File No. 000-27507
Form 10-KSB for the year ended December 31, 2006
Forms 10-QSB for the quarters ended March 31, 2007 and June 30, 2007

Dear Mr. Weidemann:

We have reviewed the above referenced filings and have the following comments. We have limited our review to only your financial statements and related disclosures and will make no further review of your documents. As such, all persons who are responsible for the adequacy and accuracy of the disclosures are urged to be certain that they have included all information required pursuant to the Securities Exchange Act of 1934.

Where indicated, we think you should revise your documents in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with additional information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comment or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form 10-KSB

Item 8A. Controls and Procedures, page 19

1. We noted your statement that the CEO and CFO have concluded that, subject to the inherent limitations described in this section, the company's disclosure

controls and procedures are effective. Given the limitations described, it remains unclear whether your chief executive officer and chief financial officer have concluded that your disclosure controls and procedures are effective. Please revise your disclosure to state, in clear and unqualified language, the conclusions reached by your chief executive officer and your chief financial officer on the effectiveness of your disclosure controls and procedures. For example, if true, you can state that your disclosure controls and procedures are effective including consideration of the identified matters, so long as you provide appropriate disclosure explaining how the disclosure controls and procedures were determined to be effective in light of the identified matters. Or, if true, you can state that given the identified matters, your disclosure controls and procedures are not effective. You should not, however, state the conclusion in your current disclosure, which appears to state that your disclosure controls and procedures are effective except to the extent they are not effective.

Note 7 – Revolving Loan Payable, page 12

2. Advise us supplementally and clarify in your future filings the accounting impact of restructuring the loan agreement with Cambria in August 2007 and address the incentives offered in the form of accelerated vesting and issuing additional warrants.

Exhibit 31.1 and 31.2 - Certifications

3. We noted that the identification of the certifying individual at the beginning of the certification required by Exchange Act Rule 13a-14(a) also includes the title of the certifying individual. Considering that the certifications must be signed in a personal capacity, please confirm to us that your officers signed such certification in a personal capacity. Also, confirm that in future filings you will revise the identification of the certifying individual at the beginning of the certification so as not to include the individual's title.

As appropriate, please amend your Form 10-KSB and respond to these comments within 10 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed response letters greatly facilitate our review. Please submit your cover letter on EDGAR. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are

responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filings; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filings or in response to our comments on your filings.

You may contact Jorge L. Bonilla at (202) 551-3414 or me at (202) 551-3413 if you have any questions,

.

Sincerely,

Cicely L. LaMothe
