Dear Mr. McCready:

We have reviewed your filing and have the following comments. Where indicated, we think you should revise your document in response to the comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comment or any other aspect of our review. Feel free to call us at the telephone number listed at the end of this letter.

1. In detail, supplementally describe the nature of each reportable event and the amounts involved, if any. Also, tell us in what period the reportable event occurred and whether or not you restated (or intend to restate) any prior period for any adjustment resulting from the reportable event; and if not, why not. Tell us in detail the steps you have taken (or plan to take) and procedures you implemented (or plan to implement) to correct each reportable event.

2. Please provide us with a schedule of your fiscal year end fourth quarter adjustments to close the books, or adjustments recorded in connection with or as a result of the audit. Clearly explain the reason for each adjustment. For each adjustment, show us the impact on pre-tax net loss. Quantify the net effect of all adjustments on pre-tax net income (loss). Also, tell us why none of the adjustments relate to prior periods. Explain in detail why you believe the timing of each adjustment is appropriate.
3. Provide us with any letter or written communication to and from the former accountants regarding any disagreements or reportable events to management or the Audit Committee.

As appropriate, please amend your filing and respond to the comment, via EDGAR, within five business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your response to our comment and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and response to our comment.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
