SHARE PURCHASE AGREEMENT

This Share Purchase Agreement (this “Agreement”) is entered into as of June 27, 2001, by and among **STEINER SPA ASIA LIMITED**, a Bahamas international business company (“Buyer”), **STEINER LEISURE LIMITED**, a Bahamas international business company (“Steiner”), **SIERRA PACIFIC INVESTMENTS LLC**, a Delaware limited liability company (“SPI”), **PACIFIC CENTURY CAPITAL LIMITED**, a British Virgin Islands company (“PCCL”), **FRANKY TJAHYADIKARTA, OKIE R. LUKITA and JEFFREY R.W. MATTHEWS**. Each of SPI, PCCL, Franky Tjahyadikarta, Okie R. Lukita and Jeffrey R.W. WHEREAS, Mandara Spa Asia Limited, a British Virgin Islands company formerly known as Spa Partners Asia Limited (“Mandara” or the “Company”), together with its direct and indirectly wholly owned subsidiaries (each, a “Subsidiary” and, together with Mandara, collectively, the “Mandara Entities”), is engaged in the business of owning and operating various spa facilities in hotel resorts that provide spa, beauty and fitness services and products including, but not limited to, massage therapies, facials, aromatherapies and other skin treatments, hair salon services, hair removal, fitness training, manicures, pedicures and related services (collectively, the “Business”);

WHEREAS, Sellers collectively own sixty percent (60%) of the outstanding capital shares of Mandara (the “Mandara Shares”), which are owned by Sellers as follows: (i) 37.42% by SPI (3,742 shares); (ii) 17.62% by PCCL (1,762 shares); (iii) 1.03% by Okie R. Lukita (103 shares); (iv) 1.03% by Franky Tjahyadikarta (103 shares); and (v) 2.90% by Jeffrey Matthews (290 shares);

WHEREAS, Buyer desires to purchase from the Sellers, and the Sellers desire to sell to Buyer, the Mandara Shares; and

WHEREAS, in addition to the foregoing, Buyer desires to acquire from the Sellers, the Sellers’ right, title and interest of in, to and under those certain Unsecured Promissory Notes, each dated as of May 11, 2000, made by Mandara in favor of each Seller, pursuant to which the Company is entitled to borrow up to an aggregate of \$2,100,000 and pursuant to which no amounts have been borrowed to date (collectively, the “Seller Loans”).

NOW, THEREFORE, in consideration of the foregoing premises and the covenants and agreements herein contained, and intending to be legally bound hereby, the Parties hereto agree as follows:

ARTICLE I.
PURCHASE AND SALE OF MANDARA SHARES; SELLER LOANS

Section 1.1 Purchase and Sale. Subject to the terms and conditions of this Agreement, at the Closing, the Sellers shall sell, assign, transfer and convey to Buyer all of their respective right, title and interest in and to: (a) the Mandara Shares, free and clear of any Liens (other than Permitted Liens), and (b) the Seller Loans.

Section 1.2 The Closing. Subject to the terms and conditions of this Agreement, the consummation of the purchase and sale of the Mandara Shares and the Seller Loans, and the other transactions contemplated hereby (the "Closing") shall take place as promptly as practicable after satisfaction or waiver of the conditions set forth in Article VII (the "Closing Date") at the offices of Buyer, or such other time and place as the parties may otherwise agree; *provided, however*, in no event shall the Closing Date be earlier than July 1, 2001. The parties shall use commercially reasonable efforts to cause the Closing Date to be July 2, 2001.

Section 1.3 Consideration; Non-Refundable Deposit.

(a) The consideration to be paid by Buyer for its purchase of the Mandara Shares and the Seller Loans (the "Consideration") shall be equal \$8,880,000 (the "Purchase Price"), subject to adjustment pursuant to Section 1.4 (the "Purchase Price Adjustment").

(b) The Consideration shall be payable by Buyer to Sellers as follows (unless otherwise specified by Sellers in writing, all Consideration shall be allocated between the Sellers in accordance with their respective Pro Rata Percentages):

(i) cash in an amount equal to \$5,880,000;

(ii) 99,825 shares of voting common shares, par value (U.S.) \$.01 per share, of Steiner (the "Steiner Common Shares"), which number of shares is equal to the quotient of (A) \$1,600,000 divided by (B) \$16.028, which is the average closing sale price of a share of Steiner Common Shares as quoted on the NASDAQ National Market ("NASDAQ") for the twenty (20) consecutive trading days that immediately precede the second (2nd) trading day prior to the date hereof, as such closing sale prices are reported (absent manifest error in the printing thereof) by *The Wall Street Journal* (the "Average Closing Sale Price"). Steiner has not purchased or caused to be purchased, and will not purchase or cause to be purchased, any Steiner Common Shares, whether pursuant to its share repurchase program or otherwise, during the period used to determine the Average Closing Sale Price. No fractional Steiner Common Shares will be issued. The Steiner Common Shares issued pursuant to this Section 1.3(b)(ii) are referred to herein as the "Steiner Shares". With respect to the Steiner Shares, the Sellers shall be entitled to registration rights pursuant to the terms of a registration rights agreement in the form attached hereto as Exhibit 1.3(a)(ii) (the "Registration Rights Agreement"); and

(iii) an aggregate of \$1,400,000 in the form of forty-two (42) month 9% Subordinated Notes executed by Steiner in favor of Sellers, in the form attached

hereto as Exhibit 1.3(a)(iii), which promissory notes shall bear interest at an annual rate of nine percent (9%), compounded quarterly (together with any additional promissory notes delivered to Sellers in respect of the Purchase Price Adjustment, the “Notes”).

(c) Contemporaneously with the execution of this Agreement, Steiner and/or Buyer shall pay to the Sellers, as a non-refundable deposit, cash in the aggregate amount of \$1,000,000 (the “Non-Refundable Deposit”), which amount shall be paid by wire transfer of immediately available funds to one or more accounts designated by the Sellers in writing. The parties agree and acknowledge that the Non-Refundable Deposit shall not be subject to refund, repayment or recovery to or by Steiner or Buyer, regardless of whether the Closing occurs or this Agreement is terminated, but in the event the Closing occurs, the amount of cash payable by Buyer to Sellers at Closing shall be reduced by the amount of the Non-Refundable Deposit. Notwithstanding the foregoing, the payment of the Non-Refundable Deposit shall not be deemed to limit or restrict any rights to indemnification otherwise available to Buyer and/or Steiner pursuant to Article IX hereof.

(d) The Parties agree that the amount of the Purchase Price (as the same may be adjusted hereunder) allocated for income tax purposes to each “unrealized receivable” (as defined in Section 751(c) of the Code) and “inventory item” (as defined in Section 751(d) of the Code), and the Seller Loans shall not exceed the adjusted tax basis of each such asset as of the Closing Date. The parties shall file all Returns consistently with such allocation, and shall not voluntarily take any action inconsistent therewith upon examination of any Returns, in any refund claim, in any litigation, or otherwise with respect to such Returns unless required to pursuant to a “determination” (as defined in Section 1313(a) of the Code or any similar state, local or foreign Tax provision).

Section 1.4 Purchase Price Adjustment.

(a) Within sixty (60) days after the Closing Date, Buyer shall prepare and deliver to Sellers a written determination (the “Determination”) of the actual amount of the Working Capital of the Mandara Entities as of the Closing Date (the “Preliminary Working Capital Amount”) and the actual aggregate cash balances of the Mandara Entities on the Closing Date (the “Preliminary Cash Balance Amount”), including the basis for such Determination set forth in reasonable detail, prepared in accordance with GAAP and expressed in United States dollars. For the purposes of this Agreement, the term “Working Capital” means the total consolidated non-cash current assets of the Mandara Entities that consist of trade accounts receivable, inventory and other prepaid assets minus the total consolidated current liabilities of the Mandara Entities which consist of trade accounts payable and other accounts payable. Upon receipt of the Determination, Sellers shall have sixty (60) days (the “Review Period”) to review such Determination and related computations of the Working Capital and the cash balances of the Mandara Entities on the Closing Date. During the Review Period, Buyer shall give Sellers and their representatives full access at all reasonable times to the books, records and other materials of Mandara Entities and the personnel of, and work papers prepared by or for the Buyer, the Mandara Entities or their respective accountants, including, without limitation, to such historical financial information relating to the Mandara Entities as the Sellers may reasonably request in order to permit the timely review of the Determination. If Sellers shall not have given written notice to Buyer setting forth in reasonable detail any objection of Sellers to

{MI672332;1}

such Determination (a “Working Capital Statement of Objections”) prior to the expiration of the Review Period, then such Determination shall be final and binding upon the parties, and the Preliminary Working Capital Amount shall be deemed the Working Capital amount of the Mandara Entities as of the Closing Date (the “Final Working Capital Amount”), and the Preliminary Cash Balance Amount shall be deemed the aggregate cash balances of the Mandara Entities on the Closing Date (the “Final Cash Balance Amount”). In the event that Sellers deliver a Working Capital Statement of Objections during the Review Period, Buyer and Sellers shall use their reasonable efforts to agree on the amount of Working Capital and the cash balances of the Mandara Entities on the Closing Date within thirty (30) days following the receipt by Buyer of the Working Capital Statement of Objections. If the parties are unable to reach an agreement as to such amounts within such thirty (30) day period, then the matter shall be submitted to Arthur Andersen LLP or, if Arthur Andersen LLP is unwilling or unable to serve in such capacity, another “big five” accountant mutually acceptable to Buyer and Sellers (such accountant, the “Settlement Accountant”), who, acting as an expert and not as an arbitrator, shall resolve the matters still in dispute and adjust the Determination to reflect such resolution and establish the Final Working Capital Amount and the Final Cash Balance Amount; *provided, however*, that the Settlement Accountant may not determine an amount of Working Capital or a cash balance amount in excess of those claimed by Sellers or less than those claimed by Buyer. The Settlement Accountant shall make such determination within forty-five (45) days following the submission of the matter to the Settlement Accountant for resolution, and such determination shall be final and binding upon Buyer and the Sellers. Buyer and Sellers shall contribute equally to all costs (including fees and expenses charged by the Settlement Accountant) in connection with the resolution of any such dispute.

(b) The parties agree that, at Closing, the Working Capital of the Mandara Entities should be \$240,000 (the “Target Working Capital Amount”) and the aggregate cash balances of the Mandara Entities should be \$512,000 (the “Target Cash Balance Amount”).

(c) In the event that (i) the Final Working Capital Amount is *greater* than the Target Working Capital Amount (such excess, the “Excess Working Capital Amount”), the Purchase Price shall be increased by, and Steiner shall pay to Sellers, an amount equal to sixty percent (60%) of such Excess Working Capital Amount, or (ii) the Final Cash Balance Amount is *greater* than the Target Cash Balance Amount (such excess, the “Excess Cash Balance Amount”), the Purchase Price shall be increased by, and Steiner shall pay to Sellers, an amount equal to sixty percent (60%) of such Excess Cash Balance Amount, subject to the provisions of Section 1.4(e)(iii). Any payments due under this Section 1.4(c) shall be made by cash payments to Sellers within five (5) business days following the determination of the final amounts pursuant to Section 1.4(a).

(d) In the event that (i) the Final Working Capital Amount is *less* than the Target Working Capital Amount (such deficiency, the “Working Capital Deficiency”), the Purchase Price shall be reduced by, and Sellers shall pay to Steiner, within five (5) business days following the determination of the final amounts pursuant to Section 1.4(a), an amount equal to sixty percent (60%) of such Working Capital Deficiency, or (ii) the Final Cash Balance Amount is *less* than the Target Cash Balance Amount (such deficiency, the “Cash Balance Deficiency”), the Purchase Price shall be reduced by, and Sellers shall pay to Steiner, within five (5) business days following the determination of the final amounts pursuant to Section 1.4(a), an amount

{MI672332;1}

equal to sixty percent (60%) of such Cash Balance Deficiency, subject to the provisions of Section 1.4(e)(iv). Steiner shall have the option to require Sellers to make any payment required under this Section 1.4(d) in cash or to reduce the principal amount of the Notes. In the event that Steiner elects to require Sellers to make such payment in cash, Sellers shall pay such amount (together with an amount equal to the equivalent of interest thereon at an annual rate of nine percent (9%), compounded quarterly, from the Closing Date through the date of payment) by wire transfer of immediately available funds to an account designated by Steiner. In the event that Steiner elects to satisfy such payment obligation by reduction of the principal amount of the Notes Steiner shall provide written notice of such election to Sellers and each Seller shall, within five (5) business days following receipt of such written notice, deliver to Steiner at Steiner's election, the original of any Note with respect to which Steiner is entitled to make such a reduction against delivery to such Seller of a replacement promissory note in the proper reduced principal amount (which replacement promissory note shall be deemed a "Note" for the purposes of this Agreement). If any of the Sellers shall fail to deliver its respective Note to Steiner, (i) such note shall automatically, and without further action, be deemed amended to reflect the reduction of the principal amount of such Note in accordance with the immediately preceding sentence and (ii) such Seller shall be estopped from collecting, or enforcing its rights with respect to, any principal (or any interest accruing thereon) otherwise subject to reduction in accordance with the immediately preceding sentence.

(e) In addition to the foregoing, with respect to the cash balances of the Mandara Entities, the parties further agree as follows: (i) with respect to each jurisdiction in which the Mandara Entities maintain cash accounts, the actual cash balances of the Mandara Entities at Closing in each such jurisdiction shall be within ten percent (10%) of the amounts set forth for such jurisdiction on Exhibit 1.4(e) (the "Jurisdictional Cash Balance Targets"); (ii) any distributions or dividends made by any of the Mandara Entities prior to the Closing in accordance with this Agreement shall be made with respect to such jurisdictions in such a manner and by such Mandara Entities so as to comply with the Jurisdictional Cash Balance Targets; (iii) in the event that the actual cash balance of the Mandara Entities at Closing exceeds one hundred ten percent (110%) of the Jurisdictional Cash Balance Target in any jurisdiction that seeks to impose withholding Taxes with respect to dividends, distributions or other repatriations of cash from such jurisdiction (as indicated on Exhibit 1.4(e)), then the amount of the excess cash balance in such jurisdiction shall be deemed to be net of any withholding Taxes that would otherwise be payable on such excess cash amount upon the dividend, distribution or other repatriation thereof (the "Net Cash Balance Amount"), and, for the purposes of determining whether Sellers are entitled any payments in respect of any Excess Cash Balance Amount pursuant to Section 1.4(c) and, if so, the amount thereof, such Excess Cash Balance Amount shall be calculated using the Net Cash Balance Amounts, if any, with respect to any applicable withholding Tax jurisdiction.

Section 1.5 Guaranteed EBITDA Surplus Amount.

(a) Each of the Sellers, severally and not jointly, hereby guarantees, solely to the extent of its respective Percentage Interest, that for the period from July 1, 2001 through December 31, 2002 (the "Test Period"), the Actual EBITDA Surplus Amount (as hereinafter defined) of the Mandara Entities shall not be less than \$2,885,580 (such amount, the

“Guaranteed EBITDA Surplus Amount”). For the purposes of this Agreement, “Actual EBITDA Surplus Amount” shall mean the amount of the actual EBITDA (as hereinafter defined) of the Mandara Entities earned during the Test Period *less* the Additional Capital Expenses (as hereinafter defined), if any, incurred during the Test Period.

(b) For purposes of this Agreement, the following terms shall have the meanings specified below:

(i) “EBITDA” means the actual cumulative consolidated earnings of the Mandara Entities before interest income, interest expense, Taxes, depreciation and amortization, as determined in accordance with GAAP, consistent with the Mandara Entities’ past practices, *less* any EBITDA Exclusion Amounts. For the avoidance of doubt, the parties agree and acknowledge that (A) EBITDA shall include the results of operations of Mandara Spa Thailand as adjusted to reflect the Company’s forty-nine percent (49%) interest therein, and (B) the operations of any Approved Pipeline Project (as defined in Section 8.4(b) below) shall be taken into account for the purposes of determining EBITDA.

(ii) “EBITDA Exclusion Amounts” means any earnings or losses generated by any Excluded Project (as defined in Section 8.5(b) below).

(iii) “Additional Capital Expenses” shall mean an amount equal to the equivalent of interest at twelve percent (12%) per annum on any amounts actually expended by the Mandara Entities following the Closing Date in accordance with this Agreement in respect of an Approved Pipeline Project (as defined in Section 8.4(b), below) (excluding any unreasonable expenses required by Buyer or Steiner); *provided, however*, that Buyer shall deliver to the Sellers a statement of all such costs in respect of any Approved Pipeline Project certified by a senior executive officer of Steiner, together with such additional documentation as may be reasonably required to establish that such costs were related to such projects.

(c) As promptly as practicable after the end of the expiration Test Period (but in no event later than March 31, 2003), Buyer shall (i) determine the amount of the actual EBITDA of the Mandara Entities and the Additional Capital Expenses, if any, for the Test Period, in each case based upon financial statements prepared and audited by Arthur Andersen LLP or another “big five” accountant (“Buyer’s Accountant”), and (ii) deliver to Sellers a written statement thereof, certified by an executive officer of Steiner, together with such additional documentation as may be reasonably required to support Buyer’s determination (such written statement, the “EBITDA Statement”). Upon receipt of the EBITDA Statement, Sellers shall have sixty (60) days (the “EBITDA Review Period”) to review such EBITDA Statement and related computations of the actual EBITDA of the Mandara Entities and any Additional Capital Expenses. During the EBITDA Review Period, Buyer shall give Sellers and their representatives full access at all reasonable times to the books, records and other materials of Mandara Entities and the personnel of, and work papers prepared by or for, the Buyer, the Mandara Entities or their respective accountants, including, without limitation, to such historical financial information relating to the Mandara Entities as the Sellers may reasonably request in order to

permit the timely review of the EBITDA Statement. If Sellers shall not have given written notice to Buyer setting forth in reasonable detail any objection of Sellers to such EBITDA Statement (an “EBITDA Statement of Objections”) prior to the expiration of the EBITDA Review Period, then such EBITDA Statement shall be final and binding upon the parties. In the event that Sellers deliver an EBITDA Statement of Objections during the EBITDA Review Period, Buyer and Sellers shall use all reasonable efforts to resolve the dispute within thirty (30) days following the receipt by Buyer of the EBITDA Statement of Objections. If the parties are unable to reach an agreement as to the amount of the actual EBITDA and/or any Additional Capital Expenses within such thirty (30) day period, then the matter shall be submitted to the Settlement Accountant, who, acting as an expert and not as an arbitrator, shall resolve the matters still in dispute and adjust the EBITDA Statement to reflect such resolution and establish the final actual amount of EBITDA and Additional Capital Expenses; *provided, however*, that the Settlement Accountant may not determine an amount of EBITDA in excess of that claimed by Sellers or less than that claimed by Buyer, or an amount of Additional Capital Expenses in excess of those claimed by Buyer or less than those claimed by Sellers. The Settlement Accountant shall make such determination within forty-five (45) days following the submission of the matter for resolution, and such determination shall be final and binding upon Buyer and the Sellers. Buyer and Sellers shall contribute equally to all costs (including fees and expenses charged by the Settlement Accountant) in connection with the resolution of any such dispute. Following the determination of the final actual EBITDA amount and amount of Additional Expenses, if any, the parties shall calculate the Actual EBITDA Surplus Amount in accordance with Section 1.5(a).

(d) In the event that the Guaranteed EBITDA Surplus Amount exceeds the Actual EBITDA Surplus Amount, then Steiner shall have the right to reduce the aggregate principal amount of the Notes by an amount equal to the product of (i) the amount by which the Guaranteed EBITDA Surplus Amount exceeds the Actual EBITDA Surplus Amount, multiplied by (ii) sixty percent (60%) (such amount, the “Shortfall Amount”). In addition, to the extent Steiner has made payments of interest with respect to that portion of the principal amount of the Notes to be reduced pursuant to this Section 1.5(d) (the “Reimbursable Interest Amount”), Steiner shall also have the right to recoup the Reimbursable Interest Amount by a further reduction of the aggregate principal amount of the Notes by an amount equal to the Reimbursable Interest Amount; *provided, however*, that Sellers shall have the option of paying Steiner the Reimbursable Interest Amount in cash within five (5) business days following the determination of the final Shortfall Amount, in which case Steiner shall have no right to further reduce the principal amount of the Notes (unless and until Sellers shall fail to make such cash payment in respect of any Reimbursable Interest Amount). The aggregate reductions of the Notes made by Steiner in accordance with this Section 1.5(d) are referred to herein as the “EBITDA Note Reductions.” All EBITDA Note Reductions shall be made pro rata between the Notes held by each of the Sellers in accordance with their respective Pro Rata Percentages. Each Seller shall deliver to Steiner the original of any Note with respect to which Steiner is entitled to make an EBITDA Note Reduction against delivery to such Seller of a replacement promissory note in the proper reduced principal amount (which replacement promissory note shall be deemed a “Note” for the purposes of this Agreement). If any of the Sellers shall fail to deliver its respective Note to Steiner, (i) such Note shall automatically, and without further action, be deemed amended to reflect the reduction of the principal amount of such Note in accordance

with the immediately preceding sentence and (ii) such Seller shall be estopped from collecting, or enforcing its rights with respect to, any principal (or any interest accruing thereon) otherwise subject to reduction in accordance with the immediately preceding sentence. In the event that the aggregate amount of the EBITDA Note Reductions exceeds the aggregate principal amount of the Notes: (i) the Notes shall be automatically cancelled and Sellers shall surrender the originals of the Notes to Steiner for cancellation, and (ii) each Seller shall pay to Buyer the amount by which such Seller's Pro Rata Percentage of the aggregate Shortfall Amount exceeds the principal amount of the such Seller's Note at the time of such reduction. Any amounts to be paid by Sellers in cash pursuant to this Section 1.5(d) shall be paid within five (5) business days after the determination of the final Shortfall Amount by wire transfer of immediately available funds to a bank account or accounts as shall be designated in writing by the recipient no later than one business day prior to the payment date.

ARTICLE II.

Edleson (which consent shall not be unreasonably withheld), or if he is not employed by the Company, each of the Sellers (which consent shall not be unreasonably withheld) and, in each instance, Buyer agrees that it shall use commercially reasonable efforts to minimize the adverse impact of such Necessary Action, if any, on the ability of the Mandara Entities to meet or exceed the Guaranteed EBITDA Surplus Amount. Section 8.3 RESERVED.

Section 8.4 Approved Pipeline Projects.

(a) At the Closing or as soon as practicable thereafter, Steiner and Sellers shall each deliver to the other a list of all land-based spa development opportunities that are being actively pursued by Steiner or the Mandara Entities, as the case may be, as of the Closing Date (such projects, the “Pipeline Projects”). For the purposes of this Agreement, the term “actively pursued” shall mean that (i) good faith oral and/or written communications commenced prior to April 1, 2001 and are continuing with a third party owner/operator with respect to such development opportunity; and (ii) the development opportunity is one which Steiner or the applicable Mandara Entity, as the case may be, believes in good faith it is capable of being awarded and, if awarded, developing consistent with the anticipated terms and conditions of such project. In the event that either Steiner, on the one hand, or Sellers, on the other hand, dispute the inclusion or attempted inclusion of a Pipeline Project on the list delivered to it hereunder, the Parties shall attempt to resolve such dispute in good faith (including, without limitation, providing the Party(ies) objecting to the inclusion or attempted inclusion such evidence as such disputing Party(ies) may reasonably request to establish that the Pipeline Project in question was actively pursued within the time periods specified herein). In the event that the Parties are unable to resolve any such disputes within ten (10) business days following the Closing, they shall jointly select a mutually acceptable third party (it being agreed that any “big five” accountant shall be deemed mutually acceptable), who shall determine whether the project in question properly constitutes a Pipeline Project of the Party claiming the same within the meaning of this Agreement. Such mutually acceptable third party shall make such determination within thirty (30) days following the submission of the matter to it for resolution, and such determination shall be final and binding upon the Parties. If the project is determined to be a Pipeline Project, the Party(ies) that challenged its inclusion as a Pipeline Project shall bear the expense of the such third party; if the project is determined not to be a Pipeline Project, the Party(ies) that initially sought its inclusion shall bear the expense of the such third party.

(b) With respect to any Pipeline Projects that are included on the list delivered by Sellers, and which are not on the list delivered by Steiner (such projects, the “Mandara

{MI672332;1}

Pipeline Projects”), the parties agree that each such project shall be deemed an “Approved Pipeline Project” in the event that (i) Buyer desires to have the Mandara Entities develop or commit to develop such Mandara Pipeline Project and delivers written notice to such effect to Sellers prior to the six month anniversary of the Closing Date; and (ii) Shiseido Co., Ltd. (or any Affiliate thereof) agrees to fund its proportional share of any development expenses estimated to be incurred in connection with such Mandara Pipeline Project or to an appropriate reduction in its percentage ownership interest of Mandara as a result of Buyer’s funding such amount. With respect to each Approved Pipeline Project, the parties agree that, during the Test Period:

(i) Buyer shall cause the Mandara Entities to fund and develop each Approved Pipeline Project in accordance with the development schedule established therefor (which development schedule shall be mutually agreeable to Steiner and Sellers); (ii) Sellers shall have the option to have any EBITDA resulting from or otherwise generated by any of such Approved Pipeline Projects be included in the EBITDA of the Mandara Entities for the purposes of the calculations under Section 1.5; and (iii) in the event Sellers elect to have such EBITDA included in the calculation of EBITDA pursuant to the foregoing clause (ii), any amounts actually expended by the Mandara Entities to construct and fit out the Approved Pipeline Projects shall be used to determine the amount of Additional Capital Expenses pursuant to Section 1.5(b)(iv).

(c) The parties agree that, except for Approved Pipeline Projects, prior to the six month anniversary of the Closing Date, none of the Mandara Entities, Buyer, Steiner or any of their Affiliates shall, directly or indirectly, develop, construct, pursue or otherwise undertake (or agree to do any of the foregoing) any Mandara Pipeline Project without the prior written consent of the Sellers; *provided, however*, that this restriction shall not apply to any Mandara Pipeline Project with respect to which Shiseido Co., Ltd. (or any of its Affiliates) refuses to fund its proportional share of any estimated development expenses or does not agree to an appropriate reduction in its percentage ownership interest of Mandara as a result of Buyer’s funding such amount.

Section 8.5 Additional Agreement with respect to Development Projects.

(a) Except for any Approved Pipeline Projects that Sellers elect to have included in EBITDA calculations pursuant to Section 8.4(b) and other projects that the parties hereafter agree in writing shall be included in the EBITDA calculations under Section 1.5, the parties agree that, during the Test Period, the Mandara Entities shall not undertake or agree to undertake any other spa development projects without the consent of the Operational Manager, which consent shall not be unreasonably withheld (it being agreed that the Operational Manager shall be entitled to take into account the interests of the Sellers in determining whether or not to consent to such any of such spa development projects).

(b) Except for any Approved Pipeline Projects that Sellers elect to have included in EBITDA calculations pursuant to Section 8.4(b) and other projects that the parties hereafter agree in writing shall be included in the EBITDA calculations under Section 1.5, the parties agree that, during the Test Period, no income or expenses from any other development projects, operations or spa facilities of the Mandara Entities (collectively, the “Excluded Projects”) shall be included for the purposes of the EBITDA calculations under Section 1.5.

INDEMNIFICATION

Section 9.1 Survival of Representations and Warranties. The representations and warranties set forth in Article II, Article III and Article IV and in any certification thereof delivered in connection herewith will terminate and expire on the eighteen (18) month anniversary of the Closing Date, except (a) the representations and warranties in Section 2.21 and Section 2.22 will survive until the expiration of the applicable statutes of limitation (including all periods of extension and tolling), if any; (b) the representations and warranties set forth in Sections 2.1, 2.2, 2.6, 2.7, 2.8, 3.1, 3.2, 3.6, 3.7, 4.1, 4.2, 4.6, and 4.7 shall survive indefinitely; and (c) the representations and warranties in Section 2.12 will survive until the third anniversary of the Closing Date. Notwithstanding anything in this Agreement to the contrary, a party shall have the right to commence Litigation after the expiration of any of the above-specified time periods with respect to claims as to which proper notice was provided to the party against which such claim is being asserted prior to the expiration of such time period.

Section 9.2 Agreement by the Sellers to Indemnify. Each of the Sellers agrees to indemnify and hold the Buyer and Steiner and each of its subsidiaries, officers, directors, employees, Affiliates, successors and assigns (collectively, the “Buyer Indemnified Parties”) harmless from and against the aggregate of all expenses, losses, costs, deficiencies, liabilities and damages (including, without limitation, reasonable related counsel and paralegal fees and expenses) incurred or suffered by the Buyer Indemnified Parties arising out of or resulting from:

(a) any breach of a representation or warranty made jointly and severally by the Sellers in Article II of this Agreement;

(b) any breach of a representation or warranty made severally by any of the Sellers in Article III of this Agreement;

(c) any breach of the covenants or agreements made by any of the Sellers in Sections 1.4 or 1.5, or Article X of this Agreement; or

(d) any breach of the covenants or agreements made by any of the Sellers in this Agreement (other than the covenants or agreements made severally by any of the Sellers pursuant to Sections 1.4 or 1.5, or Article X of this Agreement),

(e) The indemnification obligations of the Sellers shall be: (i) several, and not joint, with respect to claims under Section 9.2(b) and Section 9.2(c) (it being agreed that no Seller shall have any liability hereunder other than with respect breaches of the representations, warranties and covenants referenced to in such sections by such Seller); and (ii) joint and several with respect to claims under Section 9.2(a) or Section 9.2(d). For the avoidance of doubt, the Parties agree and acknowledge that any Indemnifiable Damages of the Buyer Indemnified Parties hereunder shall be determined, calculated and limited to the amount of the Indemnifiable Damages incurred by Buyer/Steiner in respect thereof (*e.g.*, if a breach of a Seller representation represents \$1,000,000 in damages to Mandara Spa Asia Limited, the harm to, and Indemnifiable Damages of, the Buyer Indemnified Parties in respect thereof would be \$600,000 (*i.e.*, Buyer’s 60% ownership interest in Mandara Spa Asia Limited multiplied by \$1,000,000)).

Section 9.3 Agreement by the Buyer and Steiner to Indemnify. Each of the Buyer and Steiner, jointly and severally, agrees to indemnify and hold each of the Sellers and their respective members, managers, officers, directors and successors thereof (the “Seller Indemnified Parties”) harmless from and against the aggregate of all expenses, losses, costs, deficiencies, liabilities and damages (including, without limitation, related reasonable counsel and paralegal fees and expenses) incurred or suffered by the Seller Indemnified Parties arising out of or resulting from:

(a) any breach of a representation or warranty made by the Buyer or Steiner in this Agreement; or

(b) any breach of the covenants or agreements made by the Buyer or Steiner in this Agreement.

Section 9.4 Third Party Actions. With respect to each claim made by a third party for which an Indemnified Party (as hereinafter defined) seeks indemnification under this Article IX (a “Third Party Claim”), the Indemnified Party shall give prompt notice to the Indemnifying Party (as hereinafter defined) of the Third Party Claim, provided that failure to give such notice promptly shall not relieve or limit the obligations of the Indemnifying Party unless the Indemnifying Party has been materially prejudiced thereby (and such failure to notify the Indemnifying Party will not relieve it or him from any other liability he or it may have to the Indemnified Party). The Indemnifying Party will have the right to defend the Indemnified Party against any Third Party Claim with counsel of their choice reasonably satisfactory to the Indemnified Party so long as and to the extent that (a) the Indemnifying Party notifies the Indemnified Party in writing, within fifteen (15) days after receipt from the Indemnified Party of notice of the claim, that the Indemnifying Party will indemnify the Indemnified Party, to the extent provided in this Agreement, from and against any damages with respect to which such Indemnified Party is entitled to indemnification under Section 9.2 or Section 9.3 hereof (collectively, “Indemnifiable Damages”) that the Indemnified Party may suffer resulting from, arising out of, relating to, in the nature of, or caused by the claim; (b) the claim seeks the recovery of solely money damages and does not contain a claim for an injunction, specific performance, a declaration of rights or other equitable relief; and (c) the Indemnifying Party conducts the defense of the claim actively and diligently. If there is a conflict of interest, however, that would prevent counsel for the Indemnifying Party from also representing the Indemnified Party as reasonably determined by the Indemnified Party, then the Indemnified Party shall have the right to select separate counsel to participate in the defense of such action on behalf of the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of their election to so assume the defense thereof, the Indemnifying Party will not be liable to the Indemnified Party pursuant to the provisions of this Article IX for the related counsel and paralegal fees and expenses subsequently incurred by the Indemnified Party in connection with the defense thereof, unless (i) the Indemnified Party shall have employed counsel in accordance with the provisions of the preceding sentence, (ii) the Indemnifying Party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the commencement of the action, or (iii) the Indemnifying Party has not authorized the employment of counsel for the Indemnified Party at the expense of the Indemnifying Party. Notwithstanding anything to the contrary in this Section,

the Indemnifying Party shall have no right to settle or compromise, without the prior written consent of the Indemnified Party, any action for which they have assumed the defense to the extent the settlement or compromise provides for any injunctive or other equitable relief against the Indemnified Party other than monetary damages, or does not include as an unconditional term thereof the providing to the Indemnified Party by the third party of a release of all liability in respect of such claim, and nothing stated in this Section shall otherwise affect the Indemnifying Party's obligation to pay the Indemnified Party all Indemnifiable Damages pursuant to the provisions of this Article IX. The Indemnified Party shall reasonably cooperate with the Indemnifying Party in the defense of any action assumed by the Indemnifying Party in accordance with the terms of this Section and shall make available to the Indemnifying Party such information as the Indemnifying Party reasonably requests in connection with any such defense. For purposes of this Section 9.4, an "Indemnified Party" shall mean a party claiming indemnification under this Agreement, and an "Indemnifying Party" shall mean a party from whom indemnification is sought under this Agreement. The payments required by this Section 9.4 will be made periodically during the course of the investigation or defense, as and when bills are received or expenses incurred.

Section 9.5 Limits on Indemnification. Notwithstanding anything to the contrary contained in this Agreement and in lieu of qualifying the representations and warranties in Article II (other than in Sections 2.11, 2.21(e) and 2.25), Article III and Article IV (other than in Section 4.9) by materiality or Material Adverse Effect, the parties agree that:

(a) no amount shall be payable by any Indemnifying Party pursuant to Sections 9.2(a), 9.2(b), 9.3(a) unless (i) with respect to a potential claim, such claim for Indemnifiable Damages exceeds \$10,000 and (ii) the aggregate amount of all claims for Indemnifiable Damages exceeds \$100,000 (the "Indemnification Threshold"), in which case such Indemnified Party shall be entitled to the full amount of such Indemnifiable Damages; *provided, however*, that the Indemnification Threshold shall not apply to (A) any Indemnifiable Damages pursuant to Sections 9.2(c), 9.2(d) or 9.3(b) of this Agreement, (B) any breach of any representation or warranty by any Seller with respect to the amount of indebtedness for borrowed money of the Mandara Entities other than as set forth on the Current Balance Sheet, pursuant to the Seller Loans (and the similar loan made by Shiseido Co., Ltd.) or otherwise disclosed on the disclosure schedules delivered by Sellers pursuant hereto; or (C) any breach by any Seller of any representation or warranty set forth in Section 2.22, solely in the event that and to the extent that Sellers actually received any amounts pursuant to Section 6.3 (it being agreed that, except as provided herein, any breach by any Seller of any representation or warranty set forth in Section 2.22 shall otherwise be subject to the limitations of this Section 9.5(a)); *provided further* that, for the avoidance of doubt, the Parties acknowledge and agree that the Indemnification Threshold shall serve as a trigger for indemnification and not as a deductible;

(b) the maximum amount of Indemnifiable Damages for which indemnity may be recovered from Sellers in the aggregate pursuant to this Agreement shall be an amount equal to \$5,000,000 (the "Indemnification Cap");

(c) the maximum amount of Indemnifiable Damages for which indemnity may be recovered from Buyer and Steiner in the aggregate shall be an amount equal to the

Indemnification Cap; *provided, however*, that this limitation shall not apply with respect to any failure of any party to pay and deliver any amount pursuant to Sections 1.3, 1.4 or 1.5 hereof;

(d) the amount of any Indemnifiable Damages claimed by any Buyer Indemnified Party hereunder shall be net of any insurance, indemnity, contribution or other payments or recoveries of a like nature with respect thereto actually realized by such Buyer Indemnified Parties (it being agreed that, promptly after the realization of any such reductions of Indemnifiable Damages pursuant hereto, such Buyer Indemnified Party shall reimburse Sellers for such reduction in Indemnifiable Damages for which such Buyer Indemnified Party was indemnified prior to the realization of such reductions of Indemnifiable Damages);

(e) notwithstanding any provision to the contrary contained in this Agreement, in the event that an Indemnifying Party can establish that an Indemnified Party had actual knowledge, on or before the date of this Agreement, of a breach of a representation or warranty of the Indemnifying Party upon which a claim for indemnification by the Indemnified Party is based, then the Indemnifying Party shall have no liability for any indemnified losses resulting from or arising out of such claim; *provided, however*, that this limitation shall not apply with respect to any breach of a representation or warranty known to the Indemnified Party with respect to which the Indemnified Party provided written notice of to the Indemnifying Party prior to the date of this Agreement;

(f) in the event that Sellers are required to make any payments pursuant to a claim for Indemnifiable Damages, Sellers shall have the option of paying and satisfying all or any portion of such claim by a reduction, on a dollar for dollar basis, of the outstanding principal amount, if any, of the Notes, it being agreed that any such reduction shall be made in a pro rata manner as between the Sellers based on based on their Pro Rata Percentages (and Buyer and Steiner hereby agree that, while any amounts remain payable under the Notes, they shall not enter into any agreement or arrangement that would otherwise prohibit, restrict or otherwise limit Sellers right to offset pursuant to this Agreement and/or any of the Notes);

(g) the amount of any Indemnifiable Damages claimed by any Buyer Indemnified Party hereunder shall be reduced to take into account any net reduction in any Tax liability realized by such Buyer Indemnified Party in connection with the Indemnifiable Damages for which indemnification is sought hereunder (it being agreed that, promptly after the realization of any such reductions of Indemnifiable Damages pursuant hereto, such Buyer Indemnified Party shall reimburse Sellers for such reduction in Indemnifiable Damages for which such Buyer Indemnified Party was indemnified prior to the realization of such reductions of Indemnifiable Damages); and

(h) neither Buyer nor Steiner shall have the right to seek recovery or payment in respect of any Indemnifiable Damages if (A) the matter(s) that gave rise to such Indemnifiable Damages is cured, repaired or otherwise remedied by the Mandara Entities and (B) the amounts expended to cure, repair or otherwise remedy such damages are treated as expenses that reduce the amount of EBITDA of the Mandara Entities earned during the Test Period for the purposes of Section 1.5 of this Agreement.

Section 9.6 Remedies Exclusive. Each party hereby acknowledges and agrees that its sole remedy with respect to any claims for money damages relating to the Mandara

Shares or the Business of the Mandara Entities or the subject matter of this Agreement shall be pursuant to the indemnification provisions of this Article IX. In furtherance of the foregoing, each party hereby waives to the fullest extent permitted by law, any and all other rights, claims, and causes of action it may have against the other parties or their respective Representatives and Affiliates relating to the Mandara Shares, the Business or the subject matter of this Agreement, other than claims for or in the nature of fraud.

Section 9.7 Payments of Indemnifiable Damages. All Indemnifiable Damages shall be treated as adjustment to the Purchase Price for Tax purposes, unless a different Tax treatment is required pursuant to a “determination” (as defined in Section 1313(a) of the Code, or has provided in any equivalent provision of state, local or foreign Law).

Section 9.8 Acknowledgement Regarding Materiality. Due to the absence of materiality and Material Adverse Effect qualifiers in the representations and warranties in Article II (other than in Sections 2.11, 2.21(e) and 2.25), and Article III, the parties agree that the failure of Sellers to disclose on the disclosure schedules delivered pursuant hereto a matter that would otherwise be required to be disclosed pursuant to such representation or warranty, which matter is not material or which matter could not reasonably be expected to cause or result in a Material Adverse Effect, shall not give rise to a claim of fraud or intentional misrepresentation against any Seller or any of their Affiliates. Notwithstanding the foregoing agreement and acknowledgment, neither Buyer nor Steiner is waiving any other rights or remedies it has or may have hereunder, including, but not limited to, the right to bring an action for indemnification under this Article IX with respect to the failure of Sellers to make such disclosure.

ARTICLE X.

LIMITATIONS ON COMPETITION

Section 10.1 Prohibited Activities. Each of the Sellers (other than Franky Tjahyadiarta and Okie R. Lukita) and the other Persons identified on Schedule 10.1 attached hereto (each, a “Non-Compete Party”), severally and not jointly, agrees as follows (it being agreed that, with respect to Thomas Gottlieb and Mark A. Edleson, in the event of a conflict between any of the provisions of this Article X and the provisions of their respective Employment Agreements with the Company or other subsidiaries of Steiner, the provisions of such Employment Agreements shall prevail):

(a) **Non-Competition.** Except as provided in this Section 10.1(a), such Non-Compete Party covenants and agrees that for a period of three (3) years following the Closing Date, such Non-Compete Party shall not engage, directly or indirectly, whether as an individual, sole proprietor, or as a principal, agent, officer, director, employer, employee, consultant, independent contractor, partner or shareholder of any firm, corporation or other entity or group or otherwise in any Competing Business. For purposes of this Agreement, the term “Competing Business” shall mean any individual, sole proprietorship, partnership, firm, corporation or other entity or group which offers or sells or attempts to offer or sell (i) spa services, skin or hair care products, or (ii) any other services then offered or sold by the Company as of August 1, 2001 or during the one (1) year period prior thereto, including, but not limited to, in the case of each of the preceding clauses (i) and (ii), offers or sales or attempts to offer or sell any of such services

or products to or from any day spa, destination spa, resort, hotel, passenger cruise vessel or retail establishment. Notwithstanding the foregoing, nothing herein shall preclude or prohibit any Non-Compete Party from (A) maintaining a passive investment in publicly held entities provided that such Non-Compete Party does not have more than a five percent (5%) beneficial ownership in any such; (B) in the case of Thomas Gottlieb only, owning approximately one percent (1%) of the shares of a privately held company, Essentiel Elements, which is in the business of manufacturing distributing spa products (provided that such Non-Compete Party is not on the Board or active in the day to day management of such company); (C) serving as an officer or director of any entity, the majority of the voting securities of which is owned, directly or indirectly, by the Company; (D) in the case of Thomas Gottlieb only, maintaining a direct or indirect ownership interest in, and operating the business of the Mount View Hotel & Spa located in Calistoga, California, (E) in addition to the foregoing, in the case of Thomas Gottlieb only, acquiring, maintaining or disposing of a direct or indirect ownership interest of at least twenty percent (20%) in up to six (6) hotel or resort properties (including hotels or resorts containing spa facilities); *provided, however*, that none of such hotels or resorts shall be located within ten (10) miles of Outrigger Wailea Resort on the island of Maui, Hawaii or within the “Area Restriction” on the island of Oahu, Hawaii (as such term is defined in Section 18 of that certain Lease, dated December 14, 2001, between Hilton Hawaiian Village LLC and Mandara Spa (Hawaii), L.L.C.), and (F) in the case of Mark Edleson only, (1) engaging in the activities described on Schedule A attached to the Edleson Employment Agreement related to (x) the specific hotels referenced thereon and (y) the activities described in the last paragraph thereof, or (2) directly or indirectly owning, operating or managing a total of five (5) hotels, in addition to those on Schedule A, each of which may include a spa as a hotel amenity, so long as the total number of rooms in such up to five (5) hotels owned, operated or managed does not exceed fifteen hundred (1500) rooms (the “Five Hotel Restriction”), it being further agreed that the Five Hotel Restriction shall not apply to any hotel which, after the date hereof enters into an agreement with any Mandara Entity, whereby such Mandara Entity has agreed in writing to provide spa services to such hotel for a period of at least three (3) years (each of the activities referred to in foregoing clauses (A) through (F), collectively, the “Permitted Activity”).

(b) Non-Solicitation of Customers and Suppliers. Except as provided in Section 10.1(a) or in this Section 10.1(b), each Non-Compete Party covenants and agrees that for a period of three (3) years following the Closing Date, he shall not, whether as an individual or sole proprietor, or as a principal, agent, officer, director, employer, employee, consultant, independent contractor, partner or shareholder of any firm, corporation or other entity or group or otherwise, directly or indirectly, solicit the trade or business of, or trade, or conduct business with, any customer, prospective customer, supplier, or prospective supplier of the Company for any purpose other than for the benefit of the Company, except in connection with a Permitted Activity; *provided, however*, that in no event shall any Non-Compete Party, whether in connection with a Permitted Activity or otherwise: (i) with respect to any Competing Business, solicit the trade or business of, or trade, or conduct business with any passengers on any passenger cruise vessel on which, or guests at any hotel or resort at which, the Company operates a spa facility (the “Likely Potential Customers”) while such persons are passengers aboard such vessel or guests at such resort; or (ii) take any action intended to cause a Likely Potential Customer to patronize a spa facility in which the Non-Compete Party has an interest instead of

the spa facilities operated by the Company (including, without limitation, placing any advertising signs in the area of the Area Restriction, soliciting individuals on Company mailing lists or similar actions), it being agreed that nothing in this proviso is intended to otherwise prevent or prohibit any Non-Compete Party from using traditional advertising, marketing and promotional channels in connection with Non-Compete Party's engagement in any Permitted Activity.

(c) **Non-Solicitation of Employees, Etc.** Each Non-Compete Party covenants and agrees that for a period of three (3) years following the Closing Date, he shall not, directly or indirectly, as an individual or sole proprietor, or as a principal, agent, employee, employer, consultant, independent contractor, officer, director, shareholder or partner of any person, firm, corporation or other entity or group or otherwise, without the prior express written consent of the Company approach, counsel or attempt to induce any person who is then in the employ of, or then serving as independent contractor with, the Company to leave the employ of, or terminate such independent contractor relationship with, the Company or employ or attempt to employ any such person or persons who at any time during the six (6) months preceding the Closing Date was in the employ of, the Company.

Section 10.2 Damages. Because of the difficulty of measuring economic losses to Buyer as a result of any breach by a Non-Compete Party of the covenants in Section 10.1, and because of the immediate and irreparable damage that could be caused to Buyer for which it would have no other adequate remedy, each Non-Compete Party agrees that Buyer may enforce the provisions of Section 10.1 by injunctions and restraining orders against such Non-Compete Party without the posting of a bond or other security, if such Non-Compete Party breaches any of those provisions.

Section 10.3 Reasonable Restraint. The Parties agree that Sections 10.1 and 10.2, above, impose a reasonable restraint on a Non-Compete Party in light of the activities and business of the Non-Compete Parties and Buyer on the date hereof.

Section 10.4 Independent Covenant. All the covenants in this Article X are intended by each Party to, and shall be construed as an agreement independent of any other provision in this Agreement, and the existence of any claim or cause of action of any Non-Compete Party against Buyer, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by Buyer of any covenant in this Article X. It is specifically agreed that the period specified in Section 10.1 shall be computed in the case of each Non-Compete Party by excluding from that computation any time during which that Non-Compete Party is in violation of any provision of Section 10.1, above. The covenants contained in this Article X shall not be affected by any breach of any other provision hereof by any party hereto.

Section 10.5 Materiality. The Non-Compete Parties hereby agree that this Article X is a material and substantial part of the transactions contemplated hereby.

PT Monitors in 1940-1945**

We have audited the balance sheets of PT Sinarwangsa Industri (the Company) as of December 31, 2000 and 1999, and the related statements of profit and loss, changes in equity, and cash flows for the years then ended. In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of PT Mandaragaga Indonesia as of December 31, 2000 and 1999, and the results of its operations, changes in equity and its cash flows for the years then ended in conformity with generally accepted accounting principles in Indonesia.

Further, Note 16 to the financial statements includes a summary of the effects that adverse economic conditions have had on the Company, as well as measures that the Company has implemented or plans to implement in response to these conditions. The accompanying financial statements as of December 31, 2000 include the effects of the economic conditions to the extent they can be determined and quantified.

Many Asia Pacific countries, including Indonesia, have experienced severe economic difficulties related to currency devaluations, volatile stock markets and deepening recession or even negative economic growth. Such economic circumstances or fluctuations of recovery have been achieved but continuation of the economic improvements and recovery are dependent upon several factors such as fiscal and monetary action being undertaken by the Government and other factors that are beyond the control of the Company.

During the years ended December 31, 2000 and 1999, the Company has incurred operating net losses totaling in a shareholders' equity deficiency of Rp407,590,532 (1999: Rp384,836,624). Furthermore, the Company's current liabilities exceeded its current assets by Rp1,338,858,172 (1999: Rp834,812,503). The Company has implemented, or plans to implement, in response to these conditions, as strategic management plan with the main focus on cost cutting and improving efficiency and the shareholders have contributed additional paid up capital. The Company's management believes that such actions will enable the Company to continue to operate as a going concern. Accordingly, the financial statements have been prepared assuming that the Company will continue as a going concern.

4. Summary of Significant Accounting Policies

Set out below is a summary of the significant accounting policies adopted by the Company in the preparation of its consolidated financial statements.

a) Basis of Preparation of its Consolidated Financial Statements

The consolidated financial statements have been prepared on the basis of historical costs in accordance with International Accounting Standards and interpretations of the Standing Interpretation Committee.

The cash flow statement has been prepared using the indirect method.

b) Principles of consolidation

The consolidated financial statements include all subsidiaries that are controlled by the parent company, other than those excluded because control is assumed to be temporary or due to long term restrictions significantly impairing a subsidiary's ability to transfer funds to the parent company.

Where an entity either began or ceased to be controlled during the year, the results are included only from the date control commenced or up to the date control ceased.

Control is presumed to exist when more than 50% of subsidiary's voting power is controlled by the parent company or the parent company is able to govern the financial and operating policies of a subsidiary, or to control the removal or appointment of a majority of a subsidiary's board of directors.

All intercompany balances and unworked profits arising from transactions between the parent and any of its subsidiaries or between subsidiaries have been eliminated.

c) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimations and assumptions that affect amounts reported therein. Due to the inherent uncertainty in making estimates, actual results reported in future periods may be based on amounts which differ from these estimates.

4. Summary of Significant Accounting Policies (continued)

a) Investment

Investments in associated companies are accounted for under the equity method of accounting. An associated company is one in which the Company holds, directly or indirectly, a minimum of 20% but no more than 50% of the voting power of the Company, or where the Company exercises significant influence but no control over the company.

a) Foreign Currency Transactions and Balances

The Company maintains its accounting records in US Dollars. Transactions in currencies other than US Dollars are recorded at the prevailing rates of exchange in effect on the date of the transactions. At the balance sheet date, all monetary assets and liabilities denominated in currencies other than US Dollars have been translated at the middle exchange rates at that date. The net foreign exchange gains or losses arising are recognized in the current year's statement of profit and loss.

Exchange rates used as of December 31, 2000 and 1999 were as follows:

	2000	1999
Rupiah (Rp) 10,000	1.04	1.41
Malaysian Ringgit (MYR) 1	0.20	0.28
Japanese Yen (¥) 100	0.87	0.88
Australian Dollar 1	0.55	0.60
Maldivian Rufiah 100	8.53	
Baht 100	2.30	

For consolidation purposes, the financial statements of PT Masekrasmi Indonesia and Mendara Sea (Malaysia) Sdn. Bhd. are consolidated into these consolidated financial statements using the following procedures:

- the assets and liabilities, both monetary and non-monetary, are translated into US Dollars at the middle exchange rates at balance sheet date;
- revenue and expenses are translated into US Dollars at average exchange rates for the respective period of transactions incurred; and
- the resulting exchange difference is recognized as translation adjustment under the equity account.

f) Revenue and expense recognition

Revenue is recognized when services are rendered or goods are delivered to customers. Expenses are recognized as they are incurred (accrual basis).

g) Cash and Cash Equivalents

Office equipment	25%

3. Summary of Significant Accounting Policies (continued)

i) Fixed Assets

Fixed assets are stated at cost less accumulated depreciation. Fixed assets are depreciated using the declining balance method based on the estimated useful life of the assets applying the following rates per year:

	Rate
Furniture and fixtures	50%
Office equipment	25%

ii) Deferred Charges

Deferred charges represent making improvements at our locations. Deferred charges are amortized over the related period of provision rental or other contractual agreement using the straight-line method.

iii) Revenue and expense recognition

Upon the date hereof in connection herewith, and in addition to any share options that may be granted to Employee as part of the Steiner's annual grant of options to officers and employees, Employee shall be granted share options to purchase Twenty Thousand (20,000) Steiner common shares (the "Options"). The Options shall expire on the tenth anniversary of the date of grant, shall vest in equal installments on the first three anniversaries of the date of grant, shall be exercisable at an exercise price per share equal to the average of the high and low prices of such shares on the date hereof. Employee shall be subject to the terms and conditions of, and entitled to all rights and privileges, pursuant to Steiner's Amended and Restated 1996 Share Option and Incentive Plan. The Options shall be evidenced by an Option Agreement in the Form attached hereto as Exhibit "A."

(c) Life Insurance. During each of the first two (2) Employment Years, the Company shall provide Employee with term life insurance with a death benefit payable to beneficiaries designated by Employee equal to 100% of the then current Base Salary. The Company shall pay all premiums with respect to such life insurance. Such life insurance may be provided either through the Company's group life insurance programs, by an individual policy, or by a

combination of both group and individual policies.

(d) Other Benefits. During the first two (2) Employment Years, the Company also shall provide to (i) Employee medical coverage, up to a cost to the Company of \$3,000 per year (the "Medical Coverage") except that, Employee may request, upon thirty (30) days' prior written notice to the Company, that Employee pay any costs of the Medical Coverage in excess of \$3,000 by having the Company deduct such excess cost (which shall be determined based on the Company's actual cost thereof) from amounts otherwise payable to Employee in which case the Medical Coverage will be obtained by the Company with such excess cost and such excess cost shall be deducted from amounts otherwise so payable to Employee (the "Medical Coverage Option"), (ii) an annual allowance of Six Thousand Dollars (\$6,000) for the use by Employee in purchasing or leasing an automobile and for the payment of insurance, maintenance and other expenses in connection with such automobile and (iii) first/business class travel on all flights over three (3) hours duration or that are international flights (the "Flight Benefit"). In addition, during the third Employment Year and any period after June 30, 2004 that Employee is subject to the Non-Compete Provisions (as defined below) and serves as a consultant to the Company, the Medical Coverage and the Medical Coverage Option provisions of this Section 3(d) shall apply. Following termination of the Medical Coverage, the Company will make available to Employee medical coverage as required by applicable law.

(e) Expense Reimbursement; No Relocation. The Company shall reimburse Employee for all ordinary and necessary business expenditures made by Employee in connection with, or in furtherance of, his employment hereunder upon presentation by Employee of expense statements, receipts, vouchers or such other supporting information as may from time to time be reasonably requested by the Chairman or the Board. The Company shall not, without Employee's prior written consent, relocate Employee more than twenty-five (25) miles from Employer's current place of business in Jakarta, Indonesia.

(f) Section 16 Reporting Requirements. To the extent that Employee is reasonably determined by Steiner to be a person subject to the reporting requirements under Section 16 of the Securities Exchange Act of 1934, as amended, and, provided that Employee provides reasonable advance notice of any proposed transactions in the securities of Steiner by Employee and members of his family and otherwise complies with all securities trading policies of Steiner applicable to Employee (the Company will advise Employee in writing of such policies), the Company and Steiner shall, at no cost to Employee, advise and assist Employee with the preparation and filing of any reports to be filed thereunder (including, without limitation, making legal counsel available to Employee for the purposes of understanding his reporting obligations and any related trading restrictions).

4. Vacation. During the first two Employment Years, Employee shall be entitled to (i) four (4) weeks paid vacation per calendar year (such number of days to be pro-rated for any partial calendar year hereunder) (the "Vacation Days") and (ii) additional vacation days on each day that is a national holiday in the country where Employee is then residing. Notwithstanding the foregoing, Employee shall not be entitled to take in excess of two (2) consecutive weeks of vacation without the prior written consent of the Chairman. The vacation provided for in this Section 4 shall be

coextensive with, and not cumulative with, vacations allowed pursuant to any employment agreements or other arrangements with any Affiliates.

5. **Termination.**

(a) **Death.**

(i) **First Two Employment Years.** In the event of Employee's death during the first two (2) Employment Years, the Company shall have no further obligations to make payments or otherwise under this Agreement, except that (A) the Company shall pay to Employee's estate or surviving spouse within ten (10) days after the date of Employee's death any (x) any unpaid accrued Base Salary pursuant to Section 3(a)(i), above, and accrued vacation pursuant to Section 4, to the extent required by applicable law and (y) Incentive Bonus pursuant to Section 3(a)(ii), above, in each case to which Employee was entitled on the date of death pursuant to the terms of those Sections and (z) any amount due to Employee as of the date of death as reimbursement of expenses under Section 3(f), above, and (B) Employee's dependents shall also be entitled to any continuation of health insurance coverage rights to the extent required by applicable law (collectively the "**All Years Death Benefits**"). In addition, in the event of Employee's death during the first two (2) Employment Years, the Company shall pay to Employee's surviving spouse, or to Employee's estate if there is no surviving spouse, an amount equal to the sum of (x) 100% of Base Salary, at the annual rate in effect on the date of Employee's death, and (y) the "Average Bonus" (as defined below), pro rated through the date of Employee's death, such sum to be payable in bi-weekly installments for a period of one year following Employee's death. For purposes of this Agreement, the term "**Average Bonus**" when calculated with reference to any date, shall mean, if such date is on or prior to December 31 of the Employment Year in which such date occurs, the arithmetic average of Employee's annual Incentive Bonus for the three preceding Employment Years (including any bonuses paid by the Company for corresponding periods prior to the date hereof); or, if such date is after December 31 of such Employment Year, the arithmetic average of Employee's Incentive Bonus for such Employment Year (calculated on an annualized basis based on the period in which such date occurs and the preceding periods of such Employment Year) and for the two preceding Employment Years.

(ii) **Third Employment Year.** In the event of Employee's Death during the third Employment Year, the Company shall provide to Employee's surviving spouse or estate the All Years Death Benefits in accordance with the provisions of Section 5(a)(i), above.

(b) **Disability.**

(i) **First Two Employment Years.** If Employee becomes physically or mentally disabled during the first two Employment Years so that he is unable to perform the services required of Employee pursuant to this Agreement, (A) as determined in good faith by the Board, for an aggregate of one hundred eighty (180) days months in any three hundred sixty (360) day period (a "**Disability**"), the Company, at its option, may terminate Employee's employment hereunder (the date of such termination, the "**Disability Date**") and, thereafter, Employee shall not be deemed to be employed hereunder (except that Employee's obligations under Section 6, below, shall remain in full force and effect as provided herein) and the Company shall have no further obligations to make

payments or otherwise under this Agreement, except as provided in this Section 5(b) and under Section 3(e)(iii), above. In the event of a Disability, (A) the Company shall pay to Employee within ten (10) days after the Disability Date (x) any unpaid accrued Base Salary pursuant to Section 3(a)(i), above, and accrued vacation pursuant to Section 4, to the extent required by applicable law, and (y) any Incentive Bonus payable pursuant to Section 3(a)(ii), above, in each case to which Employee was entitled on the Disability Date pursuant to the terms of those Sections and (z) any amount due to Employee as of the Disability Date as reimbursement of expenses under Section 3(f), above and (B) Employee and his dependents shall also be entitled to any continuation of health insurance coverage rights to the extent required under applicable law (collectively, the "All Years Disability Benefits"). In addition, in the event of Employee's Disability during the first two (2) Employment Years, the Company shall pay to Employee an amount equal to the sum of (x) 100% of Base Salary, at the annual rate in effect on the Disability Date, and (y) the Average Bonus, pro rated through the Disability Date, such sum to be payable in bi-weekly installments for a period of one year following Employee's Disability Date. Nothing in this Agreement is intended to cause the Company to be in violation of the Americans with Disabilities Act.

(ii) Third Employment Year. In the event of Employee's Disability during the third Employment Year, the Company shall provide to Employee's estate the All Years Disability Benefits in accordance with the provisions set forth in 5(b)(i) above.

(iii) Application of Non-Compete Provisions. In the event the Employee's employment with the Company is terminated as a result of Disability, Employee shall be subject to the provisions set forth in Section 6(a) through 6(i), below (the "Non-Compete Provisions"), through June 30, 2004 unless the above payment required to be made by this Section 5(b) is not made as required by this Section 5(b), in which case Employee shall cease to be bound by the Non-Compete Provisions. In addition, the Company shall have the option to continue the duration of the Non-Compete Provisions until June 30, 2006 in which event the Company shall provide written notice of such election to Employee within ten (10) days after the date of such termination (the "Non-Compete Notice") and shall, within thirty (30) days after such Disability, pay to Employee the sum of Ninety-Six Thousand Dollars (\$96,000) (the "Non-Compete Payment"). In the event the Company does not pay the Non-Compete Payment in full within such 30-day period, Employee shall not be bound by the Non-Compete after June 30, 2004. For the avoidance of doubt, Employee shall in any event be subject to the Non-Compete Provisions for a period of (A) ten (10) days after the Disability Date and (B) thirty (30) days after the Disability Date if the Non-Compete Notice is made within such ten-day period.

(c) For Cause by Company. The Company may at any time during the term hereof, without any prior notice, terminate Employee's employment hereunder upon the occurrence of any of the following events (each referred to herein as "Cause"): (i) Employee's continued failure to substantially perform Employee's duties with the Company (other than any such failure resulting from Employee's incapacity due to physical or mental illness or injury); (ii) a violation by Employee of any written policy or directive of the Company applicable to Employee specifically, or to officers or employees of the Company, or of the Company, and its Affiliates generally, the violation of which policy or directive is materially and demonstrably injurious to the Company; (iii) Employee's excessive alcoholism or drug abuse that substantially impairs the ability of Employee to perform Employee's duties hereunder; (iv) continued gross negligence by Employee in the performance of his

duties under this Agreement that results in material and demonstrable damage to the Company or any Affiliate; (v) violation by Employee of any lawful direction from the Board provided such direction is not inconsistent with Employee's duties and responsibilities to the Company hereunder; (vi) a conviction of Employee (or a plea of nolo contendere in lieu thereof) for (A) a felony or (B) a crime involving fraud, embezzlement or other criminal conduct by Employee; (vii) intentional or reckless conduct that results in material and demonstrable damage to the Company; or (viii) the committing by Employee of an act involving moral turpitude that results in material and demonstrable damage to the Company; provided, however, that in the case of any of the events described in clauses (i), (ii) (iv) (v) or (vii) above, such event shall not constitute Cause hereunder unless and until there is given to Employee by the Company a written notice which sets forth the specific respects in which it believes that Employee's conduct constitutes Cause hereunder, which conduct is not cured within ten (10) days of written notice thereof. If the Company terminates Employee's employment under this Agreement pursuant to this Section 5(c), the Company shall have no further obligations to make payments or otherwise under this Agreement, except that Employee shall be entitled to receive any (i) unpaid accrued Base Salary pursuant to Section 3(a)(i), above, through the date that is thirty (30) days after the date that the Company gives written notice of such termination to Employee (the "Termination Notice Date") and accrued vacation pursuant to Section 4, to the extent required by applicable law, (ii) Incentive Bonus that is accrued pursuant to Section 3(a)(ii), above, and unpaid as of the date of such termination and (iii) any amount due to Employee under this Agreement as of the date of such termination, reimbursement of expenses under Section 3(f), above, in each case within sixty (60) days after the Termination Notice Date. Notwithstanding the foregoing, Employee shall, for all purposes, cease to be deemed to be employed by the Company as of the date of any termination of Employee pursuant to this Section 5(c), irrespective of whether written notice of termination is given on such date. In the event the Employee's employment with the Company is terminated pursuant to this Section 5(c), Employee shall be subject to the Non-Compete Provisions through June 30, 2004 unless the above payment required to be made by this Section 5(c) is not made as required by this Section 5(c), in which case, Employee shall cease to be bound by the Non-Compete Provisions. In addition, the Company shall have the option to continue the duration of the Non-Compete Provisions until June 30, 2006 in which event the Company shall provide the Non-Compete Notice within ten (10) days after the date of such termination and shall, within thirty (30) days after such termination, pay to Employee the Non-Compete Payment. In the event the Company does not pay the Non-Compete Payment in full within such 30-day period, Employee shall not be bound by the Non-Compete after June 30, 2004. For the avoidance of doubt, Employee shall in any event be subject to the Non-Compete Provisions for a period of sixty (60) days after the date of such termination.

(d) Other Terminations. In the event the Employee's employment with the Company is terminated by the Company without Cause, or the Employee terminates his employment with the Company with Good Reason (as defined below) after thirty (30) days' prior written notice to the Company and provided that the Company does not correct the circumstances giving the Employee Good Reason during such 30-day period (the date of termination, the "Termination Date"), (A) the Company shall pay to Employee within ten (10) days after the Termination Date (i) any unpaid accrued Base Salary pursuant to Section 3(a)(i), and accrued vacation pursuant to Section 4, to the extent required by applicable law, above, and (ii) any Incentive Bonus payable pursuant to Section 3(a)(ii), above, in each case to which Employee was entitled on the Termination Date pursuant to the terms of those Sections and (iii) any amount due to Employee as of the Termination Date as

reimbursement of expenses under Section 3(f), above and (B) Employee and his dependents shall also be entitled to any continuation of health insurance coverage to the extent required under applicable law. In addition, in the event of such termination during the first two (2) Employee Years, the Company shall pay to Employee, an amount equal to the sum of (i) the Base Salary due for the remaining term of this Agreement, and (ii) the Average Bonus with respect to whichever of the First Employment Year and Second Employment Year an Incentive Bonus was not paid, prorated through the Termination Date, such sum to be payable within thirty (30) days following Employee's Termination Date. Furthermore, following a termination pursuant to this Section 5(d) (including a termination pursuant to the second next succeeding sentence, a "Section 5(d) Termination"), Employee shall be relieved of all obligations hereunder, other than as provided in the next sentence. In the event of Employee's termination of employment pursuant to this Section 5(d), Employee shall be subject to the Non-Compete Provisions through June 30, 2004 unless the payment required to be made by the Section 5(d) is not made as required by this Section 5(d). If Employee terminates his employment hereunder prior to June 30, 2004 without Good Reason, the Non-Compete Provisions will apply through June 30, 2004. In the event Employee's employment with the Company is terminated pursuant to this Section 5(d) (including by Employee without Good Reason), Employee shall be subject to the Non-Compete Provisions through June 30, 2004 unless the above payment required to be made by this Section 5(d) is not made as required by this Section 5(d), in which case Employee shall cease to be bound by the Non-Compete Provisions. In addition, the Company shall have the option to continue the duration of the Non-Compete Provisions until June 30, 2006 in which event the Company shall provide the Non-Compete Notice within ten (10) days after the date of such termination and shall, within thirty (30) days after such termination, pay to Employee the Non-Compete Payment. In the event the Company does not pay the Non-Compete Payment in full within such 30-day period, Employee shall not be bound by the Non-Compete after June 30, 2004. For the avoidance of doubt, Employee shall in any event be subject to the Non-Compete Provisions for a period of thirty (30) days after the date of such termination. For the purposes of this Agreement, "Good Reason" shall mean, any termination by the Employee that follows a material breach by the Company of this Agreement (it being agreed that a violation of the Company of its obligations to provide Employee with such duties and responsibilities as provided in Section 1 hereof shall be deemed a material breach by the Company of this Agreement).

6. **Non-Competition; Confidentiality; Etc.** All references to the "Company" in this Section 6 shall include Steiner and all direct and indirect subsidiaries of Steiner and all other affiliates (as that term is defined for purposes of Rule 405 under the Securities Act of 1933, as amended) of Steiner (each, a "Steiner Affiliate").

(a) **Acknowledgment.** Employee acknowledges and agrees that (i) in the course of Employee's employment by, and performance of the Services (as defined below) for, the Company, it will be necessary for Employee to acquire information which could include, in whole or in part, information concerning the sales, products, services, customers and prospective customers, sources of supply, computer programs, system documentation, software development, manuals, formulae, processes, methods, machines, compositions, ideas, improvements, inventions or other confidential or proprietary information belonging to the Company or relating to the affairs of the Company (excluding, after termination of Employee's employment with the Company, (A) information which is generally available to the public, (B) information obtained by the Employee from third persons not under agreement to maintain the confidentiality of the same, (C) information which the Employee is

required to be disclosed by law or legal process and (D) information independently developed by the Employee prior to his ownership in and employment by the Company pursuant to this Agreement, collectively, the "Confidential Information"), (ii) the restrictive covenants set forth in this Section 6 are reasonable and necessary in order to protect and maintain such proprietary interests and the other legitimate business interests of the Company and that such restrictive covenants in this Section 6 shall survive the termination of this Agreement for any reason and (iii) the Company would not have entered into this Agreement unless such covenants were included herein.

(b) Non-Competition. Except as otherwise provided in this Agreement, including, but not limited to, the non-compete obligations of Employee that may arise pursuant to Section 5, above, Employee covenants and agrees that during the Employment Years and, assuming the payment of the Consulting Payment (as defined below), for a period of two (2) years after the Employee Years (the "Non-Compete Period"), Employee shall not engage, directly or indirectly, whether as an individual, sole proprietor, or as a principal, agent, officer, director, employer, employee, consultant, independent contractor, partner or shareholder of any firm, corporation or other entity or group or otherwise in any Competing Business. For purposes of this Agreement, the term "Competing Business" shall mean any individual, sole proprietorship, partnership, firm, corporation or other entity or group which (i) engages in the creation or promotion of any spa-related brand in connection with hotels or otherwise or (ii) offers or sells or attempts to offer or sell (A) spa services, skin or hair care products, or (B) any other services offered or sold by the Company as of August 1, 2001 or during the one (1) year period prior thereto, including, but not limited to, in the case of each of the preceding clauses (A) and (B), offers or sales or attempts to offer or sell any of such services or products to or from any day spa, destination spa, resort, hotel, passenger cruise vessel or retail establishment. Notwithstanding the foregoing, nothing herein shall preclude or prohibit Employee from (x) maintaining a passive investment in publicly held entities, provided that Employee does not have more than a five percent (5%) beneficial ownership in any such entity; (y) engaging in the activities described on Schedule A attached hereto related to (aa) the specific hotels referenced thereon and (bb) the activities described in the last paragraph thereof, or (z) directly or indirectly owning, operating or managing a total of five (5) hotels, in addition to those on Schedule A, each of which may include a spa as a hotel amenity, so long as the total number of rooms in such up to five (5) hotels owned, operated or managed does not exceed fifteen hundred (1500) rooms (the "Five Hotel Restriction"). The Five Hotel Restriction shall not apply to any hotel which, after the date hereof enters into an agreement with Mandara Spa Asia Limited ("Mandara Asia"), or any subsidiary thereof, whereby Mandara Asia or any such subsidiary has agreed in writing to provide spa services to such hotel for a period of at least three (3) years (each of the activities referred to in foregoing clauses (x), (y) and (z), collectively, the "Permitted Activity").

(c) Non-Solicitation of Customers and Suppliers. Except as otherwise provided in this Agreement, including, but not limited to, the non-compete obligations of Employee that may arise pursuant to Section 5, above, Employee covenants and agrees that during the Non-Compete Period, Employee shall not, whether as an individual or sole proprietor, or as a principal, agent, officer, director, employer, employee, consultant, independent contractor, partner or shareholder of any firm, corporation or other entity or group or otherwise, directly or indirectly, solicit the trade or business of, or trade, or conduct business with, any customer, prospective customer, supplier, or prospective supplier of the Company for any purpose other than for the benefit of the Company; except that the restriction on the solicitation of customers shall not apply in connection with a

Permitted Activity; provided, however, that in no event shall Employee, whether in connection with a Permitted Activity or otherwise: (i) with respect to any Competing Business, solicit the trade or business of, or trade, or conduct business with any passengers on any passenger cruise vessel on which, or guests at any hotel or resort at which, the Company operates a spa facility (the "Likely Potential Customers") while such persons are passengers aboard such vessel or guests at such resort; or (ii) take any action intended to cause a Likely Potential Customer to patronize a spa facility in which the Employee has an interest instead of the spa facilities operated by the Company (including, without limitation, placing any advertising signs in the area of the Area Restriction, soliciting individuals on Company mailing lists or similar actions), it being agreed that nothing in this proviso is intended to otherwise prevent or prohibit Employee from using traditional advertising, marketing and promotional channels in connection with Employee's engagement in any Permitted Activity.

(d) Non-Solicitation of Employees, Etc. Except as otherwise provided in this Agreement, including, but not limited to, the non-compete obligations of Employee that may arise pursuant to Section 5, above, Employee covenants and agrees that during the Non-Compete Period, Employee shall not, directly or indirectly, as an individual or sole proprietor, or as a principal, agent, employee, employer, consultant, independent contractor, officer, director, shareholder or partner of any person, firm, corporation or other entity or group or otherwise, without the prior express written consent of the Company approach, counsel or attempt to induce any person who is then in the employ of, or then serving as independent contractor with, the Company to leave the employ of, or terminate such independent contractor relationship with, the Company or employ or attempt to employ any such person or persons who at any time during the preceding six (6) months was in the employ of, the Company.

(e) Non-Disclosure of Confidential Information. Employee agrees to hold and safeguard the Confidential Information in trust for the Company and its successors and assigns and only use the Confidential Information for purposes of performing his duties hereunder, and agrees that he shall not, without the prior written consent of the Board, misappropriate or disclose or make available to anyone for use outside the Company at any time, either during his employment hereunder or subsequent to the termination of his employment hereunder for any reason, any of the Confidential Information, whether or not developed by Employee, except as required in the performance of Employee's duties to the Company or as required by applicable law. In the event that Employee is requested or required by, or under applicable law or court, or administrative order to disclose any of the Confidential Information, Employee shall provide the Company with prompt written notice of any such request or requirement so that the Company may seek a protective order or other appropriate remedy. If Employee is legally compelled to disclose Confidential Information, Employee shall disclose only that portion of the Confidential Information which Employee is legally required to disclose.

(f) Disclosure of Works and Inventions/Assignment of Patents. Employee shall disclose promptly to the Company any and all works, publications, inventions, discoveries and improvements authored, conceived or made by Employee during the period of his employment with the Company or connection with his consulting services for the Company pursuant to Section 6(k), below, and related to the business or activities of the Company (the "Rights"), and hereby assigns and agrees to assign all his interest therein to the Company or its nominee. Whenever requested to do so by the Company, Employee shall execute any and all applications, assignments or other

instruments which the Company shall deem necessary to apply for and obtain Letters of Patent or Copyrights, or similar documents or rights, of the United States or any foreign country or to otherwise protect the Company's interest in the Rights. Such obligations shall continue beyond the termination of Employee's employment with the Company for any reason with respect to works, inventions, discoveries and improvements authored, conceived or made by Employee during the period of Employee's employment with the Company.

(g) Return of Materials. Upon the termination of Employee's employment with the Company. Employee shall promptly deliver to the Board all correspondence, drawings, blueprints, manuals, letters, notes, notebooks, financial records, reports, flowcharts, programs, proposals and any other documents concerning the Company's business, including, without limitation, its customers or suppliers or concerning its products, services or processes and all other documents or materials containing or constituting Confidential Information; provided, however, that nothing in this Section 6(g) shall require Employee to deliver to the Board any property that is owned by Employee and that contains no Confidential Information.

(h) Status of Section. The provisions of this Section 6 shall be construed as an agreement on the part of Employee independent of any other provision of this Agreement or any other agreement, and the existence of any claim or cause of action of Employee against the Company, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by the Company of the provisions of this Section 6.

(i) Injunctions. Because of the difficulty of measuring economic losses to the Company as a result of any breach by Employee of the covenants in this Section 6, and because of the immediate and irreparable damage that could be caused to the Company for which it would have no other adequate remedy the Employee agrees that the Company may enforce the provisions of this Section 6 by injunctions and restraining orders against the Employee without the posting of a bond or other security if the Employee breaches any of those provisions.

(j) Employee Not Restricted. Employee represents and warrants that Employee is not subject to any non-competition or other agreement that would restrict in any way Employee's ability to perform duties for the Company.

(k) Consulting Agreement. The parties hereto agree that upon the expiration of the Employment Years on June 30, 2004, and commencing July 1, 2004, Employee shall provide consulting services to the Company (150 hours per year) for two (2) years for annual compensation of Forty Thousand Dollars (\$40,000) per year, which shall be payable in equal bi-weekly installments and without regard to whether the Company has used such consulting services (the "Consulting Payment"). Employee shall provide such services, and at such times as may be reasonably requested by the Chairman or the Board (the "Services"). In addition to the other provisions of this Agreement applicable by their terms to the Services, the Flight Benefit and the provisions of the first sentence of Section 3(e), above, shall apply with respect to, and during any period Employee provides to the Services.

7. Immigration Status. Employee agrees that he will use his reasonable best efforts to assure that he is in compliance with all applicable laws and regulations relating to immigration

and employment matters during the term hereof. Employee will promptly alert the Company in the event that he becomes aware, during the term hereof, of any change or proposed change in his immigration or employment status or any of such laws or regulations that could adversely affect the performance of his duties hereunder in the jurisdiction where he is then working for the Company. The Company shall cooperate with Employee on such immigration and employment matters and, during the Employment Years, and provided that the (i) Company is then Employee's principal source of income and (ii) Employee is not otherwise being provided with the payments or reimbursements described below in this sentence, then the Company shall pay (or reimburse Employee for) any costs, fees or expenses (including reasonable attorneys' costs) incurred in connection with Employee's compliance with such laws or regulations.

8. **Non-Assignment; Successors; etc.** The Company may assign any of its rights under this Agreement with the prior written consent of the Employee (not to be unreasonably withheld). The Company may not assign or delegate any of its obligations under this Agreement, without the prior written consent of Employee. The successors of the Company shall be bound by the terms hereof, and where the context permits, references to the "Company" herein shall be deemed to refer to such successors. Employee may assign his rights under this Agreement with the prior written consent of the Company (not to be unreasonably withheld). Employee may not assign or delegate any of his obligations under this Agreement and the obligations of Employee hereunder, other than the obligations set forth in Section 1, above, shall continue after the termination of his employment hereunder for any reason and shall be binding upon his estate, personal representatives, designees or other legal representatives, as the case may be ("Heirs"), and all of Employee's rights hereunder shall inure to the benefit of his Heirs. All of the rights of the Company hereunder shall inure to the benefit of, and be enforceable by the successors of the Company.

9. **Notices.** Any notices or demands given in connection herewith shall be in writing and deemed given when (a) personally delivered, (b) sent by facsimile transmission to a number provided in writing by the addressee and a confirmation of the transmission is received by the sender or (c) three (3) days after being deposited for delivery with a recognized overnight courier, such as FedEx, and addressed or sent, as the case may be, to the address or facsimile number set forth below or to such other address or facsimile number as such party may in writing designate:

13. **Severability.** It is the intention of the parties hereto that any provision of this Agreement found to be invalid or unenforceable be reformed rather than eliminated. If any of the provisions of this Agreement, or any part thereof, is hereinafter construed to be invalid or unenforceable, the same shall not affect the remainder of such provision or the other provisions of this Agreement, which shall be given full effect, without regard to the invalid portions. If any of the provisions of Section 6, above, or any portion thereof, is held to be unenforceable because of the duration of such provision or portions thereof, the area covered thereby or the type of conduct restricted therein, the parties hereto agree that the court making such determination shall have the

power to modify the duration, geographic area and/or, as the case may be, other terms of such provisions or portions thereof, and, as so modified, said provisions or portions thereof shall then be enforceable. In the event that the courts of any one or more jurisdictions shall hold such provisions wholly or partially unenforceable by reason of the scope thereof or otherwise, it is the intention of the parties hereto that such determination not bar or in any way affect the Company's rights provided for herein in the courts of any other jurisdictions as to breaches or threatened breaches of such provisions in such other jurisdictions, the above provisions as they relate to each jurisdiction being, for this purpose, severable into diverse and independent covenants.

14. **Non-Waiver.** Failure by either the Company or Employee to enforce any of the provisions of this Agreement or any rights with respect hereto, or the failure to exercise any option provided hereunder, shall in no way be considered to be waiver of such provisions, rights or options, or to in any way affect the validity of this Agreement.

15. **Headings.** The headings preceding the text of the paragraphs of this Agreement have been inserted solely for convenience of reference and neither constitute a part of this Agreement nor affect its meaning, interpretation, or effect.

SHARE OPTION AGREEMENT

This Agreement (this "Agreement") is made as of July 3, 2001, by and between Steiner Leisure Limited, a Bahamas international business company (the "Company"), and the undersigned employee ("Employee").

Pursuant to the Steiner Leisure Limited 1996 Share Option and Incentive Plan (the "Plan"), the Company hereby grants to Employee, as of July 3, 2001, options (the "Options") to purchase Twenty Thousand (20,000) of the Company's common shares, par value (U.S.) \$.01 per share (the "Shares"), at \$ _____ per share (the "Exercise Price") upon the following terms and conditions. Capitalized terms not otherwise defined herein shall have the same meaning as in the Plan.

1. **Exercise of Options.** The Options shall become exercisable upon the earliest to occur of the following: (i) in accordance with the following schedule: one-third (rounded down, if necessary, to the next whole number) shall become exercisable on July 3, 2002; one-third (rounded down, if necessary, to the next whole number) shall become exercisable on July 3, 2003; and one-third (rounded up, if necessary, to the next whole number) shall become exercisable on July 3, 2004, (ii) Employee's death and (iii) a Change in Control. The Options shall expire on July 2, 2211.

2. **Transfer and Exercise.** The Options are not transferable otherwise than by will or the laws of descent and distribution and, in addition to the other limitations set forth herein, are exercisable during the lifetime of Employee only by Employee. The Options are exercisable by Employee only while Employee is in active employment with the Company or a Subsidiary or within thirty (30) days after termination of such employment, except (i) during the three-year period after a Employee's death, Disability or Retirement; (ii) during a three-year period commencing on the date of Employee's termination of employment by the Company or a Subsidiary, other than for cause; or (iii) during a three-year period commencing on the date of termination by Employee, or the Company or a Subsidiary, of employment after a Change in Control unless such termination of employment is by the Company or a Subsidiary for cause. The Options that are not yet vested and exercisable shall be forfeited upon the termination of employment of Employee (other than as a result of death, Disability, Retirement or a Change in Control) by the Company or any Subsidiary unless such termination is by the Company or a Subsidiary and is in violation of the terms of a written employment agreement to which the Employee and the Company and/or, as the case may be, a Subsidiary are parties (a "Violation Termination"). In the event of a Violation Termination, all Options held by the Employee which are not yet vested and exercisable shall become vested and exercisable at the effective time of such Violation Termination, provided such effective date is at least one (1) year after the date of grant of the Options.

3. **Procedure for Exercise.** The Options shall be exercisable by written notice in the form attached hereto as Exhibit A (the "Exercise Notice"). Such written notice shall be addressed to the Secretary of the Company, signed by the Employee and delivered pursuant to Section 10, below. Options shall be deemed to be exercised upon delivery to the Company of such written notice, upon which the Company will issue and deliver to Employee the number of Shares as to which the options

were exercised. Notwithstanding the foregoing, Options may not be exercised if the issuance of the Shares upon such exercise would constitute a violation of any applicable federal or state securities or other law or regulation or any requirement of the Nasdaq Stock Market, Inc. or other market or exchange upon which the Shares may then be traded or listed (collectively, the "Rules"). As a condition to the exercise of an Option, the Company may require Employee to make such representations or warranties to the Company as the Company may deem appropriate under the Rules.

4. Payment of Exercise Price.

The Exercise Price for the number of shares for which Options are being exercised shall be paid on, or within ten (10) days after the date of exercise:

- (i) in cash (by certified or bank cashier's check);
- (ii) by tender to the Company of whole Shares then owned by the Employee having a Fair Market Value (as defined below) on the date of exercise at least equal to the Exercise Price, provided that, in the case of Shares acquired directly from the Company, such Shares have been held for at least six months;
- (iii) a combination of the foregoing; or
- (iv) on such other terms and conditions as the Compensation Committee of the Company (or, if such committee is not in existence, the Board of Directors of the Company; in either case, hereinafter, the "Committee") may approve.

For purposes of this Agreement, "Fair Market Value" means the mean of the high and low prices reported per Share as quoted on the Nasdaq National Market or the Nasdaq Small Cap Market.

5. Adjustments Upon Changes in Capitalization, Etc. In the event of any change in the outstanding Shares of the Company by reason of any share split, share dividend, recapitalization, merger, consolidation, combination or exchange of shares or other similar corporate change or in the event of any special distribution to the shareholders, the Committee shall make such equitable adjustments in the number of Shares and prices per Share applicable to the Options as the Committee determines are necessary and appropriate. Any such adjustment shall be conclusive and binding for all purposes of the Plan.

6. Tax Withholding. In order to enable the Company to meet any applicable federal, state or local withholding tax requirements arising as a result of the exercise of Options, Employee shall pay the Company the amount of tax to be withheld or may elect to satisfy such obligation by delivering to the Company other Shares owned by Employee prior to exercising the Options, or a payment consisting of a combination of cash and such Shares, or by having the Company withhold Shares that otherwise would be delivered to Employee pursuant to the exercise of the Options for which the tax is being withheld. Such an election shall be subject to the following: (i) the election shall be made in such manner as may be prescribed by the Committee and (ii) the election shall be made prior to the date to be used to determine the tax to be withheld and shall be irrevocable. The value of any Share to be delivered or withheld by the Company shall be the Fair Market Value on the date to be used to determine the amount of tax to be withheld.

7. **Shares Subject to Plan.** The Shares awarded pursuant to the Plan are subject to all of the terms and conditions of the Plan, the terms of which are hereby expressly incorporated and made a part hereof. Any conflict between this Agreement and the Plan shall be controlled by, and settled in accordance with the terms of the Plan. Employee acknowledges that Employee has received, read and understood the provisions of the Plan and agrees to be bound by its terms and conditions.

8. **Interpretation.** Any dispute regarding the interpretation of this Agreement shall be submitted by Employee or by the Company forthwith to the Committee, which shall review such dispute at its next regular meeting. The resolution of such a dispute by the Committee shall be final and binding on the Company and on Employee.

9. **Not a Contract of Employment.** This Agreement shall not be deemed to constitute an employment contract between the Company and Employee or to be a consideration or an inducement for the employment of Employee.

10. **Notices.** Any notice required or permitted hereunder shall be given in writing and deemed delivered when (i) personally delivered, (ii) sent by facsimile transmission and a confirmation of the transmission is received by the sender, or (iii) three (3) days after being deposited for delivery with a recognized overnight courier, such as Federal Express, and addressed or sent, as the case may be, to the address or facsimile number set forth below or to such other address or facsimile number as such party may in writing designate.

11. **Further Instruments.** The parties agree to execute such further instruments and to take such further actions as may be reasonably necessary to carry out the purposes and intent of this Agreement.

12. **Entire Agreement; Governing Law; Severability.** The Plan and Exercise Notice are incorporated herein by reference. This Agreement, the Plan and the Exercise Notice constitute the entire agreement of the parties and supersede in their entirety all prior undertakings and agreements of the Company and Employee with respect to the subject matter hereof, and shall be interpreted in accordance with, and shall be governed by, the laws of The Bahamas, subject to any applicable United States federal or state securities laws. Should any provision of this Agreement be determined by a court of law to be illegal or unenforceable, the other provisions shall nevertheless remain effective and shall remain enforceable.

REGISTRATION RIGHTS AGREEMENT

This Registration Rights Agreement (the "Agreement") is made and entered into as of July 3, 2001, by and among **STEINER LEISURE LIMITED**, a Bahamas international business company ("Steiner"), **SIERRA PACIFIC INVESTMENTS LLC**, a Delaware limited liability company ("SPI"), **PACIFIC CENTURY CAPITAL LIMITED**, a British Virgin Islands company ("PCCL"), **FRANKY TJAHYADIKARTA, OKIE R. LUKITA and JEFFREY R.W. MATTHEWS** (SPI, PCCL, Franky Tjahyadikarta, Okie R. Lukita and Jeffrey R. W. Matthews, including their respective successors, assigns and transferees, collectively, the "Holders"). Steiner and the Holders are sometimes referred to herein, individually, as a "Party" and, collectively, as the "Parties."

WHEREAS, in connection with the transactions contemplated by that certain Share Purchase Agreement, dated as of June __, 2001, among, Steiner, Steiner Spa Limited and the Holders (the "Purchase Agreement"), Steiner is issuing to the Holders an aggregate of 99,508 shares of Steiner's common shares, par value US\$.01 per share (together with any other equity securities issuable or issued upon conversion or exchange in respect thereof, or issuable or issued upon conversion or exchange of other equity securities of Steiner into which such shares shall be reclassified or changed, including by reason of or in connection with a merger, consolidation, dividend, distribution, reorganization, recapitalization or statutory conversion which are then owned by any Holder, the "Steiner Shares"); and

WHEREAS, as a condition to the closing of the transactions under the Purchase Agreement, Steiner has agreed to provide to the Holders certain registration rights with respect to the Steiner Shares as hereinafter set forth.

NOW, THEREFORE, in consideration of the premises and mutual covenants and agreements set forth herein and in the Purchase Agreement, the Parties hereby agree as follows:

1. **Registration.**

(a) Steiner shall, within one hundred twenty (120) days following the date hereof, file, or cause to be filed, a registration statement with the Securities and Exchange Commission (the "SEC") under the Securities Act of 1933, as amended (the "Securities Act"), for the purpose of registering the Steiner Shares for resale by the Holders thereof (the "Registration Statement"); *provided, however*, that before filing the Registration Statement (or prospectus contained therein, or any amendments or supplements thereto), Steiner shall furnish copies of all such documents proposed to be filed to counsel for the Holders. Steiner will use its reasonable best efforts (i) to have the Registration Statement declared effective no later than one hundred eighty (180) days following the date hereof, and (ii) to cause the Steiner Shares to be registered, qualified or exempted under the securities laws of such states and other jurisdictions as any Holder reasonably requests, concurrently with or as soon as is reasonably practicable following the filing of the Registration Statement, and do any and all other acts and things which may be reasonably necessary or advisable to enable the disposition in such jurisdictions of the

Steiner Shares. Notwithstanding the foregoing, Steiner shall not be obligated (i) to effect, or take any action to effect, any such registration pursuant to this Section 1(a) in any jurisdiction in which Steiner would be required to execute a general consent to service of process in effecting such registration, qualification or other compliance, unless Steiner is already subject to service in such jurisdiction and except as may be required by the Securities Act, or (ii) to effect any registration of the Steiner Shares for sale pursuant to an underwritten offering.

(b) Steiner hereby represents and warrants to each of the Sellers that there are no contractual or, to the best of Steiner's Knowledge (as defined in the Purchase Agreement), any other restrictions, limitations or similar provisions that could reasonably be expected to result in the inability of Steiner to register the Steiner Shares as provided herein. Notwithstanding the provisions of Section 1(a), above, if (i) in the good faith judgment of the Board of Directors of Steiner (the "Board"), such registration would be seriously detrimental to Steiner and the Board reasonably concludes that, as a result, it is essential to defer the filing of such Registration Statement at such time, and (ii) Steiner has delivered to the Holders a certificate signed by the President of Steiner certifying that the Board has determined in good faith that it would be seriously detrimental to Steiner for such Registration Statement to be filed in the near future and that it is, therefore, essential to defer the filing of such Registration Statement (which certificate shall be accompanied by such supporting documentation for the Board's determination as the Holders may reasonably request), then Steiner shall have the right to defer such filing for the period during which such registration would be seriously detrimental; *provided, however*, that Steiner may not defer the filing for a period of more than one hundred five (105) days after the date by which Steiner has committed to file the Registration Statement pursuant to Section 1(a) hereof; *provided, further*, that, in the event of any deferral pursuant to this Section 1(b), Steiner shall not file any other registration statement in respect of any securities until such time as it has filed the Registration Statement pursuant to Section 1(a) hereof.

(c) The Registration Statement filed pursuant to Section 1(a), above, (i) may, at the option of Steiner, include other securities of Steiner to be sold for the account of Steiner; *provided, however*, that all Steiner Shares are covered in such Registration Statement, and (ii) shall not include any securities of Steiner to be offered or sold pursuant to any underwriting or placement arrangements.

2. **Expenses of Registration.** Steiner shall pay all expenses incurred by Steiner in connection with the registration, qualification and/or exemption of the Steiner Shares pursuant to Section 1(a) hereof, including any SEC and state securities law registration and filing fees, printing expenses, fees and disbursements of Steiner's counsel and accountants, transfer agents' and registrars' fees, fees and disbursements of counsel and accountants used by Steiner in connection with such registration, qualification and/or exemption, and expenses incidental to any amendment or supplement to the Registration Statement or prospectuses contained therein. In addition, Steiner will pay its internal expenses (including, but not limited to, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit or quarterly review, the expense of any liability insurance obtained by Steiner and the expenses and fees for listing the securities to be registered on each securities exchange.

3. **Furnishing of Documents.** Steiner shall furnish to the Holders and each seller of Steiner Shares such reasonable number of copies of the Registration Statement, such prospectuses (including each preliminary prospectus) as are contained in the Registration Statement and such other documents as the Holders may reasonably request in order to facilitate the disposition of the Steiner Shares.

4. **Amendments and Supplements.** Steiner shall prepare and promptly file with the SEC and promptly notify the Holders of the filing of such amendments or supplements to the Registration Statement or prospectus contained therein as may be necessary to correct any statements or omissions if, at the time when a prospectus relating to the Steiner Shares is required to be delivered under the Securities Act, any event shall have occurred as a result of which any such prospectus or any other prospectus as then in effect would include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. Steiner shall also advise the Holders promptly after it receives notice or obtains knowledge thereof, of the issuance of any stop order by the SEC suspending the effectiveness of the Registration Statement or the initiation of any proceeding for that purpose and promptly use its reasonable best efforts to obtain the withdrawal of any such stop order or prevent the issuance of any stop order as to which proceedings have been initiated.

5. **Other Obligations of Steiner.** In addition to the foregoing, Steiner further agrees that it shall:

(a) cause the Steiner Shares registered pursuant hereto to be listed on each securities market on which Steiner's common shares are then listed or traded;

(b) comply with all applicable rules and regulations of the SEC and the Nasdaq Stock Market in connection with its obligations hereunder;

(c) provide a transfer agent and registrar for all such Steiner Shares not later than the effective date of the Registration Statement;

(d) enter into such customary agreements and take all such other customary actions as the Holders reasonably request in order to expedite or facilitate the disposition of the Steiner Shares;

(e) make available for inspection by any seller of Steiner Shares and any attorney, accountant or other agent retained by any such seller, all financial and other records, pertinent corporate documents and properties of Steiner, and cause Steiner's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, attorney, accountant or agent in connection with such registration statement;

(f) advise each seller of Steiner Shares, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the SEC suspending the effectiveness of such registration statement or the initiation or threatening of any proceeding for such purpose and promptly use its best efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued; and

(g) at least forty-eight (48) hours prior to the filing of the Registration Statement or prospectus, or any amendment or supplement thereto, furnish a copy thereof to each Holder and refrain from filing any such document to which counsel selected by the Holders shall have reasonably objected on the grounds that such document does not comply in all material respects with the requirements of the Securities Act or the rules and regulations thereunder, unless, in the case of an amendment or supplement, in the opinion of counsel for Steiner the filing of such amendment or supplement is reasonably necessary to protect Steiner from any liabilities under any applicable federal or state law and such filing will not violate applicable laws.

6. **Duration.** Steiner shall maintain the effectiveness of the Registration Statement for a period ending upon the earlier to occur of (a) two (2) years after the effective date thereof and (b) the sale by the Holders of all of the Steiner Shares.

7. **Further Information.** In connection with Steiner's preparation of the Registration Statement, each Holder shall furnish Steiner such information regarding such Holder as Steiner may reasonably request for use in connection with any registration, qualification or compliance referred to in this Agreement.

8. **Indemnification**

(a) Steiner will indemnify and hold harmless the Holders, their Affiliates (as defined in Rule 405 under the Securities Act, hereinafter, an "Affiliate") and their respective officers, managers, members, employees, agents and attorneys, and the officers, managers, members, employees, agents and attorneys of each such Affiliate (collectively, the "Holder Parties"), from and against any and all losses, damages, liabilities, costs and expenses (including, but not limited to, reasonable attorneys' fees and expenses) to which the Holder Parties may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages, liabilities, costs or expenses are caused by, arise out of or based upon (i) any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement (or

contained in any document or filing incorporated therein by reference), any prospectus contained therein or any amendment or supplement thereto, or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided, however*, that, Steiner will not be liable in any such case to the extent that any such loss, claim, damage, liability, cost or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by or on behalf of any Holder Party in writing specifically for use in the preparation thereof. The payments required by this Section 8(a) will be made periodically during the course of the investigation or defense, as and when bills are received or expenses incurred.

(b) In connection with the Registration Statement, each Holder will indemnify and hold harmless Steiner and each of its Affiliates, officers, directors, employees, shareholders, agents and attorneys, and the officers, directors, shareholders, members, agents, employees and attorneys of such Affiliates (collectively, the “Steiner Parties”) from and against any and all losses, damages, liabilities, costs and expenses (including, but not limited to, reasonable attorneys’ fees and expenses) to which the Steiner Parties may become subject under the Securities Act or otherwise, insofar as such losses, damages, liabilities, costs or expenses are caused by, arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement (or contained in any document or filing incorporated therein by reference), any prospectus contained therein or any amendment or supplement thereto, or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided, however*, that the Holders will only be liable in any case, to the extent that such untrue statement or alleged untrue statement or omission or alleged omission was so made in reliance upon written information furnished by or on behalf of any Holder specifically for use in the preparation thereof; *provided, further*, that the obligation to indemnify will be several, not joint and several, among the Holders and the liability of each Holder will be in proportion to and limited in all events to the net amount received by such Holder from the sale of Steiner Shares by such Holder pursuant to such Registration Statement. The payments required by this Section 8(b) will be made periodically during the course of the investigation or defense, as and when bills are received or expenses incurred.

(c) With respect to each claim made for which an Indemnified Party (as hereinafter defined) seeks indemnification under this Section 8 (a “Claim”), the Indemnified Party shall give prompt written notice to the Indemnifying Party (as hereinafter defined) of the Claim, provided that failure to give such notice promptly shall not relieve or limit the obligations of the Indemnifying Party unless and solely to the extent that the Indemnifying Party has been prejudiced thereby (and such failure to notify the Indemnifying Party will not relieve the Indemnifying Party from any other liability it may have to the Indemnified Party). The Indemnifying Party will have the right to defend the Indemnified Party against any Claim with counsel of its choice reasonably satisfactory to the Indemnified Party so long as and to the extent that (i) the Indemnifying Party notifies the Indemnified Party in writing, within fifteen (15) days after receipt from the Indemnified Party of notice of the Claim, that the Indemnifying Party will

indemnify the Indemnified Party, to the extent provided in this Agreement, from and against any indemnifiable damages hereunder that the Indemnified Party may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Claim; (ii) the Claim seeks the recovery solely of money damages and does not contain a claim for an injunction, specific performance, a declaration of rights or other equitable relief; and (iii) the Indemnifying Party conducts the defense of the Claim actively and diligently. If there is an actual or potential conflict of interest, however, that would prevent counsel for the Indemnifying Party from also representing the Indemnified Party as reasonably determined by the Indemnified Party, then the Indemnified Party shall have the right to select separate counsel to participate in the defense of such claim on behalf of the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of their election to so assume the defense thereof, the Indemnifying Party will not be liable to the Indemnified Party pursuant to the provisions of this Section 8 for the related counsel and paralegal fees and expenses subsequently incurred by the Indemnified Party in connection with the defense thereof, unless (i) the Indemnified Party shall have employed counsel in accordance with the provisions of the preceding sentence, (ii) the Indemnifying Party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the commencement of the Claim, or (iii) the Indemnifying Party has not authorized the employment of counsel for the Indemnified Party at the expense of the Indemnifying Party. Notwithstanding anything to the contrary in this Section, the Indemnifying Party shall have no right to settle or compromise, without the prior written consent of the Indemnified Party, any Claim for which the Indemnifying Party has assumed the defense to the extent the settlement or compromise provides for any injunctive or other equitable relief against the Indemnified Party other than monetary damages, or does not include as an unconditional term thereof the providing to the Indemnified Party by the third party of a release of all liability in respect of such Claim. Nothing in this Section 8 shall otherwise affect the Indemnifying Party's obligation to provide indemnification pursuant to the provisions of this Section 8. The Indemnified Party shall reasonably cooperate with the Indemnifying Party in the defense of any action assumed by the Indemnifying Party in accordance with the terms of this Section 8 and shall make available to the Indemnifying Party such information as the Indemnifying Party reasonably requests in connection with any such defense. For purposes of this Section, an "Indemnified Party" shall mean a party claiming indemnification under this Section 8, and an "Indemnifying Party" shall mean a party from whom indemnification is sought under this Section 8. The payments required by this Section 8 will be made periodically during the course of the investigation or defense, as and when bills are received or expenses incurred.

(d) The indemnification provided for under this Agreement will remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Party or any officer, director or controlling person of such Indemnified Party and will survive the transfer of securities.

9. Contribution.

(a) If the indemnification provided for in Section 8 from the Indemnifying Party is unavailable to or unenforceable by the Indemnified Party in respect to any losses, damages, liabilities, costs and expenses (including, but not limited to, reasonable attorney's fees

and expenses) referred to herein, then the Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, damages, liabilities, costs and expenses in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Parties in connection with the actions which resulted in such losses, damages, liabilities, costs and expenses, as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Parties shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or relates to information supplied by, such Indemnifying Party or Indemnified Parties, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses, damages, liabilities, costs and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 8, any legal or other fees or expenses reasonably incurred by such party in connection with any investigation or proceeding.

(b) The Parties agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by pro rata allocation or by any other method of allocation which does not take into account the equitable considerations referred to in the immediately preceding paragraph. No Party guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Party who was not guilty of such fraudulent misrepresentation.

(f) Entire Agreement. This Agreement together with the Exhibits and Schedules attached hereto and the agreements, certificates and instruments delivered pursuant hereto constitutes the entire agreement among the Parties with respect to the subject matter hereof and cancels and supersedes all of the previous or contemporaneous agreements, representations, warranties and understandings (whether oral or written) by, between or among the Parties with respect to the subject matter hereof.

(k) Severability. If any provision of this Agreement shall be held to be invalid, unenforceable or illegal, in whole or in part, in any jurisdiction under any circumstances for any reason, (i) such provision shall be reformed to the minimum extent necessary to cause such provision to be valid, enforceable and legal while preserving the intent of the Parties as expressed in, and the benefits to the Parties provided by, this Agreement or (ii) if such provision cannot be so reformed, such provision shall be severed from this Agreement and an equitable adjustment shall be made to this Agreement (including, without limitation, addition of necessary further provisions to this Agreement) so as to give effect to the intent as so expressed and the benefits so provided. PLEDGE AND SECURITY AGREEMENT

THIS PLEDGE AND SECURITY AGREEMENT (this "Agreement") is made as of the 3rd day of July, 2001, between **SIERRA PACIFIC INVESTMENTS LLC**, a Delaware limited liability company ("Pledgor") and **STEINER SPA ASIA LIMITED**, a Bahamas international business company ("Pledgee").

RECITALS:

WHEREAS, Pledgor, Pledgee, Steiner Leisure Limited, a Bahamas international business company ("Steiner"), Pacific Century Capital Limited, a British Virgin Islands company, Okie R. Lukita, Franky Tjahyadikarta and Jeffrey Matthews are parties to that certain Share Purchase Agreement dated as of June 27, 2001 (the "Purchase Agreement"), pursuant to which Pledgee has agreed to purchase, and Pledgor has agreed to sell to Pledgee, its shares in Mandara Spa Asia Limited, a British Virgin Islands company ("Mandara"); and

WHEREAS, in order to induce Pledgee to enter into the Purchase Agreement and to secure the indemnification obligations of Pledgor pursuant to Article IX of the Purchase Agreement by and among Pledgor, Pledgee and the other parties to the Purchase Agreement (the "Pledgor Obligations"), Pledgor has agreed to pledge and grant a first lien and security interest to Pledgee in those common shares of Steiner to be issued to Pledgor at the Closing (as defined in the Purchase Agreement), as more fully described on Exhibit A attached hereto and incorporated by reference herein (the "Pledged Shares"). The Pledged Shares, together with any additional or substituted collateral with respect thereto and as permitted hereby, are sometimes referred to herein as the "Collateral".

NOW THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged, Pledgor hereby agrees with Pledgee, as follows:

1. Defined Terms. All capitalized terms used herein without definition shall have the meanings specified in the Purchase Agreement.

2. Pledge. Pledgor hereby pledges, hypothecates, delivers and grants to Pledgee a first lien on and first security interest in the Pledged Shares as collateral security for the complete performance of all the Pledgor Obligations. The Pledged Shares are represented by the share certificate(s) listed on Exhibit A hereto, which original share certificate(s), with an undated assignment separate from certificate duly executed in blank by Pledgor, are being delivered to Pledgee concurrently herewith.

3. Representations and Warranties of Pledgor. Pledgor represents and warrants to Pledgee that:

3.1 The Collateral is and will remain free and clear of all pledges, liens, security interests and other encumbrances and restrictions whatsoever, except the liens and security interests created by this Agreement.

3.2 The pledge, assignment and delivery of the Pledged Shares pursuant to this Agreement creates a valid first priority lien on and a perfected first priority security interest in such Pledged Shares and the proceeds thereof in favor of Pledgee, subject to no prior pledge, lien, hypothecation, security interest, option or encumbrance or to any agreement purporting to grant to any third party a security interest in the Pledged Shares. Pledgor covenants and agrees that it will defend Pledgee's right, title and security interest in and to the Collateral and the proceeds thereof against the claims and demands of all persons whomsoever.

4. Dividends, Distributions, Etc. If, while this Agreement is in effect, Pledgor becomes entitled to receive or receives any certificate evidencing capital shares of Steiner or of any other party with respect to the Collateral (including, without limitation, any certificate representing a share split, share dividend, or reclassification) or any options or rights to acquire any capital shares of the Steiner or such third party, or any other rights or property (other than cash) as a result of Pledgor's ownership of the Collateral, whether as an addition to, in substitution for, or in exchange for any of the Pledged Shares, or otherwise, Pledgor shall deliver same to the Pledgee (along with corresponding undated stock powers duly executed in blank) who shall hold the same in accordance with the terms hereof as additional collateral security for the Pledgor Obligations. Pledgor shall be entitled to receive and retain free of any security interest or lien hereunder any and all cash dividends and/or interest payments with respect to the Collateral and, in the event that Pledgee receives any of the same, Pledgee shall hold such amounts in trust for Pledgor and shall pay over such amounts to Pledgor as promptly as practicable; *provided, however*, that in the event that the fair market value of the Collateral is less than the Initial Pledged Share Value (as defined herein), such cash dividends and/or interest payments shall be considered Collateral hereunder and held by Pledgee in accordance with the terms hereof. For the purposes of this Agreement, "Initial Pledged Share Value" shall mean an amount equal to the number of Pledged Shares multiplied by the Average Closing Sales Price as provided in the Purchase Agreement.

5. Voting of Collateral. So long as no Event of Default (as hereinafter defined) has occurred and is continuing, Pledgor shall be entitled to vote or consent with respect to the Pledged Shares or any other Collateral and otherwise exercise the incidents of ownership thereof in any manner not inconsistent with this Agreement. Pledgor grants to Pledgee or its nominee an irrevocable proxy to exercise all voting and corporate rights relating to the Pledged Shares or any other Collateral in any such instance, which proxy shall be effective immediately upon the occurrence of an Event of Default and shall remain in effect for so long as such Event of Default is continuing.

6. Events of Default. Each of the following events shall constitute an Event of Default: (i) any default, breach or violation by Pledgor of any of the terms of this Agreement; (ii) any trustee, custodian or receiver is appointed with respect to any substantial portion of the assets of Pledgor; (iii) an action is filed by or against Pledgor under any state or federal bankruptcy, insolvency or similar law; or (iv) any breach by Pledgor of its obligations, under the Purchase Agreement or the Additional Agreement, to make timely payments in respect of the Pledgor Obligations which breach remains uncured five (5) business days following written notice to Pledgor thereof.

7. Rights of Pledgee. Pledgee shall not be liable for failure to collect or realize upon the obligations of any collateral security or guaranty therefor, or any part thereof, or for any delay in so doing, nor shall Pledgee or be under any obligation to take any action whatsoever with regard thereto. Any or all of the Collateral held by Pledgee hereunder may, if an Event of Default has occurred and is continuing, without notice, be registered in the name of Pledgee or its nominee.

8. Remedies. Upon the occurrence and during the continuance of an Event of Default, Pledgee, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon Pledgor (all and each of which demands, advertisements and/or notices are hereby expressly waived), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, assign, or otherwise dispose of and deliver said Collateral, or any part thereof, at public or private sale or sales, upon such terms and conditions as Pledgee may deem advisable and at such prices as it may deem best, free of any right of redemption of Pledgor. Pledgee shall apply the net proceeds of any such collection, receipt, appropriation, realization, sale or disposition, after deducting all reasonable costs and expenses of every kind incurred in connection therefor (including without limitation reasonable attorneys' fees and legal expenses), first to the payment, in whole or in part, of the Pledgor Obligations in such order as Pledgee may elect. Only after paying over such net proceeds and after the payment by Pledgee of any other amount required by any provision of law, need Pledgee account for the surplus, if any. Pledgor agrees that Pledgee need not give more than five (5) days notice of the time and place of any public sale or of the time after which a private sale or other intended disposition is to take place and that such notice shall constitute reasonable notification of such matters. In addition to the rights and remedies granted to Pledgee in this Agreement and in any other instrument or agreement securing, evidencing or relating to any of the Pledgor Obligations, Pledgee shall have all the rights and remedies of a secured party under the Uniform Commercial Code of the State of Delaware and under any other applicable law. Notwithstanding anything to the contrary set forth herein, Pledgor shall not have the right to sell, assign, or otherwise dispose of the Collateral if the Event of Default relates solely to clauses (ii) and/or (iii) of Section 6 hereof.

9. Further Assurances. Pledgor agrees that at any time and from time to time upon the request of Pledgee, Pledgor will execute and deliver all stock powers, financing statements and such further documents and do such further acts and things as Pledgee may reasonably request consistent with the provisions hereof in order to effect the purposes of this Agreement.

10. Substitution of Collateral. Notwithstanding any provision herein to the contrary, Pledgor shall have the right to sell the Pledged Shares (or any portion thereof) or any other Collateral subject to this Agreement from time to time; *provided, however*, that (a) Pledgee shall have the right to consent to such sale, such consent not to be unreasonably withheld, delayed or conditioned, and (b) any proceeds of such sale shall be deemed Collateral hereunder and Pledgor shall deliver such certificates, instruments and other documents necessary to allow Pledgee to evidence and perfect Pledgee's security interest therein under the terms of this Agreement. To the extent that any of the Collateral consists of cash or cash equivalents, the parties shall deliver such amounts to a third party escrow agent cash to be held in escrow pursuant to the terms of a customary escrow agreement that is consistent with the terms of this Agreement and reasonably

acceptable to Pledgor and Pledgee. Any fees or charges of such third party escrow agent shall be borne equally by Pledgor and Pledgee; *provided, however*, that if the fair market value of the Collateral exceeds the Initial Pledged Share Value by an amount in excess of the such fees and charges of such third party escrow agent, such amounts shall be paid by Pledgee (it being agreed that such determination of fair market value shall be made at any time any of such fees or charges are due).

11. Termination. This Agreement and the liens and security interests granted hereunder shall terminate upon the earlier to occur of (a) the application of all of the Collateral to Pledgor's Obligations pursuant to Section 8 hereof (or the application of any collateral substituted therefor) and (b) the eighteen (18) month anniversary of the date hereof (or, in the event that Pledgor and Steiner have properly made a claim in respect of the Pledgor Obligations under the Purchase Agreement or the Additional Agreement prior to such eighteenth (18th) month anniversary, which claim remains pending on such eighteenth (18th) month anniversary, until the resolution of such claim). Upon termination of this Agreement, all Collateral (including any certificates representing any Pledged Shares or other securities) shall be delivered by Pledgee and/or the escrow agent referred to in Section 10 to Pledgor and this Agreement shall thereafter cease to be of any further force or effect.

12. Possession of Collateral. Beyond the exercise of reasonable care to assure the safe custody of the Collateral in the physical possession of Pledgee pursuant hereto, Pledgee shall not have any duty or liability to collect any sums due in respect thereof or to protect, preserve or exercise any rights pertaining thereto, and shall be relieved of all responsibility for the Collateral upon surrendering them to Pledgee.

13. Pledgee Appointed Attorney-in-Fact. Pledgor hereby irrevocably appoints Pledgee as Pledgor's attorney-in-fact, with full authority in the place and stead of Pledgor and in the name of Pledgor or otherwise, upon and during the continuance of an Event of Default, in Pledgee's discretion, to take any action and to execute any instrument that Pledgee deems reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, to receive, endorse and collect all instruments made payable to Pledgor representing any dividend, interest payment or other distribution in respect of the Collateral.

THIS PLEDGE AND SECURITY AGREEMENT (this "Agreement") is made as of the 3rd day of July, 2001, between **PACIFIC CENTURY CAPITAL LIMITED**, a British Virgin Islands Company ("Pledgor") and **STEINER SPA ASIA LIMITED**, a Bahamas international business company ("Pledgee").

RECITALS:

WHEREAS, Pledgor, Pledgee, Steiner Leisure Limited, a Bahamas international business company ("Steiner"), Sierra Pacific Investments LLC, a Delaware limited liability company, Okie R. Lukita, Franky Tjahyadikarta and Jeffrey Matthews are parties to that certain Share Purchase Agreement dated as of June 27, 2001 (the "Purchase Agreement"), pursuant to which Pledgee has agreed to purchase, and Pledgor has agreed to sell to Pledgee, its shares in Mandara Spa Asia Limited, a British Virgin Islands company ("Mandara"); and

WHEREAS, in order to induce Pledgee to enter into the Purchase Agreement and to secure the indemnification obligations of Pledgor pursuant to Article IX of the Purchase Agreement by and among Pledgor, Pledgee and the other parties to the Purchase Agreement (the "Pledgor Obligations"), Pledgor has agreed to pledge and grant a first lien and security interest to Pledgee in those common shares of Steiner to be issued to Pledgor at the Closing (as defined in the Purchase Agreement), as more fully described on Exhibit A attached hereto and incorporated by reference herein (the "Pledged Shares"). The Pledged Shares, together with any additional or substituted collateral with respect thereto and as permitted hereby, are sometimes referred to herein as the "Collateral".

NOW THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged, Pledgor hereby agrees with Pledgee, as follows:

1. Defined Terms. All capitalized terms used herein without definition shall have the meanings specified in the Purchase Agreement.

2. Pledge. Pledgor hereby pledges, hypothecates, delivers and grants to Pledgee a first lien on and first security interest in the Pledged Shares as collateral security for the complete performance of all the Pledgor Obligations. The Pledged Shares are represented by the share certificate(s) listed on Exhibit A hereto, which original share certificate(s), with an undated assignment separate from certificate duly executed in blank by Pledgor, are being delivered to Pledgee concurrently herewith.

3. Representations and Warranties of Pledgor. Pledgor represents and warrants to Pledgee that:

3.1 The Collateral is and will remain free and clear of all pledges, liens, security interests and other encumbrances and restrictions whatsoever, except the liens and security interests created by this Agreement.

3.2 The pledge, assignment and delivery of the Pledged Shares pursuant to this Agreement creates a valid first priority lien on and a perfected first priority security interest in such Pledged Shares and the proceeds thereof in favor of Pledgee, subject to no prior pledge, lien, hypothecation, security interest, option or encumbrance or to any agreement purporting to grant to any third party a security interest in the Pledged Shares. Pledgor covenants and agrees that it will defend Pledgee's right, title and security interest in and to the Collateral and the proceeds thereof against the claims and demands of all persons whomsoever.

4. Dividends, Distributions, Etc. If, while this Agreement is in effect, Pledgor becomes entitled to receive or receives any certificate evidencing capital shares of Steiner or of any other party with respect to the Collateral (including, without limitation, any certificate representing a share split, share dividend, or reclassification) or any options or rights to acquire any capital shares of the Steiner or such third party, or any other rights or property (other than cash) as a result of Pledgor's ownership of the Collateral, whether as an addition to, in substitution for, or in exchange for any of the Pledged Shares, or otherwise, Pledgor shall deliver same to the Pledgee (along with corresponding undated stock powers duly executed in blank) who shall hold the same in accordance with the terms hereof as additional collateral security for the Pledgor Obligations. Pledgor shall be entitled to receive and retain free of any security interest or lien hereunder any and all cash dividends and/or interest payments with respect to the Collateral and, in the event that Pledgee receives any of the same, Pledgee shall hold such amounts in trust for Pledgor and shall pay over such amounts to Pledgor as promptly as practicable; *provided, however*, that in the event that the fair market value of the Collateral is less than the Initial Pledged Share Value (as defined herein), such cash dividends and/or interest payments shall be considered Collateral hereunder and held by Pledgee in accordance with the terms hereof. For the purposes of this Agreement, "Initial Pledged Share Value" shall mean an amount equal to the number of Pledged Shares multiplied by the Average Closing Sales Price as provided in the Purchase Agreement.

5. Voting of Collateral. So long as no Event of Default (as hereinafter defined) has occurred and is continuing, Pledgor shall be entitled to vote or consent with respect to the Pledged Shares or any other Collateral and otherwise exercise the incidents of ownership thereof in any manner not inconsistent with this Agreement. Pledgor grants to Pledgee or its nominee an irrevocable proxy to exercise all voting and corporate rights relating to the Pledged Shares or any other Collateral in any such instance, which proxy shall be effective immediately upon the occurrence of an Event of Default and shall remain in effect for so long as such Event of Default is continuing.

6. Events of Default. Each of the following events shall constitute an Event of Default: (i) any default, breach or violation by Pledgor of any of the terms of this Agreement; (ii) any trustee, custodian or receiver is appointed with respect to any substantial portion of the assets of Pledgor; (iii) an action is filed by or against Pledgor under any state or federal bankruptcy, insolvency or similar law; or (iv) any breach by Pledgor of its obligations, under the Purchase Agreement or the Additional Agreement, to make timely payments in respect of the Pledgor Obligations which breach remains uncured five (5) business days following written notice to Pledgor thereof.

7. Rights of Pledgee. Pledgee shall not be liable for failure to collect or realize upon the obligations of any collateral security or guaranty therefor, or any part thereof, or for any delay in so doing, nor shall Pledgee or be under any obligation to take any action whatsoever with regard thereto. Any or all of the Collateral held by Pledgee hereunder may, if an Event of Default has occurred and is continuing, without notice, be registered in the name of Pledgee or its nominee.

8. Remedies. Upon the occurrence and during the continuance of an Event of Default, Pledgee, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon Pledgor (all and each of which demands, advertisements and/or notices are hereby expressly waived), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, assign, or otherwise dispose of and deliver said Collateral, or any part thereof, at public or private sale or sales, upon such terms and conditions as Pledgee may deem advisable and at such prices as it may deem best, free of any right of redemption of Pledgor. Pledgee shall apply the net proceeds of any such collection, receipt, appropriation, realization, sale or disposition, after deducting all reasonable costs and expenses of every kind incurred in connection therefor (including without limitation reasonable attorneys' fees and legal expenses), first to the payment, in whole or in part, of the Pledgor Obligations in such order as Pledgee may elect. Only after paying over such net proceeds and after the payment by Pledgee of any other amount required by any provision of law, need Pledgee account for the surplus, if any. Pledgor agrees that Pledgee need not give more than five (5) days notice of the time and place of any public sale or of the time after which a private sale or other intended disposition is to take place and that such notice shall constitute reasonable notification of such matters. In addition to the rights and remedies granted to Pledgee in this Agreement and in any other instrument or agreement securing, evidencing or relating to any of the Pledgor Obligations, Pledgee shall have all the rights and remedies of a secured party under the Uniform Commercial Code of the State of Delaware and under any other applicable law. Notwithstanding anything to the contrary set forth herein, Pledgor shall not have the right to sell, assign, or otherwise dispose of the Collateral if the Event of Default relates solely to clauses (ii) and/or (iii) of Section 6 hereof.

9. Further Assurances. Pledgor agrees that at any time and from time to time upon the request of Pledgee, Pledgor will execute and deliver all stock powers, financing statements and such further documents and do such further acts and things as Pledgee may reasonably request consistent with the provisions hereof in order to effect the purposes of this Agreement.

10. Substitution of Collateral. Notwithstanding any provision herein to the contrary, Pledgor shall have the right to sell the Pledged Shares (or any portion thereof) or any other Collateral subject to this Agreement from time to time; *provided, however*, that (a) Pledgee shall have the right to consent to such sale, such consent not to be unreasonably withheld, delayed or conditioned, and (b) any proceeds of such sale shall be deemed Collateral hereunder and Pledgor shall deliver such certificates, instruments and other documents necessary to allow Pledgee to evidence and perfect Pledgee's security interest therein under the terms of this Agreement. To the extent that any of the Collateral consists of cash or cash equivalents, the parties shall deliver such amounts to a third party escrow agent cash to be held in escrow pursuant to the terms of a customary escrow agreement that is consistent with the terms of this Agreement and reasonably

acceptable to Pledgor and Pledgee. Any fees or charges of such third party escrow agent shall be borne equally by Pledgor and Pledgee; *provided, however*, that if the fair market value of the Collateral exceeds the Initial Pledged Share Value by an amount in excess of the such fees and charges of such third party escrow agent, such amounts shall be paid by Pledgee (it being agreed that such determination of fair market value shall be made at any time any of such fees or charges are due).

11. Termination. This Agreement and the liens and security interests granted hereunder shall terminate upon the earlier to occur of (a) the application of all of the Collateral to Pledgor's Obligations pursuant to Section 8 hereof (or the application of any collateral substituted therefor) and (b) the eighteen (18) month anniversary of the date hereof (or, in the event that Pledgor and Steiner have properly made a claim in respect of the Pledgor Obligations under the Purchase Agreement or the Additional Agreement prior to such eighteenth (18th) month anniversary, which claim remains pending on such eighteenth (18th) month anniversary, until the resolution of such claim). Upon termination of this Agreement, all Collateral (including any certificates representing any Pledged Shares or other securities) shall be delivered by Pledgee and/or the escrow agent referred to in Section 10 to Pledgor and this Agreement shall thereafter cease to be of any further force or effect.

12. Possession of Collateral. Beyond the exercise of reasonable care to assure the safe custody of the Collateral in the physical possession of Pledgee pursuant hereto, Pledgee shall not have any duty or liability to collect any sums due in respect thereof or to protect, preserve or exercise any rights pertaining thereto, and shall be relieved of all responsibility for the Collateral upon surrendering them to Pledgee.

13. Pledgee Appointed Attorney-in-Fact. Pledgor hereby irrevocably appoints Pledgee as Pledgor's attorney-in-fact, with full authority in the place and stead of Pledgor and in the name of Pledgor or otherwise, upon and during the continuance of an Event of Default, in Pledgee's discretion, to take any action and to execute any instrument that Pledgee deems reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, to receive, endorse and collect all instruments made payable to Pledgor representing any dividend, interest payment or other distribution in respect of the Collateral.

14. Miscellaneous.

14.1 Notices. Any notice required or permitted to be given under this Agreement shall be sufficient if in writing, and

Re: Share Purchase Agreement, dated as of June 27, 2001 (the "Purchase Agreement"), among Steiner Spa Asia Limited, a Bahamas international business company (the "Buyer"), Steiner Leisure Limited, a Bahamas international business company ("Steiner"), Sierra Pacific Investments LLC, a Delaware limited liability company ("SPI"), Pacific Century Capital Limited, a British Virgin Islands company ("PCCL"), Franky Tjahyadikarta ("Tjahyadikarta"), Okie R. Lukita ("Lukita") and Jeffrey R.W. Matthews ("Matthews," together with SPI, PCCL, Tjahyadikarta and Lukita, the "Sellers")

Ladies and Gentlemen:

We have acted as special counsel to the Buyer and Steiner in connection with the preparation, execution and delivery of the Purchase Agreement, which provides, among other things, for the purchase by the Buyer from the Sellers of sixty percent (60%) of the outstanding shares of Mandara Spa Asia Limited, a British Virgin Islands company (the "Company"). This opinion is being furnished pursuant to Section 7.3(e)(i) of the Purchase Agreement. Capitalized terms used herein without definition have the respective meanings assigned to such terms in the Purchase Agreement.

As such counsel, we have examined such matters of fact and questions of law as we have considered appropriate for purposes of rendering the opinions expressed below, and we have reviewed the following documents:

- (a) the Purchase Agreement;
- (b) the Registration Rights Agreement;
- (c) the Notes;
- (d) the Pledge Agreements (together with the Purchase Agreement, the Registration Rights Agreement and the Notes, the "Transaction Documents");
- (d) the resolutions adopted by the Board of Directors of the Buyer and Steiner authorizing the transactions contemplated by the Purchase Agreement;
- (e) such other documents, instruments and certificates (including, but not limited to, certificates of public officials and officers of the Buyer) as we have considered necessary for purposes of this opinion.

In rendering this opinion, with respect to factual matters, with your permission and without independent investigation, we have relied solely upon the factual representations and certificates of officers and/or agents of the Buyer, and have assumed the continued accuracy of such factual matters as of the date hereof. Additionally, we have relied, with your permission and without independent investigation, upon the certificates of public officials with respect to the accuracy of the matters contained therein and have assumed the continued accuracy of such matters as of the date hereof.

In our examination of the foregoing specified documents and other certificates, records and documents, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity with the original documents of all documents submitted to us as certified, telecopied, photostatic, conformed or reproduced copies. We have also assumed the legal capacity of individual signatories and the authorization, execution, delivery, accuracy, authenticity and completeness of all certificates and documents provided to us by public officials and all other persons or entities.

In addition, we have assumed that: (i) the Transaction Documents have been validly authorized, executed and delivered by all parties thereto (other than the Buyer and Steiner); (ii) the Transaction Documents constitute the legal, valid and binding obligations of the respective parties thereto (other than the Buyer and Steiner), enforceable against such parties in accordance with their respective terms; (iii) the execution and delivery of the Transaction Documents by each party thereto (other than the Buyer and Steiner) and the performance by such parties of their respective obligations thereunder do not violate such parties' respective articles or certificates of incorporation or by-laws, or other organizational documents; and (iv) the execution, delivery and performance by each party to the Transaction Documents (other than the Buyer and Steiner) and the performance by such parties of their respective obligations thereunder do not violate any agreement, judgment, injunction, decree, order of any governmental authority, other instrument, law or regulation applicable to such party.

Our opinions set forth in paragraph 2 below are based upon our consideration of only those statutes, rules and regulations which, in our experience, are normally applicable to similar transactions. Whenever a statement herein is qualified by "to our knowledge" or a similar phrase, it is intended to indicate that those attorneys in this firm who have rendered legal services in connection with the transactions contemplated by the Purchase Agreement do not have current actual knowledge of the inaccuracy of such statement. However, except as otherwise expressly indicated, we have not undertaken any independent investigation to determine the accuracy of any such statement, and no inference that we have any knowledge of any matters pertaining to such statement should be drawn from our representation of Buyer or Steiner.

Based upon the foregoing and subject to the qualifications and conditions contained herein, we are of the opinion that:

1. The Transaction Documents have been duly executed and delivered by each of the Buyer and Steiner, and assuming the execution and delivery by each of the other parties thereto, constitute a valid and binding obligation of each of the Buyer and Steiner, enforceable against each of the Buyer and Steiner in accordance with their terms, except as such enforceability may be limited by (a) any applicable bankruptcy, liquidation, conservatorship, insolvency, reorganization, fraudulent conveyance, moratorium and similar laws affecting the enforcement of creditors' rights generally, (b) the effect of general principles of equity, including commercial reasonableness, good faith and fair dealing (regardless of whether considered in a proceeding in equity or at law) and the discretion of the court before which any proceeding therefor may be brought, (c) the availability of equitable remedies including specific performance and injunctive relief, (d) limitations imposed by public policy under certain circumstances on the enforceability of any remedies or provisions relating to the indemnification of or contribution by a party with respect to liability, (e) state and federal constitutional limitations including notice and due process and trial by jury, (f) limitations on the enforceability of any provision requiring the payment of attorney's fees, except to the extent a court determines such fees to be reasonable and (g) certain state case law calling into question the enforceability under certain circumstances of contractual provisions providing for the compounding of interest or the payment of interest on interest and provisions providing for prepayment premiums upon acceleration of prepayment of loans. We also express no opinion with respect to the enforceability of any provision relating to non-competition or choice of law or venue in the Transaction Documents or of any provision of Article X of the Purchase Agreement.
2. The execution, delivery and performance by Buyer and Steiner of the Transaction Documents and the consummation by Buyer and Steiner of the transactions contemplated thereby will not violate, contravene or conflict with (a) any provision of the federal laws of the United States of America to which either Buyer or Steiner is subject; or (b) any Order or Governmental Approval (solely to the extent such Order or Governmental Approval relates to federal law) known to us to be applicable to Buyer or Steiner, except, with respect to this clause (b), for such violations, contraventions or conflicts that would not reasonably be expected to have a Steiner Material Adverse Effect with respect to Buyer or Steiner, nor does the execution, delivery and performance by Buyer and Steiner of the Transaction Documents and the consummation by Buyer and Steiner of the transactions contemplated thereby require any consent, approval, exemption or authorization from, notice to be given to, or filing to be made under federal law, except as disclosed in the Transaction Documents.
3. Except as disclosed in the Transaction Documents, to our knowledge, there is no Action pending that (a) questions the validity or enforceability of any of the obligations of either

Buyer or Steiner under any Transaction Document, or (b) seeks (i) to prevent or delay the consummation by Buyer or Steiner of the transactions contemplated thereby, or (ii) damages in connection with the consummation by Buyer or Steiner of the transactions contemplated thereby.

This opinion is based upon currently existing statutes, rules, regulations and judicial decisions, and we disclaim any obligation to advise you of any change in any of these sources of law or subsequent legal or factual developments which might affect any matters or opinions set forth herein.

Please note that we are opining only as to the matters expressly set forth herein, and no opinion should be inferred as to any other matters. Our opinions contained herein are rendered solely in connection with the transactions contemplated under the Purchase Agreement and may not be relied upon in any manner by any person other than the addressee hereof or for any other purpose. Our opinions herein shall not be quoted or otherwise included, summarized or referred to in any publication or document, in whole or in part, for any purposes whatsoever, or furnished to any person.

We are members of the Bar of the State of Florida and do not hold ourselves out as being conversant with, or expressing any opinion with respect to, the laws of any jurisdiction other than the federal laws of the United States of America and the laws of the State of Florida. Accordingly, the opinions expressed herein are expressly limited to the federal laws of the United States of America and the laws of the State of Florida. In this regard, we note that each of the Transaction Documents contains a provision to the effect that the laws of the State of Delaware are intended to be governing. For purposes of our opinions herein, we have assumed, with your permission and without any independent investigation, that the laws of the State of Delaware that may govern the Transaction Documents are identical in all relevant respects to the laws of the State of Florida.

Very truly yours,

Dear Sirs,

Mandara Spa Asia Limited

1. We are lawyers qualified to practise in the British Virgin Islands and we have been asked to provide this legal opinion with regard to the laws of the British Virgin Islands in connection with the transfer of 6000 shares ("the Shares") of Mandara Spa Asia Limited, a company having its registered office in the British Virgin Islands ("the Company") pursuant to the terms of Share Purchase Agreement ("the Share Purchase Agreement") by Sierra Pacific Investment LLC, Pacific Century Capital Limited, Okie R. Lukita, Franky Tjahyadikarta and Jeffrey Matthews ("the Shareholders") to Steiner Spa Asia Limited ("the Purchaser"). At the Closing, the Company is required to confirm to the Purchaser that it is the sole registered or beneficial owner of Spa Services Asia Limited ("SSAL") and Spa Services (South Asia) Ltd. ("SSSAL"), ("the Subsidiaries") both, companies having their registered offices in the British Virgin Islands.
2. For the purpose of rendering this opinion we have examined drafts, executed copies, or copies certified or otherwise identified to our satisfaction of the following documents:
 - (a) the International Business Companies Act Cap. 291 of the laws of the British Virgin Islands. ("the Act");
 - (b) the Memorandum and Articles of Association and Certificate of Incorporation of the Company;
 - (c) the Share Purchase Agreement;
 - (d) share transfers in respect of the Shares executed by the Shareholders in favour of the Purchaser(" the Transfers");
 - (e) written resolutions of the Shareholders authorising the sale of the Shares and the entry into the Share Purchase Agreement("the Shareholders' Resolutions");

- (h) certificates dated 28th June, 2001 issued by the Registered Agent of the Subsidiaries identifying the directors and shareholders of each of the Subsidiaries;

(The certificates referred to at (g) and (h) above are hereinafter together referred to as "the Incumbency Certificates").

- (i) a Declaration of Trust dated 3rd May 2000 executed by the registered shareholder of SSAL in favour of the Company ("the Declaration of Trust");
- (j) the public records of the Company and the Subsidiaries ("the Corporate Records") on file and available for public inspection at, the Companies Registry of the British Virgin Islands; and
- (k) such other laws, documents and records as we have considered necessary to assist us herein.

3. In rendering this opinion and in our examination of the documents mentioned above we have assumed:

- (a) that all signatures are genuine, that all documents submitted to us as originals are authentic, that all documents submitted to us as copies conform to the originals thereof and that such originals are themselves authentic;
- (b) that all factual statements made in such documents are correct;
- (c) that all parties to the Share Purchase Agreement (other than the Company) have full power and authority to enter into, and have duly executed, the Share Purchase Agreement;
- (d) the validity of the Share Purchase Agreement under the laws of the State of Delaware in the United States of America, by which laws they are expressed or implied to be governed, on the basis, in respect of the Company, of our opinion as expressed in paragraphs 5(b) and (c) below;
- (e) that the Purchaser is not prohibited by any law of its place of incorporation from holding the Shares or from lending monies to the Company;
- (f) that the Corporate Resolutions remained in full force and effect up to and including the time of execution of the Share Purchase Agreement; and

- (g) that the Corporate Records are accurate, that the information disclosed by the searches which we have conducted, is true and complete, that such information has not since then been altered since the time of our searches on 28th June, 2001 and that such searches did not fail to disclose any information which had been delivered for registration but did not appear on the Registry's file at the date of our search.

4. This opinion is rendered subject to the following qualifications:

- (a) We express no opinion other than upon the effect of British Virgin Islands law as in force at the date hereof.
- (b) Enforcement of the Share Purchase Agreement may be limited by the effect of laws governing bankruptcy, insolvency, liquidation and reorganisation, or by other laws of general application in the British Virgin Islands relating to, or affecting the rights of creditors.
- (c) Claims under the Share Purchase Agreement may become barred under the laws relating to the limitation of actions in the British Virgin Islands, or may become subject to defences of set-off or counterclaims.
- (d) Equitable remedies such as injunctions and orders for specific performance, are discretionary and will not be granted automatically by a court in the British Virgin Islands.
- (e) A monetary judgement in a court of the British Virgin Islands in respect of a claim brought in connection with the Share Purchase Agreement is likely to be expressed in the currency in which such claim is made since such a court has power to grant a monetary judgement otherwise than in the currency of the British Virgin Islands, but it may not necessarily do so.

5. Based on the foregoing, and subject to the reservations we have stated, we are of the opinion that:

- (a) The Company is a company limited by shares duly incorporated, validly existing as a separate legal entity under the laws and regulations of the British Virgin Islands, in good standing under such laws and, has full statutory power and corporate capacity, to own its assets and carry on its business, in the manner contemplated by the Share Purchase Agreement.
- (b) At the Closing the Company's authorised capital consists of US\$50,000 comprised of 50,000 shares of US\$1.00 par value each, of which 10,000 shares have been issued and are outstanding in the manner described in the second recital to the Share Purchase Agreement.

- (c) The Shareholders are not prohibited by any law in force in the British Virgin Islands from disposing of the Shares in the manner contemplated by the Share Purchase Agreement and have duly executed the Transfers.
- (d) Based on our examination of the Incumbency Certificates and the Certified Registers, attached hereto as Exhibit A, the Purchaser is at the date of this opinion the registered shareholder of the Shares.
- (e) Based on the Incumbency Certificates and the Declaration of Trust, it is our opinion that the Company is at the date hereof the sole registered and/or beneficial owner of each of the Subsidiaries.
- (f) The Share Purchase Agreement has been duly executed for and on behalf of the Shareholders by the persons duly authorised and given full power to do so by the Shareholders' Resolutions.
- (g) No currently valid order or resolution for winding up of the Company and no current notice of appointment of a receiver over the Company or any of its assets appears on the Corporate Records. To the best of our knowledge, after due enquiry, no steps have been or are being taken to appoint a Receiver or a Liquidator over or to wind up the Company. There are no litigation, arbitration, administrative or other proceedings pending against the Company in the courts of the British Virgin Islands.
- (h) No governmental and other consents, approvals, authorisations, filings or licences are required by the laws of the British Virgin Islands to be obtained for the entry into, execution, delivery, performance, validity or enforceability of the Share Purchase Agreement.
- (i) It is not necessary in order to ensure the legality, validity, enforceability, priority or admissibility in evidence in the British Virgin Islands of the Share Purchase Agreement that any of them be notarised or filed, recorded or enrolled with any court or authority or other official body in the British Virgin Islands.
- (j) The entry into, exercise of their rights and the performance of or compliance with its obligations under the Share Purchase Agreement by the Shareholders do not and will not violate any law or any directive in the British Virgin Islands to which they or the Company are subject nor any provision of the Company's Memorandum or Articles of Association.
- (l) No stamp, registration fees or similar taxes or charges are payable in the British Virgin Islands in respect of any of the Share Purchase Agreement.

- (m) There is no withholding or other tax to be deducted from any payment, whether of principal, interest, fees, penalty or otherwise, to be made by the Company pursuant to the Share Purchase Agreement and the arrangements contemplated by the Share Purchase Agreement do not give rise to any charge whatever to taxes in the British Virgin Islands.
- (n) There is no applicable usury or interest limitation law in the British Virgin Islands that may restrict the recovery of payments in accordance with the Share Purchase Agreement.
- (o) The Purchaser will not violate any law or regulation in the British Virgin Islands or become liable to tax in the British Virgin Islands by reason of entering into or in connection with the Share Purchase Agreement.
- (p) The choice of the laws of the State of Delaware as the governing law of the Share Purchase Agreement is a valid choice of law which would be recognised and given effect to by the courts of the British Virgin Islands and applied by such courts in the proceedings in relation to the Share Purchase Agreement as the proper law of the Share Purchase Agreement.
- (q) Any final and conclusive monetary judgement (which is not subject to a stay of execution) obtained against the Company in a court in the United States of America for a definite sum would be treated by the courts of the British Virgin Islands as a cause of action in itself so that no retrial of the issues would be necessary provided that:
 - (i) such court had jurisdiction in the matter and the Company either submitted to such jurisdiction or was resident or carrying on business within such jurisdiction and was duly served with process;
 - (ii) the judgement given by such court was not in respect of penalties, taxes, fines or similar fiscal or revenue obligations of the Company;
 - (iii) in obtaining judgement there was no fraud on the part of the person in whose favour judgement was given or on the part of the court;
 - (iv) recognition or enforcement of the judgement in the British Virgin Islands would not be contrary to public policy; and
 - (v) the proceedings pursuant to which judgement was obtained were not contrary to natural justice.
- (r) The Company does not enjoy any right of sovereign immunity in respect of a claim from suit or enforcement by judgement in the event of a claim by or against it. The

property and assets of the Company are not immune from the institution of legal proceedings or the obtaining or execution of a judgement in the British Virgin Islands.

- (s) It is not necessary that the Purchaser establish a place of business in the British Virgin Islands in order to enforce any provisions of any of the Share Purchase Agreement.
 - (t) The Company is not liable to any form of taxation in the British Virgin Islands and there is no pending or unsettled taxation matter in the British Virgin Islands.
 - (u) Although the Act provides that the Company may establish at its registered office a register of Mortgages, Charges and other Encumbrances in respect of any liens on its property or assets, so far as we are aware after due enquiry, the Company has not filed or established such a register either at its registered office or as part of its public Corporate Records.
6. This legal opinion is addressed to you (and your successors or permitted assignees, if any) and your legal advisers in connection only with the Company and the Share Purchase Agreement. It may not be relied upon for any other purpose and may not be disclosed to any other person without our consent.

Yours faithfully,
MORGAN & MORGAN

CONSULTANT COUNSEL

RALPH D. SELIGMAN Q.C.

We have acted as Bahamas Counsel to Steiner Leisure Limited ("Steiner"), a company incorporated under the laws of the Commonwealth of The Bahamas ("The Bahamas"), and Steiner Spa Asia Limited ("the Purchaser"), a company incorporated under the laws of The Bahamas and a wholly owned subsidiary of Steiner, in connection with the sale to the Purchaser of all of the outstanding shares of Mandara Spa Asia Limited, a British Virgin Islands company, held by Sierra Pacific Investments LLC, Pacific Century Capital Limited, Franky Tjahyadikarta, Okie R. Lukita and Jeffrey R.W. Matthews (collectively known as the "Sellers"), pursuant to the Share Purchase Agreement (the "Purchase Agreement") dated June 27, 2001, made between Steiner, the Purchaser and the Sellers.

1. For the purposes of this Opinion we have examined the following:-
 - (1) an executed copy of the Purchase Agreement.
 - (2) the Memorandum of Association and Articles of Association of each of Steiner and the Purchaser together with other corporate documents on file and available for public inspection at the Registry of Companies in The Bahamas (the "Organizational Documents").
 - (3) executed copies of the Registration Rights Agreement, the Notes and the Pledge Agreements (together with the Purchase Agreement, the "Transaction Documents").
 - (4) an executed copy of the resolutions of the Board of Directors of Steiner authorizing the Purchaser, a wholly owned subsidiary, to acquire all of the outstanding shares of Mandara Spa Asia Limited held by the Sellers.
 - (5) an executed copy of the resolutions of the Board of Directors of the Purchaser authorizing the purchase all of the outstanding shares in Mandara Spa Asia Limited held by the Sellers.
 - (6) Certificate of Good Standing in respect of each of Steiner and the Purchaser.
 - (7) such laws, regulations, records and documents as are necessary for the purpose of expressing this opinion.

Any terms not herein defined, shall have the same meaning as in the Purchase Agreement.

2. We have assumed:

- (1) the genuineness and authenticity of all signatures and the conformity to the originals of all copies of documents (whether or not certified);
- (2) the capacity, power and authority of each of the parties to enter into the Transaction Documents (other than Steiner and the Purchaser);
- (3) The due execution and delivery of the Transaction Documents by each of the parties thereto (other than Steiner and the Purchaser);
- (4) The accuracy and completeness of all factual representations made in the Transaction Documents and other documents reviewed by us;
- (5) That there is no provision of the law of any jurisdiction, other than The Bahamas, which would have any implication in relation to the opinions expressed herein;
- (6) The validity and binding effect of the Transaction Documents under the laws of the State of Delaware (the "Foreign Laws") by which the Transaction Documents are to be governed; and
- (7) The validity under the Foreign Laws of the jurisdiction of the Courts of Delaware (or any other court in the United States of America asserting jurisdiction) pursuant to the Transaction Documents (the "Foreign Courts").

3. On the basis of any subject to the foregoing, we are of the opinion that:-

- (1) The Purchaser is an International Business Company validly existing and in good standing under the laws of The Bahamas, and has full corporate power to carry on its business as, to our knowledge, now conducted by it and to own and operate the property and assets which, to our knowledge, are now owned and operated by it.
- (2) Steiner is an International Business Company validly existing and in good standing under the laws of The Bahamas, and has full corporate power to carry on its business as, to our knowledge, now conducted by it and to own and operate the property and assets which, to our knowledge, are now owned and operated by it.

- (3) Each of the Purchaser and Steiner has all requisite corporate power and authority to execute and deliver the Transaction Documents, to perform its respective obligations thereunder and to consummate the transactions contemplated thereby. The execution, delivery and performance of the Transaction Documents by each of the Purchaser and Steiner and the consummation by each of the Purchaser and Steiner of the transactions contemplated thereby have been duly and validly authorized by all necessary action on the part of the Purchaser and Steiner.
- (4) Neither the execution and delivery by the Purchaser or Steiner of the Transaction Documents nor the consummation by the Purchaser or Steiner of the transactions contemplated thereby, nor compliance by the Purchaser or Steiner with the terms and provisions thereof, conflicts with, results in any breach of the terms, conditions or provisions of, or constitutes a default or an event of default under the Organizational Documents of the Purchaser or Steiner or any judgment, decree or order known to us, or any statute, rule or regulation which is applicable to the Purchaser or Steiner or any of their respective properties (solely to the extent that such judgment, decree, order, statute, rule or regulation relates to the laws of The Bahamas).
- (5) The Steiner Shares, when certificates therefor have been duly executed, countersigned and registered and delivered to and paid for by the Sellers in accordance with the terms of the Purchase Agreement, will constitute Common Shares, par value US\$.01, of Steiner which have been validly issued, fully paid and non-assessable and each of the Sellers will be the registered holder of the number of Steiner Shares set forth on his or its share certificate. Furthermore, at such time, the Steiner Shares shall be free and clear of any Liens resulting from the actions of Steiner, except for such Liens contemplated by the Transaction Documents.

The opinions set forth above, are subject to the following qualifications:

- 1. The obligations of the Purchaser under the Purchase Agreement
 - (a) will be subject to the laws from time to time in effect relating to bankruptcy insolvency liquidation, possessory liens, rights of set off, reorganization amalgamation, moratorium or any other laws or legal procedures, whether of a similar nature or otherwise, generally affecting the rights of creditors;

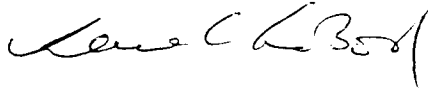

(b) will be subject to general principles of equity and, as such, specific performance and injunctive relief, being equitable remedies, may not be available;

(c) may not be given effect by a Bahamas Court, whether or not it was applying the Foreign Laws, if and to the extent they constitute the payment of any amount which is in the nature of a penalty and not in the nature of liquidated damages.

We have made no investigation of and express no opinion in relation to the laws of any jurisdiction other than The Bahamas. This opinion is to be governed by and construed in accordance with the laws of The Bahamas and is limited to and is given on the basis of the current law and practice in The Bahamas.

This opinion is addressed to and is for the sole benefit of the addressees thereof and their respective legal advisers (but in that capacity only). It may not be relied upon by any other person nor may it be disclosed to any other persons without our prior written consent.

Yours faithfully,

HARRY B. SANDS, LOBOSKY AND COMPANY

\$873,180

Steiner Leisure Limited, a corporation organized and existing under and by virtue of the laws of the Commonwealth of the Bahamas (the "Company"), hereby promises to pay to the order of Sierra Pacific Investments, LLC (the "Holder") the principal amount of EIGHT HUNDRED SEVENTY-THREE THOUSAND ONE HUNDRED EIGHTY AND NO/100 U.S. DOLLARS (\$873,180), together with interest thereon calculated from the date hereof in accordance with the provisions of this Note. This Note is being issued by the Company to the Holder pursuant to the terms of that certain Membership Interest Purchase Agreement dated as of June 27, 2001 by and among the Company, the Holder, Steiner Spa Asia Limited, Pacific Century Capital Limited, Okie R. Lukita, Franky Tjahyadikarta, and Jeffrey Mathews (the "Purchase Agreement").

1. Payment of Interest.

(a) Interest Rate. Except as otherwise expressly provided in Section 4(b)(i) hereof, interest shall accrue daily on the unpaid principal amount of this Note outstanding from time to time at the rate of nine percent (9%) per annum, or (if less) at the highest rate then permitted under applicable law.

(b) Interest Payment Dates. Subject to the provisions of Section 6 below, the Company shall pay all accrued interest in cash to the Holder on October 3, 2001 and on the 3rd day of each and every consecutive third month thereafter. Any accrued interest which for any reason has not theretofore been paid shall be paid in full on the date on which the final principal payment on this Note is made. Interest shall accrue on any principal payment due under this Note until such time as payment therefor is actually delivered to the Holder.

2. Payment of Principal on Note; Prepayment. The Company shall pay the Holder in full in cash all outstanding principal of this Note to the Holder on January 2, 2005 ("Maturity Date"), together with all accrued and unpaid interest on the principal amount being repaid. Subject to the restrictions contained in Section 6 below (which may be waived by the Senior Lenders under the Bank Agreement or otherwise), the Company may prepay this Note in whole or in part without premium or penalty.

3. Transfers. Until such time as all amounts due and payable to Holder under this Note are paid in full, the Company will not sell, transfer or assign all or substantially all of its assets in a single or series of transactions.

4. Reductions to Principal Due on Note. The Holder hereby expressly agrees that the Company shall be entitled to reduce the principal amount due and owing under this Note in accordance with Sections 1.4(d), 1.5(d) and/or 9.5(f) of the Purchase Agreement.

5. Events of Default.

(a) Definition. For purposes of this Note, an Event of Default shall be deemed to have occurred if:

(i) the Company fails to pay when due and payable (whether at maturity or otherwise) the full amount of interest then accrued on this Note or the full amount of any principal payment on this Note, and such failure to pay is not cured within 5 days after the occurrence thereof;

(ii) (1) the Company makes an assignment for the benefit of creditors or admits in writing its inability to pay its debts generally as they become due; or an order, judgment or decree is entered adjudicating the Company bankrupt or insolvent; or any order for relief with respect to the Company is entered under the federal Bankruptcy Code; or the Company petitions or applies to any tribunal for the appointment of a custodian, trustee, receiver or liquidator of the Company or of any substantial part of the assets of the Company, or commences any proceeding relating to the Company under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction; (2) or any such petition or application is filed, or any such proceeding is commenced, against the Company and in the case of this clause (2) either (a) the Company by any act indicates its approval thereof, consent thereto or acquiescence therein or (b) such petition, application or proceeding is not dismissed within 60 days;

(a) Extent of Subordination. All amounts (including all principal, interest, premiums, fees, expenses, indemnities and other payments) payable by the Company with respect to this Note (the "Subordinated Debt") are and shall be subordinate and junior in right of payment to the prior payment in full of the Senior Debt (as defined below) to the extent and in the manner set forth in this Section 6. Except for (i) the periodic payments of interest as contemplated in Section 1(b) above, (ii) payments of Subordinated Debt on or after the Maturity Date, and (iii) set offs against amounts otherwise owing to the Company pursuant to the Purchase Agreement, the Holder will not ask for, demand, sue for, take or receive from the Company, by set-off or in any other manner, the whole or any part of the Subordinated Debt unless and until all Senior Debt shall have been fully paid and satisfied and all commitments to extend credit thereunder shall have been terminated. As used herein, the term "Senior Debt" shall mean (i) all debt, liabilities and obligations of the Company (or its subsidiaries) with respect to that certain Credit Agreement dated as of July 2, 2001 (as amended, modified and restated from time to time, the "Bank Agreement"), among the Company, the financial institutions from time to time party thereto (the "Lenders"), and ABN AMRO Bank, N.V., as

Administrative Agent (the "Agent"), including, without limitation, all principal, interest (including, without limitation, post-petition interest at the rate prescribed in the Bank Agreement, whether or not allowed or allowable, accruing after the commencement of any case, proceeding or other action relating to the bankruptcy, insolvency or reorganization of the Company or its subsidiaries), premium, amounts payable under reimbursement obligations in connection with letters of credit, fees and expenses, including all Enforcement Expenses (as defined below), (ii) all amounts owing with respect to foreign exchange and interest rate hedging agreements between the Company and any Lender. (iii) all amounts owing under agreements refinancing the Bank Agreement, or amendments of the Bank Agreement, including amendments or refinancings that increase the principal amount of the Senior Debt; provided, however, that notwithstanding the foregoing, in no event shall the amount of the Senior Debt exceed \$65,000,000, and (iv) all deferrals, renewals, extensions, refinancings and refundings of, or amendments, modifications or supplements to, any of the foregoing, including any such refinancing provided by financial institutions other than the Agent or any Lender. The Agent, the Lenders and all other financial institutions holding any Senior Debt are hereinafter referred to as "Senior Lenders." As used herein, the term "Enforcement Expenses" means all reasonable costs and expenses incurred by any Senior Lender in connection with its enforcement of any rights or remedies with respect to any Senior Debt, the collection of any of the Senior Debt, or the protection of, or realization upon, any collateral after the occurrence and during the continuance of a default with respect to any Senior Debt, including, by way of example, reasonable attorneys' fees, court costs, appraisal and consulting fees, auctioneers' fees, rent, storage, insurance premiums and like items, and whether or not such amounts are allowed as a claim against the Company (or its subsidiaries) in any bankruptcy, insolvency or reorganization proceeding.

(b) Remedy Suspension.

(i) If and so long as a Payment Default (as defined below) has occurred and is continuing, and written notice thereof (the "Payment Default Notice") has been delivered by the holders of the Senior Debt to the Holder and the Company referencing the provisions of this Section 6 and demanding a suspension of payments during the period of such continuance in accordance with this Subsection 6(b)(i) (such period of time being referred to as the "Payment Default Suspension Period"), then, except as otherwise set forth below, and except for setoffs against amounts otherwise owing to the Company pursuant to the Purchase Agreement, the Company shall not make, and the Holder shall not accept or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner (including, without limitation, from or by way of any collateral or redemption or sale), payment of all or any part of the Subordinated Debt, nor shall the Holder take any action to accelerate the Subordinated Debt or otherwise exercise its remedies in respect of the Subordinated Debt, including, without limitation, participating as an initiating creditor in an involuntary bankruptcy proceeding against the Company, unless and until the earlier of (w) the Maturity Date, (x) the date of the occurrence of an Event of Default described in Section 5(a)(ii), Section 5(a)(iii) or Section 5(a)(iv) hereof, (y) 121 days after the date that the Senior Debt has been paid in full or (z) the Payment Default has been cured by the Company or waived by the holders of the Senior Debt or the holders of the outstanding principal amount of the Senior Debt have terminated the Payment Default Suspension Period, in each case in accordance with the terms of the Bank Agreement.

(ii) If and so long as a Non-Payment Default (as defined below) has occurred and is continuing, and written notice thereof (the "Non-Payment Default Notice") has been delivered by the holders of the Senior Debt to the Holder and the Company referencing the provisions of this Section 6 and demanding a suspension of payments during the period of such continuance in accordance with this Subsection 6(b)(ii) (such period of time being referred to as the "Non-Payment Default Suspension Period" and, together with the Payment Default Suspension Period, a "Payment Suspension Period"), then, except as otherwise set forth below, the Company shall not make, and the Holder shall not accept or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner (including, without limitation, from or by way of any collateral or redemption or sale), payment of all or any part of the Subordinated Debt, nor shall the Holder take any action to accelerate the Subordinated Debt or otherwise exercise its remedies in respect of the Subordinated Debt, including, without limitation, participating as an initiating creditor in an involuntary bankruptcy proceeding against the Company, unless and until the earlier of (v) the Maturity Date, (w) the date of the occurrence of an Event of Default described in Section 5(a)(ii), Section 5(a)(iii) or Section 5(a)(iv) hereof, (x) the Senior Debt has been paid in full, (y) the Non-Payment Default has been cured by the Company or waived by the holders of the Senior Debt or the holders of the outstanding principal amount of the Senior Debt have terminated the Non-Payment Default Suspension, or (z) 180 days after the date the Holder received the Non-Payment Default Notice with respect to a Non-Payment Default, in each case in accordance with the terms of the Bank Agreement.

(iii) As used herein, the term "Payment Default" means the occurrence and continuance (after the expiration of any applicable grace or cure periods) of a default in payment of all or any part of the Senior Debt, and the term "Non-Payment Default" means a default under the Bank Agreement other than a Payment Default.

(c) Liquidation, Winding Up, etc. Upon any distribution of assets of the Company or upon any dissolution, winding up, liquidation or reorganization of the Company, whether in any bankruptcy, insolvency, reorganization or receivership proceeding or upon an assignment for the benefit of creditors or any other marshaling of the assets and liabilities of the Company or otherwise:

(i) the holders of all Senior Debt shall be entitled to receive payment in full of the principal thereof, the interest due thereon and any premium, fees, expenses, indemnities or other payment obligation with respect thereto before the Holder is entitled to receive any payment (other than equity securities or debt securities which are subordinated to the Senior Debt to at least the same extent as this Note is subordinated to the Senior Debt, and then only to the extent that no payments may be made under such debt or equity securities, or any instruments arising therefrom, until the Senior Debt is paid in full) upon the Subordinated Debt; and

(ii) any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, by set-off or otherwise, to which the Holder would be entitled but for the provisions of this Section 5 shall be paid by the liquidating trustee or agent or other Person (as defined below) making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or

otherwise: (a) first directly to the holders of Senior Debt or their agents or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Debt may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the principal of, interest on and any premium or other amounts payable with respect to the Senior Debt held or represented by each such holder, to the extent necessary to make payment in full of all Senior Debt remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of the Senior Debt; and (b) the remainder, if any, to the Holder; and

(iii) if the Holder has not presented a claim in respect of the Subordinated Debt within 15 days of the commencement of any applicable claims filing period, the holders of Senior Debt shall have the right to present such claims in respect of the Subordinated Debt. So long as any amounts remain due and owing in respect of the Senior Debt or any commitments remain to extend credit thereunder, Holder shall not, without the prior consent of the Lenders, approve a plan in bankruptcy in respect of the Company the terms of which do not call for the payment of the Senior Debt in full in cash on the confirmation date of such plan.

The consolidation of the Company with, or the merger of the Company into, another entity shall not be deemed a dissolution, winding up, liquidation or reorganization of the Company for the purposes of this Section 6(c) if such other entity, as a part of such consolidation or merger, succeeds to the Company's property and business and assumes the Company's obligations (including the Senior Debt and the Subordinated Debt).

(d) Payment Held in Trust. All payments or distributions by the Company upon or with respect to the Subordinated Debt which are received by the Holder in violation of or contrary to the provisions of Subsections 5(a), 5(b) or 5(c) above shall be received in trust for the benefit of the holders of the Senior Debt and shall be paid over promptly, with or without demand therefor, to such holders in the same form as so received (with all necessary endorsements and assignments) to be applied to the payment of the Senior Debt. In the event of the failure of the Holder to make any such endorsement or assignment to the Senior Lenders, the Senior Lenders, or any of their officers or employees, are hereby irrevocably authorized to make the same.

(e) Setoff. Notwithstanding anything to the contrary contained herein or otherwise, the Holder shall at all times be entitled to setoff against the amount owing hereunder by amounts the Holder otherwise owes to the Company pursuant to the Purchase Agreement, and the Holder shall not be required or requested to pay, hold in trust or pay over any such setoff amount to any Person.

(f) Instrument Legend. Any instruments evidencing this Note will, on the date hereof or promptly hereafter, be inscribed with a legend conspicuously indicating that payment thereof is subordinated to the claims of the Senior Lenders. Any instrument evidencing any of the Subordinated Debt, or any portion thereof, which is hereafter executed by the Company, will, on the date thereof, be inscribed with the aforesaid legend.

(g) Subordinated Debt Owed Only to the Holder. The Holder by acceptance of this Note warrants and represents that the Holder has not previously assigned any interest in this Note to any

party, that no party owns an interest in this Note other than the Holder (whether as joint holders of the Subordinated Debt, participants or otherwise), and that the entire Subordinated Debt is owing to the Holder, subject only to the rights of the Senior Lenders hereunder.

(h) Acceleration and Exercise of Remedies. Nothing contained in this Note shall prevent the Holder from (i) accelerating this Note following the acceleration of any payment due under the Senior Debt or the declaration that the Senior Debt is immediately due and payable in full, (ii) instituting legal proceedings to enforce and collect upon the amounts outstanding under this Note in the event that the Lenders either commence any such proceedings in respect of the Senior Debt or formally commence the exercise of its or their remedies in respect of any collateral securing the Senior Debt (other than remedies intended solely for the protection of the collateral and the lenders' interests therein and not related to any sale or disposition of or foreclosure upon the collateral), or (iii) filing any proof of claim in respect of the amounts outstanding under this Note in connection with any bankruptcy or similar proceedings of the Company; provided that any amounts received or receivable in connection therewith in respect of the Subordinated Debt by the Holder shall be subject to the provisions of Subsection 6(a), 6(c) and 6(d) above.

(i) Rights Not Subordinated. The provisions of this Section 6 are for the purpose of defining the relative rights of the holders of Senior Debt on the one hand and of the Holder on the other hand, and nothing herein shall impair (as between the Company, the Holder and creditors of the Company, other than the holders of the Senior Debt) the Company's obligation to the Holder to pay to Holder the full amount of this Note in accordance with the terms hereof. No provision of this Section 6 shall be deemed to subordinate, to any extent, any claim or right of the Holder to any claim against the Company by any creditor or any other Person except to the extent expressly provided herein.

(j) Payment Set Aside. To the extent that (i) the Holder has turned over any cash, securities or other property received as payments from the Company to the holders of Senior Debt hereunder for application to the Senior Debt or (ii) any cash, securities or other property to which the Holder would otherwise have been entitled (but for the provisions of this Section 6) as payments from the Company are paid to the holders of Senior Debt for application to the Senior Debt, and any such payments or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from or disgorged by the Holder or are otherwise required to be refunded, repaid or restored by the Holder to the Company or any trustee, receiver or other Person under any law (including, without limitation, any bankruptcy or insolvency law or any federal or state equitable cause), then to the extent of any such refund, repayment or restoration the holders of Senior Debt shall repay such amount to the Holder and Holder's other rights and obligations hereunder shall be renewed and continued in full force and effect as if such original payment had not been made by the Holder to the holders of Senior Debt. This Subsection (i) shall survive the termination and cancellation of this Note.

(k) Term. The provisions of this Section 6 shall constitute a continuing agreement of subordination, and the Senior Lenders may continue, without notice to the Holder, to lend monies, extend credit and make other financial accommodations to or for the account of the Company, on the faith hereof, and the provisions of this Section 6 shall be irrevocable by the Holder until all Senior Debt shall have been paid and fully satisfied and all financing arrangements between the Company and any Senior Lenders relating to the Senior Debt have been terminated.

(l) Additional Agreements, Among the Company and Senior Lenders. Any Senior Lender, at any time and from time to time, may enter into such agreement or agreements with the Company as such Senior Lender may deem proper, extending the time of payment of or renewing or otherwise altering the terms of all or any of the Senior Debt or affecting the security underlying any or all of the Senior Debt, or may exchange, sell, release, surrender or otherwise deal, with any such security, without in any way impairing or affecting this Note, including but not limited to this Section 6.

(m) Holder's Waivers. All of the Senior Debt shall be deemed to have been made or incurred in reliance upon the provisions of this Section 6, and the Holder expressly waives all notice of the acceptance by any Senior Lender of the subordination and other provisions of this Note, all other notices whatsoever, and reliance by the Senior Lenders upon the subordination and other agreements as herein provided. The Holder by its acceptance of this Note agrees that: (i) no Senior Lender has made any warranties or representations with respect to the due execution, legality, validity, completeness or enforceability of the Bank Agreement or any other document or agreement evidencing Senior Debt, or the collectability of any Senior Debt; and (ii) the Senior Lenders shall be entitled to manage and supervise their loans to the Company in accordance with their usual practices, modified from time to time as they deem appropriate under the circumstances, without regard to the existence of any rights that the Holder may now or thereafter have in or to any of the assets of the Company.

(n) No Waiver. No waiver shall be deemed to be made by any Senior Lender of any of its rights hereunder, unless the same shall be in writing signed by such Senior Lender, and each waiver, if any, shall be a waiver only with respect to the specific instance involved, and shall in no way impair the rights of such Senior Lender or the obligations of the Holder to such Senior Lender in any other respect at any other time.

(o) Application of Payments. The Holder hereby agrees that all payments received by any Senior Lender from the Company may be applied and reapplied, in whole or in part, to any of the Senior Debt, as such Senior Lender, in its sole discretion, deems appropriate.

(p) Unsecured Obligation. This Note is an unsecured obligation of the Company and shall remain unsecured for so long as any Senior Debt shall remain outstanding or there shall exist any commitment to provide Senior Debt to the Company.

(q) Complete Nature of Subordination. All rights and interests of the Senior Lenders under this Note shall remain in full force and effect irrespective of: (i) any lack of validity or enforceability of the documents relating to the Senior Debt, or any other agreement or instrument relating thereto; (ii) any exchange, release or non-perfection of the collateral for the Senior Debt, or any other collateral, or any release or amendment or waiver of (or consent to departure from) any of the documents relating to the Senior Debt; or (iii) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Senior Lender, the Holder or another subordinated creditor.

(r) No Contest of Liens or Rights; No Prejudicial Actions. In no event shall the Holder institute, or join as a party in the institution of, any action, suit or proceeding seeking a determination that the lien of the Agent or any other Senior Lender in any of the assets of any of the Company, or any other rights of any nature under the documents relating to the Senior Debt, is invalid,

unperfected, avoidable or unenforceable or is or should be subordinated to the interests of any other person.

7. Definitions. For purposes of this Note, the following capitalized terms have the following meanings:

Subject to the restrictions contained in Section 6 below (which may be waived by the Senior Lenders under the Bank Agreement or otherwise), the Company may prepay this Note in whole or in part without premium or penalty.

3. Transfers. Until such time as all amounts due and payable to Holder under this Note are paid in full, the Company will not sell, transfer or assign all or substantially all of its assets in a single or series of transactions.

4. Reductions to Principal Due on Note. The Holder hereby expressly agrees that the Company shall be entitled to reduce the principal amount due and owing under this Note in accordance with Sections 1.4(d), 1.5(d) and/or 9.5(f) of the Purchase Agreement.

5. Events of Default.

(a) Definition. For purposes of this Note, an Event of Default shall be deemed to have occurred if:

(i) the Company fails to pay when due and payable (whether at maturity or otherwise) the full amount of interest then accrued on this Note or the full amount of any principal payment on this Note, and such failure to pay is not cured within 5 days after the occurrence thereof;

(ii) (1) the Company makes an assignment for the benefit of creditors or admits in writing its inability to pay its debts generally as they become due; or an order, judgment or decree is entered adjudicating the Company bankrupt or insolvent; or any order for relief with respect to the Company is entered under the federal Bankruptcy Code; or the Company petitions or applies to any tribunal for the appointment of a custodian, trustee, receiver or liquidator of the Company or of any substantial part of the assets of the Company, or commences any proceeding relating to the Company under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction; (2) or any such petition or application is filed, or any such proceeding is commenced, against the Company and in the case of this clause (2) either (a) the Company by any act indicates its approval thereof, consent thereto or acquiescence therein or (b) such petition, application or proceeding is not dismissed within 60 days;

(iv) the Company fails to comply with Section 3 hereof.

The foregoing shall constitute Events of Default whatever the reason or cause for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

(b) Consequences of Events of Default.

(i) If any Event of Default has occurred, the interest rate on this Note shall increase immediately by an increment of two percentage points to the extent permitted by law. (ii) Subject to the provisions of Section 6 below, upon the occurrence and during the continuance of an Event of Default, the aggregate principal amount of this Note (together with all accrued interest thereon and all other amounts due and payable with respect thereto) shall become immediately due and payable without any action on the part of the Holder, and the Company shall immediately pay to the Holder all amounts due and payable with respect to this Note.

6. Subordination.

(a) Extent of Subordination. All amounts (including all principal, interest, premiums, fees, expenses, indemnities and other payments) payable by the Company with respect to this Note (the "Subordinated Debt") are and shall be subordinate and junior in right of payment to the prior payment in full of the Senior Debt (as defined below) to the extent and in the manner set forth in this Section 6. Except for (i) the periodic payments of interest as contemplated in Section 1(b) above, (ii) payments of Subordinated Debt on or after the Maturity Date, and (iii) set offs against amounts otherwise owing to the Company pursuant to the Purchase Agreement, the Holder will not ask for, demand, sue for, take or receive from the Company, by set-off or in any other manner, the whole or any part of the Subordinated Debt unless and until all Senior Debt shall have been fully paid and satisfied and all commitments to extend credit thereunder shall have been terminated. As used herein, the term "Senior Debt" shall mean (i) all debt, liabilities and obligations of the Company (or its subsidiaries) with respect to that certain Credit Agreement dated as of July 2, 2001 (as amended, modified and restated from time to time, the "Bank Agreement"), among the Company, the financial institutions from time to time party thereto (the "Lenders"), and ABN AMRO Bank, N.V., as

Administrative Agent (the "**Agent**"), including, without limitation, all principal, interest (including, without limitation, post-petition interest at the rate prescribed in the Bank Agreement, whether or not allowed or allowable, accruing after the commencement of any case, proceeding or other action relating to the bankruptcy, insolvency or reorganization of the Company or its subsidiaries), premium amounts payable under reimbursement obligations in connection with letters of credit, fees and expenses, including all Enforcement Expenses (as defined below), (ii) all amounts owing with respect to foreign exchange and interest rate hedging agreements between the Company and any Lender, (iii) all amounts owing under agreements refinancing the Bank Agreement, or amendments of the Bank Agreement, including amendments or refinancings that increase the principal amount of the Senior Debt; provided, however, that notwithstanding the foregoing, in no event shall the amount of the Senior Debt exceed \$65,000,000, and (iv) all deferrals, renewals, extensions, refinancings and refundings of, or amendments, modifications or supplements to, any of the foregoing, including any such refinancing provided by financial institutions other than the Agent or any Lender. The Agent, the Lenders and all other financial institutions holding any Senior Debt are hereinafter referred to as "**Senior Lenders**." As used herein, the term "**Enforcement Expenses**" means all reasonable costs and expenses incurred by any Senior Lender in connection with its enforcement of any rights or remedies with respect to any Senior Debt, the collection of any of the Senior Debt, or the protection of, or realization upon, any collateral after the occurrence and during the continuance of a default with respect to any Senior Debt, including, by way of example, reasonable attorneys' fees, court costs, appraisal and consulting fees, auctioneers' fees, rent, storage, insurance premiums and like items, and whether or not such amounts are allowed as a claim against the Company (or its subsidiaries) in any bankruptcy, insolvency or reorganization proceeding.

(b) Remedy Suspension.

(i) If and so long as a Payment Default (as defined below) has occurred and is continuing, and written notice thereof (the "**Payment Default Notice**") has been delivered by the holders of the Senior Debt to the Holder and the Company referencing the provisions of this Section 6 and demanding a suspension of payments during the period of such continuance in accordance with this Subsection 6(b)(i) (such period of time being referred to as the "**Payment Default Suspension Period**"), then, except as otherwise set forth below, and except for setoffs against amounts otherwise owing to the Company pursuant to the Purchase Agreement, the Company shall not make, and the Holder shall not accept or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner (including, without limitation, from or by way of any collateral or redemption or sale), payment of all or any part of the Subordinated Debt, nor shall the Holder take any action to accelerate the Subordinated Debt or otherwise exercise its remedies in respect of the Subordinated Debt, including, without limitation, participating as an initiating creditor in an involuntary bankruptcy proceeding against the Company, unless and until the earlier of (w) the Maturity Date, (x) the date of the occurrence of an Event of Default described in Section 5(a)(ii), Section 5(a)(iii) or Section 5(a)(iv) hereof, (y) 121 days after the date that the Senior Debt has been paid in full or (z) the Payment Default has been cured by the Company or waived by the holders of the Senior Debt or the holders of the outstanding principal amount of the Senior Debt have terminated the Payment Default Suspension Period, in each case in accordance with the terms of the Bank Agreement.

(ii) If and so long as a Non-Payment Default (as defined below) has occurred and is continuing, and written notice thereof (the "Non-Payment Default Notice") has been delivered by the holders of the Senior Debt to the Holder and the Company referencing the provisions of this Section 6 and demanding a suspension of payments during the period of such continuance in accordance with this Subsection 6(b)(ii) (such period of time being referred to as the "Non-Payment Default Suspension Period" and, together with the Payment Default Suspension Period, a "Payment Suspension Period"), then, except as otherwise set forth below, the Company shall not make, and the Holder shall not accept or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner (including, without limitation, from or by way of any collateral or redemption or sale), payment of all or any part of the Subordinated Debt, nor shall the Holder take any action to accelerate the Subordinated Debt or otherwise exercise its remedies in respect of the Subordinated Debt, including, without limitation, participating as an initiating creditor in an involuntary bankruptcy proceeding against the Company, unless and until the earlier of (v) the Maturity Date, (w) the date of the occurrence of an Event of Default described in Section 5(a)(ii), Section 5(a)(iii) or Section 5(a)(iv) hereof, (x) the Senior Debt has been paid in full, (y) the Non-Payment Default has been cured by the Company or waived by the holders of the Senior Debt or the holders of the outstanding principal amount of the Senior Debt have terminated the Non-Payment Default Suspension, or (z) 180 days after the date the Holder received the Non-Payment Default Notice with respect to a Non-Payment Default, in each case in accordance with the terms of the Bank Agreement.

(iii) As used herein, the term "Payment Default" means the occurrence and continuance (after the expiration of any applicable grace or cure periods) of a default in payment of all or any part of the Senior Debt, and the term "Non-Payment Default" means a default under the Bank Agreement other than a Payment Default.

(c) Liquidation, Winding Up, etc. Upon any distribution of assets of the Company or upon any dissolution, winding up, liquidation or reorganization of the Company, whether in any bankruptcy, insolvency, reorganization or receivership proceeding or upon an assignment for the benefit of creditors or any other marshaling of the assets and liabilities of the Company or otherwise:

(i) the holders of all Senior Debt shall be entitled to receive payment in full of the principal thereof, the interest due thereon and any premium, fees, expenses, indemnities or other payment obligation with respect thereto before the Holder is entitled to receive any payment (other than equity securities or debt securities which are subordinated to the Senior Debt to at least the same extent as this Note is subordinated to the Senior Debt, and then only to the extent that no payments may be made under such debt or equity securities, or any instruments arising therefrom, until the Senior Debt is paid in full) upon the Subordinated Debt; and

(ii) any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, by set-off or otherwise, to which the Holder would be entitled but for the provisions of this Section 5 shall be paid by the liquidating trustee or agent or other Person (as defined below) making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or

otherwise: (a) first directly to the holders of Senior Debt or their agents or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Debt may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the principal of, interest on and any premium or other amounts payable with respect to the Senior Debt held or represented by each such holder, to the extent necessary to make payment in full of all Senior Debt remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of the Senior Debt; and (b) the remainder, if any, to the Holder; and

(iii) if the Holder has not presented a claim in respect of the Subordinated Debt within 15 days of the commencement of any applicable claims filing period, the holders of Senior Debt shall have the right to present such claims in respect of the Subordinated Debt. So long as any amounts remain due and owing in respect of the Senior Debt or any commitments remain to extend credit thereunder, Holder shall not, without the prior consent of the Lenders, approve a plan in bankruptcy in respect of the Company the terms of which do not call for the payment of the Senior Debt in full in cash on the confirmation date of such plan.

The consolidation of the Company with, or the merger of the Company into, another entity shall not be deemed a dissolution, winding up, liquidation or reorganization of the Company for the purposes of this Section 6(c) if such other entity, as a part of such consolidation or merger, succeeds to the Company's property and business and assumes the Company's obligations (including the Senior Debt and the Subordinated Debt).

(d) Payment Held in Trust. All payments or distributions by the Company upon or with respect to the Subordinated Debt which are received by the Holder in violation of or contrary to the provisions of Subsections 5(a), 5(b) or 5(c) above shall be received in trust for the benefit of the holders of the Senior Debt and shall be paid over promptly, with or without demand therefor, to such holders in the same form as so received (with all necessary endorsements and assignments) to be applied to the payment of the Senior Debt. In the event of the failure of the Holder to make any such endorsement or assignment to the Senior Lenders, the Senior Lenders, or any of their officers or employees, are hereby irrevocably authorized to make the same.

(e) Setoff. Notwithstanding anything to the contrary contained herein or otherwise, the Holder shall at all times be entitled to setoff against the amount owing hereunder by amounts the Holder otherwise owes to the Company pursuant to the Purchase Agreement, and the Holder shall not be required or requested to pay, hold in trust or pay over any such setoff amount to any Person.

(f) Instrument Legend. Any instruments evidencing this Note will, on the date hereof or promptly hereafter, be inscribed with a legend conspicuously indicating that payment thereof is subordinated to the claims of the Senior Lenders. Any instrument evidencing any of the Subordinated Debt, or any portion thereof, which is hereafter executed by the Company, will, on the date thereof, be inscribed with the aforesaid legend.

(g) Subordinated Debt Owed Only to the Holder. The Holder by acceptance of this Note warrants and represents that the Holder has not previously assigned any interest in this Note to any

party, that no party owns an interest in this Note other than the Holder (whether as joint holders of the Subordinated Debt, participants or otherwise), and that the entire Subordinated Debt is owing to the Holder, subject only to the rights of the Senior Lenders hereunder.

(h) Acceleration and Exercise of Remedies. Nothing contained in this Note shall prevent the Holder from (i) accelerating this Note following the acceleration of any payment due under the Senior Debt or the declaration that the Senior Debt is immediately due and payable in full, (ii) instituting legal proceedings to enforce and collect upon the amounts outstanding under this Note in the event that the Lenders either commence any such proceedings in respect of the Senior Debt or formally commence the exercise of its or their remedies in respect of any collateral securing the Senior Debt (other than remedies intended solely for the protection of the collateral and the lenders' interests therein and not related to any sale or disposition of or foreclosure upon the collateral), or (iii) filing any proof of claim in respect of the amounts outstanding under this Note in connection with any bankruptcy or similar proceedings of the Company; provided that any amounts received or receivable in connection therewith in respect of the Subordinated Debt by the Holder shall be subject to the provisions of Subsection 6(a), 6(c) and 6(d) above.

(i) Rights Not Subordinated. The provisions of this Section 6 are for the purpose of defining the relative rights of the holders of Senior Debt on the one hand and of the Holder on the other hand, and nothing herein shall impair (as between the Company, the Holder and creditors of the Company, other than the holders of the Senior Debt) the Company's obligation to the Holder to pay to Holder the full amount of this Note in accordance with the terms hereof. No provision of this Section 6 shall be deemed to subordinate, to any extent, any claim or right of the Holder to any claim against the Company by any creditor or any other Person except to the extent expressly provided herein.

(j) Payment Set Aside. To the extent that (i) the Holder has turned over any cash, securities or other property received as payments from the Company to the holders of Senior Debt hereunder for application to the Senior Debt or (ii) any cash, securities or other property to which the Holder would otherwise have been entitled (but for the provisions of this Section 6) as payments from the Company are paid to the holders of Senior Debt for application to the Senior Debt, and any such payments or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from or disgorged by the Holder or are otherwise required to be refunded, repaid or restored by the Holder to the Company or any trustee, receiver or other Person under any law (including, without limitation, any bankruptcy or insolvency law or any federal or state equitable cause), then to the extent of any such refund, repayment or restoration the holders of Senior Debt shall repay such amount to the Holder and Holder's other rights and obligations hereunder shall be renewed and continued in full force and effect as if such original payment had not been made by the Holder to the holders of Senior Debt. This Subsection (i) shall survive the termination and cancellation of this Note.

(k) Term. The provisions of this Section 6 shall constitute a continuing agreement of subordination, and the Senior Lenders may continue, without notice to the Holder, to lend monies, extend credit and make other financial accommodations to or for the account of the Company, on the faith hereof, and the provisions of this Section 6 shall be irrevocable by the Holder until all Senior Debt shall have been paid and fully satisfied and all financing arrangements between the Company and any Senior Lenders relating to the Senior Debt have been terminated.

(l) Additional Agreements Among the Company and Senior Lenders. Any Senior Lender, at any time and from time to time, may enter into such agreement or agreements with the Company as such Senior Lender may deem proper, extending the time of payment of or renewing or otherwise altering the terms of all or any of the Senior Debt or affecting the security underlying any or all of the Senior Debt, or may exchange, sell, release, surrender or otherwise deal, with any such security, without in any way impairing or affecting this Note, including but not limited to this Section 6.

(m) Holder's Waivers. All of the Senior Debt shall be deemed to have been made or incurred in reliance upon the provisions of this Section 6, and the Holder expressly waives all notice of the acceptance by any Senior Lender of the subordination and other provisions of this Note, all other notices whatsoever, and reliance by the Senior Lenders upon the subordination and other agreements as herein provided. The Holder by its acceptance of this Note agrees that: (i) no Senior Lender has made any warranties or representations with respect to the due execution, legality, validity, completeness or enforceability of the Bank Agreement or any other document or agreement evidencing Senior Debt, or the collectability of any Senior Debt; and (ii) the Senior Lenders shall be entitled to manage and supervise their loans to the Company in accordance with their usual practices, modified from time to time as they deem appropriate under the circumstances, without regard to the existence of any rights that the Holder may now or thereafter have in or to any of the assets of the Company.

(n) No Waiver. No waiver shall be deemed to be made by any Senior Lender of any of its rights hereunder, unless the same shall be in writing signed by such Senior Lender, and each waiver, if any, shall be a waiver only with respect to the specific instance involved, and shall in no way impair the rights of such Senior Lender or the obligations of the Holder to such Senior Lender in any other respect at any other time.

(o) Application of Payments. The Holder hereby agrees that all payments received by any Senior Lender from the Company may be applied and reapplied, in whole or in part, to any of the Senior Debt, as such Senior Lender, in its sole discretion, deems appropriate.

(p) Unsecured Obligation. This Note is an unsecured obligation of the Company and shall remain unsecured for so long as any Senior Debt shall remain outstanding or there shall exist any commitment to provide Senior Debt to the Company.

(q) Complete Nature of Subordination. All rights and interests of the Senior Lenders under this Note shall remain in full force and effect irrespective of: (i) any lack of validity or enforceability of the documents relating to the Senior Debt, or any other agreement or instrument relating thereto; (ii) any exchange, release or non-perfection of the collateral for the Senior Debt, or any other collateral, or any release or amendment or waiver of (or consent to departure from) any of the documents relating to the Senior Debt; or (iii) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Senior Lender, the Holder or another subordinated creditor.

(r) No Contest of Liens or Rights; No Prejudicial Actions. In no event shall the Holder institute, or join as a party in the institution of, any action, suit or proceeding seeking a determination that the lien of the Agent or any other Senior Lender in any of the assets of any of the Company, or any other rights of any nature under the documents relating to the Senior Debt, is invalid,

unperfected, avoidable or unenforceable or is or should be subordinated to the interests of any other person.

7. Definitions. For purposes of this Note, the following capitalized terms have the following meanings:

"Affiliate" means, as to any specified Person, any other Person that, directly or indirectly through one or more intermediaries or otherwise, controls, is controlled by or is under common control with the specified Person. or to such other address or to the attention of such other person as specified by prior written notice to the Company.

12. Business Days. If any payment is due, or any time period for giving notice or taking action expires, on a day which is a Saturday, Sunday or legal holiday in the State of Delaware, the payment shall be due and payable on, and the time period shall automatically be extended to, the next business day immediately following such Saturday, Sunday or legal holiday, and interest shall continue to accrue at the required rate hereunder until any such payment is made.

13. Assignment. This Note may not be assigned by the Holder hereof without the prior written consent of Company and the Agent; provided, however, that the Holder may assign this Note to any of (i) Red Sail Spas, L.L.C., (ii) SP Spas LLC, (iii) Sierra Pacific Investments LLC, (iv) any

(a) Interest Rate. Except as otherwise expressly provided in Section 4(b)(i) hereof, interest shall accrue daily on the unpaid principal amount of this Note outstanding from time to time at the rate of nine percent (9%) per annum, or (if less) at the highest rate then permitted under applicable law.

(b) Interest Payment Dates. Subject to the provisions of Section 6 below, the Company shall pay all accrued interest in cash to the Holder on October 3, 2001 and on the 3rd day of each and every consecutive third month thereafter. Any accrued interest which for any reason has not theretofore been paid shall be paid in full on the date on which the final principal payment on this Note is made. Subject to the restrictions contained in Section 6 below (which may be waived by the Senior Lenders under the Bank Agreement or otherwise), the Company may prepay this Note in whole or in part without premium or penalty.

3. Transfers. Until such time as all amounts due and payable to Holder under this Note are paid in full, the Company will not sell, transfer or assign all or substantially all of its assets in a single or series of transactions.

4. Reductions to Principal Due on Note. The Holder hereby expressly agrees that the Company shall be entitled to reduce the principal amount due and owing under this Note in accordance with Sections 1.4(d), 1.5(d) and/or 9.5(f) of the Purchase Agreement.

5. Events of Default.

(a) Definition. For purposes of this Note, an Event of Default shall be deemed to have occurred if:

(i) the Company fails to pay when due and payable (whether at maturity or otherwise) the full amount of interest then accrued on this Note or the full amount of any principal payment on this Note, and such failure to pay is not cured within 5 days after the occurrence thereof;

(ii) (1) the Company makes an assignment for the benefit of creditors or admits in writing its inability to pay its debts generally as they become due; or an order, judgment or decree is entered adjudicating the Company bankrupt or insolvent; or any order for relief with respect to the Company is entered under the federal Bankruptcy Code; or the Company petitions or applies to any tribunal for the appointment of a custodian, trustee, receiver or liquidator of the Company or of any substantial part of the assets of the Company, or commences any proceeding relating to the Company under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction; (2) or any such petition or application is filed, or any such proceeding is commenced, against the Company and in the case of this clause (2) either (a) the Company by any act indicates its approval thereof, consent thereto or acquiescence therein or (b) such petition, application or proceeding is not dismissed within 60 days;

(iv) the Company fails to comply with Section 3 hereof.

The foregoing shall constitute Events of Default whatever the reason or cause for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

(b) Consequences of Events of Default.

(i) If any Event of Default has occurred, the interest rate on this Note shall increase immediately by an increment of two percentage points to the extent permitted by law. Any increase of the interest rate resulting from the operation of this subsection shall terminate as of the close of business on the date on which such Event(s) of Default no longer exist.

(ii) Subject to the provisions of Section 6 below, upon the occurrence and during the continuance of an Event of Default, the aggregate principal amount of this Note (together with all accrued interest thereon and all other amounts due and payable with respect thereto) shall become immediately due and payable without any action on the part of the Holder, and the Company shall immediately pay to the Holder all amounts due and payable with respect to this Note.

(iii) The Holder shall also have any other rights which such Holder may have been afforded under any agreement at any time and any other rights which such Holder may have pursuant to applicable law.

(iv) The Company hereby waives diligence, presentment, protest and demand and notice of protest and demand, dishonor and nonpayment of this Note, and expressly agrees that this Note, or any payment hereunder, may be extended from time to time and that the Holder may accept security for this Note or release security for this Note, all without in any way affecting the liability of the Company hereunder.

6. Subordination.

(a) Extent of Subordination. All amounts (including all principal, interest, premiums, fees, expenses, indemnities and other payments) payable by the Company with respect to this Note (the "Subordinated Debt") are and shall be subordinate and junior in right of payment to the prior payment in full of the Senior Debt (as defined below) to the extent and in the manner set forth in this Section 6. Except for (i) the periodic payments of interest as contemplated in Section 1(b) above, (ii) payments of Subordinated Debt on or after the Maturity Date, and (iii) set offs against amounts otherwise owing to the Company pursuant to the Purchase Agreement, the Holder will not ask for, demand, sue for, take or receive from the Company, by set-off or in any other manner, the whole or any part of the Subordinated Debt unless and until all Senior Debt shall have been fully paid and satisfied and all commitments to extend credit thereunder shall have been terminated. As used herein, the term "Senior Debt" shall mean (i) all debt, liabilities and obligations of the Company (or its subsidiaries) with respect to that certain Credit Agreement dated as of July 2, 2001 (as amended, modified and restated from time to time, the "Bank Agreement"), among the Company, the financial institutions from time to time party thereto (the "Lenders"), and ABN AMRO Bank, N.V., as Administrative Agent (the "Agent"), including, without limitation, all principal, interest (including,

without limitation, post-petition interest at the rate prescribed in the Bank Agreement, whether or not allowed or allowable, accruing after the commencement of any case proceeding or other action relating to the bankruptcy, insolvency or reorganization of the Company or its subsidiaries), premium, amounts payable under reimbursement obligations in connection with letters of credit, fees and expenses, including all Enforcement Expenses (as defined below), (ii) all amounts owing with respect to foreign exchange and interest rate hedging agreements between the Company and any Lender, (iii) all amounts owing under agreements refinancing the Bank Agreement, or amendments of the Bank Agreement, including amendments or refinancings that increase the principal amount of the Senior Debt; provided, however, that notwithstanding the foregoing, in no event shall the amount of the Senior Debt exceed \$65,000,000, and (iv) all deferrals, renewals, extensions, refinancings and refundings of, or amendments, modifications or supplements to, any of the foregoing, including any such refinancing provided by financial institutions other than the Agent or any Lender. The Agent, the Lenders and all other financial institutions holding any Senior Debt are hereinafter referred to as "Senior Lenders." As used herein, the term "Enforcement Expenses" means all reasonable costs and expenses incurred by any Senior Lender in connection with its enforcement of any rights or remedies with respect to any Senior Debt, the collection of any of the Senior Debt, or the protection of, or realization upon, any collateral after the occurrence and during the continuance of a default with respect to any Senior Debt, including, by way of example, reasonable attorneys' fees, court costs, appraisal and consulting fees, auctioneers' fees, rent, storage, insurance premiums and like items, and whether or not such amounts are allowed as a claim against the Company (or its subsidiaries) in any bankruptcy, insolvency or reorganization proceeding.

(b) Remedy Suspension.

(i) If and so long as a Payment Default (as defined below) has occurred and is continuing, and written notice thereof (the "Payment Default Notice") has been delivered by the holders of the Senior Debt to the Holder and the Company referencing the provisions of this Section 6 and demanding a suspension of payments during the period of such continuance in accordance with this Subsection 6(b)(i) (such period of time being referred to as the "Payment Default Suspension Period"), then, except as otherwise set forth below, and except for setoffs against amounts otherwise owing to the Company pursuant to the Purchase Agreement, the Company shall not make, and the Holder shall not accept or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner (including, without limitation, from or by way of any collateral or redemption or sale), payment of all or any part of the Subordinated Debt, nor shall the Holder take any action to accelerate the Subordinated Debt or otherwise exercise its remedies in respect of the Subordinated Debt, including, without limitation, participating as an initiating creditor in an involuntary bankruptcy proceeding against the Company, unless and until the earlier of (w) the Maturity Date, (x) the date of the occurrence of an Event of Default described in Section 5(a)(ii), Section 5(a)(iii) or Section 5(a)(iv) hereof, (y) 121 days after the date that the Senior Debt has been paid in full or (z) the Payment Default has been cured by the Company or waived by the holders of the Senior Debt or the holders of the outstanding principal amount of the Senior Debt have terminated the Payment Default Suspension Period, in each case in accordance with the terms of the Bank Agreement.

(ii) If and so long as a Non-Payment Default (as defined below) has occurred and is continuing, and written notice thereof (the "Non-Payment Default Notice") has

been delivered by the holders of the Senior Debt to the Holder and the Company referencing the provisions of this Section 6 and demanding a suspension of payments during the period of such continuance in accordance with this Subsection 6(b)(ii) (such period of time being referred to as the "Non-Payment Default Suspension Period" and, together with the Payment Default Suspension Period, a "Payment Suspension Period"), then, except as otherwise set forth below, the Company shall not make, and the Holder shall not accept or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner (including, without limitation, from or by way of any collateral or redemption or sale), payment of all or any part of the Subordinated Debt, nor shall the Holder take any action to accelerate the Subordinated Debt or otherwise exercise its remedies in respect of the Subordinated Debt, including, without limitation, participating as an initiating creditor in an involuntary bankruptcy proceeding against the Company, unless and until the earlier of (v) the Maturity Date, (w) the date of the occurrence of an Event of Default described in Section 5(a)(ii), Section 5(a)(iii) or Section 5(a)(iv) hereof, (x) the Senior Debt has been paid in full, (y) the Non-Payment Default has been cured by the Company or waived by the holders of the Senior Debt or the holders of the outstanding principal amount of the Senior Debt have terminated the Non-Payment Default Suspension, or (z) 180 days after the date the Holder received the Non-Payment Default Notice with respect to a Non-Payment Default, in each case in accordance with the terms of the Bank Agreement.

(iii) As used herein, the term "Payment Default" means the occurrence and continuance (after the expiration of any applicable grace or cure periods) of a default in payment of all or any part of the Senior Debt, and the term "Non-Payment Default" means a default under the Bank Agreement other than a Payment Default.

(c) Liquidation, Winding Up, etc. Upon any distribution of assets of the Company or upon any dissolution, winding up, liquidation or reorganization of the Company, whether in any bankruptcy, insolvency, reorganization or receivership proceeding or upon an assignment for the benefit of creditors or any other marshaling of the assets and liabilities of the Company or otherwise:

(i) the holders of all Senior Debt shall be entitled to receive payment in full of the principal thereof, the interest due thereon and any premium, fees, expenses, indemnities or other payment obligation with respect thereto before the Holder is entitled to receive any payment (other than equity securities or debt securities which are subordinated to the Senior Debt to at least the same extent as this Note is subordinated to the Senior Debt, and then only to the extent that no payments may be made under such debt or equity securities, or any instruments arising therefrom, until the Senior Debt is paid in full) upon the Subordinated Debt; and

(ii) any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, by set-off or otherwise, to which the Holder would be entitled but for the provisions of this Section 5 shall be paid by the liquidating trustee or agent or other Person (as defined below) making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise: (a) first directly to the holders of Senior Debt or their agents or representatives or to the trustee or trustees under any indenture under which any

instruments evidencing any of such Senior Debt may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the principal of, interest on and any premium or other amounts payable with respect to the Senior Debt held or represented by each such holder, to the extent necessary to make payment in full of all Senior Debt remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of the Senior Debt; and (b) the remainder, if any, to the Holder; and

(iii) if the Holder has not presented a claim in respect of the Subordinated Debt within 15 days of the commencement of any applicable claims filing period, the holders of Senior Debt shall have the right to present such claims in respect of the Subordinated Debt. So long as any amounts remain due and owing in respect of the Senior Debt or any commitments remain to extend credit thereunder, Holder shall not, without the prior consent of the Lenders, approve a plan in bankruptcy in respect of the Company the terms of which do not call for the payment of the Senior Debt in full in cash on the confirmation date of such plan.

The consolidation of the Company with, or the merger of the Company into, another entity shall not be deemed a dissolution, winding up, liquidation or reorganization of the Company for the purposes of this Section 6(c) if such other entity, as a part of such consolidation or merger, succeeds to the Company's property and business and assumes the Company's obligations (including the Senior Debt and the Subordinated Debt).

(d) Payment Held in Trust. All payments or distributions by the Company upon or with respect to the Subordinated Debt which are received by the Holder in violation of or contrary to the provisions of Subsections 5(a), 5(b) or 5(c) above shall be received in trust for the benefit of the holders of the Senior Debt and shall be paid over promptly, with or without demand therefor, to such holders in the same form as so received (with all necessary endorsements and assignments) to be applied to the payment of the Senior Debt. In the event of the failure of the Holder to make any such endorsement or assignment to the Senior Lenders, the Senior Lenders, or any of their officers or employees, are hereby irrevocably authorized to make the same.

(e) Setoff. Notwithstanding anything to the contrary contained herein or otherwise, the Holder shall at all times be entitled to setoff against the amount owing hereunder by amounts the Holder otherwise owes to the Company pursuant to the Purchase Agreement, and the Holder shall not be required or requested to pay, hold in trust or pay over any such setoff amount to any Person.

(f) Instrument Legend. Any instruments evidencing this Note will, on the date hereof or promptly hereafter, be inscribed with a legend conspicuously indicating that payment thereof is subordinated to the claims of the Senior Lenders. Any instrument evidencing any of the Subordinated Debt, or any portion thereof, which is hereafter executed by the Company, will, on the date thereof, be inscribed with the aforesaid legend.

(g) Subordinated Debt Owed Only to the Holder. The Holder by acceptance of this Note warrants and represents that the Holder has not previously assigned any interest in this Note to any party, that no party owns an interest in this Note other than the Holder (whether as joint holders of the

Subordinated Debt, participants or otherwise), and that the entire Subordinated Debt is owing to the Holder, subject only to the rights of the Senior Lenders hereunder.

(h) Acceleration and Exercise of Remedies. Nothing contained in this Note shall prevent the Holder from (i) accelerating this Note following the acceleration of any payment due under the Senior Debt or the declaration that the Senior Debt is immediately due and payable in full, (ii) instituting legal proceedings to enforce and collect upon the amounts outstanding under this Note in the event that the Lenders either commence any such proceedings in respect of the Senior Debt or formally commence the exercise of its or their remedies in respect of any collateral securing the Senior Debt (other than remedies intended solely for the protection of the collateral and the lenders' interests therein and not related to any sale or disposition of or foreclosure upon the collateral), or (iii) filing any proof of claim in respect of the amounts outstanding under this Note in connection with any bankruptcy or similar proceedings of the Company; provided that any amounts received or receivable in connection therewith in respect of the Subordinated Debt by the Holder shall be subject to the provisions of Subsection 6(a), 6(c) and 6(d) above.

(i) Rights Not Subordinated. The provisions of this Section 6 are for the purpose of defining the relative rights of the holders of Senior Debt on the one hand and of the Holder on the other hand, and nothing herein shall impair (as between the Company, the Holder and creditors of the Company, other than the holders of the Senior Debt) the Company's obligation to the Holder to pay to Holder the full amount of this Note in accordance with the terms hereof. No provision of this Section 6 shall be deemed to subordinate, to any extent, any claim or right of the Holder to any claim against the Company by any creditor or any other Person except to the extent expressly provided herein.

(j) Payment Set Aside. To the extent that (i) the Holder has turned over any cash, securities or other property received as payments from the Company to the holders of Senior Debt hereunder for application to the Senior Debt or (ii) any cash, securities or other property to which the Holder would otherwise have been entitled (but for the provisions of this Section 6) as payments from the Company are paid to the holders of Senior Debt for application to the Senior Debt, and any such payments or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from or disgorged by the Holder or are otherwise required to be refunded, repaid or restored by the Holder to the Company or any trustee, receiver or other Person under any law (including, without limitation, any bankruptcy or insolvency law or any federal or state equitable cause), then to the extent of any such refund, repayment or restoration the holders of Senior Debt shall repay such amount to the Holder and Holder's other rights and obligations hereunder shall be renewed and continued in full force and effect as if such original payment had not been made by the Holder to the holders of Senior Debt. This Subsection (i) shall survive the termination and cancellation of this Note.

(k) Term. The provisions of this Section 6 shall constitute a continuing agreement of subordination, and the Senior Lenders may continue, without notice to the Holder, to lend monies, extend credit and make other financial accommodations to or for the account of the Company, on the faith hereof, and the provisions of this Section 6 shall be irrevocable by the Holder until all Senior Debt shall have been paid and fully satisfied and all financing arrangements between the Company and any Senior Lenders relating to the Senior Debt have been terminated.

(l) Additional Agreements Among the Company and Senior Lenders. Any Senior Lender, at any time and from time to time, may enter into such agreement or agreements with the

Company as such Senior Lender may deem proper, extending the time of payment of or renewing or otherwise altering the terms of all or any of the Senior Debt or affecting the security underlying any or all of the Senior Debt, or may exchange, sell, release, surrender or otherwise deal, with any such security, without in any way impairing or affecting this Note, including but not limited to this Section 6.

(m) Holder's Waivers. All of the Senior Debt shall be deemed to have been made or incurred in reliance upon the provisions of this Section 6, and the Holder expressly waives all notice of the acceptance by any Senior Lender of the subordination and other provisions of this Note, all other notices whatsoever, and reliance by the Senior Lenders upon the subordination and other agreements as herein provided. The Holder by its acceptance of this Note agrees that: (i) no Senior Lender has made any warranties or representations with respect to the due execution, legality, validity, completeness or enforceability of the Bank Agreement or any other document or agreement evidencing Senior Debt, or the collectability of any Senior Debt; and (ii) the Senior Lenders shall be entitled to manage and supervise their loans to the Company in accordance with their usual practices, modified from time to time as they deem appropriate under the circumstances, without regard to the existence of any rights that the Holder may now or thereafter have in or to any of the assets of the Company.

(n) No Waiver. No waiver shall be deemed to be made by any Senior Lender of any of its rights hereunder, unless the same shall be in writing signed by such Senior Lender, and each waiver, if any, shall be a waiver only with respect to the specific instance involved, and shall in no way impair the rights of such Senior Lender or the obligations of the Holder to such Senior Lender in any other respect at any other time.

(o) Application of Payments. The Holder hereby agrees that all payments received by any Senior Lender from the Company may be applied and reapplied, in whole or in part, to any of the Senior Debt, as such Senior Lender, in its sole discretion, deems appropriate.

(p) Unsecured Obligation. This Note is an unsecured obligation of the Company and shall remain unsecured for so long as any Senior Debt shall remain outstanding or there shall exist any commitment to provide Senior Debt to the Company.

(q) Complete Nature of Subordination. All rights and interests of the Senior Lenders under this Note shall remain in full force and effect irrespective of: (i) any lack of validity or enforceability of the documents relating to the Senior Debt, or any other agreement or instrument relating thereto; (ii) any exchange, release or non-perfection of the collateral for the Senior Debt, or any other collateral, or any release or amendment or waiver of (or consent to departure from) any of the documents relating to the Senior Debt; or (iii) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Senior Lender, the Holder or another subordinated creditor.

(r) No Contest of Liens or Rights; No Prejudicial Actions. In no event shall the Holder institute, or join as a party in the institution of, any action, suit or proceeding seeking a determination that the lien of the Agent or any other Senior Lender in any of the assets of any of the Company, or any other rights of any nature under the documents relating to the Senior Debt, is invalid, unperfected, avoidable or unenforceable or is or should be subordinated to the interests of any other person.

(a) Definition. For purposes of this Note, an Event of Default shall be deemed to have occurred if:

(ii) (1) the Company makes an assignment for the benefit of creditors or admits in writing its inability to pay its debts generally as they become due; or an order, judgment or decree is entered adjudicating the Company bankrupt or insolvent; or any order for relief with respect to the Company is entered under the federal Bankruptcy Code; or the Company petitions or applies to any tribunal for the appointment of a custodian, trustee, receiver or liquidator of the Company or of any substantial part of the assets of the Company, or commences any proceeding relating to the Company under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction; (2) or any such petition or application is filed, or any such proceeding is commenced, against the Company and in the case of this clause (2) either (a) the Company by any act indicates its approval thereof, consent thereto or acquiescence therein or (b) such petition, application or proceeding is not dismissed within 60 days;

(ii) Subject to the provisions of Section 6 below, upon the occurrence and during the continuance of an Event of Default, the aggregate principal amount of this Note (together with all accrued interest thereon and all other amounts due and payable with respect thereto) shall become immediately due and payable without any action on the part of the Holder, and the Company shall immediately pay to the Holder all amounts due and payable with respect to this Note.

(iii) The Holder shall also have any other rights which such Holder may have been afforded under any agreement at any time and any other rights which such Holder may have pursuant to applicable law.

(iv) The Company hereby waives diligence, presentment, protest and demand and notice of protest and demand, dishonor and nonpayment of this Note, and expressly agrees that this Note, or any payment hereunder, may be extended from time to time and that the Holder may accept security for this Note or release security for this Note, all without in any way affecting the liability of the Company hereunder.

6. Subordination.

(a) Extent of Subordination. All amounts (including all principal, interest, premiums, fees, expenses, indemnities and other payments) payable by the Company with respect to this Note (the "Subordinated Debt") are and shall be subordinate and junior in right of payment to the prior payment in full of the Senior Debt (as defined below) to the extent and in the manner set forth in this Section 6. Except for (i) the periodic payments of interest as contemplated in Section 1(b) above, (ii) payments of Subordinated Debt on or after the Maturity Date, and (iii) set offs against amounts otherwise owing to the Company pursuant to the Purchase Agreement, the Holder will not ask for, demand, sue for, take or receive from the Company, by set-off or in any other manner, the whole or any part of the Subordinated Debt unless and until all Senior Debt shall have been fully paid and satisfied and all commitments to extend credit thereunder shall have been terminated. As used herein, the term "Senior Debt" shall mean (i) all debt, liabilities and obligations of the Company (or its subsidiaries) with respect to that certain Credit Agreement dated as of July 2, 2001 (as amended, modified and restated from time to time, the "Bank Agreement"), among the Company, the financial institutions from time to time party thereto (the "Lenders"), and ABN AMRO Bank, N.V., as

Administrative Agent (the "**Agent**"), including, without limitation, all principal, interest (including, without limitation, post-petition interest at the rate prescribed in the Bank Agreement, whether or not allowed or allowable, accruing after the commencement of any case, proceeding or other action relating to the bankruptcy, insolvency or reorganization of the Company or its subsidiaries), premium, amounts payable under reimbursement obligations in connection with letters of credit, fees and expenses, including all Enforcement Expenses (as defined below), (ii) all amounts owing with respect to foreign exchange and interest rate hedging agreements between the Company and any Lender, (iii) all amounts owing under agreements refinancing the Bank Agreement, or amendments of the Bank Agreement, including amendments or refinancings that increase the principal amount of the Senior Debt; provided, however, that notwithstanding the foregoing, in no event shall the amount of the Senior Debt exceed \$65,000,000, and (iv) all deferrals, renewals, extensions, refinancings and refundings of, or amendments, modifications or supplements to, any of the foregoing, including any such refinancing provided by financial institutions other than the Agent or any Lender. The Agent, the Lenders and all other financial institutions holding any Senior Debt are hereinafter referred to as "**Senior Lenders**." As used herein, the term "**Enforcement Expenses**" means all reasonable costs and expenses incurred by any Senior Lender in connection with its enforcement of any rights or remedies with respect to any Senior Debt, the collection of any of the Senior Debt, or the protection of, or realization upon, any collateral after the occurrence and during the continuance of a default with respect to any Senior Debt, including, by way of example, reasonable attorneys' fees, court costs, appraisal and consulting fees, auctioneers' fees, rent, storage, insurance premiums and like items, and whether or not such amounts are allowed as a claim against the Company (or its subsidiaries) in any bankruptcy, insolvency or reorganization proceeding.

(b) **Remedy Suspension.**

(i) If and so long as a Payment Default (as defined below) has occurred and is continuing, and written notice thereof (the "**Payment Default Notice**") has been delivered by the holders of the Senior Debt to the Holder and the Company referencing the provisions of this Section 6 and demanding a suspension of payments during the period of such continuance in accordance with this Subsection 6(b)(i) (such period of time being referred to as the "**Payment Default Suspension Period**"), then, except as otherwise set forth below, and except for setoffs against amounts otherwise owing to the Company pursuant to the Purchase Agreement, the Company shall not make, and the Holder shall not accept or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner (including, without limitation, from or by way of any collateral or redemption or sale), payment of all or any part of the Subordinated Debt, nor shall the Holder take any action to accelerate the Subordinated Debt or otherwise exercise its remedies in respect of the Subordinated Debt, including, without limitation, participating as an initiating creditor in an involuntary bankruptcy proceeding against the Company, unless and until the earlier of (w) the Maturity Date, (x) the date of the occurrence of an Event of Default described in Section 5(a)(ii), Section 5(a)(iii) or Section 5(a)(iv) hereof, (y) 121 days after the date that the Senior Debt has been paid in full or (z) the Payment Default has been cured by the Company or waived by the holders of the Senior Debt or the holders of the outstanding principal amount of the Senior Debt have terminated the Payment Default Suspension Period, in each case in accordance with the terms of the Bank Agreement.

(ii) If and so long as a Non-Payment Default (as defined below) has occurred and is continuing, and written notice thereof (the "Non-Payment Default Notice") has been delivered by the holders of the Senior Debt to the Holder and the Company referencing the provisions of this Section 6 and demanding a suspension of payments during the period of such continuance in accordance with this Subsection 6(b)(ii) (such period of time being referred to as the "Non-Payment Default Suspension Period" and, together with the Payment Default Suspension Period, a "Payment Suspension Period"), then, except as otherwise set forth below, the Company shall not make, and the Holder shall not accept or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner (including, without limitation, from or by way of any collateral or redemption or sale), payment of all or any part of the Subordinated Debt, nor shall the Holder take any action to accelerate the Subordinated Debt or otherwise exercise its remedies in respect of the Subordinated Debt, including, without limitation, participating as an initiating creditor in an involuntary bankruptcy proceeding against the Company, unless and until the earlier of (v) the Maturity Date, (w) the date of the occurrence of an Event of Default described in Section 5(a)(ii), Section 5(a)(iii) or Section 5(a)(iv) hereof, (x) the Senior Debt has been paid in full, (y) the Non-Payment Default has been cured by the Company or waived by the holders of the Senior Debt or the holders of the outstanding principal amount of the Senior Debt have terminated the Non-Payment Default Suspension, or (z) 180 days after the date the Holder received the Non-Payment Default Notice with respect to a Non-Payment Default, in each case in accordance with the terms of the Bank Agreement.

(iii) As used herein, the term "Payment Default" means the occurrence and continuance (after the expiration of any applicable grace or cure periods) of a default in payment of all or any part of the Senior Debt, and the term "Non-Payment Default" means a default under the Bank Agreement other than a Payment Default.

(c) Liquidation, Winding Up, etc. Upon any distribution of assets of the Company or upon any dissolution, winding up, liquidation or reorganization of the Company, whether in any bankruptcy, insolvency, reorganization or receivership proceeding or upon an assignment for the benefit of creditors or any other marshaling of the assets and liabilities of the Company or otherwise:

(i) the holders of all Senior Debt shall be entitled to receive payment in full of the principal thereof, the interest due thereon and any premium, fees, expenses, indemnities or other payment obligation with respect thereto before the Holder is entitled to receive any payment (other than equity securities or debt securities which are subordinated to the Senior Debt to at least the same extent as this Note is subordinated to the Senior Debt, and then only to the extent that no payments may be made under such debt or equity securities, or any instruments arising therefrom, until the Senior Debt is paid in full) upon the Subordinated Debt; and

(ii) any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, by set-off or otherwise, to which the Holder would be entitled but for the provisions of this Section 5 shall be paid by the liquidating trustee or agent or other Person (as defined below) making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or

otherwise: (a) first directly to the holders of Senior Debt or their agents or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Debt may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the principal of, interest on and any premium or other amounts payable with respect to the Senior Debt held or represented by each such holder, to the extent necessary to make payment in full of all Senior Debt remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of the Senior Debt; and (b) the remainder, if any, to the Holder; and

(iii) if the Holder has not presented a claim in respect of the Subordinated Debt within 15 days of the commencement of any applicable claims filing period, the holders of Senior Debt shall have the right to present such claims in respect of the Subordinated Debt. So long as any amounts remain due and owing in respect of the Senior Debt or any commitments remain to extend credit thereunder, Holder shall not, without the prior consent of the Lenders, approve a plan in bankruptcy in respect of the Company the terms of which do not call for the payment of the Senior Debt in full in cash on the confirmation date of such plan.

The consolidation of the Company with, or the merger of the Company into, another entity shall not be deemed a dissolution, winding up, liquidation or reorganization of the Company for the purposes of this Section 6(c) if such other entity, as a part of such consolidation or merger, succeeds to the Company's property and business and assumes the Company's obligations (including the Senior Debt and the Subordinated Debt).

(d) Payment Held in Trust. All payments or distributions by the Company upon or with respect to the Subordinated Debt which are received by the Holder in violation of or contrary to the provisions of Subsections 5(a), 5(b) or 5(c) above shall be received in trust for the benefit of the holders of the Senior Debt and shall be paid over promptly, with or without demand therefor, to such holders in the same form as so received (with all necessary endorsements and assignments) to be applied to the payment of the Senior Debt. In the event of the failure of the Holder to make any such endorsement or assignment to the Senior Lenders, the Senior Lenders, or any of their officers or employees, are hereby irrevocably authorized to make the same.

(e) Setoff. Notwithstanding anything to the contrary contained herein or otherwise, the Holder shall at all times be entitled to setoff against the amount owing hereunder by amounts the Holder otherwise owes to the Company pursuant to the Purchase Agreement, and the Holder shall not be required or requested to pay, hold in trust or pay over any such setoff amount to any Person.

(f) Instrument Legend. Any instruments evidencing this Note will, on the date hereof or promptly hereafter, be inscribed with a legend conspicuously indicating that payment thereof is subordinated to the claims of the Senior Lenders. Any instrument evidencing any of the Subordinated Debt, or any portion thereof, which is hereafter executed by the Company, will, on the date thereof, be inscribed with the aforesaid legend.

(g) Subordinated Debt Owed Only to the Holder. The Holder by acceptance of this Note warrants and represents that the Holder has not previously assigned any interest in this Note to any

party, that no party owns an interest in this Note other than the Holder (whether as joint holders of the Subordinated Debt, participants or otherwise), and that the entire Subordinated Debt is owing to the Holder, subject only to the rights of the Senior Lenders hereunder.

(h) Acceleration and Exercise of Remedies. Nothing contained in this Note shall prevent the Holder from (i) accelerating this Note following the acceleration of any payment due under the Senior Debt or the declaration that the Senior Debt is immediately due and payable in full, (ii) instituting legal proceedings to enforce and collect upon the amounts outstanding under this Note in the event that the Lenders either commence any such proceedings in respect of the Senior Debt or formally commence the exercise of its or their remedies in respect of any collateral securing the Senior Debt (other than remedies intended solely for the protection of the collateral and the lenders' interests therein and not related to any sale or disposition of or foreclosure upon the collateral), or (iii) filing any proof of claim in respect of the amounts outstanding under this Note in connection with any bankruptcy or similar proceedings of the Company; provided that any amounts received or receivable in connection therewith in respect of the Subordinated Debt by the Holder shall be subject to the provisions of Subsection 6(a), 6(c) and 6(d) above.

(i) Rights Not Subordinated. The provisions of this Section 6 are for the purpose of defining the relative rights of the holders of Senior Debt on the one hand and of the Holder on the other hand, and nothing herein shall impair (as between the Company, the Holder and creditors of the Company, other than the holders of the Senior Debt) the Company's obligation to the Holder to pay to Holder the full amount of this Note in accordance with the terms hereof. No provision of this Section 6 shall be deemed to subordinate, to any extent, any claim or right of the Holder to any claim against the Company by any creditor or any other Person except to the extent expressly provided herein.

(j) Payment Set Aside. To the extent that (i) the Holder has turned over any cash, securities or other property received as payments from the Company to the holders of Senior Debt hereunder for application to the Senior Debt or (ii) any cash, securities or other property to which the Holder would otherwise have been entitled (but for the provisions of this Section 6) as payments from the Company are paid to the holders of Senior Debt for application to the Senior Debt, and any such payments or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from or disgorged by the Holder or are otherwise required to be refunded, repaid or restored by the Holder to the Company or any trustee, receiver or other Person under any law (including, without limitation, any bankruptcy or insolvency law or any federal or state equitable cause), then to the extent of any such refund, repayment or restoration the holders of Senior Debt shall repay such amount to the Holder and Holder's other rights and obligations hereunder shall be renewed and continued in full force and effect as if such original payment had not been made by the Holder to the holders of Senior Debt. This Subsection (i) shall survive the termination and cancellation of this Note.

(k) Term. The provisions of this Section 6 shall constitute a continuing agreement of subordination, and the Senior Lenders may continue, without notice to the Holder, to lend monies, extend credit and make other financial accommodations to or for the account of the Company, on the faith hereof, and the provisions of this Section 6 shall be irrevocable by the Holder until all Senior Debt shall have been paid and fully satisfied and all financing arrangements between the Company and any Senior Lenders relating to the Senior Debt have been terminated.

(l) Additional Agreements Among the Company and Senior Lenders. Any Senior Lender, at any time and from time to time, may enter into such agreement or agreements with the Company as such Senior Lender may deem proper, extending the time of payment of or renewing or otherwise altering the terms of all or any of the Senior Debt or affecting the security underlying any or all of the Senior Debt, or may exchange, sell, release, surrender or otherwise deal, with any such security, without in any way impairing or affecting this Note, including but not limited to this Section 6.

(m) Holder's Waivers. All of the Senior Debt shall be deemed to have been made or incurred in reliance upon the provisions of this Section 6, and the Holder expressly waives all notice of the acceptance by any Senior Lender of the subordination and other provisions of this Note, all other notices whatsoever, and reliance by the Senior Lenders upon the subordination and other agreements as herein provided. The Holder by its acceptance of this Note agrees that: (i) no Senior Lender has made any warranties or representations with respect to the due execution, legality, validity, completeness or enforceability of the Bank Agreement or any other document or agreement evidencing Senior Debt, or the collectability of any Senior Debt; and (ii) the Senior Lenders shall be entitled to manage and supervise their loans to the Company in accordance with their usual practices, modified from time to time as they deem appropriate under the circumstances, without regard to the existence of any rights that the Holder may now or thereafter have in or to any of the assets of the Company.

(n) No Waiver. No waiver shall be deemed to be made by any Senior Lender of any of its rights hereunder, unless the same shall be in writing signed by such Senior Lender, and each waiver, if any, shall be a waiver only with respect to the specific instance involved, and shall in no way impair the rights of such Senior Lender or the obligations of the Holder to such Senior Lender in any other respect at any other time.

(o) Application of Payments. The Holder hereby agrees that all payments received by any Senior Lender from the Company may be applied and reapplied, in whole or in part, to any of the Senior Debt, as such Senior Lender, in its sole discretion, deems appropriate.

(p) Unsecured Obligation. This Note is an unsecured obligation of the Company and shall remain unsecured for so long as any Senior Debt shall remain outstanding or there shall exist any commitment to provide Senior Debt to the Company.

(q) Complete Nature of Subordination. All rights and interests of the Senior Lenders under this Note shall remain in full force and effect irrespective of: (i) any lack of validity or enforceability of the documents relating to the Senior Debt, or any other agreement or instrument relating thereto; (ii) any exchange, release or non-perfection of the collateral for the Senior Debt, or any other collateral, or any release or amendment or waiver of (or consent to departure from) any of the documents relating to the Senior Debt; or (iii) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Senior Lender, the Holder or another subordinated creditor.

(r) No Contest of Liens or Rights; No Prejudicial Actions. In no event shall the Holder institute, or join as a party in the institution of, any action, suit or proceeding seeking a determination that the lien of the Agent or any other Senior Lender in any of the assets of any of the Company, or any other rights of any nature under the documents relating to the Senior Debt, is invalid,

unperfected, avoidable or unenforceable or is or should be subordinated to the interests of any other person.

7. Definitions. For purposes of this Note, the following capitalized terms have the following meanings:

"Affiliate" means, as to any specified Person, any other Person that, directly or indirectly through one or more intermediaries or otherwise, controls, is controlled by or is under common control with the specified Person. As used in this definition, "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of a Person (whether through ownership of equity interests of that Person, by contract or otherwise).

"Person" means an individual, a partnership, a corporation, a limited liability company, an association, a joint stock company, a trust, a joint venture, an unincorporated organization and a governmental entity or any department, agency or political subdivision thereof.

8. Governing Law. This Note shall be governed by the laws of the State of Delaware, without regard to its conflicts of law principles.

9. Cancellation. After all principal and accrued interest at any time owed on this Note has been indefeasibly paid in full, this Note shall be surrendered to the Company for cancellation and shall not be reissued.

10. Payments. All payments to be made to the Holder of this Note shall be made in the lawful money of the United States of America in immediately available funds.

11. Place of Payment. Payments of principal and interest shall be delivered to the Holder of this Note at the following address:

Graha Niaga, 20th Floor
Jl. Jend. Sudirman 58
Jakarta 12190

or to such other address or to the attention of such other person as specified by prior written notice to the Company.

12. Business Days. If any payment is due, or any time period for giving notice or taking action expires, on a day which is a Saturday, Sunday or legal holiday in the State of Delaware, the payment shall be due and payable on, and the time period shall automatically be extended to, the next business day immediately following such Saturday, Sunday or legal holiday, and interest shall continue to accrue at the required rate hereunder until any such payment is made.

13. Assignment. This Note may not be assigned by the Holder hereof without the prior written consent of Company and the Agent; provided, however, that the Holder may assign this Note to any of (i) Red Sail Spas, L.L.C., (ii) SP Spas LLC, (iii) Sierra Pacific Investments LLC, (iv) Pacific Century Capital Limited, (v) any Affiliate of the Holder, (vi) Mr. Franky Tjahyadikarta, (vii) Mr. Jeffrey

Mathews, or (viii) any Affiliate of the entities or individuals set forth in subsections (i) - (vii) above, without the prior written consent of the Company or the Agent.

Except as otherwise expressly provided in Section 4(b)(i) hereof, interest shall accrue daily on the unpaid principal amount of this Note outstanding from time to time at the rate of nine percent (9%) per annum, or (if less) at the highest rate then permitted under applicable law.

(b) Interest Payment Dates. 2. Payment of Principal on Note: Prepayment. The Company shall pay the Holder in full in cash all outstanding principal of this Note to the Holder on January 2, 2005 ("Maturity Date"), together with all accrued and unpaid interest on the principal amount being repaid. Subject to the restrictions contained in Section 6 below (which may be waived by the Senior Lenders under the Bank Agreement or otherwise), the Company may prepay this Note in whole or in part without premium or penalty.

3. Transfers. Until such time as all amounts due and payable to Holder under this Note are paid in full, the Company will not sell, transfer or assign all or substantially all of its assets in a single or series of transactions.

4. Reductions to Principal Due on Note. The Holder hereby expressly agrees that the Company shall be entitled to reduce the principal amount due and owing under this Note in accordance with Sections 1.4(d), 1.5(d) and/or 9.5(f) of the Purchase Agreement.

5. Events of Default.

(a) Definition. For purposes of this Note, an Event of Default shall be deemed to have occurred if:

(i) the Company fails to pay when due and payable (whether at maturity or otherwise) the full amount of interest then accrued on this Note or the full amount of any principal payment on this Note, and such failure to pay is not cured within 5 days after the occurrence thereof;

(ii) (1) the Company makes an assignment for the benefit of creditors or admits in writing its inability to pay its debts generally as they become due; or an order, judgment or decree is entered adjudicating the Company bankrupt or insolvent; or any order for relief with respect to the Company is entered under the federal Bankruptcy Code; or the Company petitions or applies to any tribunal for the appointment of a custodian, trustee, receiver or liquidator of the Company or of any substantial part of the assets of the Company, or commences any proceeding relating to the Company under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction; (2) or any such petition or application is filed, or any such proceeding is commenced, against the Company and in the case of this clause (2) either (a) the Company by any act indicates its approval thereof, consent thereto or acquiescence therein or (b) such petition, application or proceeding is not dismissed within 60 days;

(iv) the Company fails to comply with Section 3 hereof.

The foregoing shall constitute Events of Default whatever the reason or cause for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

(b) Consequences of Events of Default.

(i) If any Event of Default has occurred, the interest rate on this Note shall increase immediately by an increment of two percentage points to the extent permitted by law. Any increase of the interest rate resulting from the operation of this subsection shall terminate as of the close of business on the date on which such Event(s) of Default no longer exist.

(ii) Subject to the provisions of Section 6 below, upon the occurrence and during the continuance of an Event of Default, the aggregate principal amount of this Note (together with all accrued interest thereon and all other amounts due and payable with respect thereto) shall become immediately due and payable without any action on the part of the Holder, and the Company shall immediately pay to the Holder all amounts due and payable with respect to this Note.

(iii) The Holder shall also have any other rights which such Holder may have been afforded under any agreement at any time and any other rights which such Holder may have pursuant to applicable law.

(iv) The Company hereby waives diligence, presentment, protest and demand and notice of protest and demand, dishonor and nonpayment of this Note, and expressly agrees that this Note, or any payment hereunder, may be extended from time to time and that the Holder may accept security for this Note or release security for this Note, all without in any way affecting the liability of the Company hereunder.

6. Subordination.

(a) Extent of Subordination. All amounts (including all principal, interest, premiums, fees, expenses, indemnities and other payments) payable by the Company with respect to this Note (the "Subordinated Debt") are and shall be subordinate and junior in right of payment to the prior payment in full of the Senior Debt (as defined below) to the extent and in the manner set forth in this Section 6. Except for (i) the periodic payments of interest as contemplated in Section 1(b) above, (ii) payments of Subordinated Debt on or after the Maturity Date, and (iii) set offs against amounts otherwise owing to the Company pursuant to the Purchase Agreement, the Holder will not ask for, demand, sue for, take or receive from the Company, by set-off or in any other manner, the whole or any part of the Subordinated Debt unless and until all Senior Debt shall have been fully paid and satisfied and all commitments to extend credit thereunder shall have been terminated. As used herein, the term "Senior Debt" shall mean (i) all debt, liabilities and obligations of the Company (or its subsidiaries) with respect to that certain Credit Agreement dated as of July 2, 2001 (as amended, modified and restated from time to time, the "Bank Agreement"), among the Company, the financial institutions from time to time party thereto (the "Lenders"), and ABN AMRO Bank, N.V., as Administrative Agent (the "Agent"), including, without limitation, all principal, interest (including,

without limitation, post-petition interest at the rate prescribed in the Bank Agreement, whether or not allowed or allowable, accruing after the commencement of any case, proceeding or other action relating to the bankruptcy, insolvency or reorganization of the Company or its subsidiaries), premium, amounts payable under reimbursement obligations in connection with letters of credit, fees and expenses, including all Enforcement Expenses (as defined below), (ii) all amounts owing with respect to foreign exchange and interest rate hedging agreements between the Company and any Lender, (iii) all amounts owing under agreements refinancing the Bank Agreement, or amendments of the Bank Agreement, including amendments or refinancings that increase the principal amount of the Senior Debt; provided, however, that notwithstanding the foregoing, in no event shall the amount of the Senior Debt exceed \$65,000,000, and (iv) all deferrals, renewals, extensions, refinancings and refundings of, or amendments, modifications or supplements to, any of the foregoing, including any such refinancing provided by financial institutions other than the Agent or any Lender. The Agent, the Lenders and all other financial institutions holding any Senior Debt are hereinafter referred to as "Senior Lenders." As used herein, the term "Enforcement Expenses" means all reasonable costs and expenses incurred by any Senior Lender in connection with its enforcement of any rights or remedies with respect to any Senior Debt, the collection of any of the Senior Debt, or the protection of, or realization upon, any collateral after the occurrence and during the continuance of a default with respect to any Senior Debt, including, by way of example, reasonable attorneys' fees, court costs, appraisal and consulting fees, auctioneers' fees, rent, storage, insurance premiums and like items, and whether or not such amounts are allowed as a claim against the Company (or its subsidiaries) in any bankruptcy, insolvency or reorganization proceeding.

(b) Remedy Suspension.

(i) If and so long as a Payment Default (as defined below) has occurred and is continuing, and written notice thereof (the "Payment Default Notice") has been delivered by the holders of the Senior Debt to the Holder and the Company referencing the provisions of this Section 6 and demanding a suspension of payments during the period of such continuance in accordance with this Subsection 6(b)(i) (such period of time being referred to as the "Payment Default Suspension Period"), then, except as otherwise set forth below, and except for setoffs against amounts otherwise owing to the Company pursuant to the Purchase Agreement, the Company shall not make, and the Holder shall not accept or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner (including, without limitation, from or by way of any collateral or redemption or sale), payment of all or any part of the Subordinated Debt, nor shall the Holder take any action to accelerate the Subordinated Debt or otherwise exercise its remedies in respect of the Subordinated Debt, including, without limitation, participating as an initiating creditor in an involuntary bankruptcy proceeding against the Company, unless and until the earlier of (w) the Maturity Date, (x) the date of the occurrence of an Event of Default described in Section 5(a)(ii), Section 5(a)(iii) or Section 5(a)(iv) hereof, (y) 121 days after the date that the Senior Debt has been paid in full or (z) the Payment Default has been cured by the Company or waived by the holders of the Senior Debt or the holders of the outstanding principal amount of the Senior Debt have terminated the Payment Default Suspension Period, in each case in accordance with the terms of the Bank Agreement.

(ii) If and so long as a Non-Payment Default (as defined below) has occurred and is continuing, and written notice thereof (the "Non-Payment Default Notice") has

been delivered by the holders of the Senior Debt to the Holder and the Company referencing the provisions of this Section 6 and demanding a suspension of payments during the period of such continuance in accordance with this Subsection 6(b)(ii) (such period of time being referred to as the "Non-Payment Default Suspension Period" and, together with the Payment Default Suspension Period, a "Payment Suspension Period"), then, except as otherwise set forth below, the Company shall not make, and the Holder shall not accept or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner (including, without limitation, from or by way of any collateral or redemption or sale), payment of all or any part of the Subordinated Debt, nor shall the Holder take any action to accelerate the Subordinated Debt or otherwise exercise its remedies in respect of the Subordinated Debt, including, without limitation, participating as an initiating creditor in an involuntary bankruptcy proceeding against the Company, unless and until the earlier of (v) the Maturity Date, (w) the date of the occurrence of an Event of Default described in Section 5(a)(ii), Section 5(a)(iii) or Section 5(a)(iv) hereof, (x) the Senior Debt has been paid in full, (y) the Non-Payment Default has been cured by the Company or waived by the holders of the Senior Debt or the holders of the outstanding principal amount of the Senior Debt have terminated the Non-Payment Default Suspension, or (z) 180 days after the date the Holder received the Non-Payment Default Notice with respect to a Non-Payment Default, in each case in accordance with the terms of the Bank Agreement.

(iii) As used herein, the term "Payment Default" means the occurrence and continuance (after the expiration of any applicable grace or cure periods) of a default in payment of all or any part of the Senior Debt, and the term "Non-Payment Default" means a default under the Bank Agreement other than a Payment Default.

(c) Liquidation, Winding Up, etc. Upon any distribution of assets of the Company or upon any dissolution, winding up, liquidation or reorganization of the Company, whether in any bankruptcy, insolvency, reorganization or receivership proceeding or upon an assignment for the benefit of creditors or any other marshaling of the assets and liabilities of the Company or otherwise:

(i) the holders of all Senior Debt shall be entitled to receive payment in full of the principal thereof, the interest due thereon and any premium, fees, expenses, indemnities or other payment obligation with respect thereto before the Holder is entitled to receive any payment (other than equity securities or debt securities which are subordinated to the Senior Debt to at least the same extent as this Note is subordinated to the Senior Debt, and then only to the extent that no payments may be made under such debt or equity securities, or any instruments arising therefrom, until the Senior Debt is paid in full) upon the Subordinated Debt; and

(ii) any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, by set-off or otherwise, to which the Holder would be entitled but for the provisions of this Section 5 shall be paid by the liquidating trustee or agent or other Person (as defined below) making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise: (a) first directly to the holders of Senior Debt or their agents or representatives or to the trustee or trustees under any indenture under which any

instruments evidencing any of such Senior Debt may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the principal of, interest on and any premium or other amounts payable with respect to the Senior Debt held or represented by each such holder, to the extent necessary to make payment in full of all Senior Debt remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of the Senior Debt; and (b) the remainder, if any, to the Holder; and

(iii) if the Holder has not presented a claim in respect of the Subordinated Debt within 15 days of the commencement of any applicable claims filing period, the holders of Senior Debt shall have the right to present such claims in respect of the Subordinated Debt. So long as any amounts remain due and owing in respect of the Senior Debt or any commitments remain to extend credit thereunder, Holder shall not, without the prior consent of the Lenders, approve a plan in bankruptcy in respect of the Company the terms of which do not call for the payment of the Senior Debt in full in cash on the confirmation date of such plan.

The consolidation of the Company with, or the merger of the Company into, another entity shall not be deemed a dissolution, winding up, liquidation or reorganization of the Company for the purposes of this Section 6(c) if such other entity, as a part of such consolidation or merger, succeeds to the Company's property and business and assumes the Company's obligations (including the Senior Debt and the Subordinated Debt).

(d) Payment Held in Trust. All payments or distributions by the Company upon or with respect to the Subordinated Debt which are received by the Holder in violation of or contrary to the provisions of Subsections 5(a), 5(b) or 5(c) above shall be received in trust for the benefit of the holders of the Senior Debt and shall be paid over promptly, with or without demand therefor, to such holders in the same form as so received (with all necessary endorsements and assignments) to be applied to the payment of the Senior Debt. In the event of the failure of the Holder to make any such endorsement or assignment to the Senior Lenders, the Senior Lenders, or any of their officers or employees, are hereby irrevocably authorized to make the same.

(e) Setoff. Notwithstanding anything to the contrary contained herein or otherwise, the Holder shall at all times be entitled to setoff against the amount owing hereunder by amounts the Holder otherwise owes to the Company pursuant to the Purchase Agreement, and the Holder shall not be required or requested to pay, hold in trust or pay over any such setoff amount to any Person.

(f) Instrument Legend. Any instruments evidencing this Note will, on the date hereof or promptly hereafter, be inscribed with a legend conspicuously indicating that payment thereof is subordinated to the claims of the Senior Lenders. Any instrument evidencing any of the Subordinated Debt, or any portion thereof, which is hereafter executed by the Company, will, on the date thereof, be inscribed with the aforesaid legend.

(g) Subordinated Debt Owed Only to the Holder. The Holder by acceptance of this Note warrants and represents that the Holder has not previously assigned any interest in this Note to any party, that no party owns an interest in this Note other than the Holder (whether as joint holders of the

Subordinated Debt, participants or otherwise), and that the entire Subordinated Debt is owing to the Holder, subject only to the rights of the Senior Lenders hereunder.

(h) Acceleration and Exercise of Remedies. Nothing contained in this Note shall prevent the Holder from (i) accelerating this Note following the acceleration of any payment due under the Senior Debt or the declaration that the Senior Debt is immediately due and payable in full, (ii) instituting legal proceedings to enforce and collect upon the amounts outstanding under this Note in the event that the Lenders either commence any such proceedings in respect of the Senior Debt or formally commence the exercise of its or their remedies in respect of any collateral securing the Senior Debt (other than remedies intended solely for the protection of the collateral and the lenders' interests therein and not related to any sale or disposition of or foreclosure upon the collateral), or (iii) filing any proof of claim in respect of the amounts outstanding under this Note in connection with any bankruptcy or similar proceedings of the Company; provided that any amounts received or receivable in connection therewith in respect of the Subordinated Debt by the Holder shall be subject to the provisions of Subsection 6(a), 6(c) and 6(d) above.

(i) Rights Not Subordinated. The provisions of this Section 6 are for the purpose of defining the relative rights of the holders of Senior Debt on the one hand and of the Holder on the other hand, and nothing herein shall impair (as between the Company, the Holder and creditors of the Company, other than the holders of the Senior Debt) the Company's obligation to the Holder to pay to Holder the full amount of this Note in accordance with the terms hereof. No provision of this Section 6 shall be deemed to subordinate, to any extent, any claim or right of the Holder to any claim against the Company by any creditor or any other Person except to the extent expressly provided herein.

(j) Payment Set Aside. To the extent that (i) the Holder has turned over any cash, securities or other property received as payments from the Company to the holders of Senior Debt hereunder for application to the Senior Debt or (ii) any cash, securities or other property to which the Holder would otherwise have been entitled (but for the provisions of this Section 6) as payments from the Company are paid to the holders of Senior Debt for application to the Senior Debt, and any such payments or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from or disgorged by the Holder or are otherwise required to be refunded, repaid or restored by the Holder to the Company or any trustee, receiver or other Person under any law (including, without limitation, any bankruptcy or insolvency law or any federal or state equitable cause), then to the extent of any such refund, repayment or restoration the holders of Senior Debt shall repay such amount to the Holder and Holder's other rights and obligations hereunder shall be renewed and continued in full force and effect as if such original payment had not been made by the Holder to the holders of Senior Debt. This Subsection (i) shall survive the termination and cancellation of this Note.

(k) Term. The provisions of this Section 6 shall constitute a continuing agreement of subordination, and the Senior Lenders may continue, without notice to the Holder, to lend monies, extend credit and make other financial accommodations to or for the account of the Company, on the faith hereof, and the provisions of this Section 6 shall be irrevocable by the Holder until all Senior Debt shall have been paid and fully satisfied and all financing arrangements between the Company and any Senior Lenders relating to the Senior Debt have been terminated.

(l) Additional Agreements, Among the Company and Senior Lenders. Any Senior Lender, at any time and from time to time, may enter into such agreement or agreements with the

Company as such Senior Lender may deem proper, extending the time of payment of or renewing or otherwise altering the terms of all or any of the Senior Debt or affecting the security underlying any or all of the Senior Debt, or may exchange, sell, release, surrender or otherwise deal, with any such security, without in any way impairing or affecting this Note, including but not limited to this Section 6.

(m) Holder's Waivers. All of the Senior Debt shall be deemed to have been made or incurred in reliance upon the provisions of this Section 6, and the Holder expressly waives all notice of the acceptance by any Senior Lender of the subordination and other provisions of this Note, all other notices whatsoever, and reliance by the Senior Lenders upon the subordination and other agreements as herein provided. The Holder by its acceptance of this Note agrees that: (i) no Senior Lender has made any warranties or representations with respect to the due execution, legality, validity, completeness or enforceability of the Bank Agreement or any other document or agreement evidencing Senior Debt, or the collectability of any Senior Debt; and (ii) the Senior Lenders shall be entitled to manage and supervise their loans to the Company in accordance with their usual practices, modified from time to time as they deem appropriate under the circumstances, without regard to the existence of any rights that the Holder may now or thereafter have in or to any of the assets of the Company.

(n) No Waiver. No waiver shall be deemed to be made by any Senior Lender of any of its rights hereunder, unless the same shall be in writing signed by such Senior Lender, and each waiver, if any, shall be a waiver only with respect to the specific instance involved, and shall in no way impair the rights of such Senior Lender or the obligations of the Holder to such Senior Lender in any other respect at any other time.

(o) Application of Payments. The Holder hereby agrees that all payments received by any Senior Lender from the Company may be applied and reapplied, in whole or in part, to any of the Senior Debt, as such Senior Lender, in its sole discretion, deems appropriate.

(p) Unsecured Obligation. This Note is an unsecured obligation of the Company and shall remain unsecured for so long as any Senior Debt shall remain outstanding or there shall exist any commitment to provide Senior Debt to the Company.

(q) Complete Nature of Subordination. All rights and interests of the Senior Lenders under this Note shall remain in full force and effect irrespective of: (i) any lack of validity or enforceability of the documents relating to the Senior Debt, or any other agreement or instrument relating thereto; (ii) any exchange, release or non-perfection of the collateral for the Senior Debt, or any other collateral, or any release or amendment or waiver of (or consent to departure from) any of the documents relating to the Senior Debt; or (iii) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Senior Lender, the Holder or another subordinated creditor.

(r) No Contest of Liens or Rights; No Prejudicial Actions. In no event shall the Holder institute, or join as a party in the institution of, any action, suit or proceeding seeking a determination that the lien of the Agent or any other Senior Lender in any of the assets of any of the Company, or any other rights of any nature under the documents relating to the Senior Debt, is invalid, unperfected, avoidable or unenforceable or is or should be subordinated to the interests of any other person.

7. Definitions. For purposes of this Note, the following capitalized terms have the following meanings:

"Affiliate" means, as to any specified Person, any other Person that, directly or indirectly through one or more intermediaries or otherwise, controls, is controlled by or is under common control with the specified Person. As used in this definition, "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of a Person (whether through ownership of equity interests of that Person, by contract or otherwise).

12. Business Days. If any payment is due, or any time period for giving notice or taking action expires, on a day which is a Saturday, Sunday or legal holiday in the State of Delaware, the payment shall be due and payable on, and the time period shall automatically be extended to, the next business day immediately following such Saturday, Sunday or legal holiday, and interest shall continue to accrue at the required rate hereunder until any such payment is made.

13. Assignment. This Note may not be assigned by the Holder hereof without the prior written consent of Company and the Agent; provided, however, that the Holder may assign this Note to any of (i) Red Sail Spas, L.L.C., (ii) SP Spas LLC, (iii) Sierra Pacific Investments LLC, (iv) Pacific Century Capital Limited, (v) any Affiliate of the Holder, (vi) Mr. Okie R.
