TRIDENT PARTNERS, LTD.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

1. ORGANIZATION AND NATURE OF BUSINESS

Trident Partners, Ltd. (the "Company") is a securities broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company clears its securities transactions on a fully disclosed basis with another broker-dealer.

The Company's main office is located in Woodbury, New York and its customers are located throughout the United States.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Revenue Recognition

Revenue from contracts with customers includes commission and concession income and fees from underwritings. The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgement is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; whether revenue should be presented gross or net of certain costs; and whether constraints on variable consideration should be applied due to uncertain future events.

The Company buys and sells securities on behalf of its customers. Each time a customer enters into a buy or sell transaction, the Company charges a commission. Commissions and related clearing expenses are recorded on the trade date (the date that the Company fills the trade order by finding and contracting with a counterparty and confirms the trade with the customer). The Company believes that the performance obligation is satisfied on the trade date because that is when the underlying financial instrument or purchaser is identified, the pricing is agreed upon and the risks and rewards of ownership of the securities have been transferred to/from the customer.

The Company underwrites securities for entities that want to raise funds through a sale of securities. Revenues are earned from fees arising from securities offerings in which the Company acts as an underwriter. Revenue is recognized on the trade

TRIDENT PARTNERS, LTD.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

date (the date on which the Company purchases the securities from the issuer) for the portion the Company is contracted to buy. The Company believes that the trade date is the appropriate point in time to recognize revenue for securities underwriting transactions as there are no significant actions which the Company needs to take subsequent to this date and the issuer obtains the control and benefit of the capital markets offering at that point.

Mutual funds or pooled investment vehicles (collectively, "funds") have entered into agreements with the Company to distribute/sell its shares to investors. The Company may receive distribution fees paid by the funds upfront, over time, upon the investor's exit from the fund (that is, a contingent deferred sales charge), or as a combination thereof. The Company believes its performance obligation is the sale of securities to investors and as such this is fulfilled on the trade date. Any fixed amounts are recognized on the trade date and variable amounts are recognized to the extent it is probable that a significant revenue reversal will not occur once the uncertainty is resolved. For variable amounts, as the uncertainty is dependent on the value of the shares at future points in time as well as the length of time the investor remains in the fund, both of which are highly susceptible to factors outside the Company's influence, the Company does not believe that it can overcome this constraint until the market value of the fund and the investor activities are known, which are usually quarterly or monthly.

Cash

The Company maintains its demand deposits in high credit quality financial institutions. Balance at times may exceed federally insured limits.

Accounts Receivable

Accounts receivable are non-interest bearing uncollateralized obligations receivable in accordance with the terms agreed upon with each client. The company regularly reviews its accounts receivable for any uncollectible amounts. The review for uncollectible amounts is based on an analysis of the Company's collection experience, customer credit worthiness, and current economic trends. Based on management's review of accounts receivable, no allowance for credit losses is considered necessary.

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management of the Company to use estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

TRIDENT PARTNERS, LTD.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Income Taxes

Deferred income tax assets and liabilities arise from operating loss carry forwards, other carry forwards and temporary differences between the tax basis of an asset or liability and its reported amount in the financial statements. In addition to future tax benefits from carry forwards, deferred tax balances are determined by applying the enacted tax rate to future periods for differences between the financial statement amounts and the tax basis of assets and liabilities.

In accordance with ASC 740, Income Taxes, the Company is required to disclose unrecognized tax benefits or liabilities resulting from uncertain tax positions. At December 31, 2021, the Company did not have any unrecognized tax benefits or liabilities. The Company operates in the United States and in state and local jurisdictions, and the previous three years remain subject to examination by tax authorities. There are presently no ongoing income tax examinations.

3. OFF BALANCE SHEET RISK

In the normal course of business, the Company's customers execute securities transactions through the Company. These activities may expose the Company to off balance sheet risk in the event the customer or the other broker is unable to fulfill its contracted obligations and the Company has to purchase or sell the financial instrument underlying the contract at a loss.

4. CLEARING AGREEMENT

The Company has an agreement with a clearing broker to execute and clear, on a fully disclosed basis, customer accounts of the Company. In accordance with this agreement, the Company is required to maintain a deposit in cash or securities. The deposit is refundable if, and when, the Company ceases doing business with the clearing broker.

The receivable from the clearing broker arises from the clearing agreement.

5. INCOME TAXES

The provision for income taxes is summarized as follows:

Current income tax expense	\$	-
Deferred income tax benefits		<u>-</u>
Income tax expense	\$	<u>-</u>

Income tax expense differs from the amount determined by applying the statutory income tax rate to pretax income primarily due to the realization of approximately

TRIDENT PARTNERS, LTD.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

\$366,000 of net operating loss carryforwards, non-taxable income arising from forgiveness of the Company's PPP loan, and certain non-deductible expenses.

Deferred income taxes are recognized for temporary differences between the basis of assets and liabilities for financial and income tax purposes.

Significant components of deferred tax assets are as follows:

Deferred tax assets arising from net operating loss carryforward	\$ 95,000
Deferred tax valuation allowance	<u>(95,000)</u>
Net deferred tax asset	<u>\$ -</u>

As of December 31, 2021, the Company has a net operating loss carryforward for income tax purposes that may be used to reduce taxable income of future years of approximately \$346,000. The deferred tax asset arising from the net operating loss carryforward of approximately \$95,000 at December 31, 2021 has been fully reserved as there is less than a 50% chance of it being realized.

6. 401(k) RETIREMENT PLAN

The Company sponsors a 401(k) retirement plan covering substantially all employees. Eligible participants may make contributions to the plan up to amounts specified in the plan. The Company does not make contributions to the plan.

7. LEASES

The Company leases office space and office equipment under non-cancelable operating leases with initial non-cancelable terms in excess of one year. The Company recognizes and measures its leases in accordance with FASB ASC 842, Leases. The Company recognizes a lease liability and a right of use (ROU) asset on its balance sheet by recognizing the lease liability of both leases based on the present value of its future lease payments. The Company uses an incremental borrowing rate based on what it would approximately have to pay on a collateralized basis to borrow an amount equal to the lease payments under similar terms and in a similar economic environment. The ROU asset is subsequently measured throughout the lease term at the amount of the remeasured lease

TRIDENT PARTNERS, LTD.

NOTES TO FINANCIAL STATEMENTS

liability (present value of the remaining lease payments). The Company recognizes lease costs on a straight line basis over the lease term.

The Company has elected, for all underlying classes of assets, to not recognize ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less at lease commencement, and do not include an option to purchase the underlying asset the Company is reasonably certain to exercise. The Company recognizes lease costs associated with short-term leases on a straight-line basis over the lease term.

Maturity of the lease liability under the noncancelable operating leases with initial noncancelable terms in excess of one year is as follows:

2022	\$	109,807
2023		68,786
2024		8,916
2025		<u>8,916</u>
	\$	<u>196,425</u>

Total undiscounted lease payments	\$196,425
Less imputed interest	<u>(10,261)</u>
Total lease liability	\$186,164

Weighted average remaining lease term:

Operating leases	1.99 years
------------------	------------

Weighted average discount rate:

Operating leases	6%
------------------	----

The Company's office space lease with initial noncancelable terms in excess of one year requires it to make variable payments for the Company's proportionate share of operating expenses (i.e., building's property taxes, insurance, and common area maintenance). These variable lease payments are not included in lease payments used to determine a lease liability and are thus recognized as variable costs when incurred.

TRIDENT PARTNERS, LTD.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

The total lease cost including variable costs associated with all leases for the year ended December 31, 2021 was \$130,636.

8. CONTINGENCIES

In the ordinary course of business, the Company is subject to litigation relating to its activities as a broker-dealer including civil actions and arbitration. From time to time, the Company is also involved in proceedings and investigations by regulatory organizations.

The Company has one arbitration with a customer in progress as of December 31, 2021, as defendant. Management of the Company believes that the resolution of this matter will not have a significant adverse effect on the financial position of the Company.

9. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c-3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2021, the Company had net capital of \$499,485, which was \$399,485 in excess of its required net capital of \$100,000. The Company had a percentage of aggregate indebtedness to net capital of 77% as of December 31, 2021.

10. SUBSEQUENT EVENTS

The Company has performed an evaluation of events that have occurred subsequent to December 31, 2021, and through the date of the independent registered accounting firm report. There have been no material subsequent events that occurred during such period that would require disclosure in this report or would be required to be recognized in the financial statements as of December 31, 2021.

11. RELATED PARTY TRANSACTIONS

The Company is affiliated with a sister entity that is a Registered Investment Advisor. The company collects advisory fees generated by the sister Registered

TRIDENT PARTNERS, LTD.

NOTES TO FINANCIAL STATEMENTS

Investment Advisor through the Company's clearing agreement. A balance due to the sister entity of \$12,671 arose from advisory fees collected by the Company from its clearing broker that have not yet been remitted to the sister entity.

Financial position and results of operations could differ from the amounts in the accompanying financial statements if these transactions did not exist.

12. PAYCHECK PROTECTION PROGRAM LOAN

In April 2020, the Company received a loan of \$157,500, which was guaranteed by the U.S. Small Business Administration under the Paycheck Protection Program (PPP). The loan was forgiven in whole on April 7, 2021 and recognized as revenue.

13. ECONOMIC RISKS

In March 2020, the World Health Organization (WHO) declared COVID-19 a global pandemic. This pandemic event has resulted in significant business disruption and uncertainty in both global and U.S. markets. While the Company believes that it is in an appropriate position to sustain the potential short-term effects of these world-wide events, the direct and long-term impact to the Company and its financial statements is undetermined at this time.
