

As disclosed elsewhere in this Information Circular, the Corporation has a stock option plan for the granting of incentive stock options to the officers, employees, and directors. The purpose of granting such options is to assist the Corporation in compensating, attracting, retaining and

As at the date of this Information Circular, no executive officer, director, employee or former executive officer, director or employee of the Corporation or any of its subsidiaries is, or at any time since the beginning of the most recently completed financial year, has any of them been, indebted to the Corporation, or any of its subsidiaries, nor is any of these individuals, or at any time since the beginning of the most recently completed financial year, has any of them been, indebted to another entity which indebtedness is the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Corporation or any of its subsidiaries.

APPOINTMENT AND REMUNERATION OF AUDITOR

Shareholders will be asked to approve the reappointment of KPMG LLP, Chartered Accountants (“**KPMG**”), as the auditor of the Corporation to hold office until the next annual general meeting of the shareholders at remuneration to be fixed by the directors. The auditor was first appointed on August 6, 1998.

MANAGEMENT CONTRACTS

No management functions of the Corporation or its subsidiaries are performed to any substantial degree by a person other than the directors or executive officers of the Corporation or its subsidiaries.

DISCLOSURE OF CORPORATE GOVERNANCE PRACTICES

Corporate Governance relates to the activities of the Board of Directors. National Policy 58-201 – Corporate Governance Disclosure (“**NI 58-201**”) and the *Sarbanes-Oxley Act* of 2002, the rules adopted by the United States Securities and Exchange Commission (the “**SEC**”) pursuant to that Act, and the NYSE Amex corporate governance rules as they apply to foreign private issuers, together establish corporate governance guidelines which apply to the Corporation. Corporate governance relates to activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Corporation. The Board is committed to sound corporate governance practices which are both in the interests of its shareholders and contribute to effective and efficient decision making. NI 58-101 – Disclosure of Corporate Governance Practices (“**NI 58-101**”) requires that each reporting company disclose its corporate governance practices on an annual basis.

The Corporation’s general approach to corporate governance is summarized below.

Board of Directors

The Board is currently composed of seven directors. All the seven proposed nominees are current directors.

Independence

Section 1.4 of National Instrument 52-110 (“**NI 52-110**”) sets out the standard for director independence. Under NI 52-110, a director is independent if he has no direct or indirect material relationship with the Corporation. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship with the Corporation.

Applying the definition set out in section 1.4 of NI 52-110, and applicable United States securities laws and NYSE Amex rules, six of the seven members of the Board are independent. The members who are independent are: Jonathan Comerford, Elizabeth J. Kirkwood, Carl Verley, David Whittle, D.H.W. (Harry) Dobson, and Peeyush Varshney.

Patrick Evans is not independent by virtue of the fact that he is an executive officer of the Corporation (Mr. Evans has been the President and CEO since November 2005).

In order to facilitate its exercise of independent judgment in carrying out the responsibilities of the Board, the Board ensures that a majority of independent directors sit on all Board committees.

Other Directorships

In addition to their positions on the Board, the following directors also serve as directors of the following reporting issuers or reporting issuer equivalents as of the date of this Information Circular:

Name of Director	Reporting Issuer(s) or Equivalent(s)

Carl Verley	Alphamin Resources Corp; African Metals Corporation; Amerlin Exploration Services Ltd. (private); Proquest Resources Corporation (private); 324788 BC Ltd. (private).

Meetings of Directors

The Board meets as necessary in the absence of management to ensure the Board's functional independence from management. The Corporation recognizes the desirability of directors being able to consult outside professional advice, as appropriate, in the discharge of their duties.

Since the beginning of the Corporation's most recently completed financial year, the independent directors have not held a meeting at which non-independent directors were not in attendance. The independent directors do not hold regularly scheduled meetings without non-independent directors and the Corporate Secretary (who is also a member of senior management). Open and candid discussion among independent directors is encouraged, and the independent directors are free to communicate with each other independent of the non-independent director and management as they feel is appropriate, and by the means they consider appropriate.

Independence of Chair

The Corporation's corporate governance structure recognizes the value of separating the offices of chair and CEO. Patrick Evans is the Corporation's President and Chief Executive Officer and the Board is chaired by Jonathan Comerford, an independent director.

Attendance

The Board meets on a regularly scheduled basis and more frequently if required. During the most recently completed year ended December 31, 2010, the Board met six times. Patrick Evans and Peeyush Varshney attended all six meetings; Jonathan Comerford, Elizabeth Kirkwood, Carl Verley and David Whittle attended five of the six meetings; and Harry Dobson attended one meeting.

Board Mandate

The Board is required to supervise the management of the business and affairs of the Corporation and to act with a view to the best interests of the Corporation and its shareholders. The Board actively oversees the development, adoption and implementation of the Corporation's strategies and plans. The Board's responsibilities include:

- (a) representing the interests of the shareholders in all significant decisions affecting the Corporation and ensuring that shareholders are kept informed of developments affecting their Corporation;
- (b) the Corporation's strategic planning process,
- (c) the identification of the principal risks of the Corporation's business and ensuring the implementation of appropriate systems to manage risk,
- (d) reviewing significant operational and financial issues as they arise and providing direction to management of these matters

- (e) acting diligently to ensure that the Corporation fulfils its legal and regulatory requirements
- (f) evaluating the effectiveness of senior management and establishing their compensation,
- (g) evaluating whether or not directors receive the information they require to perform their duties as directors,
- (h) the Corporation's succession planning, including appointing, training and monitoring senior management,
- (i) the Corporation's major business development initiatives,
- (j) the integrity of the Corporation's internal control and management information systems,
- (k) the Corporation's policies for communicating with shareholders and others, and
- (l) the general review of the Corporation's results of operations.

The Board considers that certain decisions are sufficiently important that management should seek prior approval of the Board. Such decisions include:

- (a) approval of the annual capital budget and any material changes to the operating budget,
- (b) approval of the Corporation's business plan and monitoring performance,
- (c) acquisition of, or investments in, new business,
- (d) changes in the nature of the Corporation's business,
- (e) changes in senior management, and
- (f) all matters as required under the *Business Corporations Act* (Ontario).

Position Descriptions

There are no written position descriptions for the chair of the Board and the chairs of each Board committee. The roles and responsibilities of each Board committee are included in Terms of Reference for each Board committee. It is understood by the Board committee chairs that they are responsible for the overall management, guidance, and functioning of their respective committee. As well, there exists a Corporation Mandate for the Board of Directors, and the chair of the Board understands that it is his role to ensure the overall management, guidance, and functioning of the Board of Directors.

The duties and responsibilities of the President and CEO are included in the Corporation's Consulting Agreement with Patrick Evans including the power and authority to manage,

supervise and direct the Corporation's business and affairs, and to undertake such other duties as may, from time to time, be assigned to him by the Board. Such duties and responsibilities are indicated to be subject always to the control and direction of the Board.

Orientation and Continuing Education

Board turnover is relatively rare and, accordingly, the Corporation has not adopted a formalized process of orientation for new Board members. Orientation of new directors is conducted on an as-needed basis.

With respect to current directors, they are kept informed as to matters impacting, or which may impact, the Corporation's operations through reports and presentations at the Board meetings. Directors are also provided the opportunity to meet with senior management and other employees, advisors and other Directors, who can answer any questions that may arise.

Business Conduct Policy

The Corporation has adopted a Business Conduct Policy (May 2006, amended in September 2010) posted on its website and available on SEDAR at www.sedar.com and on the SEC's website at <http://sec.gov/edgar.shtml> as an exhibit to the Corporation's annual report on Form 20-F for the year ended March 31, 2006. The amended Business Conduct Policy was included in an exhibit to the Corporation's annual report on Form 20-F for the year ended December 31, 2010.

Shareholders may request copies of the Corporation's Business Conduct Policy by contacting the Corporation at 401 Bay Street, Suite 2700, P.O. Box 152, Toronto, Ontario, Canada M5H 2Y4, by mail, or by telephone at 416-361-3562.

Annually, the Corporation's officers and key consultants provide their recognition of the current policy and understanding of its importance. The Business Conduct Policy provides guidance to the directors and officers individually, and to the Board as a whole, to ensure the exercise of independent judgment in considering transactions and agreements where a director or officer might have a material interest. Having an independent director, Jonathan Comerford, as the chair of the Board, also helps to ensure independent judgment and to encourage and promote a culture of ethical business conduct.

The Board considers that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

Board turnover is relatively rare and accordingly the Board does not have a nominating committee or a formal procedure with respect to the nomination of directors. The Board as a whole assesses the performance and qualification of directors and assesses and recommends potential nominees to the Board, as needed. The nominees are generally the result of recruitment

efforts by the Board members, including both formal and informal discussions among Board members.

Assessments

The board of directors monitors the adequacy of information given to directors, communication between the board and management and the strategic direction and processes of the Board and Committees.

Board Committees

Committees of the Board are in integral part of the Corporation's governance structure. There are three standing committees: the Audit Committee, the Compensation Committee, and the Corporate Governance Committee - established to devote the necessary expertise and resources to particular areas, and to enhance the quality of discussion at Board meetings. The Committees facilitate effective Board decision-making by providing recommendations to the Board on matters within their respective responsibilities. The Board believes that the Committees assist in the effective functioning of the Board and that the composition of the Committees should ensure that the views of unrelated and independent directors are effectively represented.

Each of these committees is comprised solely of non-management directors, each of whom is also independent. The committees, their mandates and memberships are outlined below.

Compensation Committee

The Compensation Committee, in consultation with the President of the Corporation, reviews and recommends to the Board for approval all matters relating to compensation of executives of the Corporation. The Compensation Committee has no formal compensation policy. The Compensation Committee monitors the performance of senior management generally. Executive officers are compensated in a manner consistent with their respective contributions to the overall benefit of the Corporation.

However, compensation matters may also be reviewed and approved by the Corporation's entire board of directors.

Executive compensation is based on a combination of factors, including a comparative review of information provided to the Compensation Committee by compensation consultants, recruitment agencies and auditors as well as historical precedent

During the most recently completed financial year, the Compensation Committee did not formally meet, but communicated by telephone or email in consideration of amending the consulting agreement of Patrick Evans and other compensation matters, and the Committee's recommendation to the Board thereof in January 2011.

The Committee is composed of Jonathan Comerford, Carl Verley (Chair) and David Whittle, all of whom are independent directors.

Corporate Governance Committee

The Corporate Governance Committee is responsible for developing the approach of the Corporation to the matters of corporate governance including the mandate, size and composition of the Board and its committees, and assessing the effectiveness of the Board, its members and the committees of the Board. During the most recently completed financial year, the Corporate Governance Committee did not meet. The Committee is composed of Harry Dobson, Elizabeth Kirkwood (Chair), and Carl Verley, all of whom are independent directors.

Audit Committee

Audit Committee Charter

The text of the Corporation's Audit Committee Charter is attached as Schedule 'A' to this Information Circular.

The Audit Committee meets with the independent auditors to review and inquire into matters affecting financial reporting matters, the system of internal accounting and financial controls and procedures, and the audit procedures and audit plans. The Audit Committee also recommends to the Board the auditors to be appointed. In addition, the Audit Committee reviews and recommends to the Board for approval the annual financial statements, the annual report and certain other documents required by regulatory authorities. During the most recently completed financial year, the Audit Committee met three times.

Composition of the Audit Committee

As of the date hereof, the Audit Committee is composed of David Whittle (Chair), Jonathan Comerford, and Peeyush Varshney, all of whom are independent directors. All of the members of the Audit Committee are financially literate within the meaning of Section 1.6 of NI 52-110.

The Audit Committee (the “**Committee**”) is a committee of the Board of Directors (the “**Board**”) of Mountain Province Diamonds Inc (“**MPV**” or the “**Company**”) established for the purpose of overseeing the accounting and financial reporting process of MPV and external audits of the consolidated financial statements of MPV. In connection therewith, the Committee assists the Board in fulfilling its oversight responsibilities in relation to MPV’s internal accounting standards and practices, financial information, accounting systems and procedures, financial reporting and statements and the nature and scope of the annual external audit. The Committee also recommends for Board approval MPV’s audited annual consolidated financial statements and other mandatory financial disclosure.

MPV’s external auditor is accountable to the Board and the Committee as representatives of shareholders of MPV. The Committee shall be directly responsible for overseeing the relationship of the external auditor. The Committee shall have such access to the external auditor as it considers necessary or desirable in order to perform its duties and responsibilities. The external auditor shall report directly to the Committee.

The objectives of the Committee are as follows:

B. Composition

1. The Committee shall comprise at least three directors, none of whom shall be an officer or employee of MPV or any of its subsidiaries or any affiliate thereof. Each Committee member shall satisfy the independence, financial literacy and experience requirements of applicable securities laws, rules or guidelines, any applicable stock exchange requirements or guidelines and any other applicable regulatory rules. In particular, each member of the Committee shall have no direct or indirect material relationship with MPV or any affiliate thereof which could reasonably interfere with the exercise of the member’s independent judgment. Determinations as to whether a particular director satisfies the requirements for membership on the Committee shall be made by the full Board.

2. Members of the Committee shall be appointed by the Board. Each member shall serve until his successor is appointed, unless he shall resign or be removed by the Board or he shall otherwise cease to be a director of MPV.
3. The Chair of the Committee may be designated by the Board or, if it does not do so, the members of the Committee may elect a Chair by vote of a majority of the full Committee membership. The Committee Chair shall satisfy the independence, financial literacy and experience requirements as described above.
4. The Committee shall have access to such officers and employees of MPV and to such information respecting MPV as it considers necessary or advisable in order to perform its duties and responsibilities.

2. review with management and the external auditor the annual consolidated financial statements of MPV, the reports of the external auditor thereon and related financial reporting, including Management's Discussion and Analysis and any earnings press releases, (collectively, "**Annual Financial Disclosures**") prior to their submission to the Board for approval.
