(“DRDGOLD” or “the Company”)

PLACEMENT OF SHARES BY A MAJOR SUBSIDIARY

Emperor Mines Limited (“Emperor”), a company registered in Australia and listed on the Australian Stock Exchange (“the ASX”) in which DRDGOLD holds an effective 88.3% interest through its wholly owned subsidiary DRD (Offshore) Limited (“DRD Offshore”), a company registered in the Isle of Man, has entered into various agreements in terms of which it will raise A\$ 40 million, before costs, via the placement of 100 million shares at 40 Australian cents per share (“the placement”).

The placement has been structured as follows:

-
- Tranche 1 comprises 97.6 million shares placed with international and domestic institutional investors and effective on 02 June 2006; and
- Tranche 2 comprises 2.4 million shares to be placed with directors of Emperor, subject to shareholder approval, which approval will be sought in a meeting of Emperor shareholders to be convened in early July 2006.

The board of Emperor has elected to undertake the placement within Emperor’s 15% limit in accordance with the ASX Listings Rules. All of the shares to be issued under the placement will rank pari passu with existing ordinary shares.

The placement of the 100 million shares, subject to necessary shareholder approvals in respect of Tranche 2, will have the effect of diluting DRD Offshore’s holding in Emperor from 88.3% to 79.7%.
