We note your response to prior comment 1 that you have established vendor-specific objective evidence (VSOE) of selling price for the combined maintenance component when you sell your Epicentral solution bundled with the Mobile Host software. Please describe, in detail, your methodology for establishing VSOE for combined maintenance services. If VSOE is based on stated renewal rates established by management then

please tell us how you determined the renewal rates are substantive. In this regard, please provide the range of renewal rates and tell us what percentage of your customers actually renew at such rates or whether there have been any changes to these rates upon renewal. Alternatively, if VSOE is based on stand-alone sales, then provide the volume and range of stand-alone sales used to establish VSOE.

You may contact Frank Knapp, Staff Accountant at (202) 551-3805 if you have questions regarding comments on the financial statements and related matters. Please contact me at (202) 551-3406 with any other questions.
