Reed & Company and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC, solely to assist you and the other specified parties in evaluating S.L. Reed & Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). S.L. Reed & Company's management is responsible for S.L. Reed & Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries contained in the client general ledger noting no differences;
2. Compared amounts reported on the unaudited Form X-17A-5 for the year ended December 31, 2015, with the amounts reported in General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2015, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with client prepared supporting schedules and working papers contained in our "A" work papers noting no differences;
4. Proved the arithmetical accuracy of the calculations in the Form SIPC-7 and in the related schedules and working papers prepared by S.L. Reed & Company supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
