Consolidated Financial Statements

Note 3. Summary of Significant Accounting Policies

Cost of Services, page 52

1. We note from your disclosures on page 9 that research and product development costs are expensed when incurred within cost of services. Please tell us how you considered disclosing the amount of research and development costs charged to expense for each period presented. We refer you to ASC 730-10-50-1.

Note 17. Income Taxes, page 75

2. Please tell us the amount of undistributed earnings on your foreign subsidiaries for each period presented. Explain to us why the amount of undistributed earnings on your foreign subsidiaries is immaterial in light of the significant amounts of income from foreign subsidiaries in each period as well as the fact that a majority of your cash and cash equivalents are held in bank accounts outside the U.S.

3. We note your disclosure that you realigned aspects of your global operations which resulted in a significant decline in your effective tax rate. Please describe for us, in detail, the nature of the operational realignment and explain how this resulted in a decrease in income taxes. Also, please tell us the impact you expect the reorganization will have on your full year effective tax rate and what consideration you gave to disclosing the potential impact.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Morgan Youngwood, Staff Accountant, at (202) 551-3479 or Christine Dietz, Assistant Chief Accountant, at (202) 551-3408 if you have questions regarding comments on the financial statements and related matters. Please contact me at (202) 551-3488 with any other questions.
