Warrant to Purchase
300,000 Shares

DIGITAL VIDEO SYSTEMS, INC.
(Incorporated under the laws of the State of Delaware)

WARRANT FOR THE PURCHASE OF SHARES OF
THE \$0.0001 PAR VALUE COMMON STOCK OF
DIGITAL VIDEO SYSTEMS, INC.

Warrant Price: \$0.61 per share, subject to adjustment as provided below.

THIS IS TO CERTIFY that, for value received, EMPIRE CAPITAL PARTNERS, LP and its registered assigns (collectively, the "Holder"), is entitled to purchase, subject to the terms and conditions hereinafter set forth, up to 300,000 shares of the \$0.0001 par value common stock ("Common Stock") of Digital Video Systems, Inc., a Delaware corporation (the "Company"), and to receive certificate(s) for the Common Stock so purchased.

1. Exercise Period and Vesting. The exercise period is the period beginning on the earlier of six months from the date of this Warrant is originally issued (the "Closing Date") or the effective date of the registration statement covering the resale of the Common Stock issuable upon exercise of this Warrant (the "Effective Date") and ending at 5:00 p.m., California time, on the fifth anniversary of the Closing Date (the "Exercise Period"). This Warrant will terminate automatically and immediately upon (a) the expiration of the Exercise Period or (b) a Change of Control. For purposes of this Section 1, a "Change of Control" shall mean (i) any consolidation or merger involving the Company pursuant to which the Company's stockholders own less than 50% of the voting securities of the surviving entity or (ii) the sale of all or substantially all of the assets of the Company.

2. Exercise of Warrant. This Warrant may be exercised, in whole or in part, at any time and from time to time during the Exercise Period. Such exercise shall be accomplished by tender to the Company of the purchase price set forth above as the warrant price (the "Warrant Price"), in cash, by wire transfer or by certified check or bank cashier's check, payable to the

order of the Company, together with presentation and surrender to the Company of this Warrant with an executed subscription in substantially the form attached hereto as Exhibit A (the “Subscription”). Upon receipt of the foregoing, the Company will deliver to the Holder, as promptly as possible, a certificate or certificates representing the shares of Common Stock so purchased, registered in the name of the Holder or its transferee (as permitted under Section 4 below). With respect to any exercise of this Warrant, the Holder will for all purposes be deemed to have become the holder of record of the number of shares of Common Stock purchased hereunder on the date this Warrant, a properly executed Subscription and payment of the Warrant Price is received by the Company (the “Exercise Date”), irrespective of the date of delivery of the certificate evidencing such shares, except that, if the date of such receipt is a date on which the stock transfer books of the Company are closed, such person will be deemed to have become the holder of such shares at the close of business on the next succeeding date on which the stock transfer books are open. Fractional shares of Common Stock will not be issued upon the exercise of this Warrant. In lieu of any fractional shares that would have been issued but for the immediately preceding sentence, the Holder will be entitled to receive cash equal to the current market price of such fraction of a share of Common Stock on the trading day immediately preceding the Exercise Date. In the event this Warrant is exercised in part, the Company shall issue a new Warrant to the Holder covering the aggregate number of shares of Common Stock as to which this Warrant remains exercisable for that is otherwise identical with this Warrant. The Company acknowledges and agrees that this Warrant was issued on the Issuance Date.

3. **Compliance with Act.** The holder of this Warrant, by acceptance hereof, agrees that this Warrant, and the Common Stock to be issued upon exercise hereof are being acquired for investment and that such holder will not offer, sell or otherwise dispose of this Warrant, or any Common Stock except under circumstances which will not result in a violation of the Securities Act or any applicable state securities laws. Upon exercise of this Warrant, unless the Common Stock being acquired are registered under the Securities Act and any applicable state securities laws or an exemption from such registration is available, the holder hereof shall confirm in writing that the Common Stock so purchased are being acquired for investment and not with a view toward distribution or resale in violation of the Securities Act and shall confirm such other matters related thereto as may be reasonably requested by the Company. This Warrant and all Common Stock issued upon exercise of this Warrant (unless registered under the Securities Act and any applicable state securities laws) shall be stamped or imprinted with a legend in substantially the following form:

“THE SECURITIES EVIDENCED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR ANY APPLICABLE STATE SECURITIES LAWS, HAVE BEEN TAKEN FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF, AND MAY NOT BE SOLD OR TRANSFERRED OR OFFERED FOR SALE OR TRANSFER UNLESS A REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND OTHER APPLICABLE SECURITIES LAWS WITH RESPECT TO SUCH SECURITIES IS THEN IN EFFECT, OR IN THE OPINION OF COUNSEL (WHICH OPINION IS REASONABLY SATISFACTORY TO THE ISSUER OF THESE SECURITIES), SUCH

REGISTRATION UNDER THE SECURITIES ACT AND OTHER APPLICABLE SECURITIES LAWS IS NOT REQUIRED.

Said legend shall be removed by the Company, upon the request of a holder, at such time as the restrictions on the transfer of the applicable security shall have terminated.

4. Transferability and Exchange.

(a) This Warrant, and the Common Stock issuable upon the exercise hereof, may not be sold, transferred, pledged or hypothecated unless the Company shall have been provided with written notice of the sale or other distribution describing briefly the manner thereof, together with an opinion of counsel, or other evidence, reasonably satisfactory to it, that such transfer is not in violation of the Securities Act, and any applicable state securities laws or unless such transfer shall have been registered under the Securities Act of 1933, as amended. Subject to the satisfaction of the aforesaid condition, this Warrant and the underlying shares of Common Stock shall be transferable from time to time by the Holder upon written notice to the Company. Promptly upon receiving such written notice and reasonably satisfactory opinion or other evidence, if so requested, the Company, as promptly as practicable but no later than fifteen (15) days after receipt of the written notice, shall notify such holder that such holder may sell or otherwise dispose of this Warrant or such Common Stock, all in accordance with the terms of the notice delivered to the Company. If a determination has been made pursuant to this Section 4(a) that the opinion of counsel for the holder or other evidence is not reasonably satisfactory to the Company, the Company shall so notify the holder promptly with details thereof after such determination has been made. Notwithstanding the foregoing, this Warrant or such Common Stock may, as to such federal laws, be offered, sold or otherwise disposed of in accordance with Rule 144 or 144A under the Securities Act, provided that the Company shall have been furnished with such information as the Company may reasonably request to provide a reasonable assurance that the provisions of Rule 144 or 144A have been satisfied. Each certificate representing this Warrant or the Common Stock thus transferred (except a transfer pursuant to Rule 144 or 144A) shall bear a legend as to the applicable restrictions on transferability in order to ensure compliance with such laws, unless in the aforesaid opinion of counsel for the holder, such legend is not required in order to ensure compliance with such laws. The Company may issue stop transfer instructions to its transfer agent in connection with such restrictions.

(b) If this Warrant is transferred, in whole or in part, the Company shall, upon surrender of this Warrant to the Company, deliver to each transferee a Warrant evidencing the rights of such transferee to purchase the number of shares of Common Stock that such transferee is entitled to purchase pursuant to such transfer. The Company may place a legend similar to the legend at the top of this Warrant on any replacement Warrant and, on each certificate representing shares issuable upon exercise of this Warrant or any replacement Warrants. Only a registered Holder may enforce the provisions of this Warrant against the Company. A transferee of the original registered Holder becomes a registered Holder only upon delivery to the Company of the original Warrant and an original Assignment, substantially in the form set forth in Exhibit B attached hereto.

(c) This Warrant is exchangeable upon its surrender by the Holder to the Company for new Warrants of like tenor and date representing in the aggregate the right to purchase the number of shares purchasable hereunder, each of such new Warrants to represent the right to purchase such number of shares as may be designated by the Holder at the time of such surrender.

5. Adjustments to Warrant Price and Number of Shares Subject to Warrant. The Warrant Price and the number of shares of Common Stock purchasable upon the exercise of this Warrant are subject to adjustment from time to time upon the occurrence of any of the events specified in this Section 5.

(a) In case the Company shall (i) pay a dividend or make a distribution in shares of Common Stock or other securities, (ii) subdivide its outstanding shares of Common Stock into a greater number of shares, (iii) combine its outstanding shares of Common Stock into a smaller number of shares, or (iv) issue by reclassification of its shares of Common Stock other securities of the Company, then the Warrant Price in effect at the time of the record date for such dividend or on the effective date of such subdivision, combination or reclassification, and/or the number and kind of securities issuable on such date, shall be proportionately adjusted so that the Holder of any Warrant thereafter exercised shall be entitled to receive the aggregate number and kind of shares of Common Stock (or such other securities other than Common Stock) of the Company, at the same aggregate Warrant Price, that, if such Warrant had been exercised immediately prior to such date, the Holder would have owned upon such exercise and been entitled to receive by virtue of such dividend, distribution, subdivision, combination or reclassification. Such adjustment shall be made successively whenever any event listed above shall occur.

(b) In case the Company shall fix a record date for the making of a distribution to all holders of Common Stock (including any such distribution made in connection with a consolidation or merger in which the Company is the surviving corporation) of cash, evidences of indebtedness or assets, or subscription rights or warrants, the Warrant Price to be in effect after such record date shall be determined by multiplying the Warrant Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the current market price per share of Common Stock on such record date, less the amount of cash so to be distributed (or the fair market value (as determined in good faith by, and reflected in a formal resolution of, the Board of Directors of the Company) of the portion of the assets or evidence of indebtedness so to be distributed, or of such subscription rights or warrants, applicable to one share of Common Stock, and the denominator of which shall be such current market price per share of Common Stock; in addition, the number of shares of Common Stock for which this Warrant shall thereafter be exercisable shall be adjusted to a number determined by dividing the number of such shares for which this Warrant was theretofore exercisable by the above fraction. Such adjustment shall be made successively whenever such a record date is fixed; and in the event that such distribution is not so made, the Warrant Price shall again be adjusted to be the Warrant Price which would then be in effect if such record date had not been fixed.

(c) For the purpose of any computation under any subsection of this Section 5, the “current market price” per share of Common Stock on any date shall be the average per share price of the Common Stock on the 10 trading days immediately prior to the

event requiring an adjustment hereunder, which per share price shall be: (i) if the principal trading market for the Common Stock is a national or regional securities exchange, the closing price on such exchange on such day; or (ii) if sales prices for shares of Common Stock are reported by the Nasdaq National Market system or Nasdaq SmallCap Market (or a similar system then in use), the last reported sales price so reported on such day; or (iii) if neither (i) nor (ii) above are applicable, and if bid and ask prices for shares of Common Stock are reported in the over-the-counter market by Nasdaq (or, if not so reported, by the National Quotation Bureau), the average of the high bid and low ask prices so reported on such day. Notwithstanding the foregoing, if there is no reported closing price, last reported sales price, or bid and ask prices, as the case may be, for the day in question, then the current market price shall be determined as of the latest date prior to such day for which such closing price, last reported sales price, or bid and ask prices, as the case may be, are available, unless such securities have not been traded on an exchange or in the over-the-counter market for 30 or more days immediately prior to the day in question, in which case the current market price shall be determined in good faith by, and reflected in a formal resolution of, the Board of Directors of the Company.

(d) Notwithstanding any provision herein to the contrary, no adjustment in the Warrant Price shall be required unless such adjustment would require an increase or decrease of at least one percent in the Warrant Price; provided, however, that any adjustments which by reason of this subsection (d) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 5 shall be made to the nearest cent or the nearest one-hundredth of a share, as the case may be.

(e) In the event that at any time, as a result of an adjustment made pursuant to subsection (a) above, the Holder of any Warrant thereafter exercised shall become entitled to receive any shares of capital stock of the Company other than shares of Common Stock or any other securities or assets, thereafter the number of such other shares or other securities or assets so receivable upon exercise of any Warrant shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the shares of Common Stock contained in this Section 5, and the other provisions of this Warrant shall apply on like terms to any such other shares or other securities or assets.

(f) If the Company merges or consolidates into or with another corporation or entity, or if another corporation or entity merges into or with the Company (excluding such a merger in which the Company is the surviving or continuing corporation and which does not result in any reclassification, conversion, exchange, or cancellation of the outstanding shares of Common Stock), or if all or substantially all of the assets or business of the Company are sold or transferred to another corporation, entity, or person, then, as a condition to such consolidation, merger, or sale (a "Transaction"), lawful and adequate provision shall be made whereby, and the successors or acquiring corporation, entity or person shall expressly agree in writing that, the Holder shall have the right from and after the Transaction to receive, upon exercise of this Warrant and upon the terms and conditions specified herein and in lieu of the shares of the Common Stock or other securities or assets that would have been issuable if this Warrant had been exercised immediately before the Transaction, such shares of stock, securities, or assets as the Holder would have owned immediately after the Transaction if the Holder had exercised this Warrant immediately before the effective date of the Transaction.

(g) In case any event shall occur as to which the other provisions of this Section 5 are not strictly applicable but the failure to make any adjustment would not fairly protect the purchase rights represented by this Warrant in accordance with the essential intent and principles hereof, then, in each such case, the Company shall effect such adjustment, on a basis consistent with the essential intent and principles established in this Section 5, as may be necessary to preserve, without dilution, the purchase rights represented by this Warrant.

6. Reservation of Shares. The Company agrees at all times to reserve and hold available out of its authorized but unissued shares of Common Stock a sufficient number of shares of Common Stock to provide for the exercise of the purchase rights provided herein. The Company further covenants and agrees that all shares of Common Stock that may be delivered upon the exercise of this Warrant will, upon delivery, be fully paid and nonassessable and free from all taxes, liens and charges with respect to the purchase thereof hereunder.

7. Notices to Holder. Upon any adjustment of the Warrant Price (or number of shares of Common Stock purchasable upon the exercise of this Warrant) pursuant to Section 5, the Company shall promptly thereafter cause to be given to the Holder written notice of such adjustment. Such notice shall include the Warrant Price (and/or the number of shares of Common Stock purchasable upon the exercise of this Warrant) after such adjustment, and shall set forth in reasonable detail the Company's method of calculation and the facts upon which such calculations were based. Where appropriate, such notice shall be given in advance and included as a part of any notice required to be given under the other provisions of this Section 7.

In the event of (a) any fixing by the Company of a record date with respect to the holders of any class of securities of the Company for the purpose of determining which of such holders are entitled to dividends or other distributions, or any rights to subscribe for, purchase or otherwise acquire any shares of capital stock of any class or any other securities or property, or to receive any other right, (b) any capital reorganization of the Company, or reclassification or recapitalization of the capital stock of the Company or any transfer of all or substantially all of the assets or business of the Company to, or consolidation or merger of the Company with or into, any other entity or person, or (c) any voluntary or involuntary dissolution or winding up of the Company, then and in each such event the Company will give the Holder a written notice specifying, as the case may be (i) the record date for the purpose of such dividend, distribution, or right, and stating the amount and character of such dividend, distribution, or right; or (ii) the date on which any such reorganization, reclassification, recapitalization, transfer, consolidation, merger, conveyance, dissolution, liquidation, or winding up is to take place and the time, if any is to be fixed, as of which the holders of record of Common Stock (or such capital stock or securities receivable upon the exercise of this Warrant) shall be entitled to exchange their shares of Common Stock (or such other stock securities) for securities or other property deliverable upon such event. Any such notice shall be given at least 10 days prior to the earliest date therein specified.

8. No Rights as a Stockholder. This Warrant does not entitle the Holder to any voting rights or other rights as a stockholder of the Company, nor to any other rights whatsoever except the rights herein set forth.

9. Additional Covenants of the Company. For so long as the Common Stock is listed for trading on any regional or national securities exchange or Nasdaq (National Market or SmallCap Market), the Company shall, upon issuance of any shares for which this Warrant is exercisable, at its expense, promptly obtain and maintain the listing of such shares.

The Company shall comply with the reporting requirements of Sections 13 and 15(d) of the Securities Exchange Act of 1934, as amended, for so long as and to the extent that such requirements apply to the Company.

The Company shall not, by amendment of its Certificate of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant. Without limitation of the generality of the foregoing, the Company (a) will at all times reserve and keep available, solely for issuance and delivery upon exercise of this Warrant, shares of Common Stock issuable from time to time upon exercise of this Warrant, (b) will not increase the par value of any shares of capital stock receivable upon exercise of this Warrant above the amount payable therefor upon such exercise, and (c) will take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable stock.

10. Representation and Covenants of Holder. Holder represents and covenants to the Company as follows:

(a) This Warrant and the Common Stock issuable upon exercise of this Warrant will be acquired for investment for Holder's own account, and not as a nominee or agent and not with a view to the distribution of any part thereof. Holder further represents that it does not have any contract, undertaking agreement or arrangement with any person to sell, transfer or grant participations to such person, or to any third person, with respect to this Warrant. Upon exercise of this Warrant, the Holder shall, if so requested by the Company, confirm in writing, in a form satisfactory to the Company, that the Common Stock issuable upon exercise of this Warrant are being acquired for investment purposes and not with a view toward distribution or resale, other than in compliance with applicable securities laws, including the Securities Act.

(b) Holder understands (i) that the Warrant and the Common Stock issuable upon exercise of this Warrant are not registered under the Securities Act, or qualified under applicable state securities laws on the ground that the issuance of this Warrant will be exempt from the registration and qualifications requirements thereof; (ii) that the Company's reliance on such exemption is predicated on the representations set forth in this Section 10; and (iii) that the Warrant and the Common Stock issuable upon exercise of this must be held by the Holder indefinitely, and that the Holder must therefore bear the economic risk of such investment indefinitely, unless a subsequent disposition thereof is registered under the Securities Act or is exempted from such registration.

(c) Holder represents and warrants that Holder is familiar with the provisions of Rule 144 promulgated under the Securities Act which, in substance, permits limited public resale of "restricted securities" acquired, directly or indirectly, from the issuer thereof (or from an affiliate of such issuer) in a non-public offering subject to the satisfaction of certain conditions,

including, among other things: (i) the availability of certain public information about the Company; (ii) the resale occurring not less than one year after the party has purchased, and made full payment for, within the meaning of Rule 144, the securities to be sold; and (iii) in the case of an affiliate, or of a non-affiliate who has held the securities less than two years, the sale being made through a broker in an unsolicited “broker’s transaction” or in transactions directly with a market maker (as such term as defined under the Securities Exchange Act of 1934, as amended) and the amount of securities being sold during any three month period not exceeding the specified limitations stated therein, if applicable. Holder acknowledges that in the event the applicable requirements of Rule 144 are not met, registration under the Securities Act or compliance with another exemption from registration will be required for any disposition of the Common Stock issuable upon exercise of this Warrant.

(d) Holder has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment, and has the ability to bear the economic risks of its investment.

(e) Holder has received and reviewed this Warrant; it, its attorney and its accountant have had access to, and an opportunity to review all documents and other materials requested of the Company; it and they have been given an opportunity to ask any and all questions of and receive answers from, the Company concerning the terms and conditions of this Warrant and to evaluate the suitability of an investment in this Warrant; and, in evaluating the suitability of an investment in this Warrant; it and they have not relied upon any representations or other information (whether oral or written) other than as set forth herein.

(f) Holder hereby agrees that, in connection with a public offering of the Company’s securities, during the period of duration specified by the Company and an underwriter of Common Stock or other securities of the Company, following the effective date of a registration statement of the Company filed under the Securities Act, it shall not, to the extent requested by the Company and such underwriter, directly or indirectly sell, offer to sell, contract to sell (including, without limitation, any short sale), grant any option to purchase or otherwise transfer or dispose of (other than to donees who agree to be similarly bound) any securities of the Company held by it at any time during such period except common stock included in such registration; provided, however, that:

(a) all officers and directors of the Company enter into similar agreements; and

(b) such market stand-off time period shall not exceed one hundred eighty (180) days.

Holder agrees to provide to the other underwriters of any public offering such further agreements as such underwriter may reasonably request in connection with this market stand-off agreement, provided that the terms of such agreements are substantially consistent with the provisions of this Section 10(f). In order to enforce the foregoing covenant, the Company may impose stop-transfer instructions with respect to the shares underlying this Warrant until the end of such period.

Notwithstanding the foregoing, the obligations described in this Section 10(f) shall not apply to a registration relating solely to employee benefit plans on Form S-1 or Form S-8 or similar forms which may be promulgated in the future, or a registration relating solely to an SEC Rule 145 transaction.

11. Registration. The Company agrees that it will include the shares of Common Stock issuable upon exercise of this Warrant on the next registration statement it files that permits the inclusion of selling stockholder securities and that it will use its best efforts to cause such registration statement to be declared effective as quickly as possible after such initial filing is made. The Company shall be required to maintain the effectiveness of such registration statement until such time as the underlying shares may be sold pursuant to Rule 144 under the Securities Act of 1933, as amended. The foregoing notwithstanding, if the subject registration statement is for a firmly underwritten public offering of the Company's securities, and the managing underwriter of such offering reasonably determines that it is not in the best interests of the offering to include such warrant shares, the Company shall have the right to exclude, or cutback, the shares underlying this Warrant, to the extent recommended by the managing underwriter. In such event, the Company shall agree to include any remaining shares in the next subsequently filed registration statement that permits the inclusion of selling stockholder securities, again subject to any reasonable underwriter cutback.

12. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Company, the Holder and their respective successors and permitted assigns.

13. Notices. The Company agrees to maintain a ledger of the ownership of this Warrant (the "Ledger"). Any notice hereunder shall be given by personal delivery (including by courier, by facsimile on a business day, receipt of which is confirmed or by registered or certified mail: if to the Company, at its principal executive office and, if to the Holder, to its address shown in the Ledger of the Company; provided, however, that the Holder may at any time on three (3) days written notice to the Company designate or substitute another address where notice is to be given. Notice shall be deemed given and received when delivered in person or by courier, when sent by facsimile on a business day if the sender obtains a confirmation of such transmission or three business days after a certified or registered letter, properly addressed with postage prepaid, is deposited in the U.S. mail.

14. Severability. Every provision of this Warrant is intended to be severable. If any term or provision hereof is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the remainder of this Warrant.

15. Governing Law. This Warrant shall be governed by and construed in accordance with the laws of the State of California without giving effect to the principles of choice of laws thereof.

16. Attorneys' Fees; Remedies. In any action or proceeding brought to enforce any provision of this Warrant, the prevailing party shall be entitled to recover reasonable attorneys' fees in addition to its costs and expenses and any other available remedy.

17. **Entire Agreement.** This Warrant (including the Exhibits attached hereto) constitutes the entire understanding between the Company and the Holder with respect to the subject matter hereof, and supersedes all prior negotiations, discussions, agreements and understandings relating to such subject matter.

IN WITNESS WHEREOF, the Company has caused this Warrant to be executed by its duly authorized officer as of the date first set forth above.
