ACQUISITION OF AN EQUITY STAKE IN VILLAGE MAIN REEF GOLD MINING COMPANY

Harmony Gold Mining Company Limited (NASDAQ, NYSE: HMY; JSE: HAR) today announced that it has acquired 37.8% of the issued share capital of Village Main Reef Gold Mining Company (1934) Limited ("Village") for an amount of R458,775. The equity stake was purchased from African Rainbow Minerals Limited at a price of 20 cents per share. Due to the fact that the acquisition surpasses the 35% mark, Harmony is obliged under the Securities Regulation Code on Takeovers and Mergers to extend an offer to the remaining shareholders of Village to acquire all of their shares at the same price at which it acquired the 37.8% stake. Should all remaining shareholders accept the offer, it would mean an additional cash outflow of approximately R754,915. More details regarding the mandatory offer will be published as soon as possible.

Village is listed on the JSE Limited in the gold sector and has been dormant for some time without any operating mines. Village has a total of 6 068 446 shares in issue, with a current market capitalisation of approximately R3.3 million. The acquisition forms part of Harmony's strategic positioning.
