Borrower: Assured Health Care, Inc.
1250 West Dorothy Lane, Suite 504
Kettering, OH 45409

Lender: THE HUNTINGTON NATIONAL BANK
Cincinnati Commercial Lending
P. O. Box 341470 - NC1W25
Columbus, OH 43234-9909

Principal Amount: \$760,000.00

Date of Note: July 24, 2008

PROMISE TO PAY. Assured Health Care, Inc. ("Borrower") promises to pay to THE HUNTINGTON NATIONAL BANK ("Lender"), or order, in lawful money of the United States of America, the principal amount of Seven Hundred Sixty Thousand & 00/100 Dollars (\$760,000.00), together with interest on the unpaid principal balance from July 24, 2008, until paid in full.

PAYMENT. Subject to any payment changes resulting from changes in the Index, Borrower will pay this loan in accordance with the following payment schedule: 7 monthly consecutive principal and interest payments in the initial amount of \$8,000.00 each, beginning September 1, 2008, with interest calculated on the unpaid principal balances at an interest rate based on the Lender's Prime Commercial Rate. As used herein, Prime Commercial Rate shall mean the rate established by the Lender from time to time based on its consideration of economic, money market, business and competitive factors, and it is not necessarily the Lender's most favored rate. Subject to any maximum or minimum interest rate limitation specified herein or by applicable law, any variable rate of interest on the obligation evidenced hereby shall change automatically without notice to the undersigned immediately with each change in the Prime Commercial Rate (currently 5.000%), plus a margin of 1.500 percentage points, resulting in an initial interest rate of 6.500%; 49 monthly consecutive principal and interest payments in the initial amount of \$17,000.00 each, beginning April 1, 2009, with interest calculated on the unpaid principal balances at an interest rate based on the Lender's Prime Commercial Rate. As used herein, Prime Commercial Rate shall mean the rate established by the Lender from time to time based on its consideration of economic, money market, business and competitive factors, and it is not necessarily the Lender's most favored rate. Subject to any maximum or minimum interest rate limitation specified herein or by applicable law, any variable rate of interest on the obligation evidenced hereby shall change automatically without notice to the undersigned immediately with each change in the Prime Commercial Rate (currently 5.000%), plus a margin of 1.500 percentage points, resulting in an initial interest rate of 6.500%; and one principal and interest payment of \$7,061.84 on May 1, 2013, with interest calculated on the unpaid principal balances at an interest rate based on the Lender's Prime Commercial Rate. As used herein, Prime Commercial Rate shall mean the rate established by the Lender from time to time based on its consideration of economic, money market, business and competitive factors, and it is not necessarily the Lender's most favored rate. Subject to any maximum or minimum interest rate limitation specified herein or by applicable law, any variable rate of interest on the obligation evidenced hereby shall change automatically without notice to the undersigned immediately with each change in the Prime Commercial Rate (currently 5.000%), plus a margin of 1.500 percentage points, resulting in an initial interest rate of 6.500%. This estimated final payment is based on the assumption that all payments will be made exactly as scheduled and that the Index does not change; the actual final payment will be for all principal and accrued interest not yet paid, together with any other unpaid amounts under this Note. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; then to any unpaid collection costs; and then to any late charges. The annual interest rate for this Note is computed on a 365/360 basis; that is, by applying the ratio of the annual interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

VARIABLE INTEREST RATE. The interest rate on this Note is subject to change from time to time based on changes in an index which is the Lender's Prime Commercial Rate. As used herein, Prime Commercial Rate shall mean the rate established by the Lender from time to time based on its consideration of economic, money market, business and competitive factors, and it is not necessarily the Lender's most favored rate. Subject to any maximum or minimum interest rate limitation specified herein or by applicable law, any variable rate of interest on the obligation evidenced hereby shall change automatically without notice to the undersigned immediately with each change in the Prime Commercial Rate (the "Index"). The Index is not necessarily the lowest rate charged by Lender on its loans and is set by Lender in its sole discretion. If the Index becomes unavailable during the term of this loan, Lender may designate a substitute index after notifying Borrower. Lender will tell Borrower the current Index rate upon Borrower's request. The interest rate change will not occur more often than each day. Borrower understands that Lender may make loans based on other rates as well. **The Index currently is 5.000% per annum.** The interest rate or rates to be applied to the unpaid principal balance during this Note will be the rate or rates set forth herein in the "Payment" section. Notwithstanding any other provision of this Note, after the first payment stream, the interest rate for each subsequent payment stream will be effective as of the last payment date of the just-ending payment stream. **NOTICE:** Under no circumstances will the interest rate on this Note be more than the maximum rate allowed by applicable law. Whenever increases occur in the interest rate, Lender, at its option, may do one or more of the following: (A) increase Borrower's payments to ensure Borrower's loan will pay off by its original final maturity date, (B) increase Borrower's payments to cover accruing interest, (C) increase the number of Borrower's payments, and (D) continue Borrower's payments at the same amount and increase Borrower's final payment.

PREPAYMENT. Borrower agrees that all loan fees and other prepaid finance charges are earned fully as of the date of the loan and will not be subject to refund upon early payment (whether voluntary or as a result of default), except as otherwise required by law. Except for the foregoing, Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in Borrower's making fewer payments. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: The Huntington National Bank, Commercial Customer Support, 2361 Morse Road - NC1W26 Columbus, OH 43229.

LATE CHARGE. If a payment is 11 days or more late, Borrower will be charged 5.000% of the regularly scheduled payment.

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, the interest rate on this Note shall be increased by adding a 3.000 percentage point margin ("Default Rate Margin"). The Default Rate Margin shall also apply to each succeeding interest rate change that would have applied had there been no default. After maturity, or after this Note would have matured had there been no default, the Default Rate Margin will continue to apply to the final interest rate described in this Note. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's ability to repay this Note or perform Borrower's obligations under this Note or any of the related documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Insolvency. The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness

**PROMISSORY NOTE
(Continued)**

Page 2

evidenced by this Note.

Change In Ownership. Any change in ownership of twenty-five percent (25%) or more of the common stock of Borrower.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

Insecurity. Lender in good faith believes itself insecure.

LENDER'S RIGHTS. Upon default, Lender may declare the entire unpaid principal balance under this Note and all accrued unpaid interest immediately due, and then Borrower will pay that amount.

ATTORNEYS' FEES; EXPENSES. Lender may hire or pay someone else to help collect this Note if Borrower does not pay. Borrower will pay Lender that amount. This includes, subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees, expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. If not prohibited by applicable law, Borrower also will pay any court costs, in addition to all other sums provided by law.

JURY WAIVER. Lender and Borrower hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by either Lender or Borrower against the other.

GOVERNING LAW. This Note will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Ohio without regard to its conflicts of law provisions. This Note has been accepted by Lender in the State of Ohio.

CONFESSION OF JUDGMENT. Borrower hereby irrevocably authorizes and empowers any attorney-at-law, including an attorney hired by Lender, to appear in any court of record and to confess judgment against Borrower for the unpaid amount of this Note as evidenced by an affidavit signed by an officer of Lender setting forth the amount then due, attorneys' fees plus costs of suit, and to release all errors, and waive all rights of appeal. If a copy of this Note, verified by an affidavit, shall have been filed in the proceeding, it will not be necessary to file the original as a warrant of attorney. Borrower waives the right to any stay of execution and the benefit of all exemption laws now or hereafter in effect. No single exercise of the foregoing warrant and power to confess judgment will be deemed to exhaust the power, whether or not any such exercise shall be held by any court to be invalid, voidable, or void; but the power will continue undiminished and may be exercised from time to time as Lender may elect until all amounts owing on this Note have been paid in full. Borrower waives any conflict of interest that an attorney hired by Lender may have in acting on behalf of Borrower in confessing judgment against Borrower while such attorney is retained by Lender. Borrower expressly consents to such attorney acting for Borrower in confessing judgment.

DISHONORED ITEM FEE. Borrower will pay a fee to Lender of \$15.00 if Borrower makes a payment on Borrower's loan and the check or preauthorized charge with which Borrower pays is later dishonored.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the indebtedness against any and all such accounts.

FINANCIAL STATEMENTS. Borrower agrees to furnish from time to time on the request of the Lender true and complete financial statements and such other information as the Lender may reasonably require.

PROCESSING FEE. Borrower shall pay to Lender on the date of this Note a processing fee in the amount of \$0.00. Lender and Borrower agree that the fee shall be fully earned by Lender on the date of this Note.

IMPORTANT INFORMATION ABOUT PROCEDURES REQUIRED BY THE USA PATRIOT ACT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each entity or person who opens an account or establishes a relationship with the Lender.

What this means: When an entity or person opens an account or establishes a relationship with the Lender, the Lender may ask for the name, address, date of birth, and other information that will allow the Lender to identify the entity or person who opens an account or establishes a relationship with the Lender. The Lender may also ask to see identifying documents for the entity or person.

DEPOSIT ACCOUNT. Borrower covenants and agrees to establish and maintain all of Borrower's operating deposit accounts with Lender.

FINANCIAL STATEMENTS OF GUARANTOR(S). Borrower shall deliver or cause to be delivered to Lender within One Hundred Twenty (120) days after the end of each fiscal year, beginning on December 31, 2008, each Guarantor's financial statement, including a balance sheet and income statement audited by an independent certified public accountant satisfactory to Lender and, certified by Guarantor's presidents, chief financial officer and other officer or person acceptable to Lender as fairly representing Guarantor's financial condition for or as of the end of such period.

ANNUAL FINANCIAL STATEMENTS. Borrower shall furnish Lender with, as soon as available, but in no event later than One Hundred Twenty (120) days after the end of each fiscal year, Borrower's financial statement, including a balance sheet and income statement for the year ended, prepared by Borrower and certified by Borrower's president, chief financial officer or other officer or person acceptable to Lender as fairly representing Borrower's financial condition and results of operations as of the end of such period.

SUCCESSOR INTERESTS. The terms of this Note shall be binding upon Borrower, and upon Borrower's heirs, personal representatives, successors and assigns, and shall inure to the benefit of Lender and its successors and assigns.

GENERAL PROVISIONS. If any part of this Note cannot be enforced, this fact will not affect the rest of the Note. Borrower does not agree or intend to pay, and Lender does not agree or intend to contract for, charge, collect, take, reserve or receive (collectively referred to herein as "charge or collect"), any amount in the nature of interest or in the nature of a fee for this loan, which would in any way or event (including demand, prepayment, or acceleration) cause Lender to charge or collect more for this loan than the maximum Lender would be permitted to charge or collect by federal law or the law of the State of Ohio (as applicable). Any such excess interest or unauthorized fee shall, instead of anything stated to the contrary, be applied first to reduce the principal balance of this loan, and when the principal has been paid in full, be refunded to Borrower. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may renew or extend (repeatedly and for any length of time) this loan or release any party or guarantor or collateral; or impair, fail to realize upon or perfect Lender's security interest in the collateral; and take any other action deemed necessary by Lender without the consent of or notice to anyone. All such parties also agree that Lender may modify this loan without the consent of or notice to anyone other than the party with whom the modification is made. The obligations under this Note are joint and several.

PROMISSORY NOTE
