**Re: Monster Worldwide, Inc.  
Schedule 14D-9  
Filed September 6, 2016  
File No. 005-49641**

Dear Mr. Nussbaum:

We have limited our review of the above filing to those issues we have addressed in our comments. In some of our comments, we may ask you to provide us with information so we may better understand the disclosure.

Please respond to this letter by amending the filing, by providing the requested information. If you do not believe our comments apply to the Company's facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to the filing and the information you provide in response to these comments, we may have additional comments. All defined terms used in this letter have the same meaning as in the Schedule 14D-9, unless otherwise indicated.

Background of the Merger Agreement, page 14

1. We note the disclosure on page 22 indicating that on August 1, 2016, Monster provided to Randstad certain non-public projected financial data relating to Monster for the third and fourth quarter. Please advise if these projections were different than the Forecasts disclosed on page 41. If they were different, please advise what consideration the Company has given to disclosing these projections.

Certain Forecasts, page 40

2. We note that the Company has included non-GAAP financial measures in its Forecasts. Please revise to provide the disclosure required by Rule 100 of Regulation G. For guidance, refer to Question 101.01 of the Division of Corporation Finance's Compliance and Disclosure Interpretations of Non-GAAP Financial Measures.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to the company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
