In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Form 10-KSB for Fiscal Year Ended March 31, 2006

Report of Independent Registered Public Accounting Firm, page 19

1. The audit report of PKF Certified Public Accountants refers to the report of another auditor for the period from August 18, 1995 (date of inception) through March 31, 2004. Please revise to provide the report of the other accountant as required by Rule 2-05 of Regulation S-X.

Item 8A. Controls and Procedures, page 30

2. Please revise your disclosure to provide the information required by Item 308(c) of Regulation S-B.

Exhibits 31 and 31.1

3. The SEC rules under Section 302 of the Sarbanes-Oxley Act require that the language of the 302 certification not be altered. Item 601(b)(31) states that the certification must be provided exactly as stated therein. We note certain differences between the language of your certification and the language that is required. Specifically, the language in paragraphs 4 and 5(a) is incomplete. Please revise your certifications accordingly.

Closing Comments

As appropriate, please amend your filing and respond to these comments no later than August 25, 2006 or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
