

## Notice-and-Access Notification to Registered Shareholders

You are receiving this notification as Precision Drilling Corporation (**Precision**) has elected to utilize the notice-and-access provisions adopted by the Canadian Securities Administrators (**Notice-and-Access**) for delivery of its information circular and related proxy materials (the **Meeting Materials**) to its shareholders who hold their Precision common shares in their own name (the **Registered Shareholders**). Precision will not utilize Notice-and-Access with respect to the mailing of the Meeting Materials to Registered Shareholders who have standing instructions, or have otherwise requested, to receive paper copies of materials. Rather, such shareholders will receive paper copies of the Meeting Materials.

The use of this alternative means of delivery is more environmentally friendly as it helps reduce paper use and also reduces the cost of printing and mailing materials to shareholders.
