## **Report of Independent Registered Public Accounting Firm**

The Member of  
Guggenheim Securities, LLC:

We have audited the accompanying consolidated statement of financial condition of Guggenheim Securities, LLC and subsidiaries (the "Company") as of December 31, 2015, and the related consolidated statements of income, changes in member's equity, and cash flows for the year then ended. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Guggenheim Securities, LLC and subsidiaries as of December 31, 2015, and the results of their operations and their cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

The supplemental information contained in Schedules I, II and III has been subjected to audit procedures performed in conjunction with the audit of the Company's consolidated financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the consolidated financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplemental information contained in Schedules I, II and III is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.
