Item 9A(T). Controls and Procedures, page 24

1. In light of the fact that a material weakness existed with respect to your system of internal control over financial reporting, tell us the basis for your conclusion that the company's disclosure controls and procedures were nonetheless effective as of the end of the period covered by the report. Alternatively, please amend your Form 10-K to disclose management's revised conclusion on the effectiveness of your

disclosure controls and procedures, i.e., that DC&P were not effective as of the end of the period covered by the report.

Please confirm to us that you will include a statement in future filings in substantially the following form: "This annual report does not include an attestation report of the company's registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by the company's registered public accounting firm pursuant to temporary rules of the Securities and Exchange Commission that permit the company to provide only management's report in this annual report." Refer to Item 308T(a)(4) of Regulation S-K.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings reviewed by the staff to be certain that they have provided all information investors require for an informed decision.
