CUSO FINANCIAL SERVICES, L.P.  
NOTES TO FINANCIAL STATEMENT  
DECEMBER 31, 2021

**NOTE 1 ORGANIZATION AND DESCRIPTION OF THE COMPANY**

CUSO Financial Services, L.P. (the "Partnership"), a wholly owned Subsidiary of its ultimate parent Atria Wealth Solutions, Inc. ("AWSI"), is a registered broker-dealer and investment advisor licensed by the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Partnership provides broker-dealer and investment advisory services primarily to credit unions and credit union service organizations, as an introducing broker-dealer, clearing customer transactions through other broker-dealers on a fully disclosed basis.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Presentation***

This financial statement is prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"), which require the Partnership to make estimates and assumptions regarding valuations of certain financial instruments, accruals for liabilities, and other matters that affect the financial statement and related disclosures. Actual results could differ from those estimates under different assumptions or conditions and the differences may be material to the financial statement.

***Income Taxes***

Income and losses of the Partnership flow through to the partners, and the Partnership is not subject to income taxes. Accordingly, no deferred tax assets and liabilities are recorded within the Partnership's financial statement.

***Concentrations of Credit Risk***

The Partnership maintains cash balances with various financial institutions. At December 31, 2021, accounts at each bank are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. As of December 31, 2021, the Partnership had uninsured cash balances of \$12,243,336. Management performs periodic evaluations of the relative credit standing of these institutions. The Partnership has not recognized any credit losses from these institutions.

The Partnership maintains accounts at clearing firms, which are insured by the Securities Investors Protection Corporation up to \$500,000 (including a maximum of \$250,000 for claims for uninvested cash awaiting reinvestment). As of December 31, 2021, the Partnership had uninsured cash balances of \$1,776,699 at the Partnership's primary clearing firm. Management performs periodic evaluations of the relative credit standing of the clearing firm. The Partnership has not sustained any credit losses from this clearing firm.

At December 31, 2021, the Partnership had commission and transaction related receivables of \$5,169,991 with its primary clearing firm or 31% of total \$16,874,135 receivables from clearing firms.

***Cash and Cash Equivalents***

Cash equivalents are highly liquid investments with an original maturity of 90 days or less that are not required to be segregated under federal or other regulations. The Partnership's cash and cash equivalents are composed of interest-bearing deposits, money market funds and U.S. government obligations.

***Receivables from Clearing Firms and Other Receivables***

Commissions and other receivables are stated at the amounts the Partnership expects to collect. The Partnership considers accounts receivable to be fully collectible. The determination

CUSO FINANCIAL SERVICES, L.P.  
NOTES TO FINANCIAL STATEMENT  
DECEMBER 31, 2021

of the amount of credit losses is based on the estimated creditworthiness of the counterparty and the length of time a receivable has been outstanding. Other factors are considered by management based on relevant information about past events, current conditions, and reasonable supportable forecasts as deemed necessary on a transaction-by-transaction basis. The Partnership continually monitors these estimates over the life of the receivable. The allowance for credit losses reflects the amount of loss that can be reasonably estimated by management. No allowance for credit losses was recorded as of December 31, 2021.

***Investments***

As of December 31, 2021, the Partnership invested in a membership interest in an unrelated limited liability Partnership. The Partnership accounts for this investment in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 323, *Equity Method and Joint Ventures*. Under the equity method, investments are recorded initially at cost. Subsequent adjustments are made through recognition in the Statement of Operations for the Partnership's share of post-acquisition profits and losses. Distributions received reduce the investment account. As of December 31, 2021, equity method investments of \$239,628 are included in the Statement of Financial Condition within the Investments line item.

***Property and Equipment***

Property and equipment are recorded at cost and are depreciated on a straight-line basis over the estimated useful lives of the depreciable assets, which range from three to seven years. Leasehold improvements are amortized over the shorter of the life of the lease or its useful life. Maintenance costs are considered period costs and are expensed as incurred.

***Right of Use Assets and Lease Liabilities***

The Partnership recognizes its leases in accordance with ASC Topic 842, *Leases*. The guidance increases transparency and comparability by requiring the recognition of right-of-use assets ("ROU") and lease liabilities on the Statement of Financial Condition.

The Partnership conducts an analysis of contracts, including real estate leases and service contracts to identify embedded leases, to determine the initial recognition of ROU assets and lease liabilities, which requires subjective assessment over the determination of the associated discount rates.

The discount rate is the implicit rate if it is readily determinable or otherwise the Partnership uses its incremental borrowing rate. The implicit rates of the Partnership's leases are not readily determinable and accordingly, we use the Partnership's incremental borrowing rate based on the information available at the commencement date for all leases.

The Partnership's incremental borrowing rate for a lease is the rate of interest it would have to pay on a collateralized basis to borrow an amount equal to the lease payments under similar terms and in a similar economic environment. The present value of the lease payments was determined using a 5% incremental borrowing rate. ROU assets also exclude lease incentives.

The Partnership has elected, for all underlying classes of assets, to not recognize ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less at lease commencement, and do not include an option to purchase the underlying asset that the Partnership is reasonably certain to exercise. The Partnership recognizes lease costs associated with short-term leases on a straight-line basis over the lease term.

The Partnership's office space lease requires it to make variable payments for the Partnership's proportionate share of the building's property taxes, insurance, and common area maintenance. These variable lease payments are not included in lease payments used to

determine the lease liability and are recognized as variable costs when incurred.

**NOTE 5 - NET CAPITAL REQUIREMENTS**

The Partnership is subject to Rule 15c3-1(a)(2)(ii) of the Securities Exchange Act of 1934, as amended, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Under this rule, equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Partnership is also subject to the net capital requirements and is required to maintain minimum net capital of \$250,000 or 6 and 2/3% of aggregated indebtedness, whichever is higher. At December 31, 2021, the Partnership had net capital of \$8,480,678 which was \$6,992,535 in excess of the required minimum net capital of \$1,488,144. At December 31, 2021, the Partnership's ratio of aggregate indebtedness to net capital was 2.63 to 1.

The Partnership is exempt from the provisions of Rule 15c3-3 (per Paragraph (k)(2)(i) and (ii) of such rule) under the Securities Exchange Act of 1934 as a broker or dealer which carries no customer accounts and does not otherwise hold funds or securities of customers. Due to such exemption, the Partnership is not required to prepare a determination of reserve requirement for brokers or dealers.

**NOTE 6 - COMMITMENTS AND CONTINGENCIES**

**Leases**

The Partnership has an obligation as a lessee for office space with initial noncancelable terms in excess of one year. The Partnership generally pays taxes, insurance, and

maintenance expenses related to the leased facilities. The Partnership classified the lease as an operating lease. The remaining life of the lease term for the lease was 7 years as of December 31, 2021. The lease does not contain a renewal option.

***Litigation***

The Partnership is occasionally involved in legal proceedings in the ordinary course of business, including arbitration claims and other claims. The Partnership's legal proceedings are generally initiated by its customers' clients and involve the purchase or sale of investment securities. In addition, the Partnership is subject to risks related to litigation and settlements arising from market events.

In the opinion of the Partnership's management, based on current available information, review with outside legal counsel and insurance coverage with respect to these matters, ultimate resolution of pending legal matters will not have a material impact on the financial position of the Partnership. However, no assurance can be given that future legal proceedings would not have material effect on the Partnership's financial condition.

***Clearing and Custody, and Trustee and Administrator Relationships***

In the normal course of its business, the Partnership indemnifies and guarantees certain service providers, such as clearing and custody agents, trustees and administrators, against specified potential losses in connection with their acting as an agent of, or providing services to, the Partnership or its affiliates. The Partnership also indemnifies some clients against potential losses incurred in the event specified third-party service providers, including sub custodians and third-party brokers, improperly executed transactions. However, the Partnership believes that the exposure is not material and it is unlikely it will have to make material payments under these arrangements. Also, it has not recorded any contingent liability in the Statement of Financial Condition for such indemnifications.

**NOTE 7 - PARTNERSHIP AGREEMENT**

The Partnership Agreement ("Agreement") sets forth the rights and obligations of the general and limited partners. The Partnership commenced on January 1, 1997 and shall terminate, unless the partners agree otherwise, 90 days following the Partnership's withdrawal as a broker-dealer from the FINRA. Under the Agreement, the general partner shall receive 25% and the limited partners, in aggregate, shall receive 75% of any distributions and allocations. However, any portion of such allocations that would cause a negative capital account balance shall be allocated proportionally among those partners with positive balances. Limited partners shall not be required to make additional capital contributions.

CUSO FINANCIAL SERVICES, L.P.  
NOTES TO FINANCIAL STATEMENT  
DECEMBER 31, 2021

**NOTE 8 - RELATED PARTY TRANSACTIONS**

***Licensing and Expense Sharing Agreements***

The Partnership has signed a perpetual license and development agreement for monthly maintenance and development pertaining to the Partnership's administrative and reporting platform with CUSO Financial Insurance and Technology Services, LLC ("CI&TS"), a related entity. Under the terms of this agreement, the Partnership incurs specified monthly fees for maintenance and ordinary development services. This agreement is cancelable with one-year written notification and provides for a continued monthly user fee while the software is being utilized by the Partnership. The Partnership is in no way obligated to repay CI&TS; but, at its sole discretion, it may repay CI&TS providing that such repayment would not result in the Partnership falling below 120% of its minimum net capital requirement.

The Partnership was due \$1,836,586 from CI&TS and the receivable is included in due from affiliates in the accompanying Statement of Financial Condition.

The Partnership is involved in certain related party transactions with Sorrento Pacific Financial, LLC ("SPF"), an entity related through common ownership. As of December 31, 2021, the intercompany receivable from SPF was \$115,104 and is included within due from affiliates within the accompanying Statement of Financial Condition.

The Partnership has an expense sharing agreement with AWSI. The Partnership's expense sharing agreement provides that it will pay AWSI for management and administrative services. Conversely, the expense sharing agreement provides that AWSI will pay the Partnership for certain management and administrative services. As of December 31, 2021, the Partnership has a liability to AWSI of \$397,682, which is included within due to affiliate on the Statement of Financial Condition. This amount did not result in the Partnership falling below 120% of its minimum net capital requirement and the Partnership intended to pay these amounts at year end.

In addition to expense sharing agreements, the Partnership is party to other business transactions that create additional intercompany balances. Intercompany activities for the year ended December 31, 2021, included but were not limited to the settlement of passthrough costs from shared vendors with certain entities in which AWSI has an equity interest. Such amounts are set forth in the following summary of amounts included within due from and due to affiliates on the Statement of Financial Condition as of December 31, 2021:
