FORM 10-K FOR THE YEAR ENDED SEPTEMBER 30, 2008

General

1. Please note that you must resolve all comments relating to this filing before your registration statement on Form S-1, filed on October 3, 2008, can be taken effective.

Item 1. Business

Government Regulation and Supervision, page 10

2. Please quantify the net capital requirements for vFinance Investments and EquityStation and disclose whether they met those requirements as of September 30, 2008. Clarify whether National Securities is subject to any requirement to maintain a ratio of aggregate indebtedness to net capital and, if so, whether National Securities met the required ratio as of the end of your fiscal year. Also, tell us whether vFinance is subject to any additional net capital or similar requirements as a member of the NFA.

Item 3. Legal Proceedings, page 25

3. On page 26, you disclose that you believe certain lawsuits alleging \$3,400,000 in damages are substantially without merit and that you will only pay approximately \$295,000 for representation costs. The statement that these claims are without merit is a legal conclusion that you are not qualified to make. Please confirm that you will omit this type of conclusory statement from future filings. In addition, please tell us the basis for management's conclusion that it will pay only \$295,000 for representation costs.

Item 7. Management's Discussion and Analysis ... page 28

4. Please provide an overview to address management's perspective on the risks and challenges facing your company and how management is dealing with these issues. For example, please address the impact of the current market on your company. Additionally, please address the impact of your merger with vFinance. Also discuss the performance indicators (financial and non-financial) that management uses to manage and assess your business that would be important to investors. Refer to Release 33-8350 (Dec. 19, 2003).

Item 9A. Controls and Procedures, page 39

5. We note that your executive officers concluded that your disclosure controls and procedures were effective to ensure that material information “would be made known to them.” Please tell us whether your CEO and CFO also concluded that your disclosure controls and procedures were effective to ensure that information you were required to disclose in the reports that you file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified by the Commission’s rules and forms, consistent with the definition of “disclosure controls and procedures” under the Exchange Act. Refer to Exchange Act Rule 13a-15(e) and paragraph 4(a) of your certifications. Please confirm that your future filings will more accurately describe the executive officers’ conclusions regarding effectiveness.

Financial Statements and Notes

Note 9 – Acquisitions, pages F-17 – F-21

6. We note that pursuant to the Merger Agreement, each share of vFinance common stock was automatically converted into the right to receive 0.14 shares of your common stock. Please clarify how you determined the fair value of the shares of common stock issued. Reference is made to paragraphs 22 and 23 of SFAS 141 and EITF 99-12. In addition, we note that non-qualified stock options granted pursuant to employment agreements had an exercise price equal to the average of the 10-day closing price of National’s common stock prior to the merger. Advise us how this complies with SFAS 123(R).
7. Please clarify how you determined the fair value of the customer list intangible on the date of acquisition. Your discussion should clarify whether you obtained an independent appraisal or performed an internal valuation and discuss the assumptions and inputs utilized. In addition, given the significant impairment taken shortly after acquisition, please explain the methodology used to determine the impact of the economic factors cited in Note 10 on your customers relationships acquired. While we note the unfavorable financial and economic factors in the fourth quarter, how was uncertainty in the markets at the time of acquisition considered in your determination of fair value.
8. Provide your basis in GAAP for excluding the impairment of intangible assets from your pro forma information. Reference is made to the disclosure provisions of Article 11 of Regulation S-X and SFAS 141.

FORM 10-Q FOR THE PERIOD ENDED DECEMBER 31, 2008

Financial Statements and Notes

Fair Value

9. We note that you do not expect the implementation of SFAS 157 will have a material impact on your results of operations or financial condition. Given that the period ended December 31, 2008 represents the first interim period impacted by your adoption of SFAS 157, tell us how you have complied with the disclosure requirements outlined in paragraphs 32 – 35 of SFAS 157.

Certifications

10. We note that the language in your certifications filed as Exhibits 31.1 and 31.2 does not conform exactly to the language set forth in Exchange Act Rule 13a-14(a). Specifically, we note the introductory language in paragraph 4 referring to internal control over financial reporting was omitted in your Form 10-K for the year ended September 30, 2008 and the introductory language in paragraph 4 and paragraph 4(b) referring to internal control over financial reporting were omitted in your Form 10-Q for the period ended December 31, 2008. Please file an amendment to your annual and quarterly report that includes certifications that conform exactly to the language set forth within the Exchange Act Rule 13a-14(a). If your amendment excludes financial statements, please note that you may file an abbreviated amendment that consists of a cover page, explanatory note, signature page, and paragraphs 1, 2, 4, and 5 of the certification. 13. Please tell us why you have not included perquisites and other benefits in the column “Other Compensation” in accordance with Item 402(n)(2)(ix) of Regulation S-K.
