REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors and Stockholders
Thompson Davis & Co., Inc.
Richmond, Virginia

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Thompson Davis & Co., Inc. (the "Company"), as of December 31, 2020, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2020 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2004.

THOMPSON DAVIS & CO., INC.

Notes to Financial Statement

1. Summary of Significant Accounting Policies:

Nature of Business: Thompson Davis & Co., Inc. (the "Company") was incorporated in the State of New York and is headquartered in Richmond, Virginia. The Company provides financial services to both retail and institutional clients nationwide. As a broker-dealer and registered investment advisor, the Company is subject to regulations of the Securities and Exchange Commission (the "SEC") and the Financial Industry Regulatory Authority (the "FINRA"). The Company is an Introducing Broker and forwards all transactions to a Clearing Broker on a fully disclosed basis.

Basis of Presentation: The accompanying financial statement has been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("GAAP") as determined by the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"). The financial statement has been prepared on a consistent basis with that of the preceding period.

Risks and Uncertainties: Financial instruments which potentially expose the Company to concentrations of credit risk consist primarily of cash and other financial instruments (See Note 5). The Company maintains its cash balances in financial institutions insured by the Federal Deposit Insurance Corporation up to \$250,000. The Company regularly has funds in excess of \$250,000.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement. Actual results could differ from those estimates.

Cash and Cash Equivalents: The Company considers all highly liquid investments with a remaining maturity of three months or less at the time of purchase to be cash equivalents.

Securities Owned: Securities transactions are recorded in the accounts on a trade date basis.

Receivables from Clearing Broker: The Company clears all of its proprietary and customer transactions through another broker-dealer on a fully disclosed basis. Based on the terms and conditions of the Company's agreement with its clearing broker, the amount receivable from the clearing broker represents cash on hand with the clearing broker plus commission receivables and less amounts payable for transaction costs on unsettled securities trades.

Property and Equipment: Property and equipment is stated at cost. Depreciation and amortization are calculated using the straight-line method over the estimated useful lives ranging from 3 to 7 years.

THOMPSON DAVIS & CO., INC.

Notes to Financial Statement, Continued

1. Summary of Significant Accounting Policies, Continued

Income Taxes: The Company has elected to be an S-Corporation. In lieu of corporate income taxes, the stockholders of an S-Corporation are taxed on their proportionate share of the Company's taxable income. Accordingly, no provision for income taxes has been included within the financial statement.

Income Tax Uncertainties: The Company follows FASB guidance for how uncertain tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained "when challenged" or "when examined" by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as a tax expense and liability in the current year. Management evaluated the company's tax positions and concluded that the Company had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. The Company is currently not under audit by any tax jurisdiction.

New Accounting Guidance: In June 2016, the FASB issued Accounting Standards Update ("ASU") 2016-13 – Current Expected Credit Losses (CECL). The Company adopted the standard on January 1, 2020 using the modified retrospective approach to the earliest period presented. This guidance requires the use of the current expected credit loss model that is based on expected losses, rather than incurred losses, to determine its allowance for credit losses on financial assets measured at amortized cost, which includes other receivables and certain off-balance sheet arrangements. The adoption of this standard did not have a material impact on the Company's financial statement.

The Company has minimal historical credit losses. There are no current indications of non-receipt from counterparties. The Company projects no probability of future losses related to these balances. Due to these factors, as well as the short-term nature of these receivables, management has determined that these receivables have minimal credit risk and therefore, no allowance was deemed necessary on December 31, 2020.

Leases: The Company records all leasing activity with initial terms in excess of twelve months on the statement of financial condition with a right to use asset and a lease liability based on the net present value of rental payments.

Subsequent Events: Management has evaluated subsequent events through February 17, 2021, the date the financial statement was issued, and has determined that there are no subsequent events to be reported in the accompanying financial statement.

THOMPSON DAVIS & CO., INC.

Notes to Financial Statement, Continued

2. Related Parties:

The Company performs investment advisory services and management consulting services for Seven Hills Capital Partners, LP ("Seven Hills"), the General Partner of which is Seven Hills Capital Management, LLC ("Seven Hills Management"). Certain stockholders of the Company are also partners in Seven Hills Management. The Company has receivables of \$4,889 due from Seven Hills for accrued management fees as of December 31, 2020. The receivable is included in other receivables on the statement of financial condition. The Company has certain employees that hold positions of Seven Hills Capital Partners LP in their trust accounts and individual self-directed retirement accounts. As of December 31, 2020, these positions totaled \$812,259.

3. Leases:

The Company leases office space under an operating agreement with a remaining lease term of 6 years. An operating right of use asset and operating lease liability are included on the accompanying statement of financial condition using a discount rate of 3.25%, the Company's weighted average estimated incremental borrowing rate. Cash paid for amounts included in the measurement of the operating lease liability was \$90,132 for the year ended December 31, 2020. Minimum future payments under non-cancellable operating leases at December 31, 2020 for the next five years are as follows:

<u>Year Ending December 31</u>	<u>Amount</u>
2021	\$ 92,836
2022	95,621
2023	98,490
2024	101,444
2025	104,488
Thereafter	<u>107,622</u>
	<u>\$ 600,501</u>
Implied interest on lease payments	(63,778)
Total lease obligation	<u>\$ 536,723</u>

THOMPSON DAVIS & CO., INC.

Notes to Financial Statement, Continued

4. Employee Retirement Plan:

The Company has an employee retirement plan under Section 401(k) of the Internal Revenue Code. The plan provides for salary reduction contributions by eligible participants, subject to certain limitations with a discretionary Company contribution. The Company elected to make a contribution to the plan for 2020 in the amount of \$43,948 which is recorded as a component of accrued liabilities as of December 31, 2020.

5. Financial Instruments with Off-Balance Sheet Risk:

As a securities broker, the Company is engaged in buying and selling securities as agent for a diverse group of domestic corporations, institutional investors, individuals and as principal for its own account. The Company introduces these transactions for clearance to another firm on a fully disclosed basis.

The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to nonperformance by its customers. If any transactions do not settle, the Company may incur a loss if the market value of the security is different from the contract value of the transaction. The Company monitors its customer activity by reviewing information it receives from its clearing broker on a daily basis, requiring customers to deposit additional collateral, or to reduce positions when necessary. The Company does not anticipate nonperformance by customers or counterparties in these situations. The Company's policy is to monitor its market exposure and counterparty risk and to review, as necessary, the credit standing of each counterparty and customer with which it conducts business.

6. Property and Equipment:

Property and equipment at year-end consisted of:

Furniture and equipment	\$ 158,763
Leasehold improvements	38,878
	<u>197,641</u>
Less accumulated depreciation and amortization	<u>(141,488)</u>
Net property and equipment	<u>\$ 56,153</u>

THOMPSON DAVIS & CO., INC.

Notes to Financial Statement, Continued

7. Guarantees:

As required or permitted under its Articles of Incorporation, the Company has certain obligations to indemnify its current officers and directors for certain events or occurrences while the officer or director is, or was serving, at the Company's request in such capacities. The maximum liability under these obligations is unlimited; however, the Company's insurance policies serve to limit its exposure.

8. Regulatory Requirements:

The Company is subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and the ratio of aggregate indebtedness to net capital, of not more than 15 to 1. At December 31, 2020, the Company had net capital of \$656,521, which was \$406,521 in excess of required minimum net capital of \$250,000. The Company's net capital ratio was 0.18 to 1. The Company does not carry the accounts of its customers and accordingly is exempt under Rule 15c3-3(k)(2)(ii) from preparing the Computation for Determination of Reserve Requirements pursuant to Rule 15c3-3.
