### PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

---

The Board of Directors is furnishing shareholders this proxy statement to solicit proxies to be voted at the Annual Meeting of Shareholders of Competitive Technologies, Inc. ("CTTC"), a Delaware corporation. The meeting will be held on Thursday, June 20, 2013, at 10:00 a.m. local time at Norwalk Inn & Conference Center, 99 East Avenue, Norwalk, Connecticut.

#### Voting Rights and Solicitation of Proxies

*Record Date.* The record date for the Annual Meeting is the close of business on April 26, 2013. Only shareholders of record at the close of business on that date will be entitled to notice of, and to vote at, the Annual Meeting.

*Quorum.* The Company's bylaws provide that the holders of a majority of the stock issued and outstanding and entitled to vote generally in the election of directors, present in person or represented by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted as present for the purpose of determining the presence of a quorum.

*Voting Your Proxy.* Exercise your vote in accordance with the method of your choice, via the Internet or by telephone. The proxy will be voted as you direct. In the event no directions are specified, your shares will be voted (1) **FOR** the election of the nominees named below as directors; (2) **FOR** ratification of the appointment of Mayer Hoffman McCann, CPAs as our independent registered public accounting firm for the fiscal year 2013 ending December 31, 2013; (3) **FOR** the approval, on an advisory basis, of the compensation of our named executive officer(s); (4) **FOR** the recommendation, on advisory basis, to hold a shareholder advisory vote on named executive officer compensation every three years; and at the discretion of the designated proxy holders as to other matters that may properly come before the Annual Meeting.

**If you are a shareholder of record**, holding a stock certificate registered in your name on the books of our transfer agent, American Stock Transfer & Trust Company, as of the close of business on April 26, 2013, and attend the meeting, you may vote in person at the meeting on proxies available at the meeting for that purpose, or revoke a previously submitted proxy and complete a new proxy.

**If your shares are held in a stock brokerage account with you as a beneficial owner**, your broker will **not** be able to vote your shares with respect to the election of directors if you have not provided directions to your broker. We strongly encourage you to exercise your right to vote as a shareholder. In order to do so,

- you must return your voting instructions to your broker or nominee, the holder of record, **or**
- you must vote your shares through your broker or nominee via the internet or by phone, **or**
- if you wish to vote in person at the meeting, you must obtain from the record holder and bring to the meeting a proxy **signed by the record holder** identifying you as the beneficial owner of the shares and giving you the right to vote the shares at the meeting. (You may **not** use the voting instruction form provided by your broker or nominee to vote in person at the meeting.)

*Revoking Your Proxy.* You may revoke your proxy at any time before the voting closes by notifying us; no formal procedure is required. Votes are tabulated by an independent agent, and reported at the Annual Meeting.

We intend to make available to our shareholders this proxy statement, including the Notice of Annual Meeting of Shareholders, on or about May 10, 2013.

Holders of common stock and of preferred stock at the close of business on the record date of April 26, 2013, are entitled to vote at the meeting:

Common stock	15,854,804 shares outstanding, one vote per share
Preferred stock	2,427 shares outstanding, one vote per share
Class C Convertible Preferred Stock	375 shares outstanding, 1,000 votes per share, each share convertible to 1,000 shares of common stock

If you abstain from voting, your shares will be counted as shares present and entitled to vote in determining the presence of a quorum for the meeting, but will not be voted in determining approval of any matter submitted to shareholders for a vote. An abstention will have the same effect as a negative vote on a matter submitted to shareholders for a vote. If a broker indicates that it does not have discretionary authority to vote on a particular matter, broker non-votes, those shares will be counted as shares present in determining the presence of a quorum for the meeting but will not be considered present or entitled to vote with respect to that particular matter.

## 1. ELECTION OF DIRECTORS

A board of five directors, constituting the entire Board of Directors in accordance with the Company's amended Bylaws, effective March 31, 2012, will be elected at the Annual Meeting by the shareholders of the Company to hold office until their successors have been elected and qualified. ## DIRECTOR COMPENSATION

Each of our non-employee directors is paid an annual cash retainer of \$10,000, paid quarterly in arrears, for their services to the Company. Prior to January 2011, directors were also issued shares of common stock pursuant to our 1996 Directors Stock Participation Plan, as amended, and were granted stock options to purchase common stock pursuant to our 2000 Directors Stock Option Plan, both as described below. In addition, effective in fiscal year 2005, the Chairman of the Board, if a non-employee, and the Chairman of the Audit Committee are paid annual stipends for the additional responsibilities and time commitments required of them. From January 1, 2011, through January 2012, the annual stipends for serving as Chairman of the Board, if a non-employee, and the Chairman of the Audit Committee were \$60,000 and \$6,400, respectively.

Each non-employee director is also paid \$1,000 for each Board meeting attended and \$500 for each committee meeting attended. All directors are reimbursed for out-of-pocket expenses incurred to attend Board and committee meetings.

On the first business day of January, each non-employee director who had been elected by the stockholders and had served at least one full year as a director was issued a number of shares of common stock equal to the lesser of \$15,000 divided by the per share fair market value of such stock on the issuance date, or 2,500 shares. If a non-employee director were to leave the Board after serving at least one full year, but prior to the January issuance date, we will issue shares of common stock to the director on a pro-rata basis up to the termination date.

Non-employee directors were granted 10,000 fully vested, non-qualified stock options to purchase our common stock on the date the individual was first elected as a director, whether by the stockholders or by the Board, and was granted 10,000 options on the first business day of January thereafter, provided the individual was still a director. The stock options granted were at an exercise price not less than 100% of the fair market value of the common stock at the grant date and had a term of five (5) years from date of grant; options granted under earlier, now expired plans had ten year terms. If an individual's directorship terminated because of death or permanent disability, the stock options may be exercised within one year after termination. If the termination was for any other reason, the stock options may be exercised within 180 days after termination. However, the Board had the discretion to amend previously granted stock options to provide that such stock options may continue to be exercisable for specified additional periods following termination. In no event may a stock option be exercised after the expiration of its term. On March 1, 2012, the Board of Directors voted to waive the accelerated termination date on options held by Joel Evans, MD, and William L. Reali that would have occurred as a result of their resignations from the Board. On January 29, 2013, the Board of Directors voted to waive the accelerated termination date on options held by Richard D. Hornidge, Jr. that would have occurred as a result of his resignation from the Board.

The following table summarizes the total compensation awarded to, earned by or paid by us for services rendered during fiscal year 2012 ended December 31, 2012, to the non-employee Board of Director members:

## **BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires our directors and officers, and persons who own more than five percent of the Common Stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). SEC regulations require reporting persons to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports received or written representations from certain reporting persons, we believe all reporting persons complied with all applicable reporting requirements.

## **CERTAIN RELATIONSHIPS, RELATED TRANSACTIONS, DIRECTOR INDEPENDENCE**

Our Board of Directors determined that when a director's services are outside the normal duties of a director, we compensate the director at the rate of \$1,000 per day, plus expenses, which is the same amount we pay a director for attending a one-day Board meeting. We classify these amounts as consulting expenses, included in personnel and other direct expenses relating to revenues.

Four of CTTC's Board Directors - Brennan, Howard, Moussa, and Yarbrow - are considered to be independent directors.

## **REPORT OF THE COMPENSATION COMMITTEE**

This report of the Compensation Committee (the "Committee") shall not be deemed incorporated by reference by any general statement incorporating the Proxy Statement by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (the "Acts"), except to the extent that CTTC specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

CTTC's compensation program consists of base salary, bonus, stock options, other incentive awards and other benefits, which the Committee generally reviews annually. The Committee's overall philosophy is to align compensation with our business strategy and to support achievement of our long-term goals. In order to attract and retain competent executives, we believe it is essential to maintain an executive compensation program that provides overall compensation competitive with that paid to executives with comparable qualifications and experience.

In May 2011, the Committee presented the 2011 Employees', Directors' and Consultants' Stock Option Plan ("The 2011 Plan") to the Board of Directors, which voted to approve it. The 2011 Plan was filed with the U.S. Securities and Exchange Commission as Exhibit 10.1 of the Registration Statement on Form S-8 filed on May 26, 2011.

In October 2012, the Committee prepared the compensation plan offered to the new President and Chief Executive Officer, who came onboard November 1, 2012. The plan is detailed in the Offer of Employment filed with the U.S. Securities and Exchange Commission as Exhibit 10.1 of the Form 8-K filed on October 31, 2012. The Committee will monitor and review that plan as it is implemented and make changes as needed.

The Board of Directors is in the process of reviewing all compensation plans to assure effectiveness and fiduciary responsibility.

### ***Compensation Committee Report:***

We have reviewed and discussed with management certain Executive Compensation and Compensation Discussion and Analysis provisions to be included in the Company's Annual Report on Form 10-K, filed pursuant to the Securities Exchange Act of 1934, as amended (the "Annual Report"). Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the Executive Compensation and Compensation Discussion and Analysis provisions referred to above be included in the Company's Annual Report.

### **REPORT OF THE AUDIT COMMITTEE**

The Audit Committee will review and discuss with management our audited financial statements as of and for the year ended December 31, 2012 as well as our Annual Report on Form 10-K, prior to those reports being filed. The Audit Committee has reviewed and discussed with management our Quarterly Reports on Form 10-Q for the year ended December 31, 2012, before those reports were filed.

The Audit Committee discussed with our independent registered accountants, Mayer Hoffman McCann, CPA's, the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as issued, modified or supplemented.

The Audit Committee received the written disclosures from Mayer Hoffman McCann required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as issued, modified or supplemented. The Audit Committee discussed with Mayer Hoffman McCann their independence from management and from CTTC.

The Audit Committee discussed with Mayer Hoffman McCann the overall scope, plans and budget for its audit. In addition, the Audit Committee meets with Mayer Hoffman McCann regularly, with or without management present, to discuss the results of Mayer Hoffman McCann's examination, evaluation of CTTC's internal controls, and the overall quality of CTTC's financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements as of and for the years ended December 31, 2012 and 2011, be included in our Annual Report on Form 10-K for the year ended December 31, 2012.

### **EXECUTIVE OFFICERS**

Effective November 1, 2012, the Board of Directors appointed Carl O'Connell, as President and Chief Executive Officer of the Company. From September 3, 2010 to October 31, 2012, Johnnie D. Johnson, managing member of IR Services, LLC, served as Chief Executive Officer and Chief Financial Officer of the Company; he continues to serve as CFO. Our former Executive Vice President, Aris D. Despo left the Company in January 2012.

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

We have a standing compensation committee on our Board. Our President, or in the absence of a president, our Chief Executive Officer, makes recommendations to the committee as to employee benefit programs and officer and employee compensation.

*Annual Base Salary.* The base salary for our President and Chief Executive Officer was set in the offer letter presented to him in October 2012, and which was filed with the U.S. Securities and Exchange Commission as Exhibit 10.1 of the Form 8-K filed on October 31, 2012.

Mr. Johnson served until October 31, 2012, as Chief Executive Officer and Chief Financial Officer of the Company, per an amended consulting agreement with IR Services, LLC, a Connecticut company of which Mr. Johnson is managing member. Prior to September 2010, IR Services, LLC had a consulting agreement with CTTC to provide CTTC with managerial advice, investor relations services and public relations services. In September 2010, the Consulting Agreement was amended to include the provision of management services, specifically that of Chief Executive Officer. Per the amended Agreement, CTTC paid IR Services, LLC an additional \$5,000 per month for the management services of Mr. Johnson, in addition to the \$20,000 monthly fee for the aforementioned services still provided under the original agreement. On November 1, 2012, the amendment was terminated and the parties reverted to the original consulting agreement, under which Mr. Johnson continues to serve as CFO.

*Incentive Stock Options.* Our President and Chief Executive Officer received 1,000,000 incentive stock options effective February 1, 2013, as set out in the offer letter presented to him in October 2012, and which was filed with the U.S. Securities and Exchange Commission as Exhibit 10.1 of the Form 8-K filed on October 31, 2012. The stock options vest over a five-year period.

*Annual Cash Bonus.* In addition to the competitive annual base salary, we intend to reward executive officers each year for the achievement of specific goals, which may be financial, operational or technological. We consider objectively measurable goals, such as obtaining new investment capital, negotiating valuable contracts and achieving research and regulatory milestones, and more subjective goals, such as quality of management performance and consistency of effort. CTTC's objectives include operating, strategic and financial goals the board considers critical to CTTC's overall goal of building shareholder value. Our recommendations for cash bonuses also take into account CTTC's liquidity and capital resources in any given year.

Because CTTC did not meet its financial goals for the fiscal year and because of other concerns, the Compensation Committee of the Board of Directors determined not to award cash bonuses to any executive officers or to any employees for the fiscal year ended December 31, 2012.

The following table summarizes the total compensation awarded to, earned by or paid by us for services rendered by the 3 highest paid (\$100,000 or more) employees that served during the year ended December 31, 2012, the year ended December 31, 2011, and the five months ended December 31, 2010.

## **Option Exercises During Fiscal Year 2012**

There were no options exercised by employees during the year ended December 31, 2012.

## **Employment, Severance and Change of Control Arrangements**

None

## **Other Arrangements**

### **401(k) Retirement Savings Plan**

We have an employee defined contribution plan qualified under section 401(k) of the Internal Revenue Code for all our employees who have attained the age of 21 and meet certain service requirements. The Plan has been in effect since January 1, 1997. Participation in the Plan is voluntary. Employees may defer compensation up to a specific dollar amount determined by the Internal Revenue Service for each calendar year. We do not make matching contributions, and employees are not allowed to invest in our stock under the Plan.

Our directors may authorize a discretionary contribution to the Plan, allocated according to the provisions of the Plan, and payable in shares of our common stock valued as of the date the shares are contributed. No contributions were authorized in the year ended December 31, 2012.

### **Annual Incentive Plan**

The Competitive Technologies, Inc. Annual Incentive Plan was approved by our Board on November 22, 2005, replacing a prior plan. The Compensation Committee administers the Incentive Plan. The Compensation Committee may suspend or amend the Incentive Plan at any time from time to time, and the Board may terminate the Incentive Plan.

The Incentive Plan provides for eligible employees to earn an annual bonus incentive in cash. The targeted annual bonus incentive award is a percentage of the participant's salary earned during the plan year, as defined in the Incentive Plan, and is comprised of two parts, 50% of which is dependent upon attainment of financial performance metrics that serve as our company wide goals and objectives and are set at the beginning of the year, the Company Component; and 50% of which is dependent upon the individual's performance compared to each individual's pre-established goals and objectives, the Individual Component. If our financial performance is less than 70% of its goal, there will be no award for the Company Component. If our financial performance is more than 120% of its goal, then the Company Component award will increase to 125% of the award, and may, under certain conditions, as defined, increase up to a maximum of 200% of the award. If a participant meets his or her individual goals, we may pay the Individual Component regardless of whether the Company Component is met.

No payments were authorized or made under this plan for fiscal year 2012. Because CTTC did not meet its financial goals for the fiscal year 2010 and because of other concerns, the Compensation Committee of the Board of Directors determined not to award cash bonuses to any executive officers or to any employees for the fiscal year ended December 31, 2011, with the exception of \$29,600 awarded to the former Executive Vice President, Business Development.

### **1997 Employees' Stock Option Plan**

The 1997 Employees' Stock Option Plan provided for the granting of stock options to purchase our Common Stock. Stock options granted under the Stock Option Plan may have been incentive stock options pursuant to Section 422 of the Internal Revenue Code or non-statutory stock options. Stock options granted

under the Stock Option Plan must have been granted at not less than 100% of the fair market value on the date of grant. The Compensation Committee determines the vesting period for the stock options. Stock options expire upon termination of the grantee's employment, or ten years after the grant date. In certain instances stock options which are vested or become vested upon the occurrence of an event or events specified by the Compensation Committee, may continue to be exercisable through up to ten years after the grant date, irrespective of the termination of the optionee's employment with us. No options were allowed to be granted pursuant to this plan after September 30, 2007.

At December 31, 2012, this table provides details of the remaining options awarded under this plan:

<b>Plan Category</b>	<b>Number of securities to be issued upon exercise of outstanding options</b>	<b>Weighted-average exercise price of outstanding options</b>	<b>Number of securities remaining available for future issuance (excluding options outstanding)</b>
Equity compensation plans approved by security holders	57,000	\$ 1.85	-

At April 26, 2013 the number of securities to be issued upon exercise of outstanding options was 57,000.

## 2. ELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

Mayer Hoffman McCann CPAs ("Mayer Hoffman McCann") have been the independent registered public accountants for the company. Pursuant to an asset purchase agreement, our former independent public accounting firm, Mahoney Cohen & Company, CPA, P.C. was acquired by the New York practice of Mayer Hoffman McCann P.C. ("MHM"), and the shareholders of Mahoney Cohen became shareholders of MHM. Following its acquisition of Mahoney Cohen, MHM changed its name to MHM Mahoney Cohen CPAs ("MHM Mahoney Cohen"), effective December 31, 2008. On June 8, 2010, MHM Mahoney Cohen changed their name to Mayer Hoffman McCann CPAs (The New York Practice of Mayer Hoffman McCann P.C.).

*Fees Billed by Principal Accountants* – The following table presents fees for professional services billed by Mayer Hoffman McCann for the years ended December 31, 2012, December 31, 2011, and the five months ended December 31, 2010:

	<b>Year ended December 31, 2012</b>	<b>Year ended December 31, 2011</b>	<b>Five months ended December 31, 2010</b>

(1) Fees for S-1 and S-8 review.

### Audit Committee Pre-Approval of Services of Principal Accountants

The Audit Committee has the sole authority and responsibility to select, evaluate, determine the compensation of, and, where appropriate, replace the independent auditor. After determining that providing the non-audit services is compatible with maintaining the auditor's independence, the Audit Committee pre-approves all audits and permitted non-audit services to be performed by the independent auditor, except for de minimus amounts. If it is not practical for the Audit Committee to meet to approve fees for permitted non-audit services, the Audit Committee has authorized its chairman, currently Mr. Yarbrow, to approve them and to review such pre-approvals with the Audit Committee at its next meeting.

### Ratification of Selection of Independent Public Accountants

The persons named in the enclosed proxy will vote to ratify the selection of Mayer Hoffman McCann as independent public accountants for the year ending December 31, 2013, unless otherwise directed by the shareholders. Shareholder ratification of Mayer Hoffman McCann as the Company's independent public accountants is not required by the Company's bylaw or otherwise. However, the Company is submitting selection of Mayer Hoffman McCann to the shareholders for ratification as a matter of good corporate practice. If the shareholders do not ratify the selection of Mayer Hoffman McCann as the Company's independent public accountants, the Audit Committee will reconsider the selection of such independent public accountants. If the selection is ratified, the Audit Committee may, in its discretion, direct the appointment of different independent public accountants at any time during the year if it determines that such a change would be in the best interest of the Company and its shareholders.

**Vote Required**

The affirmative vote of a majority of the shares of Common Stock present or represented by proxy at the Annual Meeting is necessary for the ratification of Mayer Hoffman McCann CPAs as independent public accountants for the fiscal year ended December 31, 2013.

**Recommendation**

Our Board of Directors recommends that shareholders vote **FOR** the ratification of Mayer Hoffman McCann CPAs as independent public accountants for the fiscal year ended December 31, 2013.

### 3: ADVISORY VOTE ON APPROVAL OF EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection of 2010 (or “the Dodd-Frank Act”), now applicable to our Company, enables our shareholders to vote to approve, on an advisory and non-binding basis, the compensation of our named executive officer(s) as described in the Executive Compensation section of this proxy statement, the compensation tables and related material contained in this proxy statement. This “say-on-pay” proposal gives our shareholders the opportunity to express their views on our overall compensation decisions and policies. The Dodd-Frank Act also requires an advisory vote on executive compensation at least once every three years.

While this resolution is non-binding and will not be construed as overruling any decision by the Board or create or imply any fiduciary duty by the Board, the Board and the Compensation Committee value the opinions of the Company’s stockholders and will take into account the outcome of the vote when considering future executive compensation arrangements.

As discussed, the Compensation Committee’s compensation objectives are to attract and retain highly qualified individuals with a demonstrated record of achievement; reward past performance; provide incentives for future performance; and align the interests of the Named Executive Officer(s) with the interests of the shareholders. To do this, the Company must offer a competitive total compensation package. The Compensation Committee and the Board of Directors believe that these policies and procedures are effective in implementing our compensation philosophy and in achieving its goals.

#### **Vote Required**

The affirmative vote of a majority of the shares of Common Stock present or represented by proxy at the Annual Meeting is requested to approve the executive compensation proposed by the Board of Directors.

#### **Recommendation**

Our Board of Directors recommends that shareholders vote **FOR** the advisory resolution to approve the company’s compensation for its named executive officer(s).

#### **4: ADVISORY VOTE ON APPROVAL OF THE FREQUENCY OF HOLDING AN ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICER(S)**

This proposal seeks shareholder input with regard to the frequency of holding future shareholder advisory votes on the compensation of our named executive officer(s.) In particular, we are asking whether the advisory vote on the compensation of our named executive officer(s) should occur every year, every two years, or every three years. The Dodd-Frank Act requires the Company to hold the advisory vote on the frequency of the say-on-pay vote at least once every six years.

In voting on this resolution, you are asked to mark your proxy for one, two, or three years based on your preference as to the frequency with which an advisory vote on executive compensation should be held. If you have no preference you can abstain. Because your vote is advisory, it will not be binding on our Compensation Committee or our Board of Directors. However, the Compensation Committee and the Board will review the voting results and take them into consideration when making future decisions regarding how frequently it should present the advisory vote on the compensation of our named executive officer(s) to our shareholders.

The Board believes that an advisory vote every three years would be most appropriate for the Company. This would give shareholders sufficient opportunity to react promptly to emerging trends in compensation, and the Board and the Compensation Committee the opportunity to evaluate and implement compensation decisions in light of such feedback from shareholders.

#### **Vote Required**

Shareholders are being asked to provide an advisory vote as to whether such vote should be held every one, two or three years. Because the vote on the frequency of holding future advisory votes on the compensation of our named executive officer(s) is not binding, if none of the frequency options receives a majority vote the frequency option receiving the greatest number of votes will be considered the frequency preferred by our shareholders. Proxies received by the Company and not revoked prior to or at the Annual Meeting will be voted for every “3 Years” unless otherwise instructed by the stockholder. Abstentions, and shares not voted by shareholders of record present or represented at the Annual Meeting and entitled to vote, and shares not voted by brokers, will have no effect on the outcome of this proposal.

#### **Recommendation**

Our Board of Directors recommends that shareholders vote **FOR** holding an advisory vote for the approval of the compensation of the named executive officer(s) every “3 years.”

We promptly will deliver a separate copy of this Proxy Statement to you if you call or write us at the following address or phone number: Secretary, Competitive Technologies, Inc., 1375 Kings Highway East, Suite 400, Fairfield, Connecticut, 06824, telephone: (203) 368-6044. If in the future you want to receive separate copies of our corporate communications to shareholders, such as the Notice of Internet Availability of Proxy Materials, proxy statements and annual reports, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your broker or other nominee record holders, or you may contact us at the above address and phone number.

The Board of Directors is not aware of any matter that is to be presented for action at the meeting other than the matters set forth herein. Should any other matters requiring a vote of the shareholders arise, the proxies in the enclosed form confer upon the person or persons entitled to vote the shares represented by such proxies’ discretionary authority to vote the same in respect of any such other matters in accordance with their best judgment in the interest of CTTC.

By Order of the Board of Directors,

Carl O’Connell  
President and Chief Executive Officer
