FURTHER ELECTRICITY SUPPLY UPDATE BY DRDGOLD SOUTH AFRICAN
OPERATIONS (PTY) LIMITED

Further to previous SENS announcements, shareholders are advised that underground production resumed yesterday with the night shift at both the East Rand Proprietary Mines Limited and Blyvooruitzicht Gold Mining Company Limited ("Blyvoor") mines. Prior to resuming production last night, Eskom confirmed that production will not be interrupted without at least four hours prior notice. A briefing session was also held yesterday morning with trade unions.

Blyvoor surface operations and Crown Gold Recoveries (Pty) Limited have continued to operate at full capacity during this power crisis.

**UPDATE ON LITIGATION INSTITUTED BY DRDGOLD AND ITS SUBSIDIARIES
AGAINST MESSRS KEBBLE, STRATTON AND BUITENDAG, AND JCI LIMITED**

In July 2003, DRDGOLD, DRD Australia (Pty) Limited and DRD Australasia Aps instituted an action in the High Court of South Africa ("the High Court") against Messrs RAR Kebble, M Prinsloo, J Stratton and HC Buitendag and JCI Limited ("the defendants"), which relate to the RAWAS transaction.

Shareholders are advised that yesterday in the High Court, the defendants, with the exception of Mr Stratton, abandoned their special plea that the matter has become settled and a court order dismissing the special plea with costs was issued. The matter will now be set down to be heard on the merits of the case on a date to be allocated by the Registrar of the High Court.

The following claims are being pursued:

- R69.6 million (A\$11.2 million) for the 7,644,944 DRDGOLD ordinary shares issued on 9 July 1999 at a price per share of R9.10; and
- R7.6 million (A\$1.2million) for the 637,062 DRDGOLD ordinary shares issued on October 8, 1999, at a price per share of R11.90.

DRDGOLD will continue to keep shareholders updated regarding the above litigation.
