FURTHER CAUTIONARY ANNOUNCEMENT

A cautionary announcement was released on 16 May 2003 in relation to a potential merger between Ashanti Goldfields Company Limited ("Ashanti") and AngloGold at a ratio of 26 AngloGold shares for every 100 Ashanti ordinary shares or global depositary securities.

AngloGold has been notified that the Government of Ghana, a substantial shareholder and regulator of Ashanti, is to take appropriate professional advice in considering the proposed merger. AngloGold welcomes this development as an important step forward in the discussions with key stakeholders. Accordingly, shareholders are advised to continue to exercise caution when dealing in AngloGold's securities until a further announcement is made.
