Item 1.01 Entry into a Material Definitive Agreement.

On December 2, 2010, the Board of Directors of Competitive Technologies, Inc., a Delaware corporation (the “Company”), declared a dividend distribution of one right (each, a “Right”) for each outstanding share of common stock, par value \$0.001, of the Company (the “Common Shares”). The dividend is payable to holders of record as of the close of business on December 2, 2010 (the “Record Date”).

The following is a summary description of the Rights. This summary is intended to provide a general description only and is subject to the detailed terms and conditions of the Rights Agreement, dated as of December 2, 2010 and executed on December 14, 2010, by and between the Company and American Stock Transfer & Trust Company, LLC as rights agent (the “Rights Agent”), a copy of which is attached hereto as Exhibit 4.1, which is incorporated herein by reference (the “Rights Agreement”).

On December 2, 2010, the Board of Directors (the “Board”) of COMPETITIVE TECHNOLOGIES, INC., a Delaware corporation (the “Company”), declared a dividend of one right (collectively, the “Rights”) for each outstanding share of Common Stock, par value \$0.001 per share, of the Company (the “Common Shares”). The Rights will be issued to the holders of record of Common Shares outstanding at December 2, 2010 (the “Record Date”) and with respect to Common Shares issued thereafter until the Distribution Date (as defined below). Each Right, when it becomes exercisable as described below, will entitle the registered holder to purchase from the Company one one-thousandth (1/1,000th) of a share of Series B Preferred Stock, par value \$0.001 per share, of the Company (the “Preferred Shares”) at a price of \$100.00 (the “Purchase Price”).

Until the earlier of (i) such time as the Company learns that a person or group (including any affiliate or associate of such person or group), other than any person or group with beneficial ownership of more than 20% of the outstanding Common Stock as of December 2, 2010 (only so long as such person or group does not increase its beneficial ownership of Common Stock, subject to certain exceptions), has acquired, or obtained the right to acquire, beneficial ownership of more than 20% of the outstanding Common Shares (any such person or group being called an “Acquiring Person”) and (ii) such date, if any, as may be designated by the Board following the commencement of, or first public disclosure of an intention to commence, a tender or exchange offer for outstanding Common Shares which could result in such person or group becoming the beneficial owner of more than 20% of the outstanding Common Shares (the earlier of such dates being called the “Distribution Date”), the Rights will be evidenced by certificates for Common Shares registered in the names of the holders thereof, or, in the case of Common Shares held in uncertificated form, by the transaction statement or other record of ownership of such Common Shares, and not by separate Right Certificates. With respect to any Common Shares outstanding as of the Record Date, until the earliest of the Distribution Date, the Redemption Date or the Expiration Date, (i) in the case of certificated shares, the Rights associated with the Common Shares represented by a certificate shall be evidenced by such certificate along with a copy of this Summary of Rights, and the surrender for transfer of any such certificate shall also constitute the transfer of the Rights associated with the Common Shares represented thereby, and (ii) in the case of Common Shares held in uncertificated form, the Rights associated with the Common Shares shall be evidenced by the balances indicated in the book-entry account system of the transfer agent for the Common Shares, and the transfer of any Common Shares in the book-entry account system of the transfer agent for such Common Shares shall also constitute the transfer of the Rights associated with such Common Shares. Therefore, until the Distribution Date, the Rights may be transferred with and only with the underlying Common Shares.

As soon as practicable following the Distribution Date, separate certificates evidencing the Rights (“Right Certificates”) will be mailed to holders of record of the Common Shares as of the close of business on the Distribution Date, and such separate Right Certificates alone will thereafter evidence the Rights.

The Rights are not exercisable until the Distribution Date and will expire at 5:00 p.m., New York City time, on December 2, 2013 (the “Expiration Date”), unless earlier redeemed or exchanged by the Company as described below.

The number of Preferred Shares or other securities issuable upon exercise of the Rights is subject to adjustment by the Board in the event of any change in the Common Shares or Preferred Shares, whether by reason of stock dividends, stock splits, reclassifications, recapitalizations, mergers, consolidations, combinations or exchanges of securities, split-ups, split-offs, spin-offs, liquidations, other similar changes in capitalization, any distribution or issuance of assets, evidences of indebtedness or subscription rights, options or warrants to holders of Common Shares or Preferred Shares or otherwise. The Purchase Price and the number of Preferred Shares or other securities issuable upon exercise of the Rights are subject to adjustment from time to time in the event of the declaration of a stock dividend on the Common Shares payable in Common Shares or a subdivision or combination of the Common Shares prior to the Distribution Date.

The Preferred Shares are authorized to be issued in fractions which are an integral multiple of one one-thousandth (1/1,000th) of a Preferred Share. The Company may, but is not required to, issue fractions of shares upon the exercise of Rights, and in lieu of fractional shares, the Company may make a cash payment based on the market price of such shares on the first trading date prior to the date of exercise or utilize a depositary arrangement as provided by the terms of the Preferred Shares.

Subject to the right of the Board to redeem or exchange the Rights as described below, at such time as there is an Acquiring Person, the holder of each Right will thereafter have the right to receive, upon exercise thereof, for the Purchase Price, that number of one one-thousandths (1/1,000ths) of a Preferred Share equal to the number of Common Shares which at the time of such transaction would have a market value of twice the Purchase Price. Any Rights that are or were beneficially owned by an Acquiring Person on or after the Distribution Date will become null and void and will not be subject to the “flip-in” provision.

In the event the Company is acquired in a merger or other business combination by an Acquiring Person that has common shares publicly traded in the United States or 50% or more of the Company’s assets or assets representing 50% or more of the Company’s earning power are sold, leased, exchanged or otherwise transferred (in one or more transactions) to an Acquiring Person that has common shares publicly traded in the United States, proper provision must be made so that each Right will entitle its holder to purchase, for the Purchase Price, that number of common shares of such entity which at the time of the transaction would have a market value of twice the Purchase Price. In the event the Company is acquired in a merger or other business combination by an Acquiring Person that does not have common shares publicly traded in the United States or 50% or more of the Company’s assets or assets representing 50% or more of the earning power of the Company are sold, leased, exchanged or otherwise transferred (in one or more transactions) to an Acquiring Person that does not have common shares publicly traded in the United States, proper provision must be made so that each Right will entitle its holder to purchase, for the Purchase Price, at such holder’s option, (i) that number of common shares of the surviving corporation in the transaction with such entity which at the time of the transaction would have a

book value of twice the Purchase Price, (ii) that number of common shares of such entity which at the time of the transaction would have a book value of twice the Purchase Price or (iii) if such entity has an affiliate which has common shares publicly traded in the United States, that number of common shares of such affiliate which at the time of the transaction would have a market value of twice the Purchase Price. The “flip-over” provision only applies to a merger or similar business combination with an Acquiring Person.

ANY RIGHTS THAT ARE OR WERE, AT ANY TIME ON OR AFTER THE DATE AN ACQUIRING PERSON BECOMES SUCH, BENEFICIALLY OWNED BY AN ACQUIRING PERSON OR ANY AFFILIATE OR ASSOCIATE OF AN ACQUIRING PERSON (OR A TRANSFEREE THEREOF) WILL BECOME NULL AND VOID AND ANY HOLDER OF ANY SUCH RIGHT (INCLUDING ANY SUBSEQUENT HOLDER) WILL BE UNABLE TO EXERCISE ANY SUCH RIGHT.

The Rights are redeemable by the Board at a redemption price of \$0.001 per Right (the “Redemption Price”) any time prior to the earlier of (i) the Distribution Date and (ii) the Expiration Date (the date of such redemption being the “Redemption Date”). Immediately upon the action of the Board electing to redeem the Rights, and without any further action and without any notice, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

After there is an Acquiring Person the Board may elect to exchange each Right (other than Rights owned by an Acquiring Person) for consideration per Right consisting of (i) one-half of the securities that would be issuable at such time upon the exercise of one Right pursuant to the terms of the Rights Agreement or (ii) cash in an amount equal to the Purchase Price. Notwithstanding the foregoing, the Board is not empowered to effect such exchange at any time after any person (other than the Company, any subsidiary of the Company, any employee benefit plan of the Company or any such subsidiary, or any entity holding Common Shares for or pursuant to the terms of any such plan), together with all affiliates and associates of such person, becomes the beneficial owner of 50% or more of the Common Shares then outstanding.

At any time prior to such time as there shall be an Acquiring Person, the Company may, without the approval of any holder of the Rights, supplement or amend any provision of the Rights Agreement (including the date on which the Distribution Date will occur, the amount of the Purchase Price or the definition of “Acquiring Person”), except that no supplement or amendment may be made that extends the Expiration Date or reduces the Redemption Price.

Until a Right is exercised, the holder thereof, as such, will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends.
